To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: George M. Burgess
County Manager 

Subject: Fiscal Impact for Ordinance allowing Charter County and Regional Transportation System Surtax funds to be expended for On-Demand transportation services

The proposed ordinance will allow the usage of Charter County and Regional Transportation System Surtax funds to be expended for On-Demand transportation services for low-incomes seniors and individuals with disabilities within municipalities. At this time it is difficult to quantify whether there will be an impact to the County. To a large extent, this ordinance allows municipalities to use PTP funding to provide these services that had previously been funded through other sources.
