# Memorandum

**Date:** October 4, 2011

**To:** Honorable Chairman Joe A. Martinez  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor 

**Subject:** Resolution Declaring the Acquisition of the Designated Property Known as Parcel 18 for Right-of-Way Needed for the PTP Project Entitled Improvements to SW 137 Avenue from the Homestead Extension of Florida's Turnpike to US 1

---

## **RECOMMENDATION**

It is recommended that the Board of County Commissioners (BCC) approve the attached resolution which does the following:

- Declares the acquisition of Parcel 18 required for the road widening, beautification, and right-of-way improvements to SW 137 Avenue from the Homestead Extension of the Florida Turnpike (SR 821) to SR-5 (US 1) to be a public necessity; and
- Authorizes the County Mayor or the County Mayor's designee and the County Attorney to employ appraisers, expert witnesses, obtain required environmental audits, and to take any and all appropriate actions to acquire the subject parcel in fee simple, either by negotiation, donation, purchase at values established by appraisals together with reasonable attorneys' fees and costs pursuant to Chapters 73.091 and 73.092, Florida Statutes, or eminent domain court proceedings including a declaration of taking as necessary for and on behalf of Miami-Dade County.

This resolution is for the acquisition of Parcel 18 and is part of a group of parcels needed by the Public Works Department (PWD) for programmed improvements to SW 137 Avenue from the Homestead Extension of the Florida Turnpike (SR 821) to SR-5 (US 1). It is anticipated that the proposed project will consist of 17 parcels which are all simultaneously being presented for BCC approval on this agenda. Pursuant to Florida Statute Section 127.02, each parcel must be approved by separate resolution.

## **SCOPE**

The impact of this project is countywide; however, it is located within Commission Districts 8 and 9.

## **FISCAL IMPACT/FUNDING SOURCE**

Funding for the right-of-way acquisition, design and construction of this project is from Charter County Transportation Surtax bond proceeds. This item will be presented to the Citizens' Independent Transportation Trust for review prior to final consideration by the BCC. Funding is programmed within the adopted FY 2010-11 Capital Budget and the index code for this project is CPEPTP408137. The funding source for the right-of-way acquisition is subject to change; however, additional funds needed require BCC approval.

The total cost of the project (inclusive of construction, design and right-of-way acquisition of all parcels) is estimated at \$9,941,366. The anticipated ongoing annual maintenance and operational costs will be approximately \$17,536.89 and \$9,955.37, respectively.

The initial acquisition cost has been budgeted and no additional fiscal impacts are expected; however, the ultimate acquisition cost in the event of litigation would be subject to a future ruling by the Court.

**TRACK RECORD/MONITOR**

The Public Works Department is the entity overseeing this project and the responsible person for monitoring this acquisition project is Mr. Francisco Fernandez, Chief, Real Estate Officer, Right-of-Way Division.

**BACKGROUND**

The PWD has programmed the construction of SW 137 Avenue as part of the People's Transportation Plan Project Entitled *Improvements to SW 137 Avenue from the Homestead Extension of Florida's Turnpike to US 1*. The proposed project includes roadway expansion, beautification and improvements. Such improvements consist of reconstructing the existing roadway to include a raised landscaped median, bicycle facilities, sidewalks, curb and gutters, continuous storm drainage system, signalization, pavement markings and signage, and roadway lighting.

The area to be acquired by Miami-Dade County is necessary for the proposed roadway improvements, and is legally described in "Exhibit A" and illustrated on the parcel location map in "Exhibit B" both attached herewith.
