Subject: FY 2009-2010 Tourist Development Council Grants Program
Third Quarter Recommendations for a Total of \$175,800

Agenda Item No. 9(A)(2)

Resolution No. R-881-10

Recommendation

It is recommended that the Board approve the funding of 20 grants for a total of \$175,800 from the FY 2009-2010 Tourist Development Council Grants Program – Third Quarter.

Scope

The impact of this agenda item is countywide.

Fiscal Impact/Funding Source

Funding for the Tourist Development Council (TDC) Grants Program comes from the 2% Tourist Development Room Tax Revenue and the 2% Hotel/Motel Food and Beverage Surtax revenues. In addition, the Greater Miami Convention and Visitors Bureau provides \$25,000 to the TDC pursuant to a multi-year agreement. TDC grants are disbursed through Index Code TU243964, Sub-object Code 60625, and drawn from Fund 150, Subfund 151.

Track Record/Monitor

Each recommended organization has a track record for responding to Departmental grant requirements and contractual conditions. Michael Spring, Director of the Miami-Dade Department of Cultural Affairs, is responsible for monitoring the grant contracts.

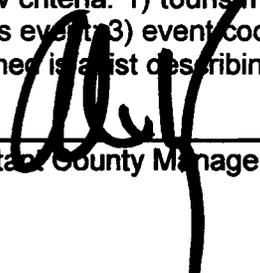

Background

The Tourist Development Council convened on May 20, 2010 to review 20 applications requesting \$321,600 for the Third Quarter of the program. The TDC recommended funding 20 applicants for a total of \$175,800.

The projects selected for funding represent a diversified range of activities and demographic locations. In its deliberations, the TDC carefully considered and applied the Tourist Development Council Grants guidelines, as outlined below.

The Tourist Development Council Grants Program is responsive on a quarterly basis to organizations/events, which showcase Miami-Dade County's appeal as a tourist destination by sponsoring tourist-oriented sports events, cultural and special events (visual and performing arts, including theater, concerts, recitals, opera, dance, art exhibitions, festivals and other tourist-related activities) and television origination projects.

The TDC specifically evaluated each applicant organization based on the following competitive review criteria: 1) tourism impact/marketing plan; 2) quality and track record of the organization and its event; 3) event coordination and management; and 4) fiscal feasibility and accountability. Attached is a list describing the projects being recommended for funding.

MIAMI-DADE COUNTY DEPARTMENT OF CULTURAL AFFAIRS
GENERAL TERMS AND CONDITIONS FOR TOURIST DEVELOPMENT COUNCIL GRANTS (September, 2007)
ARTICLES II, III, IV and V

ARTICLE II

1. **Parties:** The parties to the Grant Award Agreement, which shall be referenced herein as the "Agreement," are the Grantee listed in Article I.1, and Miami-Dade County, Florida, a political subdivision of the State of Florida. The Home Rule Charter authorizes Miami-Dade County to provide for the uniform health and welfare of the residents throughout the County, and further provides that all functions not otherwise specifically assigned to others under the Charter, shall be performed under the supervision of the County Mayor or his designee. The County Mayor has delegated the responsibility of administering this grant to the Director of the Miami-Dade County Department of Cultural Affairs, who shall be referred to herein as the "Director."

2. **Amount and Payment of Grant Award:** The total amount of the grant is specified in Article I.2. By making this grant, Miami-Dade County assumes no obligation to provide financial support of any type whatever in excess of the total grant amount. Cost overruns are the sole responsibility of the Grantee. Grant funds will be supplied to the Grantee once the award is approved and subject to the conditions and limitations as outlined in the Agreement and its accompanying articles and attachments.

Miami-Dade County's obligation to pay the award under the Agreement is contingent upon an appropriation by the Miami-Dade County Mayor and the Board of County Commissioners and on the availability of funds. In the event that County funds on which the Agreement is dependent do not materialize or are withdrawn, the Agreement is terminated and the County has no further liability to the Grantee, beyond that already incurred by the termination date. In the event of a County revenue shortfall, the total grant will be reduced accordingly. Such termination or reduction of the total grant shall not affect the responsibility of the Grantee under the Agreement as to those funds distributed.

Tourist Development Council grants are made as either a Reimbursement Award or a Direct Award, with the type of grant determined on a case-by-case basis by the Director and on the approval of the Tourist Development Council. The type of this grant award is specified in Article I.2.

If Article I.2 designates this grant as a Reimbursement Award, the Grantee agrees to provide to the Director or his designee, within ninety days (90) of the event, copies of original documentation conclusively demonstrating the expenditure of funds for the items indicated as grant award expenses in the Restatement of Project Budget as a condition of receiving payment of this award. Documentation shall include, but not be limited to, copies of original bills, invoices, vouchers, receipts, and canceled checks (front and rear) clearly designating payment for expenses associated with the event. Cash transactions are not acceptable unless a copy of a contract, invoice, receipt or other documentation supporting such cash payment is received, marked "paid" and signed by the recipient of the cash. The Director reserves the right to request original documentation to substantiate grant expenditures. Within forty-five (45) business days of receipt of satisfactory documentation described and required by this Agreement, the County shall reimburse the Grantee for the grant expenditures. If documentation as outlined above is not received within ninety days (90) of the event, or if the Director concludes that the documentation provided by the Grantee does not definitively demonstrate that funds were expended for the purposes allowed by this Agreement, the grantee shall waive any and all rights to receive payment of the grant.

If Article I.2 designates this grant as a Direct Award, grant funds will be supplied to the Grantee once the award is approved and subject to the conditions and limitations as outlined in the Agreement and its accompanying articles and attachments.

3. **Project Description:** The Grantee may use the grant only for the purposes which are specifically described in Article I.3, designated "Project," as documented in the Grantee's program application and in accordance with the published guidelines of the grant program through which this grant is being awarded. Any necessary changes in the scope of the project are cited in the attached Restatement of Project Budget. Further, it is expressly understood and agreed that the Grantee's program(s) supported by these grant funds must be open and accessible to the public, provide public exposure and benefit the public unless otherwise noted under Article V, "Special Conditions," of the Agreement.

Minor project revisions believed to be necessary for the purpose of completing the project, but which do not substantially alter the original project, its quality, impact, or benefit to the organization, the County or its citizens, must be requested in writing to the Director sufficiently prior to implementation of revisions for the Director's approval. Minor revisions include, but are not limited to those affecting project scope, venue, timeframe and participants. The Director will make the final determination on revisions within fourteen (14) business days of the date of receipt of the request in the Department of Cultural Affairs' offices.

7

4. **Project Budget:** The Grantee agrees to demonstrate fiscal stability and the ability to administer grant funds responsibly and in accordance with standard accounting practices by developing and adhering to a project budget that is based upon reasonable revenue development and expenditures projected to accomplish the project covered under the Agreement. This budget is referenced in Article 1.4 and is attached to the Agreement as the Restatement of Project Budget, and the Grantee agrees that all expenditures will be subject to the terms of the Agreement and will not significantly deviate from the budget included as a part of the Grantee's program application or funding request information provided to the Miami-Dade County Department of Cultural Affairs. **The Grantee agrees and expressly understands that any grant budget revisions including line item changes necessary for the purpose of completing the project must be requested in writing to the Director for his consideration prior to the Grant End Date stated in Article 1.6 and that any requested changes may not exceed twenty-five percent (25%) of the total amount of the grant award.** The Director will approve or disapprove the Grantee's request in writing within fourteen (14) business days of the date of receipt of the request in the Department's offices.

5. **Grant End Date:** The Grantee shall encumber all grant and matching funds on or before the Grant End Date as outlined in Article 1.6. Any grant funds not encumbered by the Grant End Date or for which a project extension has not been requested, or any encumbered funds not expensed within forty-five (45) days of the Grant End Date shall revert to the Department and the Agreement shall be terminated in accordance with Article II.14. A project extension may be requested in writing from the Director at least thirty (30) business days prior to the Grant End Date. The Director, at his discretion, may grant an extension of up to one (1) year of the Grant End Date so long as such extension will not significantly alter the project including its quality, impact, or benefit to the organization, the County or its citizens.

6. **Report Deadline:** To demonstrate that the Grantee has used the grant award for the project as approved (Article 1.3.) and the Itemized Project Budget (Article 1.4.) as attached to the Agreement as the Restatement of Project Budget, and has met and fulfilled all requirements as outlined in the Agreement, original application, and any other substantive materials as may be attached or included as a condition to this grant award, the Grantee must submit to the Director or his designee, a written Final Report documenting that the Grantee is meeting or has fulfilled all project and financial requirements. This report is to be received by the Director or his designee by the date specified in Article 1.7 in the form specific to the program through which this grant is being awarded. **The Grantee agrees and expressly understands that in making Final Report to the Department, any deviation from the grant expense budget attached to the Agreement as the Restatement of Project Budget must be requested in writing to the Director for his consideration prior to the Grant End Date stated in Article 1.6 and that any requested changes may not exceed twenty-five percent (25%) of the total amount of the grant award.** The Director, at his sole discretion, may require the Grantee to submit interim reports demonstrating progress on the project and accounting for project expenses to date. The Director may also require that a compilation statement or independent financial audit encompassing the entire grant period and accounting for the expenditure of grant funds be prepared by an independent certified public accountant at the expense of the Grantee.

The Grantee shall attach to the Final Report, copies of original documentation conclusively demonstrating the expenditure of funds for the items indicated in the Restatement of Project Budget as grant award expenses. Documentation shall include, but not be limited to, copies of original bills, invoices, vouchers, receipts, and copies of canceled checks (front and rear) clearly designating payment for expenses associated with the event. Cash transactions are not acceptable unless a copy of a contract, invoice, receipt or other documentation supporting such cash payment is received, marked "paid" and signed by the recipient of the cash. The Director reserves the right to request original documentation to substantiate grant expenditures.

In the event that the Grantee fails to submit the required Final Report by the deadline date specified in Article 1.7, the Director may terminate the Agreement in accordance with Article II.14. Further, the Director or his designee must approve this report before the Grantee is deemed to have met all conditions of the grant award.

7. **Program Monitoring and Evaluation:** The Director or his designee may monitor and conduct an evaluation of the Grantee's operations and the project for which this grant is provided, which may include visits by County representatives to: observe the project or Grantee's programs, procedures, and operations; discuss the Grantee's programs with the Grantee's personnel; and/or evaluate the public impact of these funded events and activities.

Upon request, the Grantee shall provide the Director with notice of all meetings of its Board of Directors or governing board, general activities and project-related events. In the event the Director or his designee conclude, as a result of such monitoring and/or evaluation, that the Grantee is not in compliance with the terms of the Agreement, is not fulfilling other program requirements or stipulations for which this Grant has been provided or for other reasons which significantly impact on the Grantee's ability to fulfill the conditions of this grant award, the Director or his designee must provide in writing to the Grantee, within thirty (30) days of the date of

said monitoring/evaluation, notice of the inadequacy or deficiencies noted which may significantly impact on the Grantee's ability to complete the project or fulfill the terms of the Agreement within a reasonable time frame. If Grantee refuses or is unable to address the areas of concern within thirty (30) days of receipt of such notice, the Director, at his discretion, may take other actions, which may include the withholding, reduction or rescission of grant funds until such time as the Grantee can demonstrate that such issues have been corrected.

Further, in the event that the Grantee refuses or is unable to address the areas of concern and the grant award has been disbursed in full or in part, then the Director may request the return of the full or partial grant payment. At the Director's sole discretion, a Grantee found to be deficient or in default of a previous grant contract may be declared permanently ineligible to apply to the Department of Cultural Affairs' grants programs. Reinstating the Grantee's eligibility to apply is also at the Director's sole discretion, and may only be considered subsequent to all deficient areas on prior grants having been addressed to the satisfaction of the Director.

If Grantee is not in compliance with the conditions of any other County agreement, the Director, at his discretion, may take other actions, which may include the withholding, reduction or rescission of grant funds until such time as the Grantee can demonstrate that such issues have been corrected.

8. Bank Accounts: Monies received pursuant to the Agreement shall be kept in accounts in established Florida banks, credit unions or savings and loan associations whose identity shall be disclosed in writing, with the identity and title of individuals whom the Grantee authorizes to withdraw or write checks on grant funds from the banking institution identified on the "Bank Account Disclosure" form submitted by the Grantee. These accounts need not be accounts which are segregated from other accounts maintained by the Grantee. However, it is highly recommended that the Grantee maintain a separate account for these grant funds.

9. Accounting and Financial Review: The Grantee must keep accurate and complete books and records for all receipts and expenditures of this grant award and any matching funds required in conformance with reasonable general accounting standards. These books and records, as well as all documents pertaining to payments received and made in conjunction with this grant, such as vouchers, bills, invoices, receipts and canceled checks, shall be retained in Miami-Dade County in a secure place and in an orderly fashion by the Grantee for at least two (2) years after: the Grant End Date specified in Article I.6.; the expiration of an extended grant period as approved by the Director; the completion of a County requested or mandated audit or compliance review; the conclusion of a legal action involving the grant award, the Grantee and/or project or activities related to the grant award.

The Director or his designee may examine these books, records and documents at the Grantee's offices or other approved site under the direct control and supervision of the Grantee during regular business hours and upon reasonable notice. Furthermore, the Director may, upon reasonable notice and at the County's expense, audit or have audited all financial records of the Grantee, whether or not purported to be related to this grant.

10. Publicity and Credits: The Grantee must include the following credit line in all promotional and marketing materials related to this grant including web sites, news and press releases, public service announcements, broadcast media, event programs, and publications: "With the support of the Miami-Dade County Tourist Development Council, the Miami-Dade County Department of Cultural Affairs and the Cultural Affairs Council, the Miami-Dade County Mayor and Board of County Commissioners." The grantee must also use the Tourist Development Council logo in marketing and publicity materials whenever possible. Please call the Department to request an electronic logo file or download it from our website (www.miamidadearts.org).

By accepting County funds, the grantee is required to recognize and acknowledge Miami-Dade County's grant support in a manner commensurate with all contributors and sponsors of its activities at comparable dollar levels.

11. Liability and Indemnification: It is expressly understood and intended that the Grantee, as the recipient of grant funds, is not an officer, employee or agent of Miami-Dade County, its Board of County Commissioners, its Mayor, the Tourist Development Council, the Department of Cultural Affairs or the Cultural Affairs Council. Further, for purposes of the Agreement and the grant project or activity, the parties hereto agree that the Grantee, its officers, agents and employees are independent contractors.

The Grantee shall take all actions as may be necessary to ensure that its officers, agents, employees, assignees and/or subcontractors shall not act as nor give the appearance of that of an agent, servant, joint venturer, collaborator or partner of the Tourist Development Council, the Department of Cultural Affairs, the Cultural Affairs Council, the Miami-Dade County Mayor, the Miami-Dade County Board of County Commissioners, or its employees.

The Grantee agrees to be responsible for all work performed and all expenses incurred in connection with the project. The Grantee may subcontract as necessary to perform the services set forth in the Agreement, including entering into subcontracts with vendors for services and commodities, provided that it is understood by the Grantee that Miami-Dade County shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract, and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

The Grantee shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, law suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of the Agreement by the Grantee or its employees, agents, servants, partners, principals or subcontractors. The Grantee shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits, or actions of any kind or nature in the name of the County, where applicable including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may issue thereon. The Grantee expressly understands and agrees that any insurance protection required by the Agreement or otherwise provided shall in no way limit the responsibility to indemnify, keep and save harmless, and defend the County or its officers, employees, agents and instrumentalities as herein provided.

12. Assignment: The Grantee is not permitted to assign this grant award or any portion thereof. Any purported assignment will render this grant null and void and the Grantee shall be subject to immediate rescission of the full amount of the grant award and reimbursement by the Grantee of its full value to the County.

13. Compliance with Laws: It shall be a contractual obligation of the Grantee hereunder, that during the term of the Agreement, the Grantee agrees to abide by and be governed by all applicable federal, state and county laws and the terms of grants made to Miami-Dade County and the Miami-Dade County Department of Cultural Affairs and Cultural Affairs Council, of which this grant is a sub grant, including, but not limited to the following Miami-Dade County Ordinances, Resolutions, sections of the County Code and federal laws:

These provisions do not waive or preclude the County from pursuing any other remedy, which may be available to it under the law.

15. Indulgence Will Not Be A Waiver of Breach: The indulgence of either party with regard to any breach or failure to perform any provision of the Agreement shall not be deemed to constitute a waiver of the provision or any portion of the Agreement either at the time the breach or failure occurs or at any time throughout the term of the Agreement.
