Subject: Ordinance Amending Section 2-8.1 of the Code of Miami-Dade County to Exempt Certain Transactions and Purchases from County Vendor Affidavit Requirements

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached ordinance exempting certain organizations from County vendor affidavit requirements.

Scope

The impact of the proposed ordinance is countywide in nature.

Fiscal Impact/Funding Source

The proposed ordinance will require changes to the County's financial mainframe system, FAMIS. The estimate to complete the required changes is \$30,000.

Track Record/Monitor

Not Applicable.

Background

In June of 2008, as part of the ongoing Procurement Reform Initiative, the County streamlined the procurement process by requiring affidavits of vendors once only, at the time of registration. The County vendor registration process captures company information and required affidavits which are required for award of a County contract. Currently, Federal, State and municipal government agencies are currently excluded from registration requirements.

However, there are specific instances where the Finance Department issues checks to individuals and entities that are independent of a competitive contract award. For example, entities may be awarded funding via a Board resolution. In these instances, direct payments are made by the Finance Department and vendor registration is not completed. In addition, vendor registration for executive auto leases, purchases of land from private property owners, and engagement of speakers or trainers for special events should be exempted from the registration process requirements. These instances are not tied to a specific contract award.

Waiving vendor registration and affidavit requirements for these transactions is expected to improve efficiency, save time, reduce paperwork, and process payments to entities quicker. Filing the registration package offers little value to this process and is sometimes a deterrent for small vendors, for whom most affidavits are not applicable. The exemptions in the proposed ordinance include:

- Purchase of land
- Lease of vehicles for county officials
- Engagement of performers, honorariums or trainers
- Historical preservation services

- Rehabilitative services (such as courses/trainings for ex-offenders)
- Cable and satellite services; video conferencing services
- Dental services for inmates
- Tutoring services
- Animal medication purchases; animal care services and shipment of animals
- Anti-venom purchases

For your reference, below is a listing of the affidavits currently required as part of the vendor registration process. The proposed ordinance would waive the requirement to submit these affidavits.
