Project: No. M DPR Goulds Park Expansion

Location: 11325 SW 220th Street

Folio No. 30-6018-000-0140

EFFECTIVE DATE OF VALUE:

March 5, 2011

Pursuant to the Proposal and Agreement for Appraisal Services March 2, 2011, I have prepared a self-contained Real Estate Appraisal Report for the above-captioned property setting forth an opinion of the Fair Market Value and the highest and best use for the above referenced property.

Market Value is defined as the most probable price which a property should bring in a competitive and open market under all conditions requisite to fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus.

The subject of this appraisal is a 13,242 Sq. Ft. vacant land parcel located at 11325 SW 220th Street, within the Goulds neighborhood of southwest Miami-Dade County, Florida.

The purpose of this appraisal valuation is to determine the fair market value of the subject property to assist Miami-Dade County relative to the possible acquisition of the property. The appraiser is unaware of any unique circumstances associated with the land parcel, such as unique environmental factors, hazardous waste, etc. which may or may not effect market value.

The appraisal valuation analysis includes research and analysis of vacant land sales which are considered to be comparable to the subject property. The Cost and Income Approaches for appraisal valuation are also considered in this report but not used for land valuation analysis.

The analysis and conclusions contained in this report have been prepared in conformance with the Uniform Standards of Professional Appraisal Practice [USPAP] as promulgated by the Appraisal Standards Board of the Appraisal Foundation, the Appraisal Standards of the Florida Appraisal Board, and Miami-Dade County appraisal requirements.

Data sources utilized in this appraisal analysis in addition to the owner, include First American Real Estate Solutions - Miami-Dade County Property Appraisers Office; Miami-Dade County Clerk of Courts Records Office; Florida Secretary of State, Florida Research Data Base (FRED); University of Florida Bureau of Economical Business Research (BEBR). The information furnished by others is assumed to be true, correct, and reliable. A reasonable effort has been made to verify such information; however, no responsibility for its accuracy is assumed by the appraiser.

This transmittal letter is followed by the Appraisal Certification, Certificate of Value and a complete self contained narrative real estate appraisal report containing 29 pages further describing the subject property and containing the reasoning and pertinent data leading to the appraisers opinion of value. Your attention is directed to the "Assumptions and Limiting Conditions" which were considered in this assignment and are an important part of the appraisal analysis.

After careful investigation and analysis, it is the opinion of the appraiser that the market value estimate for the subject property is:

Lee, whose address is 11413 SW 151st Terrace, Miami, Florida 33176, Clarice Washington, whose address is 11481 SW 154th Court, Miami, Florida 33196, Roger Symonette, whose address is 11335 SW 220 Street, Goulds, Florida, Norman Symonette, whose address is 3940 SW 152nd Avenue, Miramar, Florida 33027, Jeffrey Symonette, whose address is 26582 SW 122nd Court, Homestead, Florida 33032, Angela Dorsainville, whose address is 15838 SW 140th Street, Miami, Florida 33176, and Daryl Harris, whose address is 14667 SW 126th Place, Miami, Florida 33176, hereinafter referred to collectively as "Seller."

WITNESSETH, that for and in consideration of the mutual covenants contained herein, the Buyer and Seller agree as follows:

1. REALTY. Seller agrees to sell to Buyer and Buyer agrees to purchase from Seller that certain real property, located in Miami-Dade County, Florida, which real property is legally and more specifically described in Exhibit A, together with all tenements, hereditaments, privileges, servitudes, and other rights appurtenant to real property, if any (collectively, the "Real Property"), and all buildings, fixtures, and other improvements thereon, if any, all fill and top soil thereon, if any, all oil, gas and mineral rights possessed by Seller, if any, and all right, title and interest of Seller in and to any and all streets, roads, highways, easements, drainage rights, or rights-of-way, appurtenant to the Real Property, if any, and all right, title and interest of Seller in and to any and all covenants, restrictions, agreements and riparian rights as same may apply to and benefit the Real Property, if any.

2. PURCHASE PRICE. Buyer agrees to pay a purchase price for the real property of \$69,900.00 (Sixty-Nine Thousand Nine Hundred and 00/100 Dollars), by County check or wire transfer of U.S. funds. The purchase price shall be adjusted according to the net acreage as determined by the final survey as referred to in Paragraph 7 herein, and exclusive of any dedicated rights-of-way located, thereon. The purchase price to be paid at closing shall be subject to other adjustments and prorations provided for herein and will be paid at closing by County check for the Property referenced above.

3. INTEREST CONVEYED. Seller is the record owner of the fee simple title to the subject Property and agrees to convey good, marketable and insurable title by Warranty Deed.

4. AD VALOREM TAXES. Buyer hereby covenants that it is a political subdivision of the State of Florida and is exempt from payment of ad valorem taxes. Therefore, it shall be Seller's responsibility to comply with Section 196.295, Florida Statutes by placing the appropriate amount of pro rata taxes to the day of closing and any delinquent taxes in escrow with the Miami-Dade County Tax Collector.

5. TITLE INSURANCE. Buyer may, within fifteen (15) business days of the effective

date of this Contract, obtain a marketable title insurance commitment and furnish a copy to the Seller. Said commitment shall show a good, marketable and insurable title to the Property in the Seller's name. Buyer shall have ten (10) business days from receipt of title commitment to inspect said title documents and report defects, if any, in writing to the Seller. Buyer may at Buyer's expense obtain an owner's marketable title insurance policy (ALTA Form "B") from a title insurance company licensed by the State of Florida ("Title Company") in the amount of the purchase price. In addition, the policy shall insure title to the Real Property for the period between closing and recording of the Statutory Warranty Deed. If the title commitment shows title to the Property to be unmarketable and uninsurable, then this Contract shall be rendered null and void and both Buyer and Seller shall be released of all obligations hereunder, except that Buyer may waive any defects and proceed with closing at Buyer's option.

6. INSPECTIONS/HAZARDOUS MATERIALS. Seller shall, at Seller's sole cost and expense and at least thirty (30) days from the effective date of this Contract, furnish to Buyer an environmental site assessment of the Property certified to the Buyer. Seller shall use the services of competent, professional consultants with expertise in the environmental site assessing process to determine the existence and extent, if any, of Hazardous Materials on the Property.

Buyer may, at its own cost and expense and within sixty (60) days from the Effective Date of this Contract (the "Inspection Period") conduct whatever inspections, tests and investigations of the Real Property as Buyer deems necessary to determine defects to the Real Property. Buyer may obtain a Letter of Current Enforcement Status of the Property by the Miami-Dade County Department of Environmental Resources Management (DERM) and conduct any tests and investigations of the Property as required or recommended by DERM to determine the existence and extent, if any, of hazardous materials or toxic substances and hazardous materials or toxic substances and hazardous waste on the Property in violation of any laws, ordinances, rules or restrictions of any governmental authority having jurisdiction. The term "Hazardous Materials" shall mean any hazardous or toxic substance, material or waste, it shall also include solid waste or debris of any kind.

Should such inspections show defects to the Property, including but not limited to the presence of hazardous material and/or excessive development cost, which Buyer is unable or unwilling to accept, Buyer may elect to terminate its processing of this Contract by giving Seller written notice prior to the expiration of the Inspection Period, whereupon both Buyer and Seller shall be released from all further obligations hereunder, except those which expressly survive the termination hereof, unless Seller in Seller's sole discretion elect in writing to repair such defects to Buyer's satisfaction in Buyer's sole discretion. Seller shall include a timeframe within which they will repair such defects. Should Seller be unable or unwilling to repair such defects to Buyer's satisfaction, or if the timeframe is unacceptable to Buyer, then Buyer may waive all such defects and proceed to closing at Buyer's option without adjustment to the Purchase Price such option to be exercised in writing within fifteen (15) days of Seller's notice to Buyer that they are unable or unwilling to repair such defects. If Buyer does not waive such defects, this Contract shall terminate as above set forth.

Notwithstanding the foregoing, if the Letter of Current Enforcement Status or any subsequent testing performed by the Buyer prior to Closing confirms the presence of hazardous materials or toxic substances and hazardous waste on the Real Property, Buyer or Seller may elect to terminate this Contract within fifteen (15) days of receipt of such Letter or testing reports by giving written notice to the other party, whereupon both Buyer and Seller shall be released from all further obligations hereunder, except those which expressly survive the termination hereof. Seller, at Seller's sole cost and expense and not less than 30 days prior to closing, deliver to Buyer, a current, certified boundary survey of the Property prepared by a professional land surveyor licensed by the State of Florida. The survey shall be certified to the Buyer, the Title Company and the Seller. The date of certification shall be within sixty (60) days before the Closing date, unless this sixty (60) day time period is waived by Buyer and by the Title Company for purposes of deleting the standard exceptions for survey matters and easements or claims of easements not shown by the public records from the owners' title policy. The survey shall contain a certification of the number of square feet and calculated acreage contained in the Real Property, less any dedicated right of way thereon. If the survey shows any encroachment on the Real Property or that any improvements on the Real Property encroach on the land of others, the same shall be regarded as a title defect. The legal description in the survey shall be subject to Seller's and Buyer's approval.

8. RIGHT TO ENTER REAL PROPERTY. Seller agrees that Buyer and its agents shall, upon reasonable notice, have the right to enter the Real Property for all lawful and agreed upon purposes in connection with this transaction provided the Buyer shall indemnify and hold Seller harmless for damage or injury caused by Buyer and its agents subject to all limitations of Section 768.28, Florida Statutes. Buyer shall not in the course of such entry make any invasive tests, alterations or improvements to the balance of the parent tract owned by Seller, except with the express written consent of Seller. Buyer hereby agrees to indemnify, protect and hold harmless Seller from and against any and all claims, demands, losses, costs, damages to the balance of the parent tract. If Closing does not occur, Buyer shall repair and restore the Property to the condition existing prior to any test or construction on the site.

9. TENANCIES. Seller further warrants and represents that no person is living on or occupying the Property, that there is no tenant in possession of the Property and that there are no leases or other agreements and understandings affecting possession, use or occupancy of the Property.

10. PRORATIONS: In addition to proration of taxes as provided in Paragraph 4 above, expenses for electricity, water, sewer, waste collection, and personal property taxes, if any and all revenue if any shall be prorated to the day prior to closing.

11. LIENS. All liens of record, including certified municipal and county liens, as well as special assessments, if any, shall be paid in full at or before closing by the Seller. If a pending lien has been filed against the subject Property which has not been certified as of the date of closing, and the work and improvements for which the lien was filed have been completed prior to the closing, despite the fact that the pending lien has not been certified, such lien shall be paid by the Seller.

12. CLOSING. The closing of this transaction shall be completed within ninety (90) days of the Effective Date of this contract unless otherwise extended, as mutually agreed upon by both Buyer and Seller or as otherwise provided herein. The precise date, time, and place of closing shall be set by Buyer and Seller.

13. TIME. Buyer and Seller mutually agree to fully and timely execute such papers as deemed necessary to complete the conveyance in accordance with the terms of this contract. Time is of the essence of this Contract. All obligations are subject to Acts of God or Nature or any other occurrence, which is beyond the control of Seller or Buyer.

14. BROKERS. Any and all real estate fees or commissions claimed due pursuant to this transaction to any real estate broker or agent shall be paid by the Seller. In no event shall either party be liable for any damages (actual, special consequential, punitive or otherwise) for any default under this Contract.

20. LITIGATION. In the event of any litigation arising out of this Contract, the prevailing party shall be entitled to recover reasonable attorney's fees and costs from the other party upon final court judgment, including appellate proceedings.

21. DISCLOSURE. Seller warrants that there are no facts which materially and adversely affect the physical condition and present use of the Real Property which have not been disclosed by Seller to Buyer or which are not readily observable to Buyer or which Buyer cannot discover during customary due diligence.

22. SUCCESSORS IN INTEREST. This Contract will ensure to the benefit of and be binding upon, and is intended solely for the benefit of the parties hereto, and their respective heirs, personal representatives, successors, and assigns; and no third party will have any rights, privileges or other beneficial interests herein or hereunder.

28. EFFECTIVENESS.
