Resolution No. R-551-10

Subject: Resolution Approving and Ratifying Execution of the 2008-2011 Amended Collective Bargaining Agreement Between Miami-Dade County, the Public Health Trust and AFSCME, Local 1363

Recommendation

The attached item is being placed on the Board of County Commissioner's agenda at the request of John Copeland III, Chairman of the Public Health Trust (PHT) following the PHT's vote on April 26, 2010 to recommend approval. Pursuant to Chapter 25A-4(c)(4), the Trust cannot enter into a contract with any labor union without first having obtained the approval of the Board of County Commissioners (Board).

Scope

The impact of this agenda item is countywide.

Fiscal Impact

The attached collective bargaining agreements impact the personnel costs of Jackson Health System (JHS).

Track Record/Monitoring

Collective bargaining agreements for JHS employees are managed by the PHT.

Background

Collective bargaining agreements between the PHT and its employees are traditionally placed on the Board's agenda at the request of the PHT's Chairman and come to the Board without analysis from the County administration. However, given the current financial situation at JHS and the Board's imposition of management watch, staff has evaluated each collective bargaining agreement.

This agreement includes the five percent contribution to health-coverage costs, freezes to merit and longevity, and a three percent COLA in FY 2010-11. It also includes a provision for creating future employee incentive programs tied to achievement of clearly defined goals, which also has precedent in the County's own agreements. The attached memorandum from Dr. Roldan summarizes these changes.

The two significant differences between this agreement and the County's collective bargaining agreements are that:

- The proposed JHS contract does not suspend premium pay, the \$50 biweekly supplement that has been suspended for almost all County employees, including both unionized and exempt staff.
- The proposed JHS contract would suspend flex payments for 15 months, rather than the 12-month suspension enacted for County employees. The savings from the additional three months would be deposited into union-controlled accounts to "assist in the turnaround and sustainability of JHS through education, training, symposia, communications, demonstration projects, on-site review of efficiency programs, utilization of experts, and such other related activities." If those union initiatives result in demonstrated savings, two percent of those savings would be returned to the union.

Another crucial difference between the County's negotiations and those occurring at JHS is whereas the County was negotiating new successor agreements to cover FY 2008-09 through 2010-11; JHS unions are in the middle of existing multi-year agreements and have agreed to reopen those agreements to make concessions. That precludes either the Trust or the Board from declaring an impasse to unilaterally impose concessions upon the JHS unions.

As has been the case with the County's own collective-bargaining agreements, timeliness is critical. The more quickly cost reductions can be implemented; the more money will be saved during the current fiscal year.

SUBJECT: **AMENDED COLLECTIVE BARGAINING AGREEMENT BETWEEN MIAMI-DADE COUNTY, THE PUBLIC HEALTH TRUST, AND AFSCME LOCAL 1363**
• AMERICAN FEDERATION OF STATE COUNTY AND MUNICIPAL EMPLOYEES (AFSCME), LOCAL 1363 (APPROXIMATELY 4,972 EMPLOYEES)

This memorandum summarizes the highlights of the listed amended Collective Bargaining Agreement. This amended agreement was scheduled for ratification by the membership of the referenced labor organization on May 3, 2010. Upon acceptance by the Public Health Trust Board, the amended Agreement will be forwarded to the Board of County Commissioners of Miami-Dade County for ratification.

This amended contract is a product of good faith negotiations between the management negotiating team and the respective labor organization and is aligned with the contract terms of other labor organizations representing employees of Miami-Dade County. The unions and management both recognize the financial challenges represented by this amended contract. The parties have agreed to work collaboratively to address these issues.

I recommend that this agreement be accepted by the Public Health Trust Board of Trustees and forwarded to the Board of County Commissioners of Miami-Dade County for ratification.

TERM OF AGREEMENT: Three (3) year contract for the period of October 1, 2008 through September 30, 2011.

During any layoff that affects Local 1363 bargaining unit employees, PHT agrees to first layoff all non-regular PT, Temp, Temporary Relief, Agency, and on-call Pool employees before affecting Local 1363 bargaining unit employees in those classifications affected and comply with other articles of the contract (Article 73 – Seniority).

The purposes of the Task Force shall be to identify and to address workplace efficiencies. This Task Force shall be jointly administered by AFSCME and PHT, each of which shall appoint two employees upon ratification for purposes of administering and leading the Efficiencies Task Force. The AFSCME agrees to dedicate ample time to presenting proposals and initiatives that support revenue generation and promotion of JHS facilities by the JHS workforce.
 - B. Within 90 days of ratification, the parties shall jointly develop a program for establishing employee incentives for identifying and generating workplace efficiencies and savings. The details and terms of this program, including but not limited to its procedures, savings distributions and formula for incentives, will be jointly agreed to by the parties. All AFSCME

requests for data, financial records (including underlying primary documents), financial analyses, models, computer runs, contracts, billing audits and other records shall be provided within 72 business hours of the request at no charge. Such experts shall be provided access to PHT facilities and shall be provided suitable working space at the facility.

CLARIFICATION

MUTUAL CLARIFICATION OF INTENT OF ARTICLE 38, Wages

This is to clarify the parties' intent regarding Article 38, Salaries, which provides that "all employees in the bargaining unit shall receive the highest salary increase received by any other" County or PHT bargaining unit for any period during the 2009 – 2010 fiscal year. The parties recognize that the Government Supervisors Association bargaining unit has negotiated two pay increases, one for fiscal year 2009 – 2010 of 1%, effective the last pay period of FY 2009 – 2010 and one for fiscal year 2010 – 2011 of 2%, effective the last pay period of FY 2010 – 2011. The rest of the County's units have agreed to no raise for FY 2009 – 2010 and 3%, effective July 2011. The parties recognize that GSA accepted the one and two percent raises in lieu of the one three percent raise and that other bargaining units accepted the three percent raise in lieu of the one and two percent raises GSA received. No bargaining unit has received both. The parties have agreed to the same three percent raise that each of the County's bargaining units other than GSA have received. The parties recognize that the 3% raise for FY 2010 – 2011 is in lieu of the 1 and 2 percent raises GSA received and no attempt will be made to seek what GSA received in addition to the 3% raise negotiated.

This clarification shall be deemed binding on all parties to the collective bargaining agreement.

CLARIFICATION RE IMPASSE

In the event the parties' representatives are unable to reach a proposed agreement or the parties fail to ratify a proposed agreement, the parties reserve their rights to proceed in accordance with the provisions of Fla. Stat. Ch. 447. In particular, the parties recognize that they have ratified agreements with the Registered Nurse unit and the Medical Professionals unit, which are in effect through Fiscal Year 2010 – 2011. These contracts are subject to change only by mutual agreement to reopen or in the event of financial urgency through the provisions of Fla. Stat. Section 447.4095. The parties have open agreements with the Physicians unit and Medical Residents unit, which are subject to resolution through negotiation and the impasse process.

ARTICLE 5 UNION DUES

1. Upon receipt of written authorization from an employee, the Public Health Trust agrees to deduct the regular Union dues and uniform assessments of such employee from his/her biweekly pay and remit such deduction to the Treasurer of the Union within ten (10) days of the date of deduction.
2. The Union will notify the Public Health Trust, in writing, at least thirty (30) days prior to any change in the amount of regular dues deduction. The Union will notify the Public Health Trust, in writing, at least ninety (90) days prior to the date any uniform assessment will be deducted. Uniform assessments shall be limited to one (1) request per calendar year. The Public Health Trust, with at least ninety days prior written notice, will provide a payroll deduction for the Union's political action committee.
3. An employee may revoke his dues deduction by providing a thirty (30) days written notice to the Public Health Trust and the Union. Notice to the Public Health Trust alone shall not be sufficient. Should Chapter 447.303 Florida Statutes be amended, the amendment will supersede the applicable sections of this Article.

5. It is agreed and understood that the Public Health Trust, through its Managers, Department Directors, Division Directors, supervisory employees, and those employees not included in this Bargaining Unit, will take no action to either encourage or discourage membership in the Union. Assistance to any employee in the preparation of either Union membership or withdrawal forms shall constitute a violation of this provision.

ARTICLE 6 GRIEVANCE PROCEDURE

SECTION 1.

A grievance is a dispute between the Employer and the Union and/or the employees concerning the interpretation or application of a specific provision of this Agreement, and such grievance shall be processed and disposed of in the following manner:

Step 1

An employee having a grievance and/or the employee's Union representative shall discuss it with the employee's immediate supervisor within five (5) working days of the occurrence or knowledge giving rise to the grievance, whichever is later. The Employer shall respond to the employee or the employee's Union representative within five (5) working days after the presentation of the grievance in Step 1.

Step 2

If the grievance is not settled in Step 1, the grievance may, within five (5) working days after the response in Step 1, be presented in Step 2. When grievances are presented in Step 2, they shall be reduced to writing, signed by the grievant and/or the Union representative and presented by the grievant and/or the Union representative to the Director of Nursing/Administrator or designee, after which a meeting to discuss the merits of the grievance shall be held within five (5) working days. The grievance in Step 2 shall be answered by the Employer in writing within five (5) working days after the meeting to discuss the grievance.

Step 3

If the grievance is not settled in Step 2, the grievance may, within five (5) working days after the response in Step 2, be presented by the grievant and/or Union representative in Step 3. The grievance shall be presented in this step to the Director of Employee/Labor Relations and Workforce Compliance Department or his or her designee. The Union may, upon submission of a grievance in Step 3, request a settlement conference for the purpose of exchanging information in resolution of the grievance. A settlement conference shall be granted as of right. It is agreed that either party may or may not present witnesses at the discretion of either party during the settlement conference. The settlement conference shall be held within ten (10) working days of submission of the grievance at Step 3. The Employer shall respond in writing within five (5) working days after the date of the settlement conference or submission, if no settlement conference is requested. The time limits for the submission of a grievance by the employee/Union representative, the setting of a settlement conference, or the Employer's response may be extended by mutual agreement in writing for no more than an additional five (5) working days at each of the above-referenced steps.

INTERPRETATION

Section 1 – A conflict between the Employer and the union concerning the way a specific provision of the Agreement is understood or enforced is resolved by following a three-step "grievance procedure."

Step 1 requires the complaining employee and/or Union representative to notify the immediate supervisor within five (5) working days of the precipitating event or knowledge of the event. The Employer must then respond to the complaint within five (5) working days from receipt

of the complaint or grievance. If the grievance is not settled at this stage, the grievance proceeds to Step 2.

Step 2 requires that a written submission, signed by the complaining employee and/or the union representative, be given by the complaining employee and/or union representative to his/her department head (or other designated employer representative) within five (5) working days in order to discuss the merits of the grievance. The Employer must submit a written answer within five (5) working days following the joint meeting. If the grievance is not settled at this stage, it proceeds to Step 3.

Step 3 requires the complaining employee and/or union representative to present the grievance to the Director of Employee/Labor Relations and Workforce Compliance (or other designated Employer representative) within five (5) working days after the written answer by the Employer in Step 2 has been received by the employee or the union representative. The union may request a settlement conference to further investigate or resolve the complaint; either party may decide to present witnesses on his or her behalf at the settlement conference or may opt to not produce witnesses. The hearing settlement conference, if requested, must be held within ten (10) working days of the union's submission of the grievance to the Director of Employee/Labor Relations and Workforce Compliance (or other specifically designated Employer representative). If no settlement conference is requested, the Employer's written answer to the grievance is due within five (5) working days; if a settlement conference is held, the Employer's written answer is due within five (5) working days after the conclusion of the settlement conference. Extensions for time within which the employee/union representative is to submit a written grievance, a settlement conference is to be held or the Employer's written response is to be submitted, may be granted by mutual written agreement but only for a maximum of an additional five (5) working days at each of these steps.

SECTION 2.

Any grievance shall be void which is not presented for disposition through the grievance procedure described herein within ten (10) working days of the occurrence or condition which it is claimed gave rise to the grievance.

INTERPRETATION

Section 2 - The grievance must be presented within ten (10) working days of the occurrence. If it is not submitted timely, it may not be processed through the grievance steps.

SECTION 3.

Upon being submitted to Step 2 of the Grievance Procedure, the grievance shall be reduced to writing. The written grievance must set forth all of the following:

- A. The date and time when the grievance arose;
- B. A statement of the grievance and facts;
- C. The remedy requested;
- D. The violation of the specific provision of the agreement which is claimed; and
- E. Signature of the aggrieved employee and/or the Union representative.

All Employer responses required in Steps 1, 2 and 3 above shall be in writing directed to the aggrieved employee with a copy furnished to the Union. A rejection of a grievance at any step of the Grievance Procedure by the Employer must contain the reasons for the rejection.

INTERPRETATION

Section 3 – The written grievance submitted pursuant to Step 2 shall contain the following information: 1) date and time of the activity or condition being grieved; 2) a description of the grievance and supporting facts; 3) a description of the initial resolution requested; 4) identification of the precise provision of the Agreement affected; and 5) signatures of the complaining employee and/or the union representative. Furthermore, the Employer is required to furnish the aggrieved employee and the Union a written response to a grievance in Steps 1, 2 and 3 above. In class grievances, the copies will be directed to the Union only and not the employees. If the Employer rejects the grievance, the written response must set forth the reasons for the rejection.

SECTION 4.

Failure on the part of the Employer to respond to a grievance at any step shall be deemed a denial thereof, and the Union may proceed to the next step.

INTERPRETATION

Section 4 – If the Employer does not respond to the grievance at any of the above referenced steps, it will be assumed that the Employer is denying the grievance at that step as of the last day for answering and the union may proceed to the next step.

SECTION 5.

Any disposition of a grievance from which no appeal has been taken within the time limits specified herein shall be deemed resolved and shall not thereafter be considered subject to the grievance and arbitration provisions of this Agreement.

INTERPRETATION

Section 5 – If no appeal of a decision is made within the time limits specified in Steps 1-3, the grievance is considered to have been resolved and will not be entertained again at a later date.

SECTION 6.

Anything to the contrary herein notwithstanding, a grievance concerning a discharge, suspension or demotion, health and safety or union rights may be presented initially at Step 3 in the first instance, within the time limit specified in Section 2 of this Article.

INTERPRETATION

Section 6 – A grievance concerning a discharge, suspension or demotion, health and safety or union rights need not follow Steps 1 and 2; the complaining employee and/or union may immediately present the grievance to the Director of Employee/Labor Relations and Workforce Compliance (or other specified designated Employer representative) as instructed in Step 3, as long as the grievance is presented within ten (10) working days of the discharge, suspension or demotion, health and safety or union rights.

SECTION 7.

All time limits herein specified shall be deemed to be exclusive of Saturdays, Sundays, and stated holidays as provided in Article 31, and any other holidays officially recognized by the Employer for Human Resources Department employees.

INTERPRETATION

Section 7 – The term “working days,” as used in Steps 1 – 3 excludes Saturdays, Sundays, and any other holidays recognized by the Employer or its Human Resources employees.

SECTION 8

A grievance which affects two (2) or more divisions, and which the Director of Nursing/Administrator or designee in Steps 1 and 2 lack authority to settle, may initially be presented at Step 3 by the Union representative.

INTERPRETATION

Section 8 – If the complaint affects a large number of employees or a whole class of employees and the Employer's designated representative does not have the authority to settle such a matter, the union representative may proceed directly to Step 3 and present the grievance to the Director of Employee/Labor Relations and Workforce Compliance (or other specifically designated Employer representative).

SECTION 9

In order to minimize the disruption to patient care in the case of class grievances, no more than two (2) employees per shift, per unit, plus a Union representative, shall be released from work for grievance meetings under Steps 1 and 2 of the Grievance Procedure.

SECTION 10

The parties acknowledge that as a principle of interpretation, employees are obligated to work as directed while grievances are pending.

SECTION 11

Any subjects excluded from the Arbitration procedure (Article 7) shall also be excluded from the grievance procedure. Reprimands and issues for which other appellate procedures are provided in the Code for Administrative Orders of Miami-Dade County, and/or Public Health Trust Personnel Rules and other provisions of this Agreement, and formal counseling are not subject to review as grievances.

ARTICLE 7 ARBITRATION

SECTION 1.

A grievance, as defined in the grievance procedure, which has not been resolved, may be referred to arbitration by the Union within thirty (30) calendar days of the date of the Employer's response at Step 3. The Union shall notify the Employer in writing of its desire to arbitrate the issue submitted in the original grievance and provide a copy of the grievance. Upon receipt of notification, the Employer and the Union representative will attempt to select a mutually acceptable arbitrator. If they are unable to agree upon an arbitrator within thirty (30) calendar days after written notification, the grievance shall be referred to the American Arbitration Association (AAA) for arbitration under the Association's voluntary labor arbitration rules by the Employer. In the event that the Union fails to refer the grievance to arbitration by giving written notification within thirty (30) calendar days to the Employer, the Employer's response in Step 3 of the grievance procedure shall be final and binding upon the employees, the Employer and the Union.

INTERPRETATION

Section 1 – If the grievance remains unresolved after completing the 3-Step Grievance Procedure, the union may submit, within thirty (30) calendar days after the date of the Employer's answer referenced in Step 3, a written notice of its intent and desire to arbitrate the matter. If the Employer and the union are unable to agree upon a mutually acceptable arbitrator within thirty (30) calendar days of the date of the written notice, the grievance will be referred to the American Arbitration Association ("AAA") and be subject to the AAA voluntary arbitration rules by the Employer. If the union fails to pursue the matter to arbitration, the Employer's answer in Step 3 of the Grievance Procedure will be final and binding on the employees, Employer and union.

SECTION 2

At the request of either party there shall be a certified court reporter at the hearing. Each party will pay its own expenses and will share equally in expenses incurred in arbitration including the fees and expenses of the AAA, the court reporter and the arbitrator and the cost of the transcript. Each party shall bear the expense of its own witnesses. Employees required to testify will be made available without loss of pay; however, whenever possible, they shall be placed on call to minimize time lost from work and, unless directly required to assist the principal union representative in the presentation of the case, they shall return to work upon completion of their testimony. The intent of the parties is to minimize time lost from work and disruption of patient care.

INTERPRETATION

Section 2 – Although the fees due to the arbitrator, AAA and the court reporter as well as the cost of the transcript will be paid in equal parts by the parties, each party is responsible for the costs incurred by its own witnesses.

SECTION 3

The award of the Arbitrator shall be final, conclusive and binding upon the Employer, the Union and the employees.

INTERPRETATION

The arbitrator's decision is final and binding on all parties (Employer, union and employees.)

SECTION 4

In the event that two or more grievances become ready for arbitration at the same time in the grievance procedure, there shall be a separate arbitrator selected and assigned to each case and a separate date fixed for each hearing unless the grievance is a class grievance. The parties, however, by mutual consent, can agree to have two or more cases heard on the same date by the same arbitrator.

INTERPRETATION

Section 4 – Each grievance will be heard and decided by a separate arbitrator, regardless of whether two or more grievances are ready for arbitration at the same time. If the Employer and the Union representative agree, two (2) or more cases may be heard on the same date by the same arbitrator. Class grievances will be heard by the same arbitrator at the same time as the other class members.

SECTION 5

The Arbitrator shall render his decision no later than thirty (30) days after the conclusion of the final hearing. Such decision shall be final and binding when in accordance with the jurisdictional authority under this Agreement. Copies of the award shall be furnished to both parties.

The Arbitration Award shall be in writing and shall set forth the Arbitrator's opinion and conclusion on the issue submitted. The Arbitrator shall limit his decision to the application and interpretation of this Agreement and the Arbitrator shall have no right to amend, modify, nullify, ignore or add, change, or subtract from the provisions of this Agreement.

INTERPRETATION

Section 5-In making his/her decision, the arbitrator is permitted only to interpret and apply the provisions of the Agreement between the parties.

SECTION 6

The Employer shall have no right to invoke the grievance procedure or request that a matter be brought to arbitration.

INTERPRETATION

Section 6 – The Employer may not file a grievance or request that a matter be brought to arbitration.

SECTION 7

All time limits herein specified shall be deemed to be exclusive of Saturdays, Sundays, or holidays.

INTERPRETATION

Section 7 – For the purpose of calculating the due dates as specified by this article, Saturdays, Sundays and holidays recognized by the Employer for Human Resources Department employees should not be counted.

SECTION 8

Grievances, as defined, may be submitted regarding the matters contained in the Agreement or arising from conditions of employment.

Matters excluded from the grievance procedure under Article 6, Section 11, shall be excluded from arbitration.

SECTION 9

The union shall have the right to any facts or public documents regarding matters upon which arbitration has been requested. The Union shall be able to conduct a full investigation of the matters upon which arbitration has been requested. All requests of the Union pursuant to this provision shall be fulfilled within a reasonable period of time after the request is made. When the Union states that they have not had sufficient time to prepare, a postponement shall be requested by the Union.

INTERPRETATION

Section 9 – As a principle of interpretation, "a reasonable period of time" within the meaning of this provision shall mean within a sufficient time prior to an arbitration hearing to permit the Union to properly prepare its case.

ARTICLE 8 CLASSIFICATION APPEAL

1. Whenever an employee has reason to believe they are misclassified, he may apply for a review of their classification, in writing, to their immediate supervisor. Such request including a job description prepared by the employee and commented upon by the Department. This shall be forwarded to the Human Resources Capital Management Division by the employee's department within twenty (20) calendar days of receipt of request. Within thirty (30) calendar days of receipt of the request for reclassification, the Human Resources Capital Management Division shall render a decision in writing.
2. If the employee is not satisfied with the decision, he/she may, within fourteen (14) working days request in writing, a hearing by the Human Resources Director. At the hearing, the employee may be accompanied by a representative of their choosing and may produce any documents and evidence to support the claim for reclassification. The Human Resources Director will explain the basis for the decision in writing in the event the request is denied. The Human Resources Director shall hold such hearing within thirty (30) calendar days of the request.
3. Whenever the Human Resources Director determines that an employee is misclassified, the employee shall always be placed in a current, appropriate classification, unless the Human Resources Director determines that there is no existing appropriate classification. In such cases, the Human Resources Director shall establish the classification, job description and pay range, which shall be maintained during the term of this Agreement. In the event the request for reclassification is upheld, the employee shall receive compensation beginning with the pay period that the original request was initiated.
4. The Human Resources Director decision shall be final, subject to review by the President of the Public Health Trust or designee.

ARTICLE 9 JOB DESCRIPTION AND APPEAL

1. No employees covered by this Agreement shall be required to do work outside their job classifications, except under emergency conditions as declared by the President of the Public Health Trust, or an authorized representative.
2. Whenever there is a proposed change in the job description or title of a class within this Bargaining Unit, the Public Health Trust shall discuss with the Union the proposed change in job descriptions, the Union shall receive a copy of the current job description and the proposed job description. Proposed changes shall be publicized among employees.
3. If the Union is not satisfied with the proposed change, it may, in writing, within five (5) days of the conclusion of the discussion, stated in paragraph 2 above, request a hearing before the Human Resources Director. This hearing shall be held at a mutually agreeable time, within thirty (30) days.
4. It is understood by the parties, that the duties enumerated in job descriptions are not always specifically described and are to be construed liberally. Within present job descriptions, the Public Health Trust may assign tasks and duties which involve minor and occasional variation from the job descriptions to employees as long as the tasks and duties assigned fall within skills and other factors common to the classification.

5. It is understood by the Parties, the duties to be added in the proposed change in the job description shall bear a reasonable relationship to the duties and responsibilities currently contained therein. Changes proposed by the Public Health Trust, other than the addition of new duties, shall be reasonable under the circumstances.
6. Compliance with the requirements of this provision shall be the issue in the hearing. Testimony shall be taken from employees affected, who desire to give such testimony, provided that Union and Public Health Trust will agree on a representative number of employee witnesses to insure a full hearing on the merit of the issues. Appropriate Public Health Trust Management shall appear in support of the proposed changes. The decision of the Human Resources Director shall be final, subject to review of the President of the Public Health Trust or designee.

ARTICLE 10 LABOR-MANAGEMENT COMMITTEE

Departmental Committees

There shall be a Labor-Management Committee formed within Public Health Trust. This Committee shall consist of members designated by the Union and of members designated by the Trust. The Union membership of such Committee shall consist of persons from within the position classifications covered by this Agreement and the Management shall consist of persons within the Trust, but outside of the Bargaining Unit, as herein defined. Time off with pay, as required, shall be granted to employees designated as Committee members for attendance at Labor Management Committee Meetings.

The Labor-Management Committee shall meet on a quarterly basis or at other times by mutual consent if requested by the Union. The purpose of these meetings will be to discuss with the employees, problems and objectives of mutual concern not involving grievances or matters which have been the subject of collective bargaining between the parties.

The composition of the Labor-Management Committee shall consist of not more than ten (10) members designated by the Union and not more than ten (10) members designated by the Trust (and also excludes employees of Employee/Labor Relations & Workforce Compliance. The meeting will be scheduled at a mutually agreeable time. The agenda will be mutually presented to the Employee/Labor Relations & Workforce Compliance Department ten (10) days prior to the meeting.

Hospital-wide Committee

The Union may, in its discretion, appoint an agreed upon number of persons to serve as members of any Hospital sub-committee which exists in whole or in part for the purpose of addressing issues directly concerning the health and safety of AFSCME Trust bargaining unit members.

Labor Management Cooperation and Quality Service

The Public Health Trust and the Union pledge to work together cooperatively in a mutual determination to build and maintain a career public service that is dedicated to the principle of quality performance on behalf of all the people of Miami-Dade County.

To achieve this goal, the parties agree to establish Public Health Trust Labor-Management Committees composed equally of labor and management members named by Union and

Management respectively. These Committees, and subcommittees similarly constituted in the various departments, will operate by consensus and will concern themselves with issues cited below and such other issues as by mutual agreement they choose to consider.

In order to strengthen the parties' labor-management relations, the AFSCME agrees to participate with JHS in labor-management committees to address the issues in Departments. Such committees may be requested by AFSCME or by JHS (through Employee/Labor Relations, the Department Directors, or designees) to meet at mutually accepted times. The parties shall meet a minimum of two times a year (bi-annually) or as the parties agree (as frequently as every quarter). Each side will contain an equal number of representatives (no more than 3 per side) and will follow the guidelines as suggested by the Federal Mediation & Conciliation Service (FMCS) – including alternating taking minutes of the meetings. Those employees that participate in departmental labor management meetings will be paid only for the time in attendance at the meeting.

Resolution of specific matters clearly covered by the contract will be in accordance with the procedures elsewhere described in the contract. Matters relating to the quality and effectiveness of the career public service will be considered to be within the jurisdiction of the Labor-Management Committee structure. The Committee may discuss any topics of mutual concern but shall not be used as a collective bargaining forum to amend or abridge the specific terms of the Collective Bargaining Agreement.

Career employment opportunities for regular part-time employees, training, and cross-training programs, discussion of proposed job classifications, joint discussions of job certifications, and employees required to be on-call are examples of potential subjects for this committee's review.

The Committee may also be involved in matters that affect the efficiency and availability of health care services provided to the community. Experienced employees, labor and management, may serve on special committees that are responsible for the purchase of sensitive new technology, equipment and supplies; that are considering the reorganizing of space and methods of providing service; that may review the hours of operations, and other vital factors that may contribute to the efficiency and cost-effectiveness of the service.

Recommendations emanating from the Committee must be approved by the Employee/Labor Relations & Workforce Compliance Department and the Trust President or designee before being implemented. The Trust President or designee's decision shall be final on all recommendations. The Trust President or designee's decision shall not be grievable or arbitrable, or be reviewable through impasse procedures provided for in Chapter 447, F.S.

The Public Health Trust Labor-Management Committees will meet at mutually agreeable times.

Efficient Delivery of Quality Services

The Public Health Trust and Trust employees shall fully cooperate in the efficient and effective delivery of quality services.

Employees are encouraged to report suggestions of cost savings or methods of increasing efficiency and purchasing new equipment to the Labor-Management Committee.

In order to eliminate fear of employees cooperating in improved efficiency, it is understood and agreed the Public Health Trust will endeavor to offer comparable employment to any qualified employee displaced as a result of this program.

Performance Based Compensation Projects

The Union and the Public Health Trust agree to work cooperatively to develop and implement performance based compensation projects involving bargaining unit classifications. These performance based compensation projects shall be joint ventures, representing a collaborative effort between the Public Health Trust and the Union, to effect meaningful performance based productivity gains, that are designed to enhance the effectiveness and efficiency of the Departments.

Either party shall have the right, at any time during the term of this Agreement, to reopen this Agreement only with respect to Performance Based Compensation Projects. The parties agree that they cannot unilaterally implement changes which would conflict with the terms of this Collective Bargaining Agreement.

ARTICLE 11 UNION STEWARDS AND NON-EMPLOYEE UNION BUSINESS REPRESENTATIVES

The Union has the right to select employees from within the Bargaining Unit, as herein defined, to act as Union Stewards. The names of employees selected shall be certified, in writing, to the Director of Employee/Labor Relations Workforce Compliance Department of the Public Health Trust by the Union.

It is agreed to and understood by the parties to this Agreement that Union Stewards may, without loss of pay, with prior approval of their supervisor, process grievances. The Supervisor's approval shall not be unreasonably withheld. It is agreed to and understood by the parties to this Agreement that there shall be a reasonable number of stewards within the Bargaining Unit. It is agreed to and understood by the Union that Union Stewards shall process grievances and conduct their other duties in such a manner as to not disrupt normal Trust activities, work production and services.

Every effort will be made, by both the Trust and the Union, to allow Union Stewards to investigate grievances as rapidly as possible, preferably on the same date as the grievance becomes known and at least within twenty-four (24) hours. The investigation of a pending grievance or personal contact of employees during work time by Employee Representatives, Union Stewards or Non-employee Union Business Representatives shall not be done without first receiving prior approval from the employee's supervisor. Approval shall not be unreasonably withheld.

In no event shall the Trust layoff, discharge or discriminate against a Steward for action taken in the proper performance of his duty as a Steward.

Union Representatives, i.e., Non-employee Union Business Representatives, shall be certified, in writing, to the Director of Employee/Labor Relations & Workforce Compliance Department for the Public Health Trust by the Union. The Union agrees that activities by the Union Representatives shall be carried out in such a manner as not to disrupt normal Trust activities, work production and services.

ARTICLE 12 DISCIPLINARY ACTION

1. An employee may be disciplined only for just cause.
2. Whenever it is alleged that an employee has violated any rule, regulation, or policy, that employee shall be notified as soon as possible with the employee being informed of the rule, regulation, or policy allegedly violated. Upon request, the employee shall have the right to representation in discussions concerning actual or pending Disciplinary Action.
3. The Trust agrees to promptly furnish the Union a copy of any disciplinary action notification against an employee in this Bargaining Unit. The notice of disciplinary action shall contain allegations of specific personnel rules violated by the employee. In the event the disciplinary action notification is not brought forth by the supervisor within twenty-one (21) days after the supervisor discovers the facts requiring the notice except where good cause for delay is shown, the disciplinary action will be void.
4. Any Performance Evaluation, Record of Counseling, Reprimand, or document to which an employee is entitled shall not be part of the employee's official record until the employee has been offered or given a copy.
5. Discipline and/or counseling will normally be carried out in a manner which does not embarrass the employee. Neither formal nor informal counseling is considered to be disciplinary action. Both should be viewed as efforts to improve performance. Reprimands shall be appealable by the employee to the grievance procedure up to and including Step 3. An employee who receives a Record of Counseling or a Disciplinary Action Report shall be allowed fourteen (14) calendar days from the receipt of the ROC or DAR to submit a rebuttal. By mutual agreement between parties, additional time can be granted. Employer shall have fourteen (14) calendar days to respond to the rebuttal. Failure on the part of management to meet at a mutually agreed time or to render a decision in the time agreed shall result in the DAR or ROC being withdrawn without prejudice. The formal record of counseling and rebuttal, if any, will be reviewed by the supervisor of the employee who prepared the counseling, prior to it being placed in the affected employee's personnel file.
6. An employee who is absent without authorized leave for three (3) consecutive work days and is considered to have abandoned the position shall have a right to petition the Human Resources designee for a review of the facts in the case. The Human Resources designee shall rule as to whether the circumstances constitute abandonment of position. Only facts concerning the alleged abandonment shall be considered by the Human Resources designee. The Human Resources designee's findings and rulings shall be in writing. The Human Resources designee's decision shall be final and binding.
7. The Trust shall cooperate in a reasonable manner to facilitate the Union's investigation by providing access to public records and documents related to disciplinary action in a timely fashion.
8. All disciplinary actions except reprimands will be appealable by the employee, as provided in Section 2-47 of the Miami-Dade County Code, to a Hearing Examiner. The Trust agrees to attempt to add to the Hearing Examiner's list, qualified attorneys with experience in labor relations matters. The Union may request in writing to the Director of

Employee/Labor Relations & Workforce Compliance Department that a specific Hearing Examiner be removed for cause from the roster of available Examiners.

9. The Union will have the option on behalf of a permanent status bargaining unit employee, to appeal the disciplinary actions of dismissal, demotion, reduction in grade and suspension through the grievance procedure contained in Article 7 of this Agreement. The Union shall notify the Employee/Labor Relations & Workforce Compliance Department, in writing, no later than fourteen (14) calendar days from the employee's receipt of the disciplinary action of its decision on whether to exercise the option of appealing through the grievance procedure or request an appeal in accordance with Section 2-47 of the Code of Miami-Dade County. The Union's choice between the grievance procedure or the Code provision under Section 2-47, once made, shall not be subject to change.

In the case where the Union does not timely notify the Trust or chooses not to select the grievance procedure, then the disciplinary appeal provisions under 2-47 of the Code of Miami-Dade County shall prevail and be utilized if a timely appeal is requested. In the event the Union selects the option to appeal a disciplinary action under the grievance procedure then the provisions of 2-47 of the Code will not be applicable.

A grievance, regarding suspensions, termination, or demotions may be filed by the Union directly at Step 3, to the Director or Associate Director of the Department of Employee & Labor Relations or 4 of the Grievance Procedure contained in this Agreement.

An employee will be offered the option of forfeiting accrued personal or holiday leave in lieu of serving a disciplinary suspension. The documentation of the suspension will be a part of the employee's work record and remain in their personnel file.

10. Written Reprimands and Records of Counseling, together with any reference to such reprimands or Records of Counseling excluding Performance Evaluations, shall cease to be of any force or effect after a two (2) year period from receipt of the Written Reprimand or Record of Counseling in which the employee has received no further disciplinary actions or Records of Counseling. At the employee's specific written request, these shall be promptly stamped as no longer in effect in the employee's file.

ARTICLE 13 PERFORMANCE EVALUATION AND APPEALS

The Trust shall retain the right to establish and administer a Performance Evaluation system to conduct annual performance evaluations of employees to appraise their productivity, effectiveness and compliance with rules and regulations. The purposes of evaluation are to improve performance generally, to identify and recognize superior performance, to facilitate communication between supervisors and employees, and to provide timely and accurate information which may be used in making of personnel decisions related to employee performance.

The permanent status employee who has received an overall evaluation of unsatisfactory or needs improvement may appeal by first requesting a review of the Performance Evaluation by the Divisional Director/Vice President or their designee(s), within ten (10) calendar days of receipt of the evaluation. The Divisional Director/Vice President or designee(s) may recommend changes, alterations, or return the evaluation unchanged to the employee. If the decision of the Divisional Director/ Vice President or designee(s) is not acceptable to the employee, the employee may continue the appeal by making a request in writing to the Employee/Labor Relations Director within ten (10) calendar days after receipt of the Division Director/ Vice

President's or designee(s) decision. The affected department has the right to have a representative present throughout the entire appeal hearing.

The Employee/Labor Relations Director will appoint a three person supervisory level panel, none of whom shall be from the appealing party's department, to act as an informal fact finding committee. Only the employee, the rater, and the reviewer will be heard, separately, by the panel. A representative of the employee's choosing may accompany the employee. The hearing shall be informal, a transcript is not to be kept and there will be no cross examination. The employee representative may ask questions of witnesses through the panel chairperson. Questions shall also be addressed to employee witnesses by panel members through the chairperson. The purpose of the panel's review is to (1) determine compliance with evaluation procedures, and (2) recommend whether the evaluation should be upheld and the reasons for this recommendation.

Within thirty (30) days following the hearing, the panel will submit a written report of their findings and decision to the Employee/Labor Relations Department. A majority of the panel may sustain or revise the evaluation, either because of failure to follow procedure or on the merits of the evaluation itself. The Employee/Labor Relations Director will forward the panel's findings and decision to the appropriate division director/ Vice President for implementation.

There shall be no performance evaluation placed in an employee's personnel folder unless he has been first given or offered a copy. An employee's rebuttal to a performance evaluation will be made part of the evaluation record.

When an employee receives an overall Performance Evaluation of satisfactory or better the employee shall receive the merit increase for which they are eligible.

ARTICLE 14 PROBATIONARY PERIOD

All full time classified service employees hired into bargaining unit classifications shall serve a six (6) month (13 pay periods) probationary period.

An employee who has attained permanent status in a prior classification and is promoted or transferred shall serve a new three (3) month (6 pay periods) promotional probationary or transfer trial period, which begins the first day the employee actually starts working in the position.

Probationary period shall be regarded as an integral part of a permanent status position. The first six (6) months of full-time continuous employment shall be the probationary period. After successful completion of the probationary period, the employee shall be considered a permanent employee unless specifically advised by the Employer. The Employer retains the right to terminate probationary employees without notice or pay in lieu of notice. Probationary employees are not required to give notice of intention to terminate. Probationary employees are, however, requested to give two (2) weeks notice. The probationary period may be extended at the option of the Employer provided that the total probationary period may not exceed one (1) year, and the employee has agreed to the extension. The employees' agreement shall be in writing.

ARTICLE 15 EMPLOYEE RESIGNATION

When an employee resigns his employment with the Trust and fulfills his obligation under the Public Health Trust Personnel Rules, Chapter XI, Section I, the Personnel Action Memorandum reflecting the termination of employment shall indicate the employee voluntarily

resigned and was in "good standing." This Article shall not apply to employees who resign in lieu of disciplinary action.

ARTICLE 16 REGULAR PART-TIME STATUS

In accordance with PHT Policy #305, regular part-time employees are those who have worked twenty (20) hours or more per week for at least six (6) months continuously. These employees shall be entitled to personal and extended illness leave on a prorated basis in accordance with Article 24, Vacation and Leave.

Within a specific department and within a specific classification, full-time employment preference may be granted to part-time employees who qualify for permanent employment. Continuous, uninterrupted time served as part-time will be credited toward the probationary period.

A regular part-time employee who continuously works an average of eighty (80) hours or more per pay period for a consecutive six (6) month period and who applies for a posted full-time vacant position in his/her classification will be given priority consideration for that position.

In order to consistently apply step increases for regular part-time employees, regular part-time employees are eligible for step increases based on 2080 hours worked (provided the employee meets the same equal hours needed for full-time step advancement) and satisfactory performance evaluations (that is, evaluations which meet standards). The same would apply for longevity increases.

A change in classification status does not alter an employee's leave anniversary date for purpose of accrual of leave benefits. An employee who is promoted will have his/her pay anniversary date changed to the date of the promotion for purposes of receiving annual step increases in the new classification, except that an employee who is promoted within thirty (30) days of his/her pay increase anniversary date will receive both his/her step increase and then promotional increase.

ARTICLE 17 RECRUITMENT AND EMPLOYMENT

The Trust will encourage and assist current Trust employees in upgrading themselves and qualifying for a promotion.

Posting of Vacancies - All vacancies for which approved requisitions have been received by the Public Health Trust's Human Resources Division shall be posted on a weekly basis to inform employees who may be eligible to apply. Effective upon ratification of this contract, every reasonable effort will be made to post the notices at least one (1) week prior to the time the vacancy is to be filled. Nothing provided herein shall invalidate or otherwise effect appointment to a vacant position.

Employees interviewed for promotional opportunities shall be notified of their acceptance or rejection within a reasonable time.

In cases when there is a promotion, Trust policy shall be to consider present employees, provided the employee applying meets all requirements and is fully qualified.

The Public Health Trust is not obligated to give preference to County employees nor is the County obligated to give preference to Public Health Trust employees for promotional positions.

ARTICLE 18 WORK IN HIGHER CLASSIFICATION

An employee who is authorized by the Trust to temporarily assume the duties of a higher pay status classification, or in the case of LPN's working in a charge capacity, for more than one (1) full shift will receive one dollar (\$1.00) per hour for all hours worked in the higher classification, or in the charge capacity in the case of LPN's.

ARTICLE 19 ACTING APPOINTMENTS

In the event an employee is placed by department authorization in a position of "acting," such employee shall be compensated at the in-hiring rate for the class to which they are "acting," provided such rate is at least one (1) pay step higher than they are currently receiving. Any time that is spent in the acting title shall not be credited toward probationary time.

Employees acting in a classification designated as job basis shall not be eligible for overtime compensation.

ARTICLE 20 TRANSFERS BETWEEN DIVISIONS OF THE PUBLIC HEALTH TRUST

Employees of the Public Health Trust may request a transfer to another operating division of the Trust if they are interested in a vacancy in that department.

If qualified for the vacant position he will be referred for consideration. Final decision is that of the hiring authority. Pay rate of the employee will not be a determining factor in acceptance or rejection of the transfer by the hiring authority.

Transferred employees will serve a new probationary period in the new position and if their performance is not satisfactory and they hold permanent status in a position in another division within the Trust, they will be returned to their original division if a vacancy exists. If no vacancies exist, the employee may remain in the classification in the current department, and be subject to any probationary period. The employee who had permanent status in a previous position will be given priority consideration for a vacant position for which the employee qualifies. The employee will be paid in accordance with that classification. As a last resort, management may open a position in a different classification and the employee will be red-circled until a position opens somewhere in the Trust comparable to his or her classification. The employee will then be offered that position. Additionally, if a vacancy occurs in the employee's previous classification within two years from the date of assignment, the employee will be recalled in inverse order providing the employee notifies the Employee/Labor Relations and Workforce Compliance Department of the vacant position within the posting period. Probationary periods for transferred probationary employees shall not be cumulative.

ARTICLE 21 VACANCIES, TRANSFERS AND REASSIGNMENTS, UNIT MERGERS AND FILLING VACANCIES

Section 1. Shift Transfers, Posting and Filling of Vacancies and Reassignments

- A. Shift Transfers. Recognizing that access to preferred shifts by employees can make an important contribution to employee morale and retention, the parties agree that employees within the unit shall be given priority for vacancies in the unit by seniority.
- B. Posting of Vacancies. All vacancies shall be posted in the unit and concurrently throughout all Trust facilities. If employees in the unit under paragraph A are not

interested in the vacancy, the vacancy shall continue to be posted in bulletin boards located throughout Trust facilities for a period of fourteen (14) days. Posting will continue beyond the fourteen (14) day period if necessary, until a job offer is made by Recruitment Services. With notice to the Union, the Employer may offer employment to an employee prior to the end of the fourteen (14) day posting period, provided that:

1. More than one (1) vacancy exists in the unit.
2. Priority for shift selection under A above is maintained.

Recruitment Services is responsible for posting all vacancies for which a personnel requisition has been submitted.

- C. **Filling of Vacancies.** During this posting period, current employees with the necessary qualifications will be given preference over outside applicants. When skill, competency and ability are considered substantially equal in the judgment of the Employer, seniority shall be the deciding consideration in filling vacancies. All employees who apply for a posted vacancy shall be advised of the vacancy status as soon as practical. An employee's current salary will not be a determining factor when considering employees for transfer.
- D. There will be no less than two (2) nor more than three (3) weeks notice to the department from which an employee is transferred. In the event that the position being vacated is critical to the operation of the unit, the employee may be retained until such time as the employee is replaced, but in no case for longer than sixty (60) days. However, for pay purposes transfer will be effective at the beginning of the pay period following acceptance.
- E. An employee returning to a previous permanent status classification within one (1) month will be transferred to the employee's previous position and department unless the position has been abolished or has been filled by another employee with permanent status in the classification for that position. In the event the former position is not available, the returning employee will be offered a vacant position in that classification or will replace a probationary/trial employee in that classification. In the event there are no vacancies in the classification and no probationary/trial employee in the classification, the employee will be given priority consideration for a vacant position for which the employee qualifies. The employee will be paid in accordance with that classification. As a last resort, management may open a position in a different classification and the employee will be red-circled until a position opens somewhere in the Trust comparable to his or her classification. The employee will then be offered that position. Additionally, if a vacancy occurs in the employee's previous classification within two years from the date of assignment, the employee will be recalled in inverse order providing the employee notifies the Employee/Labor Relations and Workforce Compliance Department of the vacant position within the posting period.

Section 2. REASSIGNMENT PROCEDURE

If it becomes necessary to reduce the FTE's in a unit, the Trust will first seek volunteers in the unit. If there is an insufficient number of volunteers, affected employees will be reassigned in inverse order of seniority, consistent with the following reassignment procedure:

- 1) Meeting dates will be scheduled with the Division Vice President/Director/Director of Nursing, Employee/Labor Relations Director and the Union to discuss the reassignment.

- 2) Appropriate available positions will be frozen.
- 3) The Employer will notify the Union, in writing, of the affected unit(s); the affected employees by name, seniority; the appropriate available positions in the affected classification and, the effective date of reassignment.
- 4) The number of volunteers, in the affected classification(s), accepted from each affected unit(s) will not exceed the number of FTE's being reassigned from that unit. Volunteers from the affected unit(s) will be accepted on a seniority basis.
- 5) The volunteer reassignment process will generally be completed within two weeks of notification to the employee(s). Notification of involuntary reassignments will be completed within 72 hours of completion of the voluntary process.
- 6) Seniority will prevail in the selection of the appropriate available positions.
- 7) In the event two or more employees have the same seniority in the classification, the employee with the earliest date of employment will be considered the senior employee.
- 8) This procedure will not be used in the event of a layoff.

Section 3. Unit Mergers

When one or more units are merged, the following procedure will be utilized:

In the event that a unit merger necessitates the elimination of any positions, the reassignment procedure will be followed and, unless there are volunteers, the employee with the least seniority in the affected classification of the new merged unit will be reassigned and/or offered the opportunity to voluntarily demote.

However, the parties agree to meet, upon request, to discuss and negotiate specific situations.

ARTICLE 22 LEADWORKER

A Leadworker shall be selected from the permanent employees in the same or similar classification and department and have the necessary skills and knowledge to perform the job.

An employee designated as a Leadworker, shall receive a one (1) step wage differential and such differential shall not affect merit increases or anniversary dates.

If a Leadworker is rated on the basis of supervisory ability, it will only be to the extent actually exercised.

Leadworkers shall be assigned or removed at the sole discretion of the Trust.

ARTICLE 23 LAYOFFS, RECALL AND REEMPLOYMENT RIGHTS

Section 1. Procedure

- A. Layoff, defined, is the separation of an employee for lack of work or funds as determined by the Employer; or due to the reductions in or the contracting out of services, without fault or delinquency on the employee's part.

In the event of a layoff, employees will be laid-off and recalled in accordance with the procedures established herein.

- B. The procedure will apply to full and regular part-time bargaining unit employees in the statuses of permanent, substitute, and probationary. Seniority points in the classification will be based on date of employment and will be calculated for each affected employee as determined by the years, months, and days since the employee's original date of employment. In calculating seniority points one (1) point will be assigned for each month of full-time service, one-half (0.5) point will be assigned for each month of part-time service. Points for months of service are simply totaled with the final number being the retention score.

All time spent on Military Leave of Absence will be included in calculating seniority. Seniority credit will be given to an employee who has volunteered for military service during peacetime, provided the employee is re-employed within ninety (90) days of release from military service. Seniority credit will be given for the service time prior to and during military service.

Qualified veterans will receive veteran's preference in accordance with the law.

- C. The Employer will make every effort to give sixty (60) days notice to the Union of any decision to layoff unit members. No less than 21 days written notice will be given to bargaining unit members who are to be laid off or demoted. A copy of such notice will be simultaneously sent to the Union.
- D. Layoffs will be done in inverse order of seniority by classification based on date of employment. Employees in the statuses of temporary relief and on-call pool will be terminated prior to any full-time or regular part-time employee in the bargaining unit being impacted by lay-off.
- E. Full-time employees will automatically bump into any classification within the bargaining unit in which they previously held permanent status.
- F. During the twenty-one (21) day notice period, employees who have been bumped shall be given five (5) calendar days to select by seniority in the classification based on date of employment, a reassignment to a vacant position in their classification. The Union will be responsible for facilitating this process.
- G. It is understood that in a layoff, part-time employees may be required to move to full-time status in order to exercise bumping rights. Reasonable efforts will be made to ensure that part-time employees may continue in part-time status. Full-time employees shall not be required to accept part-time positions.
- H. All time served in the higher classification will be credited as time served in lower classifications.
- I. Employees who have been displaced will be given priority consideration for other opportunities.

- J. The County and Trust agree that County employees cannot bump bargaining unit employees working for the Trust nor can Trust Bargaining Unit employees bump County Bargaining Unit employees.
- K. Employees, other than Union Stewards previously identified under Article 11, of this Agreement, shall be laid off in accordance with seniority on the job as discussed above. Union Stewards will be the last in their classification to be laid off. Once a quarter, the Union will provide a listing of Union Stewards to the Director of Human Resources.

Section 2. Recall

- A. Employees will be recalled in inverse order of layoff. Employees that have been laid-off will have recall rights to vacancies in their previously held position for a period of two (2) years from the date of layoff. Any sick leave that was forfeited at the time of layoff shall be restored at the time of rehire.
- B. The Union will be notified of all employees on recall lists and vacancies, as offered and accepted.

Response to vacation requests will be in writing and will be provided to the employee no later than fourteen (14) calendar days after the date of submission of the request. If a second request is denied, the employee may request the supervisor to meet with the union representative and Employee/Labor Relations within fourteen (14) days of the denial to discuss the matter.

B) An unplanned absence is defined as time taken off by the employee which is unscheduled and not approved in advance by the department head, supervisor, or other designee. In order to receive pay for hours not worked due to an unplanned absence, employees must provide timely notification prior to the start of the scheduled shift of work and a valid reason given to their supervisor or authorized designee as outlined in the Personnel Administrative Policy No. 358. ARTICLE 33 WORK SCHEDULING

It is agreed to and understood by the parties to this Agreement that:

1. The standard work week at the Public Health Trust commences at 12:00 midnight each Sunday and ends at 12:00 midnight the following Sunday.
2. The standard number of working hours for full-time employees during any standard work week will normally be forty (40) hours or unless otherwise specified in the PHT Pay Plan.
3. The standard work week shall consist of forty (40) hours. Each standard work day shall be eight and one-half (8½) hours and contain an unpaid one-half (½) hour break for meal time, which under normal circumstances will be uninterrupted.
4. Employees who are assigned to work ten and a half (10½) shifts shall be paid overtime based on a forty (40) hour work week. One (1) unpaid meal break of one-half (½) hour will be part of each shift. Every effort will be made to provide two fifteen (15) minute paid rest periods within each scheduled shift.
5. Employees who are assigned to work twelve and a half (12½) hour shifts shall be paid overtime based on a forty (40) hour week. Two (2) unpaid meal breaks of one-half (½) hour will be part of each shift. Every effort will be made to provide three (3) fifteen (15) minute paid rest periods within each scheduled shift. No individual working twelve and a half (12½) hour shifts will normally be scheduled for more than three (3) consecutive days on duty or more than seven (7) days on duty within a period of fourteen (14) consecutive days,
6. The Trust shall make every reasonable effort to rotate schedules within assigned shifts to distribute weekend assignments equally.
7. If an employee's schedule is changed to meet staffing needs, the employee will be consulted. However, an employee shall not have his/her regular work schedule changed solely to avoid the payment of overtime.
8. An employee's work schedule may change with a minimum of thirty (30) days notice to the employee and the union. The employee may agree to work the new work schedule in less than thirty (30) days. This paragraph shall not apply to work areas where the Public Health Trust has traditionally used mixed weekly work schedules on a regular work basis to meet demands for service.
9. This article is to be construed only as a basis for determination of overtime and shall not be construed as a guarantee of work per day or per week; nor is it a limitation upon the Trust's right to reduce the employee's hours of work in accordance with Article 23 - Layoffs, Recall and Reemployment Rights.
10. The Trust will have the authority to establish and implement employees work schedules.

11. The Trust may offer Trust Licensed Practical Nurses (LPN's) the same alternative schedules which Registered Nurses will be offered. Other direct patient care workers may be offered alternative schedules solely at the discretion of the Trust.
12. Where rotating shifts are required, those responsible for making work schedules will assign shift rotation on an equitable basis. Individual requests for evening and night shift assignments may continue to be approved.
 - A. The Employer will make every effort to avoid asking bargaining unit members regularly assigned to 3:00PM to 11:00PM or night shift to rotate to another shift.
 - B. Every effort will be made to refrain from rotating bargaining unit members to evening or night shift immediately preceding their weekend off.
13. Employees working five (5) days per week schedules will not be scheduled for more than six (6) consecutive days, without prior consent of the employee.
14. Except when demonstrated to be more expensive, AFSCME Local 1363 Bargaining Unit employees will be offered overtime before any agency, pool and/or temporary employees.
15. Those who work these three (3) 12 and one half hour (12 ½) shifts shall be paid for 72 hours per pay period plus any overtime. For the purposes of weekly overtime, the normal work week shall be considered 40 hours.

(b) In selected areas as identified by Management, these 3-12 hour shifts as described in paragraph (a) may be offered to individual employees in other classifications.

ARTICLE 34 CALL-BACK

Employees called back to work shall be guaranteed at least four (4) hours pay, which shall be considered hours worked for the purpose of determining overtime compensation, provided such work does not immediately precede or immediately extend the employee's regularly assigned work shift. Such employees may be required to work at least four (4) hours.

Employees who are not required by the Department to actually work the entire four (4) hour guarantee time period and are subsequently recalled during this initial four (4) hour period shall not receive an additional guarantee of four (4) hours pay.

Job-basis employees who were directed to and worked in excess of their normal work schedule shall be granted administrative leave. Such leave may not be granted on an hour for hour basis.

However, job basis employees shall receive adequate time off.

Consistent with the need to complete assigned tasks, a job basis employee who is required to work late on a night preceding a work day may not be held to the normal reporting time if approved by an appropriate level supervisor.

ARTICLE 64 MANAGEMENT RIGHTS AND SCOPE OF THIS AGREEMENT

1. The Union recognizes that management possesses the sole right, duty, and responsibility to operate and manage the Trust and direct the work force, and the rights, authority, and discretion which the Trust deems necessary to carry out its responsibilities and missions shall be exercised consistently with these terms. Any term and condition of employment other than wages and benefits not specifically established or modified by this Agreement shall remain solely within the discretion of the employer modify, establish or eliminate. The rights contained in this Article shall be exercised consistently with Article 67 - Prevailing Benefits.
2. The Trust reserves the right and authority to establish, implement, revise or modify policies, procedures, and all other rules and regulations including but not limited to, Administrative Orders, Personnel Rules, Pay Plan, and Department Rules or Regulations, not in conflict with the express written provisions of this Agreement. This right and authority shall include but is not limited to the Trust's right to revise promotional criteria and the duration of promotional eligibility lists.
3. These rights and powers include, but are not limited to the authority to:
 - a. Determine the missions and objectives of the Trust;

- b. Determine the methods, means and number of personnel needed to carry out Departmental responsibilities;
- c. Take such actions as may be necessary to carry out services during emergencies declared by the President of the Public Health Trust;
- d. Direct the work of the employees, determine the amount and type of work needed, and in accordance with such determination relieve employees from duty because of lack of funds or lack of work;
- e. Discipline or discharge employees for just cause;
- f. The right to make reasonable rules and regulations. The Trust will inform the Union of any changes in the existing rules and regulations and the establishment of new rules and regulations before such changes are made effective;

The notice will be provided as soon as is practicable but in no event later than members of the general public are notified. Upon request by the Union, the Trust will provide to the Union copies of Requests for Proposals that specifically pertain to the contracting out for services that are currently being performed by bargaining unit employees. The Trust agrees that, when a department submits a written recommendation to contract out for services currently being performed by bargaining unit employees, a copy of such recommendation shall be sent forthwith to the Union.

This clause shall not be construed as a waiver of any other right either party may have under this Agreement or applicable law.

- l. Determine the utilization of technology;
 - m. Such other rights, normally consistent with management's duty and responsibility for operation of Trust services; provided, however, that the exercise of such rights does not preclude the Union from conferring about the practical consequences that decisions may have on terms and conditions of employment.
4. The parties acknowledge that during the negotiations which preceded this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to the subject or matter and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. This Agreement, including its supplements and exhibits attached hereto, concludes all collective bargaining between the parties during the term hereto, and constitutes the sole, entire and existing Agreement between the parties hereto.

5. The Trust, in exercising its rights, will not preclude the Union from raising a grievance for an act which is alleged to violate this Agreement.

ARTICLE 65 TOXICOLOGY AND ALCOHOL TESTING

The employer and the Union recognize that employee substance and alcohol abuse can have an adverse impact on Miami-Dade County government, The PHT's operations, the image of employees and the general health, welfare and safety of the employees, and the general public.

The Employer shall have the authority to require employees to submit to toxicology and alcohol testing designed to detect the presence of any controlled substance, narcotic drug, or alcohol. The Employer agrees that requiring employees to submit to testing of this nature shall be limited to circumstances that indicate reasonable grounds to suspect that the employee is under the influence of such substances, suffers from substances or alcohol abuse, or is in violation of the Personnel Rules or departmental Rules and Regulations regarding the use of such substances. Employees reasonably believed to suffer from substance abuse may be referred, at the Departments' discretion, to the Employee Assistance Program. An employee who voluntarily seeks assistance for substance abuse may not be disciplined for seeking assistance. However, voluntary participation in a substance abuse program shall not preclude discipline for the employee should job performance or employee conduct issues arise.

It is further understood by the parties that the aforementioned authority to require that employees submit to such testing be approved by a division director, or higher authority within the Department to ensure proper compliance with the terms of this article. An employee who is to be tested in accordance with the provisions of this article, will be permitted to make a phone call to the Union. This phone call shall not prevent, inhibit, or unreasonably delay the testing of such employee.

The results of such test or the employees' refusal to submit to toxicology or alcohol testing as provided for in this article, can result in appropriate disciplinary action in accordance with the applicable provision of the County Code, the Personnel Rules, Departmental Rules and Regulations and this Collective Bargaining Agreement.

The parties agree that toxicology and alcohol testing are an acceptable part of regularly scheduled Employer required physical examinations.

ARTICLE 66 COMPLETE AGREEMENT AND WAIVER OF BARGAINING

It is agreed and understood that this Agreement constitutes the complete understanding between the parties, terminating all prior agreements and Memoranda of Understanding and concluding all collective bargaining during its term, except as otherwise specifically provided in the Article entitled Term of Agreement and Reopening. The Parties specifically waive the right to bargain during the term of this Agreement with respect to any subject or matter referred to or covered in this Agreement, or to any subject or matter not specifically referred to or covered even though it may not have been in the knowledge or contemplation of the parties at the time this Agreement was negotiated.

ARTICLE 67 PREVAILING BENEFITS

Unless specifically provided for or abridged herein, all wage and economic fringe benefits, break times and other benefits of a similar nature currently in effect shall remain in effect under conditions upon which they have previously been granted.

Nothing in this article shall prevent the Trust from making reasonable changes in work rules or methods, provided that such changes do not reduce the benefits referred to above.

The Trust will provide the Union with a copy of written work rules affecting employees covered by this Agreement that are instituted or modified during the term of this Agreement.

Nothing in this Article shall be construed to modify or eliminate the concept of past practice.

ARTICLE 68 APPLICABILITY OF AGREEMENT

The general provisions herein contained are mutually agreed to by the County and Trust and the Union. The specific provisions of this Agreement are mutually agreed to by the Trust and the Union and shall be binding on the Trust and the Union, or each, as the context may require. Provisions binding upon the Trust shall be interpreted as binding upon all administrative Trust officials to abide by and perform as specified.

Nothing contained herein shall be interpreted to prevent or restrict the Trust from entering into agreement with other organizations of the Trust employees for benefits the same, in addition to, greater than, or different from those contained herein.

ARTICLE 69 SEVERABILITY CLAUSE

Should any part of this Agreement or any portion therein contained be rendered or declared illegal, legally invalid or unenforceable by a Court of competent jurisdiction, or by the decision of any authorized governmental agency, such invalidation of such part or portion of this Agreement shall not invalidate the remaining portions thereof. In the event of such occurrence, the parties agree to meet immediately, and, if possible, to negotiate substitute provisions for such parts or portions rendered or declared illegal or invalid. The remaining parts and provisions of this Agreement shall remain in full force and effect.

ARTICLE 70 STRIKES AND LOCKOUTS

There will be no strikes, work stoppages, sick-outs, picketing while working, slowdowns or other concerted failure or refusal to perform assigned work by the employees or the Union, and there will be no lockouts by the Trust for the duration of this Agreement. The Union guarantees to support the Trust fully in maintaining operations in every way.

Any employee who participates in or promotes a strike, work stoppage, picket line while working, slowdown, sick-out or concerted failure or refusal to perform assigned work may be discharged or otherwise disciplined by the Trust.

It is recognized by the parties that the Trust is responsible for and engaged in activities which are the basis of the health and welfare of our citizens and that any violation of this Article would give rise to irreparable damage to the Trust and to the public at large. Accordingly, it is understood and agreed that in the event of any violation of this Article, the Trust shall be entitled

to seek and obtain immediate injunctive relief and all other relief as provided by law. Provided, however, in any action brought by the Trust, it is agreed that the Union shall not be responsible for any act alleged to constitute a breach of this Article if the Union did not instigate or support such action.

In the event of a strike, work stoppage or interference with the operation and accomplishment of the mission of the Trust, the Union shall promptly and publicly order the employees to return to work and attempt to bring about a prompt resumption of normal operations.

ARTICLE 71 TIME LIMITS

For purposes of interpretation, all time limits contained in this Agreement shall be considered met so long as the postmarked date on a certified letter is in compliance with the specified time limit, when the postal service is utilized.

ARTICLE 72 GENDER REFERENCE

All pronouns used in this Agreement shall be deemed to apply to both sexes, regardless of the particular gender of the pronoun actually used.

ARTICLE 73 SENIORITY

To the extent feasible in fulfilling its mission and responsibilities and where job performance and job skill factors are equal among affected employees, the departments will give full and fair consideration to employees' seniority based on an employee's date in the Unit/Department and in the classification when determining vacation scheduling, shift assignments, overtime work assignments on a holiday, and training programs.

If requested by the Union, decisions and determinations made under this Article will be a proper subject for a consultation meeting between representatives of the Union, the affected department, and the Trust Employee/Labor Relations & Workforce Compliance Department.

ARTICLE 74 SPECIAL WAGE PROVISIONS

Effective the beginning of the first pay period in October 2005, full time bargaining unit employees will continue to receive a \$50.00 biweekly pay supplement.

ARTICLE 75 TERM OF AGREEMENT AND REOPENING

The Collective Bargaining Agreement between the Public Health Trust and the Dade County Public Employees Local 1363, AFSCME, AFL-CIO, shall be effective October 1, 2008 and continue to September 30, 2011.

Either party shall have the right, in accordance with the provisions of Article 10 Labor Management Committee, during the term of this Agreement to reopen this Agreement only with respect to Performance Based Compensation Projects.

In the event that during the term of this Agreement (October 1, 2008 to September 30, 2011) another County collective bargaining unit successfully negotiates an across the board wage increase which is effective during the term of this Agreement and is greater than the wage

increase provided for under Article 38 Wages, the Union will have the right to request the reopening of negotiations with respect to Article 39 Wages only.

The PHT has the right to reopen this Agreement to discuss issues related to the implementation of the Enterprise Resource Planning (ERP) for a new PHT Human Resource (HR) System. The purpose of this reopener is to be able to address changes in the business processes used to perform certain personnel and payroll transactions, in order to adapt to the functional requirements of the new HR system.

AFSCME has the right to reopen this Agreement to discuss issues related to personal leave/vacation cashout, Article 24, Section 1 (H) upon implementation of information technology changes.

This contract represents a fair and equitable agreement with a very critical bargaining unit and is the product of good faith negotiations between the parties. It recognizes the services provided by these important public servants by addressing their economic concerns while ensuring the continued delivery of quality public safety services in a fiscally responsible manner.

Either party may require by written notice to the other between June 1, 2011 and not later than June 30, 2011, negotiations concerning modifications, amendments, and renewal of this Agreement to be effective October 1, 2008. If neither party shall submit such a written notice during the indicated period, this Agreement shall be automatically renewed for the period of October 1, 2008 through September 30, 2011.

ARTICLE 76 ANESTHESIA TECHNICIANS

Anesthesia Technicians who work double shifts and are scheduled to return to work within eight (8) hours of the time the shift ends will be allowed four (4) hours administrative leave time at the beginning of the next scheduled shift. The employee will have an option of using PL time to cover the remainder of the shift. This will allow the employee not to report back to work until after eleven and a half (11½) hours have elapsed.

ARTICLE 77 CERTIFIED NURSING ASSISTANTS

1. While nothing shall prevent a suitably qualified CNA I from promotion to CNA II at any time, all CNA I's shall automatically be promoted to CNA II pay status at the end of twenty-four (24) months from their date of hire, only providing that the CNA I's evaluation has met standards.
2. CNA I's will be promoted to CNA II at any time earlier than twenty-four (24) months if the CNA I "exceeds standards" in the performance evaluation.

ARTICLE 78 CORRECTIONS HEALTH SERVICES/WARD D PAY SUPPLEMENT

Employees working in Corrections Health Services and Ward D will continue to receive a one-step pay supplement as long as they work in these areas. The one step will be removed in the event the employee transfers from Corrections Health Services/Ward D.

In conjunction with this pay supplement, Ward D employees may be assigned to other Corrections Health Services facilities on an as need basis.

ARTICLE 79 EDUCATIONAL CERTIFICATION BONUS

All full-time employees who obtain a specific certification in their area of practice shall receive a one (1) time bonus of \$150.00 following receipt of the certification or recertification.

This bonus is for certification received in addition to the certification required for the classification. Employees who currently have an additional certification shall receive the bonus effective the third pay period following final ratification of this Agreement.

ARTICLE 80 GRANT POSITIONS

Grant positions are defined as positions that have alternate funding from sources outside of the Public Health Trust. Grant positions are typically funded for specific periods of time and for specific amounts of money that cover wages and benefits. Grant positions can be full-time (scheduled for 40 hours per week) or part-time (scheduled for 30 to 35 hours per week or scheduled for under 30 hours per week). Subject to the following conditions, grant positions are included within the bargaining unit if they are full-time grant positions or part-time grant positions scheduled for 30 to 35 hours per week, provided:

- A. Individuals in grant positions may not file grievances over the loss of such position due to loss of funding.
- B. Individuals in grant positions are entitled to wage increases, health insurance benefits, and other benefits only if the same are provided for in the funding source. If the cost of the increase or the benefit is not included in the funding source, there is no entitlement to the increase and no grievance may be filed with respect to the increase.
- C. Any restriction placed on a position by the funding source is applicable and is not subject to the grievance procedure.
- D. The decision as to whether to seek an alternate source of funding is within the complete discretion of the Public Health Trust and is not subject to the grievance procedure.
- E. All new hires shall be made aware of the Public Health Trust policy and procedures which will be available upon request for review.

PERMANENT FULL-TIME EMPLOYEES

Permanent full-time employees who have been involuntarily assigned to grant positions that are later eliminated due to loss of funding shall be transferred to comparable positions in accordance with Public Health Trust policy and this collective bargaining agreement.

ARTICLE 81 MEAL CARDS

Effective the beginning of the first pay period immediately following ratification and approval by the Board of County Commissioners, employees working in Nutrition Services will be provided a meal card with a value of \$5.25 per scheduled work shift. Effective twelve (12) months after this pay period, the card value will be increased to \$5.50 per scheduled work shift. Effective twelve (12) months after this pay period, the card value will be increased to \$5.75 per scheduled work shift.

The meal card shall be useable at the Jackson cafeteria, as well as at any other eating establishments on the PHT complex operated by the same providers who manage the cafeteria and have card readers available.

ARTICLE 82 REST PERIODS, MEALS, AND LOUNGE AREAS

The Trust agrees that every effort shall be made to provide two (2) fifteen (15) minute rest periods within the eight (8) hour work schedule or three (3) fifteen (15) minute rest periods for twelve (12) hour work schedules. At the discretion of the Supervisor, two (2) fifteen (15) minute breaks may be taken in conjunction with the mid-shift meal.

The Employer agrees to provide adequate lounge space, or equivalent lounge space in all new or acquired facilities. In the event of relocation of this space due to remodeling/construction, every effort will be made for alternate lounge space provided patient care and business needs are not compromised. The Employer and the Union will agree in writing that the alternate lounge space is acceptable.

Consistent short staffing shall not be considered sufficient reasons for constant denial of the two (2) fifteen (15) minute breaks or denial of the mid-shift meal break.

ARTICLE 83 TRAINING PAY

If an employee is called upon to train another employee for more than three (3) days, the employee performing the training will be given a one (1) step pay increase for the additional duties being performed for the length of the training period. This pay step will cease at the end of the training period.

ARTICLE 84 CONSECUTIVE SHIFTS

No employee will be scheduled for more than two (2) different shifts in any one (1) work week unless the employee gives consent, except in emergency situations.

Employees will not be required to work consecutive shifts except in emergency conditions. There will normally be at least a minimum of an eleven and one-half (11½) hour break between work shifts except in emergency circumstances. For purposes of this section only, staffing deficiencies which cannot be reasonably anticipated by the Employer shall be considered as emergency circumstances.

ARTICLE 85 CROSS TRAINING PROGRAMS

When an employee is cross-trained, an initial assessment of competence will be done and an organized, documented training program using tools such as checklists, will be provided in order to ensure the safe delivery of quality patient care. The employee and the person responsible for the cross-training shall mutually acknowledge in writing when the cross-training has been successfully completed. Attainment and maintenance of necessary skills and competency needed to practice in the intended unit will be documented.

When cross-training programs are available or necessary, the employer will first seek volunteers. Selection from volunteers shall be made by seniority unless specific criteria is required as pre-established by Management. Criteria will be shared prior to posting of vacancy when opportunity is available. If there are insufficient volunteers to meet departmental needs, employees shall be assigned in inverse order of seniority. Volunteers must meet licensure

requirements of the position. The Employer agrees to make cross-training programs and opportunities available to employees in the same classification and same department on an equitable basis.

ARTICLE 86 PENSION

The PHT shall have the option to offer a defined contribution 401A retirement plan as an alternative to the PHT defined pension benefit plan to bargaining unit employees hired after the ratification date of this agreement. Enrollment in such plan will be voluntary. These employees will continue to have the option to enroll in the defined benefit plan.
