Resolution No. R-641-11

Subject: Resolution Authorizing Execution of an Inter-local Agreement for Fiscal Year 2011-2012 with the Miami-Dade County Public Schools/Lindsey Hopkins Technical Educational Center for the Provision of Academic Education and Career/Technical Education for Inmates in the Miami-Dade Corrections and Rehabilitation Department

Recommendation

It is recommended that the Board of County Commissioners approve the attached resolution authorizing the County Mayor, or County Mayor's designee, to execute the attached Inter-local Agreement with the Miami-Dade County Public Schools/Lindsey Hopkins Technical Educational Center (MDCPS/LHTEC) and Miami-Dade County. The agreement includes provisions for career/technical and academic education to inmates incarcerated in the detention facilities operated by the Miami-Dade Corrections and Rehabilitation Department (MDCR) at a cost not to exceed \$400,000.00 for school year 2011-2012.

Scope

This agreement with MDCPS/LHTEC is countywide in nature.

Fiscal Impact/Funding Source

The MDCPS/LHTEC offers a comprehensive academic/vocational service at a competitive rate. Previously, its basic education courses were provided at no charge to the County. However, rates are subject to change when mandated by the school district and the State. The cost for the vocational courses is competitively at a lower rate than offered by the private sector. Furthermore, having MDCPS/LHTEC provide both the career/technical and academic education offers the benefits of service continuity and alleviates the need to negotiate the terms and conditions of service delivery by multiple vendors.

Effective July 1, 2011, at the rate prescribed by Florida Statutes 1009.22, the academic education courses will be provided at \$30.00 per student, per trimester for Florida residents and \$120.00 for non-Florida residents. The costs associated with the career/technical courses will provide for up to 405 contact hours per course, per student, per trimester at the rate prescribed by Florida Statutes 1009.22. The amount of tuition payment, based on the School Board's rate, will not exceed \$400,000.00 and will be funded through the Inmate Welfare Fund, which receives revenues from the inmate commissary program. For FY 2011-2012, \$400,000.00 will be set aside in the Inmate Welfare Fund budget for this purpose.

Track Record/Monitor

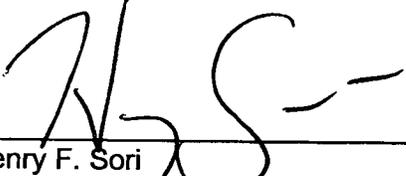

Consistent with current and projected enrollments, MDCR anticipates awarding more than 50 General Educational Development (GED) certificates in the 2011-2012 school year. The agreement will be monitored by Program Services Division Chief Donald Coffey.

Background

The MDCR and MDCPS/LHTEC are committed to providing career/technical and academic education course work in an effort to rehabilitate inmates, giving them the necessary skills to provide a smooth transition into society and consequently reduce recidivism.

Since 1987, the MDCR has benefited from a longstanding, cooperative relationship with MDCPS for programs in the area of Industrial Education. Through these programs, inmates at six (6) MDCR facilities will continue to receive specific training in career/technical education courses, Adult Basic Education, or GED in accordance with the criteria set by the State of Florida and provided by the MDCPS system.

This interlocal agreement has been renewed annually since the 1987-1988 school year. The agreement for the 2011-2012 school year includes substantially the same provisions as the 2010-2011 agreement. The agreement for the 2010-2011 school year was authorized by R-618-10.
