Subject: Contract Award Recommendation in the Amount of \$885,000.00 between AGC Electric, Inc. and Miami-Dade County for the People's Transportation Plan (PTP) Project Entitled School Speed-Zone Flashing Signals Contract – Countywide (**Project – MCC 7360 Plan Request for Price Quotation (RPQ) No. 20100429**) and Authorizing the Use of Charter County Transit Surtax Funds

Agenda Item No. 14(A)(14)

Resolution No. R-832-10

Recommendation

The attached Contract Award Recommendation for the School Speed-Zone Flashing Signals Contract - Countywide (Project – MCC 7360 Plan RPQ No. 20100429), in the amount of \$885,000.00, between AGC Electric, Inc. and Miami-Dade County has been prepared by the Public Works Department (PWD) and is recommended for approval. Proceeds from the Charter County Transit System Sales Surtax (the Surtax) will be used to fund this project, therefore, approval by the Board of County Commissioners (BCC) and Citizens' Independent Transportation Trust (CITT) is required.

Scope

The work to be performed under the life of this contract includes the installation of school speed-zone flashing signals at various locations within Miami-Dade County.

Fiscal Impact/Funding Source

The fiscal impact will be approximately \$885,000.00 and will be funded from the Surtax. The proposed improvements qualify under the allowable work categories included in the PTP Neighborhood Improvements Section. Specific funding for this project will be allocated from the PTP School Flashing Signals Program. This is a work order based contract with a base contract amount of \$750,000.00. The total recommended award amount is \$885,000.00, which is inclusive of the contingency and dedicated allowances. The estimated operation and maintenance (O&M) costs are \$500 annually for each School Flashing Signal installed and will be funded through the Department's General Funds.

Delegation of Authority

No additional authority is being requested within the body of this contract.

Track Record/Monitor

AGC Electric, Inc. is currently performing work for PWD at a satisfactory level as reported by the Project Manager. PWD has reviewed the Office of Capital Improvements (OCI) database and found nine (9) awarded construction contracts and are listed as follows: one (1) from the General Services Administration Department (GSA) and eight (8) from PWD. The referenced database also lists a total of seven (7) contractor performance evaluations with an overall performance rating of satisfactory performance (3.7), out of a possible superior performance (4.0) rating.

The Department of Small Business Development's (SBD) History of Violation's report lists no violations for this contractor.

Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled. Throughout all PTP projects, the responsible staff person in PWD will be the PTP Coordinator, Mr. Frank Aira, P.E. Following completion of the award process, the project will be assigned to Mr. George Brown, Project Manager, for day to day responsibilities.

According to the Florida Department of State, Division of Corporations, AGC Electric, Inc., Company Principals are: Tomas V. Curbelo, Enrique I. Guzman and Pierrette De La Sierra and the Company's address is listed as: 2660 West 79 Street, Hialeah, Florida 33016.

Background

In an effort to carry on the success of the PTP Neighborhood Improvements initiative, PWD continues to take advantage of various contracting mechanisms such as the subject Miscellaneous Construction Contracting (MCC) process available under OCI contract MCC 7360 Plan. Through this process, PWD forwards the Request for Proposal Quotation (RPQ), by way of facsimile transmission, to a pool of firms that have registered with OCI for the subject trade. Additionally, PWD advertises the project in the Daily Business Review and all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. Interested contractors prepare their bids according to the Job Order Contracting (JOC) process, whereby the County establishes unit prices for the pay items in accordance with industry averages. The contractors submit their bid as an overall percentage factor of the pricing established by the County. The project award evaluation is based upon the lowest percentage submitted by the responsive, responsible bidder for the project.

PWD staff submitted the referenced project to the SBD Review Committee. The Review Committee met on April 14, 2010 reviewed RPQ No. 20100429 and recommended a 10% overall CSBE subcontractor goal and an 11.2% Community Workforce Program (CWP) goal based on the project's scope of work and cost estimate of \$750,000.00. Therefore, on April 22, 2010, PWD forwarded an RPQ for the People's Transportation Plan (PTP) School Speed-Zone Flashing Signals Contract - Countywide, utilizing the OCI contract MCC 7360 Plan, to a list of three (3) pre-registered firms. A total of 13 firms purchased contract documents and 9 firms proffered a bid.

On May 28, 2010, AGC Electric, Inc., proffered the lowest responsive, responsible base bid of 0.63 percentage factor, 37% below the County's cost estimate; the second lowest bidder, Statewide Electrical Services, Inc., proffered a base bid of 0.70 percentage factor, 7% over the lowest bidder; the third lowest bidders, Under Power Corp and Florida Sol Systems, Inc., proffered a base bid of 0.75 percentage factor, 5% over the second lowest bidder. As a result, on June 28, 2010, PWD issued a recommendation of award for RPQ No. 20100429 to AGC Electric, Inc., with the stipulation that approval of this project must be obtained from the BCC and the CITT due to guidelines associated with the funding source.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment and tools to perform all operations necessary for the installation of solar school speed-zone overhead flashing lights and midblock traffic signal consisting of mastarm combinations with solar powered flashing beacons and regulatory signs, and pedestals with solar powered flashing beacons and regulatory signs. Additional work also includes installation of pedestal mounted controller cabinets; conduit, pedestrian ramps, grounding rods, pulls boxes, ground mounted signs, and pavement markings.

LICENSE REQUIREMENTS:

At the time of Bid and pursuant to the requirements of Section 10-3 of the Code of Miami-Dade County, Florida and these Solicitation and Contract Documents, the Bidder must hold a valid, current, and active:

- a) Certificate of Competency from the County's Construction Trades Qualifying Board as an Electrical Contractor, commensurate to the requirements of the Scope of Work, or
- b) Certification, as an electrical contractor provided by the State of Florida Electrical Contractors' Licensing Board, pursuant to the provisions of Section 489.511 of the Florida Statutes.

Pursuant to Section 255.20, Florida Statutes (F.S.) and in lieu of the above, the County may consider a bid from a Bidder that is a duly licensed Contractor in good standing that has been prequalified and considered eligible by the Florida Department of Transportation (FDOT) under Section 337.14, F.S. and Chapter 14-2, Florida Administrative Code, to perform the work described in the Contract Documents. Contractors seeking consideration under this Paragraph shall submit along with the Bid Documents for review and consideration, current copy(ies) of their FDOT Certificate(s) of Qualification, Certification of Work Underway, and Status of Contract(s) On Hand. Acceptance FDOT prequalification(s) necessary to perform the work specified in the Project's Scope of Work shall include the Traffic Signal Work Class.

The Contractor shall furnish Certificates of Insurance to the County prior to commencing any operations under this Contract. The certificates shall clearly indicate that the Contractor has obtained insurance, in the type, amount and classification required by these Contract Documents.

BID DOCUMENTS:

Bidding documents may be purchased from the Miami-Dade County Department of Public Works, Contracts and Specifications Section, 111 NW 1st Street, 14th Floor, Miami, Florida 33128 for a non-refundable fee of Twenty Five Dollars (\$25.00) per each complete set of documents. Payment shall be in the form of a company check, cashier's check, or money order payable to the "Board of County Commissioners of Miami-Dade County, Florida."

ADDENDUMS - RFI's

The Public Works Department has made changes with regard to how addendums and requests for information (RFI) will be sent to document holders. Be advised that all Addendums, RFI's, and the document holders list (bidder's list) are now available to view online at the following web address:

<http://services.miamidade.gov/DPM/SolicitationList.aspx>

Therefore, during the advertisement period, the Department will not be sending these documents via certified mail. All document holders must provide a dedicated fax number available at all hours. The Department will only be sending addendums and RFI's by fax and posting online at the aforementioned link. The bidders list will be updated every Friday during the advertisement phase of the contract. Please be aware that acknowledgment of receipt of all addendums and RFI's remain a requirement when submitting bids.

VENDOR REGISTRATION:
