Memorandum

Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

To:

From: George M. Burgess
County Manager

Subject: Ordinance amending the Code of Miami-Dade County, relating to the Citizens Independent Transportation Trust and the People's Transportation Plan

The ordinance amending the Code of Miami-Dade County, by two-thirds vote 2/3 of the Board of County Commission membership relating to the Citizens' Independent Transportation Trust and the People's Transportation Plan will have no fiscal impact to the County. The ordinance requires the establishment of a five year implementation plan, procedures for modifications to the five year plan and requires the Trust to submit a recommendation to the County Commission prior to the awarding of certain contracts by the County Commissioners. The fiscal impact analysis assumes that existing County resources will be utilized for the creation and modification of a five year implementation plan. However, if the Office of Citizens' Independent Transportation Trust (OCITT) decides to use a consultant for this purpose there could be a fiscal impact upwards of \$300,000.

- (h) *Staff support.* The County Attorney shall serve as legal counsel to the Trust. The Trust may by a majority vote of its membership hire an Executive Director. The Executive Director shall provide to the Trust adequate staff and support services to enable the Trust to carry out its duties and responsibilities. [[~~(g)~~]]>>(h)<<Twenty percent of surtax proceeds shall be distributed annually to those cities existing as of

November 5, 2002 that meet the following conditions:

- (i) That continue to provide the same level of general fund support for transportation that is in their FY 2001-2002 budget in subsequent Fiscal Years. Any surtax proceeds received shall be applied to supplement, not replace a city's general fund support for transportation;
- (ii) That apply 20 percent of any surtax proceeds received to transit uses in the nature of circulator buses, bus shelters, bus pullout bays or other transit-related infrastructure. Any city that cannot apply the 20 percent portion of surtax proceeds it receives as provided in the preceding sentence, may contract with the County for the County to apply such proceeds on a County project that enhances traffic mobility within that city and immediately adjacent areas. If the city cannot expend such proceeds in accordance with either of the preceding sentences, then such proceeds shall carry over and be added to the overall portion of surtax proceeds to be distributed to the cities in the ensuing year and shall be utilized solely for the transit uses enumerated in this subsection (ii); and
- (iii) Surtax proceeds distributed amongst the existing cities shall be distributed on a pro rata basis based on the ratio such city's population bears to the total population in all such cities (as adjusted annually in accordance with the Estimates of Population prepared by the Bureau of Economic and Business Research of the University of Florida) annually to those cities that continue to meet the foregoing conditions. For purposes of the foregoing, whenever an annexation occurs in an existing city, the number of persons residing in such annexed area at the time it is annexed shall be excluded from all calculations. Increases in

population in areas annexed over and above the population in such area at the time of annexation which occur after annexation shall be included in subsequent years' calculations.

- (iv) that do not expend more than 5% of its municipal share of surtax proceeds on administrative costs, exclusive of project management and oversight for projects funded by the surtax. Administrative costs shall be defined as overhead expenses which are not readily attributable to any one particular project funded in whole or in part by transit surtax funds.

[[~~(h)~~]]>>(i)<< Newly incorporated municipalities shall have the right to negotiate with the County for a pro rata share of the sales surtax, taking into consideration the neighborhood and municipal projects identified in Exhibit 1, as amended, within the boundaries of the new municipalities. The preceding sentence shall not affect the twenty (20) percent share provided herein for municipalities existing on November 5, 2002.

Section 3. If any section, subsection, sentence, clause or provision of this ordinance is held invalid, the remainder of this ordinance shall not be affected by such invalidity.

Section 4. It is the intention of the Board of County Commissioners, and it is hereby ordained that the provisions of this ordinance, including any sunset provision, shall become and be made a part of the Code of Miami-Dade County, Florida. The sections of this ordinance may be renumbered or relettered to accomplish such intention, and the word "ordinance" may be changed to "section," "article," or other appropriate word.

Section 5. This ordinance shall become effective on January 1, 2011 unless vetoed by the Mayor within ten (10) days after the date of enactment, and if vetoed, shall become effective only upon an override by this Board.
