Commissioner Javier Souto District 10 Office 9766 Coral Way, Suite 1 Miami, FL 33165

Dear Commissioner Souto:

As you may already know, Anthony's Light Foundation, Inc. is an educational 501(c)(3) non-profit organization established after the tragic loss of Anthony J. Perez, a highly valued member of the FIU community, as a result of accidental carbon monoxide poisoning. Anthony's Light was founded on the primary mission of educating and promoting public awareness on the dangers of accidental carbon monoxide poisoning in an effort to save lives.

My family, and the home of Anthony's Light Foundation, has resided in District 10 for many years. We perform a tremendous amount of outreach in District 10, and we have also worked in conjunction with your office in obtaining Anthony's street designation on Bird Road, between 102nd and 117th Avenue, which took place on January 21, 2011. Anthony's Light will be hosting a "Walk for Carbon Monoxide Awareness" with an incorporated public health fair at Tropical Park, Football Stadium, 7900 SW 40th Street, Miami, Florida, on Saturday, November 12, 2011. This event falls in the parameters of District 10, and as a long-time advocate of the foundation and its purpose, we write to you in request of your continued support.

Since the foundation is a non-profit organization, we are limited in funds and depend entirely on voluntary contributions. Your **sponsorship donation of \$350.00** to cover the park rental fees would assist a great deal in the development and prosperity of the event. Our Federal Tax ID Number is 01-0896562, thus making your contribution fully tax deductible.

While your sponsorship and support toward the "Walk for Carbon Monoxide Awareness" is a giant leap of victory in our war against the *Silent Killer*, Anthony's Light continues its battle through education. We hope that we can count on your sponsorship support to ensure in making this event a memorable success.

Sincerely,

Vilma Perez
