Memorandum

Date: November 15, 2011

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Approving the Contract for Sale and Purchase of Designated Property Known as Parcel 108 Required for the Construction of a Park and Ride Facility, Located at the Southern Terminus of the Busway Extension to Florida City, Adjacent to the North Side of Palm Drive (Southwest 344 Street) between NW 2 Avenue and NW 3 Avenue in Florida City; Authorizing Payment of Attorney's Fees Pursuant to Chapter 73.092, Florida Statutes; and Authorizing the Use of Charter County Transportation Surtax Funds

RECOMMENDATION

It is recommended that the Board of County Commissioners (BCC) approve the attached resolution which does the following:

- Approves the Contract for Sale and Purchase, attached hereto as Exhibit "1" and made a part hereof, to acquire in fee simple property known as Parcel 108, under the terms and conditions in said contract, for the necessary Park and Ride Facility, located at the southern terminus of the Busway Extension to Florida City adjacent to the north side of Palm Drive (SW 344 Street) between NW 2 Avenue and NW 3 Avenue in Florida City; and
- Authorizes the payment of attorney's fees pursuant to Chapter 73.092, Florida Statutes.

The BCC previously approved Resolution No. R-681-10 on June 15, 2010, declaring the acquisition of the subject property to be a public necessity, and authorized the County Mayor or Mayor's Designee and the County Attorney to take all appropriate actions to purchase this property, and to employ appraisers and expert witnesses in connection therewith.

This resolution is for the acquisition of Parcel 108 and is part of a group of parcels needed by Miami-Dade County (County) for programmed construction of a Park and Ride Facility (Project), located at the southern terminus of the Busway Extension to Florida City adjacent to the north side of Palm Drive (SW 344 Street) between NW 2 Avenue and NW 3 Avenue in Florida City. It is anticipated that the proposed Project will consist of 14 parcels, of which five are simultaneously being presented for BCC approval on this agenda.

SCOPE

The impact of this Project is countywide; however, it is located within Commission District 9.

FISCAL IMPACT/FUNDING SOURCE

Funding for this Project (inclusive of construction and right-of-way acquisition of all parcels), is estimated at \$10,140,000 and is funded from the Miami-Dade Transit (MDT) Capital Budget through a combination of grants and Joint Participation Agreements providing federal, state and local funding, including Charter County Transportation Surtax bond proceeds. This item will be presented to the Citizens' Independent Transportation Trust for review prior to final consideration by the BCC. Funding is currently programmed within the FY2011-12 Capital Budget and the index codes are MTOM15PR344 and MTBUS1FD0002. The index codes for the right-of-way acquisition are subject to change; however, any need for additional funds would require further BCC approval.

The attached Purchase and Sale Contract is in the amount of \$195,000, attorneys' fees are in the amount of \$6,982.50, and expert fees in the amount of \$1,900. Once the Project is completed, annual operations and maintenance costs of approximately \$90,000 are anticipated for the Project, which will be funded through the MDT Operating budget.

TRACK RECORD/MONITOR

Miami-Dade County has built several other Park and Ride Facilities along the Busway. The person responsible for managing this Project is Froilan I. Baez, Acting Chief, MDT Right-of-Way, Utilities & Property Management Division.

BACKGROUND

MDT has programmed the construction of a new Park and Ride Facility, located at the southern terminus of the Busway Extension to Florida City adjacent to the north side of Palm Drive (SW 344 Street) between NW 2 Avenue and NW 3 Avenue in Florida City. The proposed Project is anticipated to accommodate approximately 260 parking spaces and includes a "kiss and ride" drop off area, a passenger wait area, bus bays, a roundabout for buses using the Busway, a rest/break facility for bus drivers including restrooms, and other ancillary improvements standard for a Park and Ride Facility. Construction of this Project is scheduled to begin March, 2012 and be completed by June, 2013.

The area to be acquired by the County is necessary for the proposed Project, and is legally described in Exhibit "A" and illustrated on the parcel location map in Exhibit "B," both attached herewith.

The subject property was appraised for the County by an independent appraiser for a total value of \$195,000. An offer was extended to the owners, Anthony and Flavia Hoo, for the appraised amount. The owners declined the offer and made a counter offer of \$425,325 which the County did not accept. After further negotiations, the original offer of \$195,000 was accepted by the owners.
