This Agreement amends the existing Member County Agreements consistent with the terms thereof. Customer agrees that it will require each Member County added after the Effective Date to execute an individual agreement with Caremark in the form attached hereto as Exhibit C (the "Member County Agreement") prior to Caremark's providing Services to such Member County. Caremark will not provide Services to Member County prior to the receipt of the Member County's execution of the Member County Agreement.

1. STATEMENT OF SERVICES / OBLIGATIONS.

1.1 Services. Caremark will provide Member County the services as set forth in this Section 1, and the services described in any attachment, addendum or amendment hereto (collectively the "Services"). Identification cards will be available to any individual the Member County or Customer deem appropriate. b. **DUR Services.** Caremark will provide its automated concurrent DUR Services for Claims. The information generated in connection with DUR Services is intended as an economical supplement to, and not as a substitute for, the knowledge, expertise, skill, and judgment of physicians, pharmacists, or other health care providers in providing patient care. Providers are individually responsible for acting or not acting upon information generated and transmitted through the DUR Services, and for performing services in each jurisdiction consistent with the scope of their licenses. Notwithstanding anything set forth in this Agreement, Caremark will have no obligation to acquire information concerning any Participant beyond the information that is included in Caremark's eligibility records or the Claims submitted by Participating Pharmacies in connection with the Consumer Card Program.

1.8 **Formulary Services.** Caremark will administer an open formulary for the Member County and will provide certain Services that are designed to provide useful clinical information to physicians (the "Formulary Services"). Caremark's specialty pharmacies may also receive fees from Manufacturers for products and services provided. In addition, Caremark's mail order and specialty pharmacies may negotiate on their own behalf directly with Manufacturers for discounts, including rebated discounts based on market share or other factors. The term Rebates as used in this Agreement does not include these fees and discounts which belong exclusively to Caremark or Caremark's mail order or specialty pharmacies, respectively.

Caremark will timely notify Member County and Customer of any revisions to this list of drugs.

1.9 **Management Reports.** Caremark will provide Member County and Customer with Caremark's standard management reports in connection with the Services, which reports may change from time to time at Caremark's discretion. Member County and Customer may elect to receive a reasonable number of the standard management reports made available by Caremark.

Caremark shall cause the filled prescriptions to be mailed to each Participant via common carrier at the address appearing on the face of the prescription so long as such addresses are in the United States. Caremark shall not be liable to Member County, Customer or Participant for any delay in delivery resulting from circumstances beyond Caremark's control as set forth in Section 6.2.

Caremark's mail order pharmacies may dispense drugs even if the prescription is not accompanied by the correct amount however, Member County and Customer acknowledge and agree that Caremark may refuse to fill any prescription that is either not accompanied by the correct amount and/or for any Participant who has an unpaid balance with Caremark.

A Preferred Drug is one on the Performance Drug List, which has been developed by Caremark as a clinically appropriate and economically advantageous subset of the Caremark Formulary, as revised by Caremark from time to time.

14

2.3 **Pricing Changes.** After the Initial Term of this Agreement, as set forth in Section 7.1, Caremark may change the fees applicable to the Consumer Card Program. Caremark will give Customer sixty days' written notice of any change, and such change will take effect on the first day of the month following the sixty-day notice period. Customer may object to an increase in fees by providing written notice to Caremark at least thirty days before the expiration of the sixty-day notice period. If the parties cannot agree on an appropriate fee, this Agreement will terminate at the end of the sixty-day notice period. If Customer does not timely object, Customer will have no right to terminate this Agreement based on the pricing change.

3. CUSTOMER AND MEMBER COUNTY OBLIGATIONS.

3.1 **Marketing Materials.** The parties agree to use only those marketing brochures and other advertising materials pertaining to Customer's Consumer Card Program (in any medium, including, but not limited to, written communications, verbal communications and web based marketing) that have been approved by the other. Member County and Customer further agree that they will communicate such requirements to its clients or groups and will ensure that such clients or groups comply with the requirements of this Section 3.1. Caremark may terminate this Agreement immediately in the event Member County or Customer fails to comply with the provisions of this Section 3.1.

Caremark will provide its standard marketing brochures, advertising materials and mail order forms, as applicable, to Member County at no cost. Caremark will work with and support each Member County in marketing the Consumer Card Program at no cost. If the cost associated with providing such materials is determined by Caremark to be unreasonable or excessive, Member County shall pay for the costs of the materials at a rate to be mutually agreed to by the parties in writing. If Member County elects to use customized brochures or advertising materials (in any medium, including but not limited to written communications, verbal communications and web based marketing), Member County will (i) obtain Caremark's approval on such forms, and (ii) pay a reasonable charge, as established by Caremark, for such materials if created or provided by Caremark.

3.2 **Support of Consumer Card Program.** Customer will recommend and support the Consumer Card Program in accordance with the terms of this Agreement.

4. USE OF AND ACCESS TO INFORMATION.

4.1 **Use of Participant Information.** Caremark, Customer and Member County may use, disclose, reproduce or adapt information obtained in connection with this Agreement, including Claims ("Claims Information") as well as Eligibility Information, in any manner they deem appropriate, except that each party and its agents, employees and contractors shall maintain the confidentiality of this information to the extent required by applicable Law, and may not use the information in any way prohibited by Law. Any work, compilation, processes or inventions developed by Caremark, Customer, Member County or their respective agents, employees or contractors, is deemed Confidential Information of such party under this Agreement.

Customer, at its sole expense, may audit a reasonable sample of records directly related to Customer's Rebates once in each twelve-month period (following sixty (60) days written notice to Caremark). Such records shall be limited to information necessary for validating the accuracy of the Rebate amounts distributed to Member County by Caremark. The parties agree that an independent third-party auditor agreeable to Customer and Caremark shall conduct such audit, and that such firm will sign a Caremark confidentiality agreement ensuring that all details and terms of all Manufacturer Rebate contracts with Caremark (except the total aggregate amount due to Customer) will be treated as confidential to Caremark and will not be revealed in any manner or form by or to any person or entity. Furthermore, such audit shall be conducted at Caremark's office where such records are located, during normal business hours, without undue interference with business activities, and in accordance with reasonable audit procedures.

For the purposes of this Section, the contents of this Agreement and of any exhibits, amendments, or addenda attached hereto are deemed Confidential Information. Furthermore, any work, compilation, processes or inventions developed by Caremark, Member County or Customer, or their respective agents, employees or contractors, is deemed Confidential Information of such party under this Agreement. Notwithstanding the foregoing, Confidential Information may be disclosed by Member County in response to a request made pursuant to the Member County's applicable state Public Records Law, insofar as disclosure is required by that Law. Member County shall provide Caremark with (i) notice of its intent to disclose Confidential Information and (ii) an opportunity for Caremark to object to such disclosure in accordance with Law.

5.2 Non-Disclosure of Confidential Information. The parties will not (except to the extent expressly authorized by this Agreement) disclose Confidential Information of any other to anyone outside of Caremark, Member County or Customer, nor will they copy or reproduce any Confidential Information of another unless expressly authorized to do so by such party in writing. Each party will disclose Confidential Information of another only to its employees who have a need to know the Confidential Information in order to accomplish the purpose of this Agreement and who (i) have been informed of the confidential and proprietary nature of the Confidential Information, and (ii) have agreed not to disclose it to others. In order to preserve and protect the confidential or proprietary nature of any Confidential Information and to prevent it from falling into the public domain or into the possession of persons not bound to maintain its confidentiality, each party will handle the Confidential Information of any other party with the same degree of care that it applies with respect to its own information that it considers as confidential and proprietary, but in no event with less than reasonable care.

5.3 Exceptions and Permitted Disclosures. The receiving party of Confidential Information will not be liable for any disclosure or use of Confidential Information which is publicly available or later becomes publicly available other than through a breach of this Agreement, or if the Confidential Information is shown by written documentation to be known to the receiving party on the date of execution of this Agreement, having been received from a source (other than a party to this Agreement) that had the right to disclose the Confidential Information.

5.4 Subpoena. Confidential Information may be disclosed pursuant to a bona fide subpoena if the party receiving the bona fide subpoena has given the other party prompt written notice of receipt of the subpoena so that the other party can object or otherwise intervene as it deems proper.

5.5 Return or Destruction of Information. All Confidential Information will remain the property of the disclosing party, and the receiving party will return all written or tangible materials, and all copies thereof, upon request of the disclosing party. If and to the extent feasible, upon termination of this Agreement, Caremark will destroy or will return to Member County or Customer all PHI obtained pursuant to this Agreement and shall retain no copies thereof; provided however, that if such return or destruction is not reasonably feasible, the provisions of Section 4 of this Agreement shall continue to apply to such information after the termination hereof.

5.6 Proprietary to Caremark. Member County and Customer acknowledge that the Formulary is

proprietary to Caremark. Further, all Caremark databases, as well as the software, hard coding, and logic used to generate the compilations of information contained in Caremark's Claims adjudication system and in all other databases developed by Caremark or its designees in connection with performing Services including identifiers assigned by Caremark, and the format of all reports, printouts, and copies there from, and any prior and future versions thereof by any name, are the property of Caremark and are protected by copyright which shall be owned by Caremark.

5.7 Tradenames; Trademarks; and Service Marks. None of the parties hereto may use any tradenames, trademarks or service marks of another, or any word or symbol likely to be confused with such tradenames, trademarks or service marks, unless authorized in writing or as expressly permitted by this Agreement.

5.8 Remedies. Any unauthorized disclosure or use of Confidential Information would cause Caremark, Member County or Customer immediate and irreparable injury or loss that cannot be adequately compensated with money damages. Accordingly, if any party hereto fails to comply with this Section 5, the other(s) will be entitled to specific performance including immediate issuance of a temporary restraining order or preliminary injunction enforcing this Agreement, and to judgment for damages (including reasonable attorneys' fees) caused by the breach, and to any other remedies provided by Law.

6. LIMITATION OF LIABILITY; COMPLIANCE WITH LAW.

6.1 Warranty. This Agreement is not a contract for the sale of goods. Caremark will perform the Services in a good and workmanlike manner in accordance with the customs, practices, and standards of providers skilled in the industry. CAREMARK, HOWEVER, DOES NOT WARRANT THE ACCURACY OF REPORTS, ALERTS, CODES, PRICES, OR OTHER DATA CONTAINED IN THE DATABASES. THE CLINICAL INFORMATION CONTAINED IN THE DATABASES AND THE FORMULARY IS INTENDED AS A SUPPLEMENT TO, AND NOT A SUBSTITUTE FOR, THE KNOWLEDGE, EXPERTISE, SKILL, AND JUDGMENT OF PHYSICIANS, PHARMACISTS, OR OTHER HEALTH-CARE PROFESSIONALS INVOLVED IN PARTICIPANT'S CARE. THE ABSENCE OF A WARNING FOR A GIVEN DRUG OR DRUG COMBINATION SHALL NOT BE CONSTRUED TO INDICATE THAT THE DRUG OR DRUG COMBINATION IS SAFE, APPROPRIATE OR EFFECTIVE FOR ANY PARTICIPANT. CAREMARK DOES NOT WARRANT THAT ITS SERVICES WILL BE UNINTERRUPTED OR ERROR FREE.

6.2 Force Majeure. Except for the payment obligations set forth in Section 2 of this Agreement, the parties are excused from performance under this Agreement to the extent that a party is prevented from performing any obligation, in whole or in part, as a result of causes beyond its reasonable control, including, acts of God, war, civil disturbance, court order, governmental intervention, Change in Law, nonperformance by the other party or any third party, failures or fluctuations in electrical power, heat, light, air conditioning, or telecommunications equipment. Any nonperformance under this Section 6.2 will not constitute a default or a ground for termination of this Agreement.

6.3 Indemnity. To the extent permitted by applicable Law applicable to Customer and each Member County, Customer and Member County shall indemnify and hold harmless Caremark and its officers, directors, employees, agents, successors, and assigns ("Caremark Indemnitees") for, from and against any damages, costs, or attorney's fees, actually incurred by Caremark or a Caremark Indemnitee, as the result of a third party claim that Customer or Member County, its officers, directors, employees, agents, successors, or assigns acted with negligence, willfully, and/or in violation of applicable standards of care, provided that the Caremark Indemnitee has acted in a manner that is consistent with this Agreement, the Consumer Card Program and applicable standards of care. The foregoing indemnification shall not apply and shall not be enforceable to the extent any applicable Law prohibits a Member County from providing such indemnification. To the extent permitted by applicable Law, Caremark shall indemnify and hold harmless Member County, Customer and their officers, directors, employees, agents, successors, and assigns (collectively "Customer Indemnitees") for, from and against any damages, costs, or attorney's fees, actually

incurred by any Customer Indemnitee, as the result of a third party claim that Caremark, its officers, directors, employees, agents, successors, or assigns acted with negligence, willfully, and/or in violation of applicable standards of care, provided that the Customer Indemnitee has acted in a manner that is consistent with this Agreement, the Consumer Card Program and applicable standards of care. However, nothing in this Agreement is to be construed as a waiver of governmental immunity as offered by the court or state law.

6.4 Compliance with Law. Customer and Member County will comply with all Laws applicable to its prescription drug benefit plan, including without limitation insurance licensing, antitrust, consumer protection, and any other Laws that may apply. Caremark has no responsibility to advise Member County or Customer about the applicability of or compliance with any applicable Law including, without limitation, HIPAA, the Employee Retirement Income Security Act, or the Americans with Disabilities Act.

Caremark will comply with all Laws applicable to it and to the Services it provides under this Agreement. Member County and Customer have no responsibility to advise Caremark regarding its compliance with any applicable Law.

Effective as of September 8, 2005, each party certifies that it shall not violate the federal anti-kickback statute, set forth at 42 U.S.C. § 1320a-7b(b) ("Anti-Kickback Statute"), or the federal "Stark Law," set forth at 42 U.S.C. § 1395mm ("Stark Law"), with respect to the performance of its obligations under this Agreement. Further, Caremark shall ensure that individuals meeting the definition of "Covered Persons" (as such term is defined in the Corporate Integrity Agreement between the Office of Inspector General of the Department of Health and Human Services and AdvancePCS) shall comply with Caremark's Compliance Program, including training related to the Anti-Kickback Statute and the Stark Law. 6.5 Change in Law. The parties will attempt to equitably adjust the terms of this Agreement to take into account any Change in Law or any material change in drug industry practice that materially alters the rights or obligations of either party under this Agreement. If the parties are unable to agree upon an equitable adjustment within sixty days after either party notifies the other of such a Change in Law or material change in drug industry practice, this Agreement will automatically terminate.

6.6 Limitations. In no event shall either party be liable to the other party, nor shall Caremark be liable to any Participant for any indirect, special, or consequential damages or lost profits, arising out of or related to performance of this Agreement or a breach of this Agreement, even if advised of the possibility of such damages or lost profits.

9. MISCELLANEOUS.

9.1 Entire Agreement; Interpretation; Amendment; Counterparts. This Agreement (including exhibits, schedules, attachments, or any addendum to this Agreement) constitutes the entire understanding and obligation of the parties with respect to the Services and supersedes any prior agreements, writings, or understandings, whether oral or written. The headings in this Agreement are used only for convenience of reference and do not affect the meaning or interpretation of any provision. The parties may amend this Agreement only through a properly executed writing authorized by both parties. This Agreement may be executed in several counterparts, all of which taken together constitute a single agreement between the parties.

9.2 Binding Effect; Assignment. This Agreement is binding on the parties and their respective successors and permitted assigns. None of the parties may assign this Agreement, in whole or in part, without the prior written consent of the others (which consent will not be unreasonably withheld); except that Caremark may assign this Agreement, in whole or in part, to any entity that controls, is controlled by, or is under common control with Caremark.

9.3 Independent Contractor; Third Parties. The parties to this Agreement are independent contractors, and have no other legal relationship under or in connection with this Agreement. No term or provision of this Agreement is for the benefit of any person who is not a party hereto (including, without limitation, any Participant or broker), and no such party will have any right or cause of action hereunder.

9.4 Waivers. Any failure by a party to comply with any covenant, agreement, or condition herein or in any other agreements or instruments executed and delivered hereunder may be waived in writing by the party in whose favor such obligation or condition runs; except that failure to insist upon strict compliance with any such covenant, agreement, or condition will not operate as a waiver of, or estoppel with respect to, any subsequent or other failure.

9.5 Severability. In the event any term or provision of this Agreement is declared to be invalid or illegal for any reason, this Agreement will remain in full force and effect and will be interpreted as though such invalid or illegal provision were not a part of this Agreement. The remaining provisions will be construed to preserve the intent and purpose of this Agreement and the parties will negotiate in good faith to modify any invalidated provisions to preserve each party's anticipated benefits.

9.6 Enforcement Costs. If any party hereto institutes an action or proceeding to enforce any rights arising under this Agreement, the party prevailing in such action or proceeding will be paid all reasonable attorneys' fees and costs to enforce such rights by the other party, such fees and costs to be set by the court, not by a jury, and to be included in the judgment entered in such proceeding.

9.7 Authority. Each party represents and warrants that it has the necessary power and authority to enter into this Agreement and to consummate the transactions contemplated by this Agreement.

9.8 Exclusivity. Member County and Customer hereby grant Caremark during the term of this Agreement, and any renewals hereof, the exclusive right to provide a Consumer Card Program to Member County and Customer. This exclusive right is solely applicable to Participants designated by Member County as eligible for the Member County's discount consumer card program and shall not affect any other benefits or programs provided to Participants by Member County. Member County and Customer further agree that, during the term of this Agreement and any renewals hereof, it will not negotiate, contract, or agree with any drug manufacturer for the purpose of obtaining Rebates or other discounts related to Participants under this Agreement. Member County and Customer also agree to cancel any existing agreements or contracts with any drug manufacturers related to such drug Rebates or discounts as of the Effective Date of this Agreement. In the event of a breach of this Section by Member County or Customer, Caremark may terminate this Agreement. By entering into this Agreement, Customer does not endorse, and Caremark will not represent Customer's endorsement of any other programs or services which Caremark may offer to a Member County or Participant.

9.9 Drug Classification and Pricing. Caremark shall use the indicators of Medi-Span Master Drug Database (Medi-Span), and their associated files, as updated regularly by Medi-Span, or another nationally available reporting service of pharmaceutical drug information in determining the classification of drugs (e.g. legend vs. over the counter, brand vs. generic, single-source vs. multi-source) for purposes of this Agreement.

9.10 Customer-Specific Programming. Upon request by the Customer for services or changes to Services that require customized programming or systems work, Caremark will estimate the time and cost for completion of such work. If Customer authorizes Caremark to perform such work, it will pay Caremark the cost of performing such work at the established programming rate.

REVIEW
MAY 28 2008

National Association of Counties

Effective the later of May 15, 2008 or within 30 days of Caremark's receipt of this executed Agreement.

Subject to the terms and conditions of this Agreement, Program Participants utilizing the Program shall receive from the Participating Pharmacies the discounts set forth below. Customer Specific Programming or additional services not identified herein will be quoted upon Customer request.

Program Participants will receive an average 22% discount on their prescription drug transactions when prescriptions are purchased at a Participating retail pharmacy, a Caremark Mail or a Caremark SpecialtyRx pharmacy as compared to the pharmacy's aggregate usual and customary price (the cash paying customer price). Program Participants will not pay more for a prescription drug transaction by using the Program. There will be prescription drug transactions under this program that will be priced at the pharmacy's usual and customary price when that price is equal to or more favorable to their contractual discount rate with Caremark.

Prices may vary in certain areas for reasons such as local legal requirements, geographic location, specialized manufacturer processes, limited availability, extraordinary shipping requirements or other factors beyond Caremark's control. Participating Pharmacies shall collect from the Program Participant all applicable taxes for covered items, and Caremark is not liable for the payment of applicable taxes. Caremark does not guarantee Participant savings; the estimate set forth above is based upon anticipated pharmacy network performance. All claims may be aggregated for purposes of determining the actual average discount rate. Actual discount rates may vary by drug, Participating Pharmacy, Caremark Mail Pharmacy and Caremark SpecialtyRx Pharmacy. Certain retail, mail, and Specialty claims may be excluded from these rates, including but not limited to Claims for select injectable drugs and select oral drugs that are bio-technical in nature, compound drugs, and those requiring special handling.
