Resolution No. R-1051-10

George M. Burgess
County Manager

Subject: Resolution Authorizing the Execution of a Revised Non-Exclusive Stevedoring Service Contract to replace the existing Non-Exclusive Form Stevedoring Contract, and waiving formal competitive bid procedures in connection with the accompanying Contract

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the accompanying resolution authorizing the execution of a Revised Non-Exclusive Stevedoring Service Contract ("Revised Contract") to replace the existing Non-Exclusive Form Stevedoring Contract for the benefit of the County's cruise line customers, and waive formal competitive bid procedures in connection with the accompanying Contract.

SCOPE

The Port of Miami is located within District 5 – Commissioner Bruno A. Barreiro. The impact of this item is countywide, as the Port of Miami is a regional asset and generates employment for residents throughout all of Miami-Dade County.

FISCAL IMPACT/FUNDING SOURCE

In the Revised Form Contract, the only change to the existing contract is the removal of the two percent (2%) User Access Program fee, which is currently allocated to the County's Department of Procurement Management (DPM).

TRACK RECORD/MONITOR

There are no outstanding business issues or financial obligations between the parties currently holding a stevedoring contract.

The Seaport Department staff members responsible for monitoring the contract(s) will be Juan Kuryla, Deputy Port Director; Kevin Lynskey, Assistant Director, Business Initiatives; and Hydi Webb, Manager of Business Development.

DELEGATED AUTHORITY

In accordance with Section 2-8.3 of the Miami-Dade County Code related to identifying delegation of Board authority, there are no authorities beyond those specific in the resolution which include the authority for the Mayor or designee to execute the Agreement and to exercise any cancellation and renewal provisions.

BACKGROUND

On September 15, 2009, the Board approved Resolution No. R-1128-09, which among other things, authorized the execution of a standard form non-exclusive Stevedoring Service Contract ("Contract") for the benefit of the County's cruise lines, and waived formal competitive bid procedures in connection with the Contract.

The Contract contained a provision deducting a user access fee under the County User Access Program ("UAP"). The UAP is a two percent deduction from all vendor invoices, with such deductions allocated to DPM. At the time the form contract was presented to the Board, neither the stevedoring companies nor the cruise lines realized the fee applicability nor its impact to their operating costs and, subsequently, requested that the Contract be revised to exclude the UAP provision.

Upon reviewing this request, both the Seaport Department and DPM agree that the stevedoring contracts should not be subject to the UAP, as the former administered the procurement of the contract and will manage the contracts without the involvement of DPM.

To respond to the cruise industry's concerns, it is recommended that the Form Contract be revised to remove the two percent UAP fee. The Revised Contract will apply to all stevedoring companies who desire to enter into such contracts with the County. All existing form contracts will immediately be terminated upon the effective date of the Revised Contract.

Miami, Florida 33132

(2) To the Contractor

Contractor Name: _____
ATTN: _____
Address: _____

Tel _____
Fax: _____

Either party may at any time designate a different address and/or contact person by giving notice as provided above to the other party. Such notices shall be deemed given upon receipt by the addressee.

ARTICLE 7. PAYMENT FOR SERVICES/AMOUNT OBLIGATED

The Contractor warrants that it has reviewed all requirements, has asked such questions and has conducted such other inquiries as the Contractor deemed necessary in order to determine the price the Contractor will charge to provide the Work and Services to be performed under this Contract. The compensation for all Work and Services performed under this Contract, including all costs associated with such Work and Services, shall not exceed a total per passenger cost of \$32.00 (\$16.00 per embarking passenger or \$16.00 per disembarking passenger) from a cruise Vessel calling at the Port of Miami ("Price"). The actual Price shall depend on the class of vessel and the number of passengers per voyage and shall be negotiated by the Contractor with each Cruise Line for which Contractor is providing the Services, but shall not exceed the total per passenger cost stated above. The agreed upon Price shall be stated in each of the Work Order Confirmations and Notices of Selected Stevedore to be attached to this Agreement.

ARTICLE 8. PRICING

Prices shall remain firm and fixed for the term of the Contract, including any option or extension periods.

Notwithstanding the Price stated in Article 7 of this Contract, the Contractor may offer incentive discounts off of the Price to the Cruise Lines at any time during the Contract term, including any renewal or extension thereof, in order for the Contractor to perform Services for the Cruise Lines or Vessels. The Contractor shall confirm such discount in the Work Order Confirmation(s) delivered to the County prior to performing Services. Nothing herein shall permit or allow the Contractor to provide stevedoring services at a price higher than the Price stated in Article 7.

ARTICLE 9. METHOD AND TIMES OF PAYMENT

The Contractor agrees that under the provisions of this Contract, as reimbursement for those actual, reasonable and necessary costs incurred by the Contractor, which are directly attributable or properly allocable to the Services, the Contractor shall bill the County on a weekly basis covering a Monday – Sunday period, upon invoices certified by the Contractor pursuant to the Pricing provisions above. The invoices shall be submitted to the County no later than ten (10) calendar days following the billing period ending Sunday. For example, for all invoices covering the time period of Monday, May 4, 2009 – Sunday, May 10, 2009 sailings, Contractor shall invoice the County no later than Wednesday, May 20, 2009. Invoices shall be itemized by date of the ship call, name of Vessel on a per call basis. All invoices shall be taken from the books of account kept by the Contractor, shall be supported by copies of payroll distribution, receipt bills or other documents reasonably required by the County, shall show the County's contract number, and shall have a unique invoice number assigned by the Contractor. It is the policy of Miami-Dade County that payment for all purchases by County agencies and the Public Health Trust shall be made in a timely manner and that interest payments be made on late payments. In accordance with Florida Statutes, Section 218.74 and Section 2-8.1.4 of the Miami-Dade County Code, the time at which payment shall be due from the County or the Public Health Trust shall be forty-five (45) days from receipt of a proper invoice. The time at which payment shall be due to small businesses shall be thirty (30) days from receipt of a proper invoice. All payments due from the County or the Public Health Trust, and not made within the time specified by this section shall bear interest from thirty (30) days after the due date at the rate of one percent (1%) per month on the unpaid balance. Notwithstanding the foregoing, Contractor acknowledges that the County will be invoicing the Cruise Line(s) for the Services rendered pursuant to this Agreement and the applicable Work Order Confirmation and Notice of Selected Stevedore, and that the funds to be utilized by the County to pay the invoices from Contractor will be funds received by the County from the Cruise Line(s) for which Services were provided pursuant to a Work Order Confirmation and Notice of Selected Stevedore. Accordingly, Contractor acknowledges that receipt of payment by the County from the Cruise Line is a condition precedent to the right of Contractor to receive payments under this Agreement and therefore no funds will be owed to Contractor unless and until the County is paid by the Cruise Line for Services rendered by the Contractor to the Cruise Line.

Further, proceedings to resolve disputes for payment of obligations shall be concluded by final written decision of the County Mayor, or his or her designee(s), not later than sixty (60) days after the date on which the proper invoice was received by the County or the Public Health Trust.

Invoices and associated back-up documentation shall be submitted in duplicate by the Contractor to the County as follows:

Miami-Dade County Seaport Department
1015 North America Way, Suite 200
