Agenda Item No. 8(F)(1)(D)

Resolution No. R-660-11

RECOMMENDATION

The attached resolution authorizes execution of a Retroactive Lease Agreement (with the County as tenant and the City as landlord) for the City owned property located at 1009 N.W. 5 Avenue, Miami for the continued operation of a State-funded Jefferson Reeves primary care facility. The attached Retroactive Lease Agreement was prepared by General Services Administration. This Lease Agreement is retroactive due to lengthy negotiations with the City of Miami. The City Commission approved the lease on April 14, 2011. There are two other related lease agreements on this agenda.

PROPERTY: 1009 N.W. 5 Avenue, Miami

COMMISSION DISTRICT: 3

COMMISSION DISTRICTS IMPACTED: Countywide

OWNER: City of Miami
a Political Municipality of the State of Florida

OWNER'S TRACK RECORD: The County has no record of negative performance issues with the City of Miami.

USE: Operation of the State-funded Jefferson Reeves Primary Care Facility.

JUSTIFICATION: This item will allow continued operation of the State-funded Jefferson Reaves Primary Care Facility located on City owned property.

The County adopted Resolution No. R-1120-90 on October 16, 1990, authorizing leases with the City of Miami whereby the County leased from the City of Miami two parcels of land located at (1) 971 N.W. 2 Street, Miami, and (2) 1009 N.W. 5 Street, Miami, for the development of two State-funded primary care facilities. The leases were for a period of twenty (20) years from October 1, 1990 through September 30, 2010, and the rental rate was \$1.00 per year. To continue operations, the term for each property must be extended since there are no more renewal option periods.

Separately, in an unrelated lease, the City rented from the County, property located at 111 N.W. 1 Street, Miami (SPCC) in the 30th floor transmitter room and on the roof for radio antennae.

The City of Miami advised that in order to maintain the rental rate at \$1.00 per year for the two City-owned pieces of property, the City sought an amendment with the County to reduce the rental rate it paid to the County for the space it leased at the 111 N.W. 1 Street, Miami (SPCC) 30th floor transmitter room and roof, from \$14,000.00 per year to \$1.00 per year. The facility at 1009 N.W. 5 Avenue, Miami is funded by the State of Florida through the Department of Health (DOH). The DOH provides the maintenance for the facility as well as all utility costs.

LEASE TERM: Five years and six months with one additional five-year renewal option period.

EFFECTIVE DATES: Commencing (1) upon the passage of the resolution of the Miami-Dade County Board of County Commissioners approving this Retroactive Lease Agreement, and (2) retroactively to October 1, 2010, and terminating April 30, 2016.

RENTAL RATE: The annual rent for the initial five years and six months and the subsequent five-year renewal option period will be One Dollar (\$1.00) each year.

FISCAL IMPACT: No County funds will be utilized. The funding source is State Funds which have been budgeted by the State of Florida Department of Health, Miami-Dade County Health Department Trust Fund.

The Retroactive Occupancy Cost:

<u>Annual Base Rent:</u>	<u>Total Dollars</u>	<u>PSF</u>
Retroactive base rent:	\$ 1.00	\$ 0.00
FY 2010-2011	\$ <u>1.00</u>	\$ <u>0.00</u>

Occupancy Cost for the remaining four years and six-months of the initial five-year six-month period.

<u>Annual Base Rent:</u>	<u>Total Dollars</u>	<u>PSF</u>

FY 2015-2016 (6-month)	\$ <u>0.50</u>	\$ 0.00
Total base rent:	\$ 4.50

Indirect Expense to the State of Florida Department of Health:

The County will not be impacted financially by the proposed lease agreement since the County does not contribute any funding towards the clinic operation. The State of Florida contractually funds the Department of Health to support of its community activities.

**Total Cost
for the initial lease term
including retroactive rent: \$5.50**

The total projected fiscal impact for the initial five years six-month term of the lease and the five-year renewal option period is \$10.50.

LEASE CONDITIONS:

The DOH is responsible for roof and roof leaks, water, common areas, parking lot and the structure of the building, as well as electricity, water, waste disposal, janitorial, custodial and security services. The DOH is also responsible for the maintenance, repair and operation of the facility.

CANCELLATION PROVISION:

Either party, be it the Tenant through its County Mayor or designee, or the Landlord through its City Manager or designee may cancel this Lease Agreement in the event of a material breach of the lease, which continues uncured after having giving the other party at least thirty (30) days' prior written notice.

CURRENT LEASE:

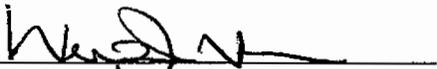

The current Lease Agreement was approved by the Board on October 16, 1990 by Resolution No. R-1120-90 for a twenty year term for \$1.00 annually and restricts the use to the provision of public health care. Although the lease expired September 30, 2010, the City has allowed the DOH to remain on the property under the same terms and conditions until a new lease agreement is approved.

Tania Liado, Chief Real Estate Officer

DELEGATED AUTHORITY:

Authorizes the County Mayor or County Mayor's designee to execute the retroactive lease agreement and exercise the renewal and cancellation provisions.
