Proceeds from a Charter County Transportation System Sales Surtax Bond Sale will be used to fund this project; therefore, review by the Citizens' Independent Transportation Trust (CITT) is required before final approval by the BCC.

Scope

Fiscal Impact/Funding Source

The value of this contract award is \$308,995.00 and will be funded from Charter County Transportation Surtax 2010 Bond Proceeds as programmed within PWWMD's Multi-Year Capital Budget. The base contract amount is \$270,450.00, with the total amount being inclusive of contingency and dedicated allowance amounts. There are no recurring operation or maintenance costs anticipated with this Contract.

The proposed improvements qualify under the allowable work categories included in the PTP Neighborhood Improvements Section. The funding index code for this project is CPEPTP602RSF.

Delegation of Authority

No additional authority is being requested within the body of this Contract.

Track Record/Monitor

CEB Construction, Inc. is currently performing work for PWWMD at a satisfactory level. PWWMD has reviewed the Capital Improvements Information System (CIIS) database and found 67 awarded construction contracts as follows:

- one for the Aviation Department,
- two for the Permitting, Environment and Regulatory Affairs Department,
- four for the Internal Services Department,
- nine for the Parks, Recreation and Open Spaces Department,

Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners
Page 2

- four for the Seaport Department,
- one for the Water and Sewer Department, and
- 46 for PWWMD.

The referenced database also lists a total of 48 contractor performance evaluations (several contracts having two evaluations on file, an interim and a project closeout) with an overall performance rating of 3.4 (satisfactory performance) out of a possible 4.0 (superior performance) rating. The Sustainability, Planning and Economic Enhancement Department History of Violations report lists no violations for this Contractor.

According to the Florida Department of State, Division of Corporations, CEB Construction, Inc., Company Principal is Javier G. Bustos and the Company's address is listed as 2451 NW 109 Avenue, Miami, Florida 33172.

Following PWWMD's standard operating procedures, after award of this Contract, a pre-construction meeting will be scheduled. The responsible staff person for all PTP projects in PWWMD is Mr. Frank Aira, P.E.. Following completion of the award process, the project will be assigned to Ms. Mercedes Barreras, Project Coordinator, for day-to-day responsibilities.

Background

As part of the PTP Neighborhood Improvements initiative, PWWMD continues to take advantage of various contracting mechanisms such as the Miscellaneous Construction Contract (MCC) process available under the MCC 7040 Program. Through this process, PWWMD forwards a RPQ by way of facsimile transmission to a pool of pre-qualified Community Small Business Enterprise (CSBE) contractors for the respective trade. Additionally, PWWMD advertises the project in the *Daily Business Review* and all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project award evaluation is based upon the bid submitted by the lowest responsive, responsible bidder for the project.

PWWMD staff determined that the scope of work for this project qualified for a CSBE set-aside (Levels I, II, and III). In addition, a Community Workforce Program Goal of 12.1 percent has been established for this project as several work locations fall within a Designated Target Area. On June 30, 2011, PWWMD forwarded an RPQ for the PTP Sidewalk Accessibility Project, utilizing the MCC 7040 Plan - CICC 7040-0/07, to a list of 50 pre-qualified firms. A total of three firms purchased contract documents and two firms proffered a bid.

On August 3, 2011, CEB Construction, Inc. proffered the lowest responsive, responsible base bid of \$270,450.00, six percent below the County's cost estimate; and the second lowest bidder, Quality Paving Corp. proffered a base bid of \$322,409.50, 19 percent over the lowest bidder. Based on the results of the solicitation, PWWMD issued a recommendation of award on August 11, 2011 for RPQ No. 20110090 to CEB Construction, Inc., with the stipulation that approval for this project must be obtained from the CITT and the BCC in accordance with PTP guidelines.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor (including cleaning and preparation), required materials, equipment and tools to perform all operations necessary for the construction of new curb ramps and gutters, sidewalks, driveway approaches; the removal and disposal of various existing pavements; the grading and preparation of subgrade; the removal and disposal of existing trees, tree roots, and debris; clearing and grubbing; adjustment of existing utility valve covers to new finished grade; drainage remediation; removal and resetting guardrail; and the resetting or relocating fences and sodding.

Re: **Recommendation for Award**
Request for Price Quotation (RPQ) No. 20110090 (MCC 7040 Plan – CICC 7040-0/07)
People's Transportation Plan (PTP) Sidewalk Accessibility

Dear Mr. Bustos:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Wednesday, August 3, 2011. The total RPQ amount is for three hundred eight thousand nine hundred ninety-five dollars and zero cents (\$308,995.00). This includes a base contract amount of two hundred seventy thousand four hundred fifty dollars and zero cents (\$270,450.00), a contingency amount of twenty-seven thousand forty-five dollars and zero cents (\$27,045.00), and dedicated allowances totaling eleven thousand five hundred dollars and zero cents (\$11,500.00). The contract duration is established as **270-calendar days**. However, the recommendation of award is contingent upon the submission of the required items listed below:

1. Performance and Payment Bond as required in Contract No. MCC 7040 Plan, Section 2.0 Special Conditions, Page 16, Article 2.11, **PERFORMANCE AND PAYMENT BOND**. (The original attached documents must be used and three (3) sets must be provided).
2. Letter from Bonding Agent granting Miami-Dade County authorization to date the Performance Bond.
3. Copies of current insurance certificates.
4. Copies of required license(s).
5. Submit Workforce Plan to the issuing/user department within fifteen (15) days of Notice of Award for project specific and within fifteen (15) days from Notice to proceed for work orders.

The preceding documents are required as outlined within Contract MCC 7040 Plan and to be submitted within 10 business days. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded. Subsequent to the review and approval of the aforementioned documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work.

Recommendation of Award
RPQ No. 20110090

No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s). This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and inspections and in accordance with all applicable Federal, State and local laws, codes and regulations.

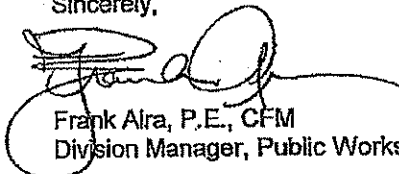

Additionally, this contract, along with any future contracts awarded to your firm, have very similar completion schedules and competing deadlines. Please be advised that your firm must have the resources to ensure work proceeds without delay once the "Notice to Proceed" is issued. This will result in your firm working on multiple contracts concurrently. Lack of equipment and/or personnel will not be reason for delay.

Further, it shall be understood that since proceeds from the Charter County Transportation System Sales Surtax levied pursuant to Section 29.121 of the Code of Miami-Dade County may be used to pay for all or some part of the cost of this contract, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until the Citizens' Independent Transportation Trust (CITT) and the County Commission have approved the award of the contract, and such award becomes final (either by expiration of 10 days after such award without veto by the Mayor, or by Commission override of a veto).

Please contact Mr. Ultimo De Oliveira, OCI office, at (305) 375-5265 to insure that your file is complete for award consideration.
