To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners
From: Carlos A. Gimenez
Mayor 
Subject: Recommendation for Approval to Waive the Competitive Bidding Process in Section 5.03(D) of the Home Rule Charter to Award Contracts Established by a Competitive Bid Waiver for Security Guard Services at Special Taxing Districts (Level 2 Guards)

Agenda Item No. 8(F)(6)

Resolution No. R-960-11

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve award of competitive bid waiver contracts to 50 State Security Service, Inc.; G4S Secure Solutions (USA), Inc.; Security Alliance of Florida LLC; U.S. Security Associates, Inc.; and Kent Security Services, Inc., to provide security guard services at multiple Special Taxing Districts (STD) as listed in this recommendation. It is further recommended that the Board approve the waiver of competitive bid procedures pursuant to 5.03(D) of the Home Rule Charter and waive the procedures contained in Section 2-8.4 of the Miami-Dade County Code, pertaining to bid protests, by a two-third (2/3) vote of the Board members present.

On January 19, 1988, the Board approved Resolution No. R-7-88, authorizing a waiver of formal bid procedures in connection with security guard services for existing and future STDs. This Resolution allowed staff to award bid waiver contracts without additional Board approval. The County issued a Request for Proposals to solicit proposals from interested vendors to provide the security guard services. All proposals were rated and ranked resulting in a short-list of qualified firms. The HOAs' preferences were a major determining factor for each selection. Notwithstanding the available authorization to waive competition without the requirement for Board approval, due to the age of the Resolution and the value of the contracts, this award is being presented to the Board.

CONTRACT NUMBERS: RFP717A, RFP717B, RFP717C, RFP717D, and RFP717E
CONTRACT TITLE: Security Guard Services at Special Taxing Districts (Level 2 Guards)
TERM: Two years with three, two-year options-to-renew
APPROVAL TO ADVERTISE: July 28, 2010
METHOD OF AWARD: Competitive Bid Waiver
PREVIOUS CONTRACT AMOUNT: Approximately \$6,100,000 annually
CONTRACT AMOUNT: \$12,600,000 for the initial two-year term. If the County chooses to exercise the three, two-year options-to-renew, the cumulative contract value will be \$50,400,000.

BACKGROUND

The County issued a solicitation for STD Security Guard Services. The solicitation incorporated language from the referenced Resolution to allow participation by the HOAs regarding the level of service required and cost implications. Twenty-seven proposals were received in response to the solicitation. Three proposals were deemed non-responsive by the County Attorney's Office for failure to meet the submission

requirements (copies of the CAO opinions are attached). The remaining proposals were evaluated by the Evaluation/Selection Committee.

The Committee rated and ranked the firms. The HOAs were provided the list of firms considered qualified to provide the services, along with the proposed prices, to assist in making their decision regarding the level of service and pricing. The HOAs (except Miami Lakes, Section One) provided the requested information, but also requested that the County assign their preferred firm to provide the services at their location.

The County Attorney's Office was consulted regarding the evaluation process. It was determined that the appropriate course of action would be to allow the HOAs to have input in selecting the firms for their respective STDs, and to award these contracts as competitive bid waivers. The Committee recommended the County enter into negotiations with the firms as requested by the HOAs. The firms requested by the HOAs were the top five ranked firms by the Committee. This process allowed a significant level of input from the HOAs to ensure the HOAs' acceptance of the vendors selected to provide the services in their respective communities.

PERFORMANCE/COMPLIANCE

G4S Secure Solutions (USA), Inc. (G4S), was formerly known as The Wackenhut Corporation (Wackenhut). In February 2010, the Board of County Commissioners approved a settlement agreement with Wackenhut regarding the vendor's breach of contract on the Miami-Dade Transit (MDT) Security Services contract. Wackenhut received concessions in the settlement agreement including 1) "the County agrees not to use any of the facts surrounding the case as a justification to find Wackenhut a non-responsible bidder on future procurements", and 2) "if Wackenhut employees who are assigned to the MDT contract are arrested in the future in relation to that contract, the County is also prohibited from using that information as justification for a finding of non-responsibility, so long as Wackenhut agrees that those employees or principals will not personally participate in the potential contract engagement under consideration".

The 70% threshold falls within the 70-89% range in the scoring guidelines, which is rated as "Good". Price proposals were reviewed for the top ten proposers, as those proposers met this threshold.

Local Preference:

Local Preference was considered in accordance with the applicable ordinance, but did not affect the outcome as any proposer within five percent of the highest ranked proposer is already being recommended for negotiations.

Other information:Non-responsive Proposals

Proposals from Elite Investigations, LTD, Inc. and DSI Security Services did not include a bid security bond in the amount of \$5,000, as required in the solicitation. A request for a responsiveness determination was forwarded to the County Attorney's Office (CAO). The CAO determined both proposals are non-responsive (memorandum dated September 2, 2010 attached).

Wesnaley Security Group, LLC (Wesnaley) submitted a proposal to the Clerk of the Board 45 minutes after the proposal submittal deadline. A request for responsive determination was forwarded to the CAO. The CAO determined the proposal was responsive in relation to timeliness (memorandum dated September 2, 2010 attached). When the proposal was opened, the firm had not included a bid security bond. A second request for a responsiveness determination was forwarded to the CAO. The CAO determined the proposal is non-responsive (memorandum dated September 13, 2010 attached).

Removal of a Member from Committee

Due to unforeseen scheduling conflicts of Committee members, two consecutively scheduled meetings in October were cancelled. The next Committee meeting was scheduled for November 3, 2010. However, one member, Ariel Rodriguez, who was present during the previous Committee meetings, did not attend due to illness. The Committee continued without Mr. Rodriguez, and his scores were removed from the evaluation.

Requests to HOAs and Review of Responses

At the November 3, 2010 meeting, the Committee completed its evaluation, and requested that the Chairperson seek the Home Owners Associations' (HOAs) input pursuant to Resolution No. R-7-88, that authorizes the use of an alternate selection procedure for these services, to allow participation from STD HOAs. HOA Presidents or designees were sent letters requesting the HOA to confirm the level of service required at the STD locations and to consider the cost implications. The proposed prices for the ten firms remaining in consideration were included in the letters. Responses were requested by November 29, 2010. Nine of the 25 HOAs submitted a response by the deadline.

At the December 7, 2010 meeting, the Committee recommended the deadline for submission of the resolutions be extended until December 17, 2010 to allow the remaining 16 HOAs to respond. Only six of the remaining 16 HOAs complied and submitted responses by the deadline.

At the December 21, 2010 meeting, the Committee reviewed the responses submitted by the 15 HOAs. Some HOAs included in their response their level of satisfaction with the current service provider and the individual HOA's preferred firm. The Committee considered the input from the HOAs in making its recommendation. For the HOAs that did not submit a response, the Committee assigned the incumbent firms.

The Committee was reconvened on March 3, 2011, upon the recommendations of the County Attorney and the concurrence of the Directors of Public Works Department and the Department of Procurement Management. The Committee recommended an extension of the deadline for submissions of the resolutions by the ten HOAs that did not submit a response by the December 17, 2010 deadline. The Committee also recommended that the Chairperson send out written notification of the extension to allow the remaining HOAs to respond by April 11, 2011. Nine of the remaining ten HOAs complied and submitted responses. Miami Lakes Section One did not submit a response.

On April 13, 2011, the Committee reviewed the responses submitted by the nine HOAs. The Committee considered the input from all the HOAs in finalizing its recommendations, and assigned firms accordingly. For the one HOA that did not submit a response, the Committee assigned the highest ranked firm.

Correction of SBE Points for One Proposer

During the scoring of proposals, the Committee was advised by the Chairperson that Chi-Ada Corporation qualified for the Small Business Enterprise (SBE) selection factor and was afforded the additional points. However, after further review of the firm's SBE certification, the Chairperson determined that this firm is not eligible for the Selection Factor. While Chi-Ada Corporation is an SBE, this firm's certification does not include security guards or any related services. A proposer must be certified goods/services being solicited in order to qualify for the selection factor. The selection factor points for this firm were removed from the individual and composite scores. This correction did not affect the outcome, as it does not change the ranking of the firms.

Memo to Alina T. Hudak

Report of Evaluation/Selection Committee for RFP No. 717,
Security Guard Services for Special Taxing Districts (Level 2 Guards)

Negotiations:

The Committee recommends that the County enter into negotiations with the following proposers:

| Recommended Firms | Special Taxing Districts |
|----------------------------------|--|
| 50 State Security Service, Inc. | Belle Meade Belle Meade Island Biscayne Beach Biscayne Point Coventry Enchanted Lake Entrada Gables by the Sea Highland Gardens Highland Lakes Keystone Point Kings Bay Miami Lakes Loch Lomond Miami Lakes Section One North Bay Island North Dade Country Club/Andover Oak Forest Sabal Palm (Roving Patrol Only) |
| G4S Secure Solutions (USA) Inc. | Lakes by the Bay South Commons Sunrise Harbor |
| Security Alliance of Florida LLC | Hammock Oaks Harbor |
| U.S. Security Associates, Inc. | Four Way Lodge Estates |
| Kent Security Services, Inc. | Morningside Royal Oaks East Royal Oaks Section One |

The following individuals will participate in the negotiations:

- Lydia Osborne, Procurement Contracting Officer, Department of Procurement Management
- Donald Thompson, Security Section Supervisor, Public Works Department
- Don Tock, Chief, Special Taxing District, Public Works Department

To allow further participation by the HOAs in the process, an invitation will be extended to the HOAs to allow one representative from each HOA, to participate in the negotiations as a technical advisor on the negotiations team.

Consensus Statement:

Overall Statement

The Committee determined that the recommended firms, 50 State Security Service, Inc., G4S Secure Solutions (USA) Inc., Security Alliance of Florida, LLC, U.S. Security Associates, Inc., and Kent Security Services, Inc., have the necessary qualifications, relevant experience, technical capacity, trained security guard personnel to provide the services to meet the needs of the County. The recommended firms' proposals provided a well developed and task-appropriate approach to the required services.

Four of the firms, 50 State Security Service, Inc., G4S Secure Solutions (USA) Inc., US Security Associates, Inc., and Kent Security Services, Inc., have the relevant experience and past performance in providing security guard service at STDs. The remaining firm, Security Alliance of Florida LLC, has the relevant experience in providing security guard services to similar communities and its management team has significant experience in providing services to various STDs. This firm's Senior Vice President and the Director of Operations were formerly top operations personnel at 50 State Security Service, Inc. Three of the firms, 50 State Security Service, Inc., G4S Secure Solutions (USA) Inc., and U.S. Security Associates, Inc., currently provide security guard services at the STDs.

The above recommendations are made considering the input from the HOAs. The Committee determined that it was beneficial to recommend five of the highest ranked firms. Allied Barton Security Services, LLC, a firm that received a tie score with Kent Security Services, Inc. for the fifth ranked firm, is not being recommended, as none of the HOAs expressed their desire to have this firm provide the security guards services. The Public Works Department's representatives on the Committee, Donald Thompson and Tania Lapica, confirmed the need for multiple firms providing services throughout the STDs. Due to the nature of the services and the individual preferences of a community, it is not unusual for a firm's service to be considered satisfactory by one HOA and unsatisfactory by another HOA. In the event any of the STDs became dissatisfied with the service provided by the incumbent firm, another firm from the list of recommended firms may be utilized to provide the service.

50 State Security Service, Inc. Recommended Assignments

50 State Security Service, Inc., the top ranked firm, is recommended for assignment to 18 of the 25 STDs. Sixteen of the HOAs indicated that the residents were satisfied with the level of service being provided by this incumbent firm. One HOA, Enchanted Lake, indicated their desire to replace U.S. Security Associates, Inc. (this incumbent), with 50 State Security Service, Inc. In the absence of any request to change the current firm, 50 State Security Service, Inc. is also recommended for assignment to the one HOA (Miami Lakes Section One) that did not explicitly indicate a preferred firm.

G4S Secure Solutions (USA) Inc. Recommended Assignments

G4S Secure Solutions (USA) Inc., the second highest ranked firm, is recommended for assignment to two of the STDs, considering the input from the HOAs (Lakes by the Bay South Commons and Sunrise Harbor). These HOAs expressed dissatisfaction with the level of services provided by this incumbent firm (50 State Security Service, Inc., the highest ranked firm). G4S Secure Solutions (USA) Inc., the second highest ranked firm, is recommended for these assignments.

Security Alliance of Florida LLC Recommended Assignment

Security Alliance of Florida LLC, the third highest ranked firm, is recommended for assignment to one STD considering the input from the HOA (Hammocks Oaks Harbor). This HOA expressed dissatisfaction with the level of service provided by this incumbent firm (50 State Security Service, Inc. which is the highest ranked firm) and preferred to receive services from Security Alliance of Florida LLC.

U.S. Security Associates, Inc. Recommended Assignment

U.S. Security Associates, Inc., the fourth highest ranked firm, is recommended for assignment to one STD considering the input from the HOA (Four Way Lodge Estates). After considering the cost implication, the HOA expressed their desire to retain this incumbent firm (U.S. Security Associates, Inc.). The proposed prices for the security guards and supervisors of U.S. Security Associates, Inc. are lower than the proposed prices by the three higher ranked firms.

Page 7

Memo to Alina T. Hudak
Report of Evaluation/Selection Committee for RFP No. 717,
Security Guard Services for Special Taxing Districts (Level 2 Guards)

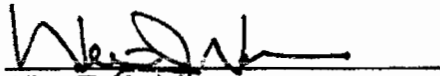

Kent Security Services, Inc. Recommended Assignment

Kent Security Services, Inc. is recommended for assignment to three STDs, considering input from the HOAs (Morningside, Royal Oaks East and Royal Oaks Section One). These HOAs expressed dissatisfaction with the level of service provided by the incumbent firms (50 State Security Service, Inc. and U.S Security Associates, Inc.). The cost implication to the STDs was also considered. The proposed prices for the security guards and supervisors of Kent Security Services, Inc. are the lowest among the ten highest ranked firms.

Copies of the score sheets are attached for each Committee member, as well as a composite score sheet.

Subject: Responsiveness of Late Proposal and Non-Conforming Bid Bonds— RFP Nos. 716 and 717, Security Guard Services for Special taxing District

In two separate requests regarding the above referenced Requests for Proposals (“RFPs”) you have asked: (1) whether the County can accept a late proposal from Wesnaley Security Group, LLC (“Wesnaley”), received by the Clerk of the Board forty-four minutes after the 2:00 p.m. proposal deadline; and (2) whether the County can accept the timely submitted proposals from Responsible Security, Inc. (“Responsible”), Star Guard Security, Inc. (“Star”), Elite Investigations, LTD, Inc. (“Elite”), and DSI Security Services (“DSI”) that either failed to submit a proposal bond or submitted a non-conforming proposal bond. For the reasons set forth below, we conclude that it is within the Department’s discretion to accept the late filed proposal from Wesnaley provided that there is no evidence that a substantial competitive advantage was obtained by the late proposal. We also conclude that Responsible, Star, Elite and DSI’s proposals are all non-responsive.

FACTS

We rely on the information provided in your e-mail, dated August 30, 2010 regarding Wesnaley’s proposal and your memorandum dated September 1, 2010 regarding the remaining proposers (attached hereto) as well as our independent discussions regarding this solicitation.

According to your e-mail, Wesnaley submitted its proposal at 2:44 p.m. in the Clerk’s Office some forty-four minutes after the 2:00 p.m. proposal submittal deadline. You also stated that the bids of the proposals of the twenty-six other proposers were opened prior to Wesnaley’s submittal but that no vendors were present for the bid opening and no prices were read at any time.

According to your memorandum, Section 1.9.A, Bid Security, of RFP No.716 and RFP No. 717 required in part that:

The Proposer must submit a bid security with its Proposal in the amount of \$5,000.00. This security must accompany the Proposal. Proposals without bid security will be considered non-responsive. Bid security must be in the form of a certified check, cashier’s check, an irrevocable letter of credit or surety bond payable to the Board of County Commissioners of Miami-Dade County, Florida.

Upon a review of the proposals submitted in response to the solicitation you found that four proposers failed to comply with this requirement. Responsible submitted an envelope with its proposal to the County marked on the outside, Bid No. RST 716, containing a personal check in the amount of \$5,000, payable to “Bid No. RST 716.” Star, Elite and DSI did not submit any proposal bond with their proposals.

DISCUSSION

Based on the above, it is within the County's discretion to accept the late proposal from Wesnaley and absent any showing of substantial competitive advantage, this proposal should be accepted. Responsible, Star, Elite and DSI's proposals are all non-responsive and should be rejected.

It is axiomatic that the public purpose in competitive procurement is "best served by construing the bid requirements, if at all reasonable, in a way that would give all bidders an opportunity to bid." Air Support Services International, Inc. v. Metropolitan Dade County, 614 So. 2d 583 (Fla. 3d DCA 1993). Generally, a proposal may be rejected or disregarded if there is a material variance between the proposal and the advertisement. A minor variance, however, will not invalidate the proposal. A variance is material if (1) effect of the variance would be to deprive the County of the assurance that the contract would be entered into, performed and guaranteed according to its specific requirements; and (2) whether it would adversely affect competitive bidding by placing a bidder in a position of advantage over other bidders. See Robinson Electric Co. v. Dade County, 417 So.2d 1032, 1034 (Fla. 3d DCA 1982).

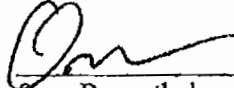

The County Attorney's Office has previously advised that proposals submitted prior to the close of business on the day of the proposals are presumptively valid unless it is demonstrated that the late proposer has been given a substantial competitive advantage over the other proposers.

Here the proposal was submitted only forty-four minutes late and no price offerings of the other proposers were made public. The County may thus accept this proposals unless the County determines, based on the nature of the RFP, that Wesnaley has obtained a substantial competitive advantage over the other proposers. In doing so, the County should be mindful of its past and future practice in this area and ensure consistency in its decision. If there is evidence there is a substantial competitive advantage, i.e. that the proposal was changed after 2:00 p.m. or the timing of the submission was manipulated to take advantage of the delay, the proposal should be rejected. This determination is fully consistent with previous advice from this office and case law regarding late filed proposals and relevant caselaw. See, e.g., Hewitt Contracting Co., Inc. v. Melbourne Regional Airport Authority, 528 So.2d 122 (Fla. 5th DCA 1988).

For Responsible, the submittal of a non negotiable check made out to "Bid No. RST 716" as opposed to the Board of County Commissioners of Miami-Dade County, Florida renders Responsible's proposal non-responsive. As the proposal bond is the County's "assurance that the contract would be entered into," Responsible's submittal of a non negotiable check is not waivable. Submitting a non-negotiable check is tantamount to a failure to submit a proposal bond. Such a failure is also distinguishable from cases which hold that submittal of a bid bond in a different form than required is a waivable irregularity because some form of negotiable instrument was perfected at the time of bid submittal. See, e.g., Robinson Electrical Co. 417 So.2d at 1032 (holding that cashier's check submitted instead of bid bond was a waivable substitute for bid requirements).

Nor may Responsible cure this defect by subsequently submitting a corrected check. The RFP required that the proposal bond be submitted with the proposal. As the failure to submit the bid bond is not waivable, so to is the requirement that it be submitted with the proposal. This opinion is consistent with opinions of attorney generals holding that proposal bonds submitted only minutes after bid submittal and bid opening are a non-waivable defect. See, e.g., Opinion No. 2003-196, Office of the Attorney General of the State of Alabama (July 22, 2003).

Finally, Star, Elite and DSI complete failure to submit any proposal bond is similarly non-waivable and non-curable. As such their proposals are similarly non responsive.

Subject: Responsiveness of Unsigned Bids and Non-Conforming Bid Bonds- RFP 717,
Security Guard Services for Special taxing District

In this third request regarding the above referenced Requests for Proposal ("RFP") you have asked: (1) whether the County can accept a proposal from U.S. Security "U.S.S." where their Form A-1 is not signed but a valid bid bond is provided; and (2) whether the County can accept a proposal from Wesnaley Security Group, LLC ("Wesnaley") which is unsigned and also does not contain a valid bid bond. For the reasons set forth below, we conclude that it is within the County's discretion to accept the proposal from U.S.S. but the proposal from Wesnaley is not responsive.¹

FACTS

We rely on the information provided in your memorandum, dated September 9, 2010 regarding U.S.S. and Wesnaley's proposals.

According to your memorandum, U.S.S. failed to submit Form A-1, signature page of the proposal and the proposer failed to offer any signature indicating their intent to be bound by their offer. U.S.S. did submit the required bid security with its proposal in the amount of \$5,000.

You also report that Wesnaley failed to submit Form A-1, signature page of the proposal but did submit a signed cover letter from the Company Director, on the firm's letterhead, indicating their intent to be bound by their offer. You also report that Wesnaley did not submit any bid security with its proposal for RFP No.717 as instructed in the solicitation.

Section 1.9.A, Bid Security, of RFP No. 717 required in part that:

The Proposer must submit a bid security with its Proposal in the amount of \$5,000.00. This security must accompany the Proposal. Proposals without bid security will be considered non-responsive. Bid security must be in the form of a certified check, cashier's check, an irrevocable letter of credit or surety bond payable to the Board of County Commissioners of Miami-Dade County, Florida.

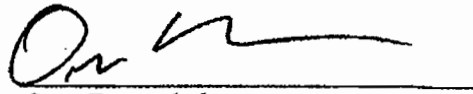

DISCUSSION

Based on the above, it is within the County's discretion to accept the proposal from U.S.S. and absent any other issues, this proposal should be accepted. Wesnaley's failure to submit a bid bond renders its proposal non-responsive and it should therefore be rejected.

¹ On September 2, 2010 the undersigned issued a responsiveness opinion regarding Wesnaley limited to the issue of whether the County had the discretion to accept the proposal which was filed after the proposal due date. The issues raised by this request were not raised or address in that previous request.

U.S.S.'s proposal is responsive because, although it has failed to sign the Form A-1, it has provided a bid bond binding it to the proposal. Generally, an unsigned proposal may be considered responsive if it "is accompanied by other material indicating the bidder's intention to be bound by the unsigned bid (such as the submission of a bid guarantee or a letter signed by the bidder, with the bid, referring to and clearly identifying the bid itself)." 48 C.F.R. 14.405 (c)(1); *To Salmons Dredging Co.*, B-130203, 1957 WL 1437, at *2 (Comp. Gen. January 22, 1957) ("It is established that an unsigned bid may be considered for award if accompanied by a letter, bond or other document signed by the bidder clearly evincing his intent to submit the bid."); *Robinson Electric Co. v. Dade County*, 417 So.2d 1032, 1034 (Fla. 3d DCA 1982) (the standard for finding whether "a specific noncompliance constitutes a substantial and hence nonwaivable irregularity" includes "whether the effect of a waiver would be to deprive the municipality of its assurance that the contract will be entered into, performed and guaranteed according to its specified requirements"). As U.S.S.'s proposal included a valid bid bond, the proposal is responsive.

For Wesnaley, the failure to submit a proposal bond is fatal because it deprives the County of the assurance that that the contract would be entered into if the bid is accepted. See *Robinson Electrical Co.* 417 So.2d at 1032. Wesnaley may not cure this defect by subsequently submitting a bond. The RFP required that the proposal bond be submitted with the proposal. As the failure to submit the bid bond is not waivable, so to is the requirement that it be submitted with the proposal. This opinion is consistent with opinions of attorney generals holding that proposal bonds submitted only minutes after bid submittal and bid opening are a non-waivable defect. See, e.g., Opinion No. 2003-196, Office of the Attorney General of the State of Alabama (July 22, 2003).

The Selection Committee will meet to review written or printed material regarding the qualifications of each of the certified firms as it relates to the requirements defined in the advertised document. If required, the Selection Committee will select several candidate firms meeting the published criteria, to make oral presentations at a properly noticed public hearing to the full Selection Committee.

The Selection Committee shall be responsible for evaluating, rating and ranking the proposals by each Committee member, based on the criteria and procedure contained in the advertised document. The Evaluation/Selection Committee will first evaluate and rank responsive proposals on the Technical (Quality) criteria. If responsive proposers are invited to make oral presentations, the Committee may re-rate and re-rank the proposals based upon the written documents combined with the oral presentation. You may utilize staff of the issuing department and the using agency to conduct a preliminary review of the proposals for responsiveness to the technical requirements. All requests for specific determinations shall be made in writing to the County Attorney's Office.

You are directed to assist me in the selection process considering the factors delineated in the advertised document. These factors may include methodology and management approach, qualifications and experience of principals and staff, financial stability, proposer's past performance of similar scope and size, proposer's detailed plans to meet the objectives of each task, activity, etc., pursuant to any schedule, proposer's previous County experience, history and experience of the firm or individual(s), understanding of the project and the County's objectives, responsiveness to the established requirements, and Cost/Revenue (normally separate and sealed). When the document requires the proposer to provide cost/revenue in a separate sealed envelope, cost/revenue will be considered separately and after the other criteria have been evaluated.

If you are unable to participate in the Selection process, contact this office through Small Business Development (SBD) by memorandum documenting the reason why you cannot participate. Only in cases of dire urgency may you be excused from participation.

The alternate committee member will serve only in the event of an approved substitution. No substitution of committee members shall be allowed after the first official meeting of the committee. The Department of Procurement Management's (DPM) RFP Unit may substitute the chairperson to ensure the appropriate level of staffing expertise as deemed necessary to accommodate the needs of this solicitation.

Following the oral presentation, or upon completion of the review process, the Committee shall prepare and submit a memorandum to include a narrative of the evaluation and justification of the top recommended firm(s) based upon the reasoning and mathematical formula, if utilized, and attach supporting documentation and a summary sheet which MUST include the following information:

As a matter of administrative policy and to maintain a fair and impartial process, all individuals appointed to the Selection Committee (including the Chairperson) and staff are instructed to refrain from discussing the solicitation with prospective lobbyists and/or consultants. Any such dispute shall be brought, if at all, before the County Manager within 10 days of the occurrence, event or act out of which the dispute arises.
- e) The County Manager may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether Contractor's performance or any Deliverable meets the requirements of this Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the County Manager participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the Contractor to the County Manager for a decision, together with all evidence and other pertinent information in regard to such questions, in order that a fair and impartial decision may be made. Posting requirements will not be required where the employer prints the following statements on the front of the covered employee's paycheck and every six months thereafter: "You are required by Miami-Dade County law to be paid at least [insert applicable rate under this Chapter] dollars an hour. If you are not paid this hourly rate, contact your supervisor or a lawyer." All notices will be printed in English, Spanish and Creole. Any complaints of underpayment must be filed in writing with the Director of Small Business Development, 111 NW 1st Street, Suite 1080, Miami, FL 33128, (305) 375-3111.

Appendix C

- E. Covered employers must refrain from terminating or otherwise retaliating against an employee performing work on the contract even though a complaint of practices has been filed by the employee or other investigative or enforcement action is being taken regarding such Contractor.

3. LIABILITY FOR UNPAID WAGES; PENALTIES; WITHHOLDING

- A. In the event of any underpayment of required wage rates, the Contractor may be liable to the underpaid employee for the amount of such underpayment within thirty (30) days of the findings of violation. Covered employers found to be in violation of the requirements of Section 2-8.9 may also be required to pay liquidated damages of up to \$500 to the County for each employee of the covered employer who performs any portion of the contract work for each week, or portion thereof, that is paid less than the specified applicable living wage rate. Request for appeals of violations must be filed in writing with the compliance officer within ten (10) days of receipt of the violation.
- B. Any wages not collected by underpaid employees shall be remitted, by the employer responsible for paying the wage debt, to the Small Business Development (SBD) for depository into the SBD Trust Fund. Proceeds from the "Trust Fund" shall be held for one (1) year and if not claimed by the underpaid employee, shall be transferred to the State of Florida.
- C. The County may withhold from Contractor any moneys payable on account of work performed under the contract, such sums as may be determined to be necessary to satisfy any liabilities for unpaid wages and penalties as provided herein. In order to preserve the rights of the affected workers under Section 2-8.9, the project manager may withhold or cause to be withheld from the Contractor under this agreement so much of the accrued payments or advances as may be considered necessary to pay employees of the covered employer the full amount of wages required by the contract. In the event of failure to pay any covered employee, employed or working on the project, all or part of the wages required by the contract, the project manager may, after written notice to the Contractor, take such action as may be necessary to cause the suspension of any further payment, until such violations have ceased. The withheld monies shall be remitted to the covered employee only in accordance with the provisions of Section 6, "Complaints and Hearings; Contract Termination and Debarment".
- D. In addition to the payment of penalties and backwages, repeat offenders may be debarred from doing business with the County for a period of up to five years and/or have their contracts terminated.

Appendix C

4. PAYROLL; RECORDS; REPORTING

- A. Each covered employer shall maintain payrolls for all covered employees and records relating thereto and shall preserve them for a period of three (3) years. The records shall contain: the name and address of each covered employee, the job title and classification, the number of hours worked each day, the gross wages earned and deductions made; annual wages paid; a copy of the social security returns and evidence of payment thereof; if applicable, a record of health benefit payments including contributions to approved plans; and any other data or information the Living Wage Commission or compliance officer should require from time to time.
- B. The Contractor shall provide a certificate to the applicable department, with every invoice or requisition for payment, that includes the name, address, and phone number of the covered employer, a local contact person, and the specific project for which the service contract is sought; the amount of the contract and the applicable department the contract will serve; a brief description of the project or service provided; a statement of the wage levels for all employees; and a commitment to pay all employees a living wage as set forth in the contract specifications; and the name and social security number of every employee that provided service for that requisition for payment.
- C. The covered employer shall submit the information required hereunder every six (6) months, to the applicable department a complete payroll showing the employer's payroll records for each covered employee working on the contract for covered services for one payroll period.
- D. The covered employer shall file with the applicable department, every six months, reports of employment activities to be made publicly available, including: race and gender of employees hired and terminated; zip codes of employees hired and terminated; and wage rates of employees hired and terminated.
- E. The covered employer shall make the records required to be kept hereunder available for inspection, copying or transcription by an authorized representative of the County, and shall permit such representative to interview employees during working hours on the job. Failure to submit the required reports upon request or to make records available may be grounds for debarment. The Contractor is responsible for the submission of the information required hereunder and for the maintenance of records and provision of access to same by all subcontractors.

5. SUBCONTRACTS

The Contractor shall insert in any subcontracts the clauses set forth in paragraphs 1 through 6 of this provision and also a clause requiring the subcontractors to include these clauses in any subcontracts. The Contractor shall be responsible for compliance by any subcontractor with the clauses set forth in paragraphs 1 through 6 of this provision.

6. PROCEDURES FOR APPEAL THROUGH ADMINISTRATIVE HEARING OFFICER PROCESS; CONTRACT TERMINATION AND DEBARMENT

- A. Appeals of findings of violation and imposition of penalties by the compliance officer shall be heard by an administrative hearing officer. Upon the receipt of a written appeal, the compliance officer shall notify the County Manager in writing and the County Manager shall appoint an administrative hearing officer and set a time for an administrative hearing. Failure to appeal within the specified time shall be considered a waiver of the appeal process provided for in Section 3.A and an admission of the complaint/violation.

- B. Notification of hearing date shall be served by the compliance officer upon the covered employer against whom the complaint is made within ten (10) working days of the appointment of the administrative hearing officer. Such notice shall be by certified mail, return receipt requested. Such notice shall include:

 - (2) The penalties assessed;
 - (3) That an administrative hearing shall be conducted before an administrative hearing officer on a date and time not to exceed thirty (30) business days after service of the notice. Appendix C

- D. No later than seven (7) days prior to the scheduled hearing date, the covered employer must furnish the compliance officer a list of the defenses the covered employer intends to present at the administrative hearing. If the covered employer fails to submit such list, in writing, at least seven (7) days prior to the administrative hearing, or fails to seek an extension of time within which to do so, the covered employer shall be deemed to have waived the opportunity to be heard at the administrative hearing. The administrative hearing officer shall have the right to grant or deny an extension of time, and the decision may only be reviewed upon an abuse of discretion.

- E. Hearsay evidence shall be admissible at the administrative hearing, but shall not form the sole basis for finding a violation of Section 2-8.9. The administrative hearing shall be transcribed, taped or otherwise recorded by a court reporter, at the election of the administrative hearing officer and at the expense of the County. Copies of the hearing tape or transcript shall be furnished at the expense and request of the requesting party. The cost of such transcription may be assessed, by the hearing officer, against a Contractor that has been found to violate Section 2-8.9.

- F. In addition to the payment of penalties and back wages, the County Manager may debar, for a period not to exceed five (5) years, a Contractor or subcontractor and the principal owners and/or qualifying agents thereof found to have violated the requirements of Section 2-8.9 a second time. If the County Manager determines a covered employer failed to comply with these provisions a third time, the non-complying covered employer's service contract with the County may be terminated.

- G. The County Manager may order the withheld amount equal to any underpayment remitted to the employee. In addition, the County Manager may order payment of a penalty to the County. If the required payment is not made within a reasonable period of time, the County Manager may order debarment as described above.

A breach of the clauses contained in this Supplemental General Condition shall be deemed a breach of this contract and may be grounds for termination of the contract, and for debarment, and any other remedies available to the County.

Prices shall remain firm and fixed for the term of the Contract, including any option or extension periods, except for Living Wage adjustments as provided below; however, the Contractor may offer incentive discounts to the County at any time during the Contract term, including any renewal or extension thereof.

The County may consider a request from the Contractor for a price adjustment at such time that there is an increase in the Living Wage. Such consideration may take into account the difference between the amount paid to the employee (minus the \$.50 for security guard, and the \$1.50 for security guard supervisor, per Appendix A, Scope of Services, Section 11), and the new Living Wage amount, as well as any associated mandatory costs imposed on Contractor for said increase, such as Federal, State, and Local taxes, etc. Any price adjustment cannot exceed the Living Wage increase percentage amount for that fiscal year.

Note: In the event that the contract effective date is after October 1, 2011, the Contractor has the right to request the price adjustment if there was an increase to the Living Wage for 2011-2012, as the Contractor must comply with the 2011-2012 fiscal year Living Wage rates.

ARTICLE 9. METHOD AND TIMES OF PAYMENT

The Contractor agrees that under the provisions of this Agreement, as reimbursement for those actual, reasonable and necessary costs incurred by the Contractor, which are directly attributable or properly allocable to the Services, the Contractor will bill the County at the end of each month, for the previous month, upon invoices certified by the Contractor pursuant to Appendix B – Price Schedule. All invoices shall be taken from the books of account kept by the Contractor, shall be supported by copies of payroll distribution, receipt bills or other documents reasonably required by the County, shall show the County's contract number, and shall have a unique invoice number assigned by the Contractor. It is the policy of Miami-Dade County that payment for all purchases by County agencies and the Public Health Trust shall be made in a timely manner and that interest payments be made on late payments. In accordance with Florida Statutes, Section 218.74 and Section 2-8.1.4 of the Miami-Dade County Code, the time at which payment shall be due from the County or the Public Health Trust shall be forty-five days from receipt of a proper invoice. The time at which payment shall be due to small businesses shall be thirty (30) days from receipt of a proper invoice. All payments due from the County or the Public Health Trust, and not made within the time specified by this section shall bear interest from thirty (30) days after the due date at the rate of one percent (1%) per month on the unpaid balance. Further, proceedings to resolve disputes for payment of obligations shall be concluded by final written decision of the County Manager, or his or her designee(s), not later than sixty (60) days after the date on which the proper invoice was received by the County or the Public Health Trust.

Invoices and associated back-up documentation shall be submitted in duplicate by the Contractor to the County as follows:

The Contractor shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the County, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. The Contractor expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Contractor shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as herein provided.

149

Upon County's notification, the Contractor shall furnish to the Department of Procurement Management, Certificates of Insurance that indicate that insurance coverage has been obtained, which meets the requirements as outlined below:

In addition, the Contractor hereby agrees not to modify the insurance coverage without thirty (30) days written advance notice to the County.

NOTE: MIAMI-DADE COUNTY CONTRACT NUMBER AND TITLE MUST APPEAR ON EACH CERTIFICATE OF INSURANCE.

Compliance with the foregoing requirements shall not relieve the Contractor of this liability and obligation under this section or under any other section in this Agreement.

If the insurance certificate is received within the specified time frame but not in the manner prescribed in this Agreement, the Contractor shall have an additional five (5) business days to submit a corrected certificate to the County. If the covered employer fails to submit such list, in writing, at least seven (7) days prior to the administrative hearing, or fails to seek an extension of time within which to do so, the covered employer shall be deemed to have waived the opportunity to be heard at the administrative hearing. The administrative hearing officer shall have the right to grant or deny an extension of time, and the decision may only be reviewed upon an abuse of discretion.

If the County Manager determines a covered employer failed to comply with these provisions a third time, the non-complying covered employer's service contract with the County may be terminated.

- G. The County Manager may order the withheld amount equal to any underpayment remitted to the employee. In addition, the County Manager may order payment of a penalty to the County. If the required payment is not made within a reasonable period of time, the County Manager may order debarment as described above.

In the event of failure to pay any covered employee, employed or working on the project, all or part of the wages required by the contract, the project manager may, after written notice to the Contractor, take such action as may be necessary to cause the suspension of any further payment, until such violations have ceased. The withheld monies shall be remitted to the covered employee only in accordance with the provisions of Section 6, "Complaints and Hearings; Contract Termination and Debarment".
- D. In addition to the payment of penalties and backwages, repeat offenders may be debarred from doing business with the County for a period of up to five years and/or have their contracts terminated.

The records shall contain: the name and address of each covered employee, the job title and classification, the number of hours worked each day, the gross wages earned and deductions made; annual wages paid; a copy of the social security returns and evidence of payment thereof; if applicable, a record of health benefit payments including contributions to approved plans; and any other data or information the Living Wage Commission or compliance officer should require from time to time.
- B. The Contractor shall provide a certificate to the applicable department, with every invoice or requisition for payment, that includes the name, address, and phone number of the covered employer, a local contact person, and the specific project for which the service contract is sought; the amount of the contract and the applicable department the contract will serve; a brief description of the project or service provided; a statement of the wage levels for all employees; and a commitment to pay all employees a living wage as set forth in the contract specifications; and the name and social security number of every employee that provided service for that requisition for payment.

The covered employer shall file with the applicable department, every six months, reports of employment activities to be made publicly available, including: race and gender of employees hired and terminated; zip codes of employees hired and terminated; and wage rates of employees hired and terminated.
- E. The covered employer shall make the records required to be kept hereunder available for inspection, copying or transcription by an authorized representative of the County, and shall permit such representative to interview employees during working hours on the job. Failure to submit the required reports upon request or to make records available may be grounds for debarment. The Contractor is responsible for the submission of the information required hereunder and for the maintenance of records and provision of access to same by all subcontractors.

5. SUBCONTRACTS

The Contractor shall insert in any subcontracts the clauses set forth in paragraphs 1 through 6 of this provision and also a clause requiring the subcontractors to include these clauses in any subcontracts. 6. PROCEDURES FOR APPEAL THROUGH ADMINISTRATIVE HEARING OFFICER PROCESS; CONTRACT TERMINATION AND DEBARMENT

- A. Appeals of findings of violation and imposition of penalties by the compliance officer shall be heard by an administrative hearing officer. Upon the receipt of a written appeal, the compliance officer shall notify the County Manager in writing and the County Manager shall appoint an administrative hearing officer and set a time for an administrative hearing. Failure to appeal within the specified time shall be considered a waiver of the appeal process provided for in Section 3.A and an admission of the complaint/violation.
- B. Notification of hearing date shall be served by the compliance officer upon the covered employer against whom the complaint is made within ten (10) working days of the appointment of the administrative hearing officer. Such notice shall be by certified mail, return receipt requested. Such notice shall include:

Appendix C

- D. No later than seven (7) days prior to the scheduled hearing date, the covered employer must furnish the compliance officer a list of the defenses the covered employer intends to present at the administrative hearing. If the covered employer fails to submit such list, in writing, at least seven (7) days prior to the administrative hearing, or fails to seek an extension of time within which to do so, the covered employer shall be deemed to have waived the opportunity to be heard at the administrative hearing. The administrative hearing officer shall have the right to grant or deny an extension of time, and the decision may only be reviewed upon an abuse of discretion.

- E. Hearsay evidence shall be admissible at the administrative hearing, but shall not form the sole basis for finding a violation of Section 2-8.9. The administrative hearing shall be transcribed, taped or otherwise recorded by a court reporter, at the election of the administrative hearing officer and at the expense of the County. Copies of the hearing tape or transcript shall be furnished at the expense and request of the requesting party. The cost of such transcription may be assessed, by the hearing officer, against a Contractor that has been found to violate Section 2-8.9.

In addition to the payment of penalties and back wages, the County Manager may debar, for a period not to exceed five (5) years, a Contractor or subcontractor and the principal owners and/or qualifying agents thereof found to have violated the requirements of Section 2-8.9 a second time. If the County Manager determines a covered employer failed to comply with these provisions a third time, the non-complying covered employer's service contract with the County may be terminated.

- G. The County Manager may order the withheld amount equal to any underpayment remitted to the employee. In addition, the County Manager may order payment of a penalty to the County. If the required payment is not made within a reasonable period of time, the County Manager may order debarment as described above.

A breach of the clauses contained in this Supplemental General Condition shall be deemed a breach of this contract and may be grounds for termination of the contract, and for debarment, and any other remedies available to the County.
