To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

Resolution No. R-201-11

From: George M. Burgess
County Manager

Subject: Interagency Agreement Grant with Miami Dade College to Provide Educational Grant to Qualified Low Income Individuals

RECOMMENDATION

It is recommended that the Board of County Commissioners adopt the attached resolution ratifying an Interagency Agreement with Miami Dade College for $500,000 in Community Services Block Grant provided through the American Recovery and Reinvestment Act. The grant provides scholarships not to exceed $8,000 to low income individuals pursuing a college education.

SCOPE

This Interagency Agreement has a countywide impact. The Community Services Block Grant/American Reinvestment and Recovery Act (CSBG/ARRA) provides scholarship grant funds for those individuals falling under 200 percent of the United States Department of Health and Human Services Federal Poverty Income Guidelines.

FISCAL IMPACT/FUNDING SOURCE

There is no fiscal impact to the County as a result of this Interagency Agreement. Funding was provided through the CSBG/ARRA grant provided to the County by the State of Florida Department of Community Affairs.

TRACK RECORD/MONITOR

Miami Dade College will provide, on a monthly basis, the name(s) of grant recipient(s), grant amount, grantees field of studies and other information required to track and report performance to the County and the federal government the details of allocation of grant funds. The Community Action Agency (CAA) will further evaluate grant recipients to assist them with additional social services for which they qualify.

DELEGATED AUTHORITY

In accordance with Section 2-9 and 2-10 of the Miami-Dade County Code related to identifying delegation of Board authority, the County Mayor, or County Mayor's designee, may execute an Interagency Agreement between Miami-Dade County and a governmental entity. The agreement will be taken to the Board of County Commissioners for ratification.

BACKGROUND

The County through CAA, recognized there was a need to assist low income individuals with obtaining a college education. In reviewing the grant documents and confirming with the State of Florida Department of Community Affairs, it is appropriate to utilize grant funds to prepare and train qualifying individuals in our community to enter the workforce. CAA obtained approval from the CAA Board to endow two colleges with ARRA funds for this purpose: MDC ($500,000) and FIU ($400,000). These grants will provide an opportunity for individuals who otherwise would not be able to afford a college education and to better prepare qualifying individuals to enter the job market.

As provided in the funding documents the County needed to expend/encumber the funds prior to September 30, 2010. The County worked with administrators from the colleges to expedite the allocation of the funds prior to the deadline. This interagency agreement is being presented to the Board for ratification.

Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(10) DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the Department to make further payment of funds shall, if the Department elects, terminate and the Department has the option to exercise any of its remedies set forth in Paragraph (11). However, the Department may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment:

(d) If the Recipient has failed to perform and complete in timely fashion any of its obligations under this Agreement.

(11) REMEDIES

If an Event of Default occurs, then the Department may, upon thirty calendar days written notice to the Recipient and upon the Recipient's failure to cure within those thirty days, exercise any one or more of the following remedies, either concurrently or consecutively:

(b) Begin an appropriate legal or equitable action to enforce performance of this Agreement;

(c) Withhold or suspend payment of all or any part of a request for payment;

(d) Require that the Recipient refund to the Department any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

(e) Exercise any corrective or remedial actions, to include but not be limited to:

(f) Exercise any other rights or remedies which may be otherwise available under law.

(g) Pursuing any of the above remedies will not keep the Department from pursuing any other remedies in this Agreement or provided at law or in equity. If the Department waives any right or remedy in this Agreement or fails to insist on strict performance by the Recipient, it will not affect, extend or waive any other right or remedy of the Department, or affect the later exercise of the same right or remedy by the Department for any other default by the Recipient.

Stat., as amended.

(b) The Department may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Recipient with thirty calendar days prior written notice.

(c) The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment shall state the effective date of the termination and the procedures for proper closeout of the Agreement.

(d) In the event that this Agreement is terminated, the Recipient will not incur new obligations for the terminated portion of the Agreement after the Recipient has received the notification of termination. The Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Recipient shall not be relieved of liability to the Department because of any breach of Agreement by the Recipient. The Department may, to the extent authorized by law, withhold payments to the Recipient for the purpose of set-off until the exact amount of damages due the Department from the Recipient is determined.

If the Recipient is unable to certify to any of the statements in this certification, then the Recipient shall attach an explanation to this Agreement.

In addition, the Recipient shall send to the Department (by email or by facsimile transmission) the completed "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion" (Attachment G) for each intended subcontractor which Recipient plans to fund under this Agreement. SUBJECT: Authorization for the County Manager to Receive and Expend State Community Service Block Grant Funds for Miami-Dade County Community Action Agency

STAFF RECOMMENDATION
It is recommended that the Board approve the attached resolution, which authorizes the County Manager to receive and expend State of Florida, Department of Community Affairs, Community Services Block Grant (CSBG) funds in the approximate amount of $2,989,561 to continue providing services through the Miami-Dade County Community Action Agency's Self Help Division for the period October 1, 2006 through September 30, 2007; and to apply for, receive and expend additional future funds should they become available under this program for this purpose.

The grant requires a 27% match in the amount of $1,148,050. The match is comprised of a combination of cash and in-kind services. The cash portion of the match $1,091,000 in County General Funds is included in the Department's Resource Allocation Plan for the proposed 2006-07 Fiscal Year. The in-kind match totaling $57,050 is composed of allotted space acquired through space leases.

MANAGER'S BACKGROUND
Since 1965 the Miami-Dade Community Action Agency (CAA) has provided a myriad of services to low-income individuals and families. Through the department's Self Help Division, residents are provided a range of services designed to aid residents in reaching economic self-sufficiency through a variety of core services.

Residents receive assistance in securing and retaining meaningful employment; attaining an adequate education; making better use of available income; obtaining and maintaining adequate housing and a suitable living environment; as well as emergency assistance through loans or grants to meet immediate and urgent individual and family needs including the need for health related assistance. Services are provided to the residents of Miami-Dade County at various CAA centers throughout Miami-Dade. Residents are referred to the center nearest their home based on their zip code. There are sixteen (16) centers located in Miami-Dade County that provide these services which are identified in Attachment 1.

Funding for the upcoming 2006-2007 program year is estimated to serve 34,000 residents at the approximate cost of $121.69 per resident.

The Comparable Analysis for FY 2005-06 and FY 2006-07 is included as Attachment 2. Also attached

is a copy of the last Resolution (R-27-06) authorizing the County Manager to receive and expend these funds.
