Memorandum

Date: October 4, 2011

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Authorizing the Transfer of Portions of County Owned Rights-of-Way for SW 107 Avenue also Known as Parcels No. 112.1, 113.1, 114.1 and 115.1 to the Florida Department of Transportation for the Improvements of State Road No. 985 (SW 107 Avenue) in Accordance with F.S. 125.38 and Authorizing the Mayor to Execute County Deeds Conveying Said Parcels to the Florida Department of Transportation
Section: 6-55-40 Commission District 8

Recommendation

It is recommended that the Board of County Commissioners (BCC) approve the transfer of portions of rights-of-way along State Road No. 985 (SW 107 Avenue) also known as Parcels No. 112.1, 113.1, 114.1 and 115.1 to the Florida Department of Transportation (FDOT) for improvements to SW 107 Avenue in accordance with F.S. 125.38. This resolution also authorizes the County Mayor to execute County Deeds conveying in fee simple each one of the subject parcels to FDOT. The Public Works Department (PWD) has no objection to these rights-of-way being transferred.

Scope

The properties to be conveyed are located within Commission District 8.

Fiscal Impact/Funding Source

The Property Appraiser's Office has assessed the adjacent properties to these rights-of-way as follows:

- Parcel 112.1 at \$9.0 per square foot for 1,443 square feet
- Parcel 113.1 at \$5.17 per square foot for 834 square feet
- Parcel 114.1 at \$6.80 per square foot for 1,635 square feet
- Parcel 115.01 at \$9.76 per square foot for 271 square feet

The total estimated value of these rights-of-way would be approximately \$31,122.00. Conveyance of these rights-of-way will not result in an increase in property tax revenue as the rights-of-way land will be exempt from paying taxes. However, PWD will no longer be responsible for the maintenance of the parcels.

Track Record/Monitor

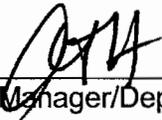

PWD is entity overseeing this project and the person responsible for monitoring is Mr. Luis Lacau, PLS, Section Head, PWD Right-of-Way Division.

Background

FDOT is planning improvements on SW 107 Avenue from 250 feet north of State Road 990 (SW 104 Street) to about 580 feet south of State Road 94 (SW 88 Street). The purpose of this project is to mill and resurface the roadway. Additionally, the street will be widened to introduce a northbound turbo lane to allow continuous movement through the intersection of SW 107 Avenue and SW 100 Street. Sidewalks, curbs and gutters will be replaced and pedestrian ramps will be reconstructed. The planned improvements will improve traffic flow and safety for vehicular traffic using SW 107 Avenue.

Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners
Page 2

The subject parcels are located at various locations in the west side of SW 107 Avenue from SW 104 Street north to about 700 feet north of SW 95 Street. These parcels are needed for the improvements. The rights-of-way were dedicated to Miami-Dade County at various times for right-of-way purposes. The land abutting the subject rights-of-way are zoned as follows: for Parcel 112.1 Condominium Commercial, for Parcel 113.1 Agriculture, for Parcel 114.1 Educational Private and for Parcel 115.1 Religious.
