BACKGROUND

The Park and Recreation Department operates the Dade County Auditorium (DCA) located at 2901 West Flagler Street, Miami, Florida. DCA is a multi-purpose facility, which includes a 2,400 seat proscenium-style theatre, dressing rooms, box offices, administrative offices, and concession stands. Due to budgetary reasons, the County considered pursuing alternative operating arrangements for the auditorium.

The County issued a solicitation to lease, operate and manage the DCA through a long-term lease. The selected operator would provide oversight of all activities at the auditorium. One proposal was received in response to the solicitation. The proposal was rated by the Evaluation/Selection Committee and recommended for negotiations. Subsequent to the evaluation but prior to commencing the negotiations, the department reassessed its need to outsource these services

Park and Recreation is considering various options to operate the auditorium within budget. One option being pursued is increasing the number of revenue generating shows. Additionally, Park and Recreation is working with the Office of Strategic Business Management to develop a plan to address subsidy needs for the facility. It is deemed in the best interest of the County to reject the proposal and to explore these options in lieu of outsourcing these services.

Summary

These resolutions approve the following:

- Legislative Item No. 111063- Ratifying decision of the County Mayor or County Mayor's designee to reject the unsolicited proposal from Eventus Marketing, Inc. (Eventus) for a long term facility management agreement for the Dade County Auditorium (DCA); and
- Legislative Item No. 111070- Authorizing the County Mayor or County Mayor's designee to reject the proposal received for the request for proposals to lease, operate and manage Dade County Auditorium RFP No. 718.

Background

On September 13, 2010, the County Manager issued a Memo on the Dade County Auditorium's proposed level of funding for FY2010-2011 that would reduce staffing and operation levels to allow for the currently contracted revenue generated events and rentals to occur. Additionally, the memo further explains the decreasing revenues being earned by DCA along with the escalating costs of operating the facility, have required these efficiencies in response to the reduced amount of subsidy available.

Furthermore, the Memo mentions that the Dade County Auditorium will continue to be open for all groups that have held events there, there will be no change in cost to the community art groups for booking events, and any proposed changes to the rates would have to be presented to the Board of County Commissioners (BCC) for approval.

Finally, the Memo details the County's plan for DCA in FY2010-2011 to include information on an unsolicited proposal it received from Eventus to manage DCA and a subsequent RFP (RFP No. 718) issued by the County for the lease, operation and management of DCA.

Unsolicited Proposal –Legislative Item No. 111063

According to the Manager's Memo for Legislative Item No. 111063, On March 5, 2009, the County received an unsolicited proposal from Eventus to manage the DCA which included the following elements:

6

- Create an exhibit space within the facility to showcase Hispanic/Latin cultural contributions;
- Renovate and reconfigure the DCA; and
- Design and build a restaurant, black-box theatre and recording studio
- County would continue to maintain supporting service levels for maintenance, custodial and landscaping service for five years

The proposed resolution ratifies the rejection of the unsolicited proposal and requires the County to return a monetary deposit to Eventus (deposit retained by the County upon submittal of the unsolicited proposal) minus any direct costs associated with evaluating the proposal.

RFP 718-Legislative Item No. 111070

According to the Manager's Memo, on April 20, 2010, the County issued a Request for Proposals for the Lease, Operation and Management of the Auditorium (RFP No. 718). Subsequently, the County notified Eventus of RFP No. 718 and Eventus was the only respondent.

However, at the September 13, 2010, Recreation and Cultural Affairs Committee meeting, discussion ensued regarding options that would allow the County to continue operating the DCA. Subsequently, on October 19, 2010, the former Mayor of Miami-Dade County, held a press conference to announce that the County would continue to operate DCA.

Consequently, County administration has been working with community arts promoters and producers, to increase revenues of the facility and therefore recommending to reject the proposal received under RFP No. 718.

Recent legislation

On June 3, 2010, the BCC approved Resolution R-589-10, approving a significant modification to General Obligation Bond (GOB) Program Project No. 292-Dade County Auditorium, decreasing the allocation from \$8 million to \$4 million in order transfer the Hispanic Black Box Theatre from Miami-Dade County Auditorium to GOB Project No. 286 - Construction of the Westchester Community Arts Center.

Budgetary Impact

In FY2009-2010, DCA was budgeted at \$1.009 million in expenses with projected revenues of \$561,000 requiring the subsidy of \$447,600. The FY2010-2011 adopted budget includes the subsidy of \$220,500 in expenses.
