

**DATE:** November 15, 2011

**TO:** Honorable Chairman Joe A. Martinez  
and Members, Board of County Commissioners

**FROM:** Carlos A. Gimenez  
Mayor 

**SUBJECT:** Resolution Ratifying the Action to Receive and Expend State Funds, from the Florida Department of Juvenile Justice through the South Florida Behavioral Health Network for the Continuation of the Juvenile Treatment Alternatives for Safer Communities Program in the Approximate Amount of \$353,596

Agenda Item No. 3(A)(1)

Resolution No. R-947-11

**Recommendation**

It is recommended that the Board of County Commissioners (Board) approve the attached resolution to ratify the action to, receive and expend State Funds from the Florida Department of Juvenile Justice, through the South Florida Behavioral Health Network in the amount of \$353,596 for the continuation of the Juvenile Treatment Alternatives for Safer Communities (TASC) Program administered by the Miami-Dade County Juvenile Services Department (JSD); and to delegate authority to the County Mayor or County Mayor's designee to receive and expend future funds in subsequent years should they become available under this funded program for this purpose; and to include executing any agreements approved by the County Attorney's Office for the provision of these services. The contract, in substantially the same for, as attachment A is effective July 1, 2011 to June 30, 2012.

The JSD made every effort to obtain information for the timely submission of this item however, the South Florida Behavioral Health Network, a new subcontractor of the State of Florida, provided the JSD with this contract on June 29, 2011. Until such time as the actual contract was received and reviewed, the department was unaware of the new contract amount and whether or not the scope of services under the contract had been modified. The delay and retroactive submission were therefore unavoidable.

**Scope**

The impact for the provision of these services is countywide. JSD will continue to assess all eligible juveniles for the continuation of the Juvenile TASC program.

**Fiscal Impact**

There is no fiscal impact to the County. The State Funds from the Florida Department of Juvenile Justice, through the South Florida Behavioral Health Network do not require a match. These funds will be used for the continuation of the Juvenile TASC Program administered by the Miami-Dade County JSD, under index codes JUETASC2012 for expense and JURTASC2012 for revenue.

**Track Record/Monitor**

JSD will be responsible for implementing and managing the project. The Department will handle the disbursement and expenditure of grant funds, and manage programmatic and fiscal reporting in accordance with project reporting and auditing procedures stipulated by the State of Florida.

**Background**

The Juvenile TASC Program has been funded by the State of Florida for several years. The program focuses on providing substance abuse assessment, Court reporting and treatment referrals for juveniles deemed at risk, based on initial screening upon arrival at the Juvenile Assessment Center.

Honorable Chairman Joe A. Martinez  
and Members, Board of County Commissioners

Juvenile TASC's major goal is to promote and improve the behavioral health of juveniles of the state by making substance abuse and mental health treatment and support services available through a community-based system of care.

Under the JSD's leadership the Juvenile TASC Unit for the first time in County history provides 24 hour assessment capability utilizing state of the art research based assessment tools.

**F. Indemnification**

NOTE: Except to the extent permitted by s.768.28, F.S., or other applicable Florida Law, Paragraph I.F.1., 2. and 3. are not applicable to contracts executed between state agencies or subdivisions, as defined in subsection 768.28(2), F.S.

1. The provider shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the ME and its officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to any alleged act or omission by the provider, its agents, employees, partners, or subcontractors, provided, however, that the provider shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the ME.
2. Further, the provider shall, without exception, indemnify and save harmless the ME and its employees from any liability of any nature or kind whatsoever, including attorneys fees, costs and expenses, arising out of, relating to or involving any claim associated with any trademark, copyrighted, patented, or unpatented invention, process, trade secret or intellectual property right, information technology used or accessed by the provider, or article manufactured or used by the provider, its officers, agents or subcontractors in the performance of this contract or delivered to the ME for the use of the ME, its employees, agents or contractors. The provider may, at its option and expense, procure for the ME, its employees, agents or contractors, the right to continue use of, replace, or modify the product or article to render it non-infringing. If the provider is not reasonably able to modify or otherwise secure the ME the right to continue using the product or article, the provider shall remove the product and refund the ME the amounts paid in excess of a reasonable rental for past use. However, the ME shall not be liable for any royalties. The provider has no liability when such claim is solely and exclusively due to the ME's alteration of the product or article or the ME's misuse or modification of the provider's products or the ME's operation or use of vendor's products in a manner not contemplated by this contract. The provider shall provide prompt written notification to the ME of any claim of copyright, patent or other infringement arising from the performance of this contract.
3. Further, the provider shall protect, defend, and indemnify, including attorneys' fees and costs, the ME for any and all claims and litigation (including litigation initiated by the ME) arising from or relating to provider's claim that a document contains proprietary or trade secret information that is exempt from disclosure or the scope of the provider's redaction, as provided for under Section I.EE.

4. The provider's inability to evaluate liability or its evaluation of liability shall not excuse its duty to defend and indemnify after receipt of notice. Only an adjudication or judgment after the highest appeal is exhausted finding the ME negligent shall excuse the provider of performance under this provision, in which case the ME shall have no obligation to reimburse the provider for the cost of their defense. If the Provider is an agency or subdivision of the State, its obligation to indemnify, defend and hold harmless the ME shall be to the extent permitted by law and without waiving the limits of sovereign immunity.

#### **G. Insurance**

Continuous adequate liability insurance coverage shall be maintained by the provider during the existence of this contract and any renewal(s) and extension(s) of it. By execution of this contract, unless it is a state agency or subdivision as defined by subsection 768.28(2), F.S., the provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the provider and the clients to be served under this contract. The limits of coverage under each policy maintained by the provider do not limit the provider's liability and obligations under this contract. Upon the execution of this contract, the provider shall furnish the ME written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The ME reserves the right to require additional insurance as specified in this contract.

1. The provider shall not assign the responsibility for this contract to another party without prior written approval of the ME, upon the ME's sole determination that such assignment will not adversely affect the public interest; however, in no event may provider assign or enter into any transaction having the effect of assigning or transferring any right to receive payment under this contract which right is not conditioned on full and faithful performance of provider's duties hereunder. Any sublicense, assignment, or transfer otherwise occurring without prior approval of the ME shall be null and void. The provider shall not subcontract for any of the work contemplated under this contract without prior written approval of the ME, which shall not be unreasonably withheld.
2. To the extent permitted by Florida Law, and in compliance with Section I.F. of this Standard Contract, the provider is responsible for all work performed and for all commodities produced pursuant to this contract whether actually furnished by the provider or its subcontractors. Any subcontracts shall be evidenced by a written document. The provider further agrees that the ME shall not be liable to the subcontractor in any way or for any reason. The provider, at its expense, will defend the ME against such claims.
3. The provider shall make payments to any subcontractor within seven (7) working days after receipt of full or partial payments from the ME in accordance with section 287.0585, F.S., unless otherwise stated in the contract between the provider and subcontractor. Failure to pay within seven (7) working days will result in a penalty that shall be charged against the provider and paid by the provider to the subcontractor in the amount of one-half of one percent (.005) of the amount due per day from the expiration of the period allowed for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen (15%) percent of the outstanding balance due.
4. The State of Florida shall at all times be entitled to assign or transfer, in whole or part, its rights, duties, or obligations under this contract to another governmental agency in the State of Florida, upon giving prior written notice to the provider. In the event the State of Florida approves transfer of the provider's obligations, the provider remains responsible for all work performed and all expenses incurred in connection with the contract. This contract shall remain binding upon the successors in interest of either the provider or the ME.
5. The provider shall include, or cause to be included, in all subcontracts (at any tier) the substance of all clauses contained in this Standard Contract that mention or describe subcontract compliance.

#### **J. Return of Funds**

1. The Provider agrees to maintain books, records, documents and other evidence pertaining to all units costs provided and/or billed, and expenses incurred and revenues acquired under this contract to the extent and in such detail as will properly reflect all unit costs and expenses for which reimbursement is claimed. The books and accounts, files, and other records of the Provider which are applicable to this contract at all times shall be available for inspection, review, and audit by the ME and/or the State of Florida and its representatives to determine the proper application and use of all funds paid to or for the account or benefit of the Provider.
2. The Provider assumes sole responsibility for reimbursement to the ME and/or the State of Florida whichever is appropriate, of a sum of money equivalent to the amount of any units or any expenditures disallowed should the ME or DCF, or any authorized agency rule through audit exception or other appropriate means, that payment or expenditure from funds paid to the Provider were not made in compliance with the applicable cost principles and regulations of the ME, DCF or the provisions of this contract.

3. The funds paid to the Provider are continually subject to Review, Revision and Adjustment after evaluation of Utilization and Performance measures monitored by ME.
4. The provider shall return to the ME any overpayments due to unearned funds or funds disallowed that were disbursed to the provider by the ME and any interest attributable to such funds pursuant to the terms and conditions of this contract. In the event that the provider or its independent auditor discovers that an overpayment has been made, the provider shall repay said overpayment immediately without prior notification from the ME. In the event that the ME first discovers an overpayment has been made, the contract manager, on behalf of the ME, will notify the provider by letter of such findings. Penalties may be imposed for failures to implement or to make acceptable progress on such corrective action plans.
2. The increments of penalty imposition that shall apply, unless the ME determines that extenuating circumstances exist, shall be based upon the severity of the noncompliance, nonperformance, or unacceptable performance that generated the need for corrective action plan. The penalty, if imposed, shall not exceed ten percent (10%) of the total contract payments during the period in which the corrective action plan has not been implemented or in which acceptable progress toward implementation has not been made. Noncompliance that is determined to have a direct effect on client health and safety shall result in the imposition of a ten percent (10%) penalty of the total contract payments during the period in which the corrective action plan has not been implemented or in which acceptable progress toward implementation has not been made.

The ME's failure to demand performance of any provision of this contract shall not be deemed a waiver of such performance. The ME's waiver of any one breach of any provision of this contract shall not be deemed to be a waiver of any other breach and neither event shall be construed to be a modification of the terms and conditions of this contract. The provisions herein do not limit the ME's right to remedies at law or in equity.
4. Failure to have performed any contractual obligations with the ME in a manner satisfactory to the ME will be a sufficient cause for termination. To be terminated as a provider under this provision, the provider must have: (1) previously failed to satisfactorily perform in a contract with the ME, been notified by the ME of the unsatisfactory performance, and failed to correct the unsatisfactory performance to the satisfaction of the ME; or (2) had a contract terminated by the ME for cause.
