

Memorandum

Date: June 15, 2010

To: Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Resolution Calling for a Special Election to Modify the Miami-Dade County Home Rule Charter to allow the Miami-Dade County Board of County Commissioners to Approve or Amend Franchise Fee Agreements

Agenda Item No. 8(L)(1)(A)

Resolution R-663-10

The following substitute differs from the original in that the ballot question contained in the accompanying resolution includes additional language informing the electorate that this action is consistent with the practice of other Florida counties, as requested at the May 18, 2010 Board of County Commissioners (BCC) meeting.

Recommendation

It is recommended that the BCC approve the attached resolution calling for a special election to be held in conjunction with a State of Florida primary election on August 24, 2010. This election will ask the electorate whether the Miami-Dade County Home Rule Charter (Charter) should be amended to allow the BCC to approve franchises or amend franchise agreements by supermajority vote of the Board members present without subsequently holding a special election to seek approval of the electorate.

Scope

The franchise agreements under the purview of the BCC are for areas of the Unincorporated Municipal Service Area (UMSA) within Miami-Dade County.

Fiscal Impact

This item will have a positive fiscal impact. Currently the Charter provides for the granting of franchises by the BCC along with a majority vote of the qualified electors. This change in the code will eliminate the referendum requirement and save the cost of future elections.

Track Record/Monitor

All agreements with franchises will be monitored by the Office of Strategic Business Management.

Background

Section 1.01 A 14 (a) of the Charter gives the BCC the authority to enter into franchise agreements. Currently, a franchise can only be granted by a two-thirds vote of the BCC members present and approval by the majority vote of the qualified electors at a special or general election. This change to the Charter would allow the BCC to grant or amend a franchise agreement without a referendum. For example, the BCC approved current electrical franchise fee agreement with Florida Power and Light by ordinance and it was then later approved by the electorate. The Charter can be amended allowing the BCC the authority to enter into franchise agreements without subsequent electorate approval. Not requiring the

electorate to approve franchise agreements is consistent with common practice of other counties in the State, and with municipalities in Miami-Dade County.

Currently, any amendments to a franchise agreement would require that the same process be followed as if it were a new agreement, BCC approval by a two-thirds vote and approval by the majority vote of the electorate. If the County is able to re-negotiate more favorable terms to the current agreement, any changes would require the same approval process as a new agreement. The BCC can consider amending the Charter to allow that specific changes in the franchise agreement would only require a two-thirds vote and not a subsequent election.
