**Recommendation**

It is recommended that the Board of County Commissioners (BCC) grant the attached Road Closing Petition following a public hearing. The Miami-Dade County Departments of Planning and Zoning, Public Works, Water and Sewer and Fire Rescue have no objection to this right-of-way being closed.

**Scope**

This road closing is located within Commission District 12.

**Fiscal Impact/Funding Source**

The Property Appraiser's Office has assessed the adjacent property to this right-of-way at \$1.15 per square foot. Therefore, the estimated value of this right-of-way would be approximately \$46,000.00. However, the abutting properties are exempt from paying taxes. Therefore, granting of this petition will not result in an increase in revenue from property taxes. The fee for this road closing is \$5,400.00.

**Track Record/Monitor**

Not Applicable

**Background**

The abutting property owner, South Florida Water Management District, wishes to close NW 194 Street, from NW 97 Avenue East to Interstate 75 (State Road No. 93), in order to incorporate the land into its property to be used for rock mining. The subject right-of-way is located within an area designated as a "Rockmining Overlay Zoning Area" and has never been improved nor maintained by Miami-Dade County.

The subject right-of-way was dedicated in 1911, by the plat of CHAMBERS LAND COMPANY SUBDIVISION, as recorded in Plat Book 2, Page 27 of the Public Records of Miami-Dade County, Florida. The subject right-of-way is zoned GU (Interim District).
