

Date: December 19, 2011

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
County Mayor 

Subject: Retroactive Amendments to the Lease and Concession Agreements for
Concessions in the Central Terminal Area (Central Terminal Relief Program) at
Miami International Airport

Agenda Item No. 14(A)(2)

Resolution No. R-1120-11

RECOMMENDATION

It is recommended that the Board approve the attached Amendments to nine Lease and Concession Agreements relating to the Central Terminal area (Central Terminal Relief Program) of Miami International Airport (MIA), providing financial relief to concessionaires retroactively from November 1, 2009, to January 31, 2013; and authorizing changes in name for two concessionaires: 1) from Carrie Company Inc., to Carrie Concessions Inc., and 2) from Sunglass Hut Trading Corp. to Sunglass Hut Trading LLC.

SCOPE

MIA is located primarily within Commissioner Rebecca Sosa's District Six; however, the impact of this item is countywide as MIA is a regional asset.

FISCAL IMPACT

These are revenue-generating agreements for the Miami-Dade Aviation Department (MDAD). Depending on the specific location, payment provisions to MDAD include monthly rent and Minimum Annual Guarantees (MAGs) and/or percentage of gross revenues. For the most part, these Amendments replace Minimum Annual Guarantees (MAG) and rents with each concessionaire's percentage fee to provide financial relief from events detailed below. These fees (percentage fees) are generally based upon the cost of the commodity being sold; i.e., a smaller fee for an inexpensive commodity category such as books, and a higher fee for jewelry (see attached chart). As each case differs by retailer, specific financial terms are spelled out in each fiscal impact section. There may or may not be a long-term negative impact on revenues as future sales strength in the Central Terminal is unknown.

TRACK RECORD/MONITOR

All concessionaires are current in their payments to MDAD. The Project Manager is Adrian Songer, MDAD Chief of Aviation Business & Revenue Development.

BACKGROUND

MDAD has prepared retroactive amendments to nine Lease and Concession Agreements with the following firms as detailed in the following attachments:

- BFC Airport Stores LLC (Item 1-1)
- Carrie Concessions Inc. (Item 1-2)
- Communitel Inc. (Item 1-3)
- Duty Free Americas, LLC. (Item 1-4)
- Global Concessions LLC (Item 1-5)

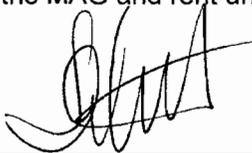

- Host International, Inc. (Item 1-6)
- Lenlyn Ltd. d/b/a ICE Currency Services USA (Item 1-7)
- Sunglass Hut Trading LLC (Item 1-8)
- Westfield Concession Management LLC (Item 1-9)

MDAD recommends approval of these amendments because the sales of the Central Terminal concessionaires dropped by 50% when the construction barricade for the North Terminal Federal Inspection Service (FIS) Area Project 740A was installed on November 1, 2009. The barricade forces passengers to exit the Terminal building, walk through a covered outdoor passageway, and then re-enter the terminal to travel from the North Terminal to the Central and South Terminals. (Alternately, passengers can transit the gap via the third-floor moving walkway.) Concessionaire sales were further negatively impacted with the relocation of American Airlines from the Central to the North Terminal. Airline passenger traffic in the Central Terminal has diminished from 25% to approximately 10% of total passenger traffic.

Terms of Agreement vary by retailer, with some leases dating back to the 1990's as detailed in Items 1-1 to 1-9, and many concessionaires are operating on a month-to-month basis. MDAD, as authorized by Section 2-286.1.a(8) (Retail Ordinance) of the County Code, extended these agreements administratively in order to maintain passenger services during periods of construction and airline relocation. Because the MIA CIP (Capital Improvement Program) was already underway in 1995, MDAD had to postpone RFPs for its planned Central Concessions Program. This was due to the fact that the quickly evolving construction program and airline relocations prohibited MDAD from promising multi-year leases to concessionaires, without knowing the temporary traffic patterns created by the installation of temporary walls. MDAD therefore used its authority to continue concession operations on a month-to-month basis to ensure the continued provision of customer service and amenities to the traveling public. Section 2-286 (9) specifically allows for the extension of any concession, management agreement or agreement related to retail activities on a month-to-month basis for as long as may be needed to avoid disruption of concession services to passengers.

The Central Terminal Relief Program will provide a bridge period through January 31, 2013, until construction is completed, airlines are fully relocated, and a new Central Terminal concession program can be developed, advertised and awarded. It will also give the Department time to measure the impact of the economy on the planned solicitation(s), as the solicitation process generally takes nine to twelve months to complete. The original MAG will be restored for any Agreements still in place of January 31, 2013.

As a result of these difficulties, MDAD is recommending to the Board that these concessionaires pay the assigned concession category percentage fee of gross revenues as provided in the Agreements in lieu of the MAG and rent until January 31, 2013.

ITEM NO. 1-1

Retroactive Second Amendment to the Lease and Concession Agreement for a Specialty Retail Transition Program, Package 2, at Miami International Airport with BFC Airport Stores, LLC.

RECOMMENDATION

It is recommended that the Board retroactively approve the Second Amendment to the Lease and Concession Agreement for Specialty Retail Transition Program, Package 2, at Miami International Airport (MIA) with BFC Airport Stores, LLC (BFC), and extend the term of the Agreement to January 31, 2013.

FISCAL IMPACT/FUNDING SOURCE

This is a revenue-generating agreement for the Miami-Dade Aviation Department (MDAD). Current payment provisions to MDAD include monthly rent and a Minimum Annual Guarantee (MAG) of \$241.00 per square foot. The Second Amendment would waive these in favor of the percentage fee listed on the attached chart. The fee varies by the category of the product sold, with higher cost items warranting a higher percentage fee. While the Central Terminal Relief Program is designed to assist the Central Terminal concessionaires by reducing their overall cost of occupancy, there may or may not be a long-term negative impact on revenues as future sales in the Central Terminal are unknown.

TRACK RECORD/MONITOR

BFC is current in all its obligations and continues to provide excellent services for MIA passengers. The MDAD Project Manager is Adrian Songer, Chief, Aviation Business & Revenue Development.

COMPLIANCE DATA

Inquiries through MDAD Minority Affairs and the Department of Small Business Development (SBD) reveal that there are no violations for this firm.

BACKGROUND

Pursuant to R-1455-02, the Agreement between Miami-Dade County and BFC, for the Specialty Retail Transition Program, Package 2, was awarded by the Board on December 17, 2002.

Pursuant to R-953-07, the Board approved on September 4, 2007, the First Amendment to the referenced Agreement, allowing the concessionaire to modify the premises in order to sell luggage accessories due to the fact that lotions and creams were prohibited through security checkpoints.

The installation of the construction barricade for the North Terminal FIS Project 740A on November 1, 2009, has economically impacted the Central Terminal concessionaires. As a result, MDAD recommends that the concessionaire pay the assigned concession category percentage fee (as determined by Sub-Article 3.02) of Gross Revenues in lieu of the MAG and rent for its locations until January 31, 2013.

BACKGROUND

Pursuant to R-393-98, the Agreement between Miami-Dade County and Host for the operation of approximately 56,550 square feet of food and beverage concessions was approved by the Board on April 21, 1998.

Host also agreed to invest \$2,000,000 to upgrade the existing facilities. The investment was at the sole expense of Host International, and not subject to any amortization or reimbursement.

The installation of the construction barricade for the North Terminal FIS Project 740A on November 1, 2009, has economically impacted the Central Terminal concessionaires. Retroactive Second Amendment to the Lease and Concession Agreement for the Foreign Currency Exchange & Business Center at Miami International Airport with Lenlyn Ltd. d/b/a ICE Currency Services USA

RECOMMENDATION

It is recommended that the Board retroactively approve the Second Amendment to the Lease and Concession Agreement for the Foreign Currency Exchange & Business Center at Miami International Airport (MIA) with Lenlyn Ltd. d/b/a ICE Currency Services USA (ICE).

FISCAL IMPACT/FUNDING SOURCE

This is a revenue-generating contract for the Miami-Dade Aviation Department (MDAD). ICE is currently paying MDAD a Minimum Annual Guarantee (MAG) of \$2,400,580.00 and rent for the locations as well as a fee ranging from 7.3% to 7.8% based on gross revenue. ICE will be granted rent credits of \$190,836 over the period established by the Second Amendment. While the Central Terminal Relief Program is designed to assist the Central Terminal concessionaires by reducing their overall cost of occupancy, there may or may not be a long-term negative impact on revenues as future sales in the Central Terminal are unknown.

TRACK RECORD/MONITOR

ICE is current in all its obligations and continues to provide excellent currency exchange services for MIA passengers. The MDAD Project Manager is Adrian Songer, Chief, Aviation Business & Revenue Development.

COMPLIANCE DATA

Inquiries through MDAD Minority Affairs and the Department of Small Business Development (SBD) reveal that there are no violations for this firm.

BACKGROUND

Pursuant to R-1296-07, the Board approved on December 4, 2007, the Agreement with ICE for the Foreign Currency Exchange & Business Center at MIA. Pursuant to R-13-10, on February 9, 2010, the Board, in an action similar to that requested here, approved the First Amendment to the Agreement to provide financial relief to ICE for its South Terminal locations as part of an overall relief package issued to South Terminal concessionaires that were suffering from poor revenue due to low enplanement figures.

The installation of the construction barricade for the North Terminal FIS Project 740A on November 1, 2009, has economically impacted the Central Terminal concessionaires. As a result, MDAD recommends that the Concessionaire pay the assigned percentage fee (as determined by Sub-Article 3.04) of gross revenues in lieu of the MAG for Central Terminal Locations E2105, F2143, G2135, S3410 and E1188, until January 31, 2013. On that date, the concessionaire shall commence payment of the annual rent.

Retroactive First Amendment to the Lease and Concession Agreement for Specialty Retail Transition Program, Concept 1, Sunglasses, at Miami International Airport with Sunglass Hut Trading LLC.

RECOMMENDATION

It is recommended that the Board retroactively approve the First Amendment to the Lease and Concession Agreement for the Specialty Retail Transition Program, Concept 1, Sunglasses, at Miami International Airport (MIA) with Sunglass Hut Trading LLC.

FISCAL IMPACT/FUNDING SOURCE

This is a revenue-generating contract for the Miami-Dade Aviation Department (MDAD). The concessionaire is currently paying MDAD a Minimum Annual Guarantee (MAG) of \$300,000 in 12 equal payments and a percentage fee of 18% of monthly gross revenues that exceed the minimum monthly guarantee. The Amendment would waive those in favor of the percentage fees listed on the attached chart. While the Central Terminal Relief Program is designed to assist the Central Terminal concessionaires by reducing their overall cost of occupancy, there may or may not be a long-term negative impact on revenues as future sales in the Central Terminal are unknown.

TRACK RECORD/MONITOR

Concessionaire is current in all its obligations and continues to provide excellent services for MIA passengers. The MDAD Project Manager is Adrian Songer, Chief, Aviation Business & Revenue Development.

COMPLIANCE DATA

Inquiries through MDAD Minority Affairs and the Department of Small Business Development (SBD) reveal that there are no violations for this firm.

BACKGROUND

Pursuant to R-1290-03, on December 4, 2003, the Board approved the Lease and Concession Agreement for the Specialty Retail Transition Program, Concept 1, Sunglasses, at MIA with Sunglass Hut Trading LLC.

The installation of the construction barricade for the North Terminal FIS Project 740A on November 1, 2009, has economically impacted the Central Terminal concessionaires. As a result, MDAD recommends that the concessionaire pay the assigned concession category percentage fee (as determined by Sub-Article 3.02) of gross revenues in lieu of the MAG for Central Terminal Location E2188 until January 31, 2013.

Retroactive Second Amendment to the Lease and Concession Agreement for a Central Terminal Retail Program Developer at Miami International Airport with Westfield Concession Management

RECOMMENDATION

It is recommended that the Board retroactively approve the Second Amendment to the Lease and Concession Agreement for the Central Terminal Retail Program Developer at Miami International Airport (MIA) with Westfield Concession Management LLC (Westfield).

FISCAL IMPACT/FUNDING SOURCE

This is a revenue-generating contract for the Miami-Dade Aviation Department (MDAD). The concessionaire is currently paying MDAD a Minimum Annual Guarantee (MAG) of \$ 1,972,417 based on enplaned passengers. The Amendment would waive that in favor of the percentage fees listed on the attached chart, with sub-leasing tenants benefiting from the Amendment. MDAD pays Westfield a marketing fee of 12% of its direct cost for expanding Westfield's current Central Terminal retail concession marketing program to a unified retail, food, and beverage concession marketing program throughout MIA. While the Central Terminal Relief Program is designed to assist the Central Terminal concessionaires by reducing their overall cost of occupancy, there may or may not be a long-term negative impact on revenues as future sales in the Central Terminal are unknown.

TRACK RECORD/MONITOR

Westfield is current in all its obligations and continues to provide excellent services for MIA passengers. The MDAD Project Manager is Adrian Songer, Chief, Aviation Business & Revenue Development.

COMPLIANCE DATA

Inquiries through MDAD Minority Affairs and the Department of Small Business Development (SBD) reveal that there are no violations for this firm.

BACKGROUND

Pursuant to R-842-04, on July 13, 2004, the Board approved the Lease and Concession Agreement for the Central Terminal Retail Program Developer at MIA with Westfield Concession Management. Under the Agreement, Westfield is responsible for the financing designing, leasing and managing 34 newsstands and specialty retail spaces in the MIA terminal and concourses. Additionally, as part of its administrative function, Westfield was to develop and implement a marketing-and-promotions program to enhance concession sales and customer satisfaction.

Pursuant to Resolution No. 809-09, the Board approved the First Amendment to the Agreement on June 30, 2009, expanding Westfield's Central Terminal marketing services to the North and South Terminals at MIA.

The installation of the construction barricade for the North Terminal FIS Project 740A on November 1, 2009, has economically impacted the Central Terminal concessionaires. As a result, MDAD recommends that the developer pay the assigned percentage fee (as determined by Sub-Article 3.03) of gross revenues in lieu of the MAG for its locations until January 31, 2013.

OPTION(S) TO RENEW: One two-year extension.

**SECOND AMENDMENT
TO LEASE AND CONCESSION AGREEMENT
BETWEEN MIAMI-DADE COUNTY, FLORIDA
AND
WESTFIELD CONCESSION MANAGEMENT, LLC,
FOR THE CENTRAL TERMINAL RETAIL PROGRAM DEVELOPER**

THIS SECOND AMENDMENT to the Lease and Concession Agreement ("Second Amendment") is made and entered into this ___ day of _____, 2011 by and between **MIAMI-DADE COUNTY**, a political subdivision of the State of Florida (the "County") and **WESTFIELD CONCESSION MANAGEMENT, LLC**, formerly known as Westfield Concession Management, Inc., a Delaware limited liability company (the "Developer").

WITNESSETH:

WHEREAS, on July 13, 2004, the Board of County Commissioners of the County (the "BCC") passed and approved by Resolution Item No. R-842-04 and authorized the County to enter into a lease and concession agreement with the Developer to provide the County leasing and concession development and management services for the implementation of a retail concession program for the Central Terminal at the Miami International Airport (the "Airport"), between the parties hereto, as the lease and concession agreement was amended by the First Amendment as passed and approved by the BCC on June 30, 2009, Resolution Item No. R-809-09 (collectively, the "Agreement"); and

WHEREAS, due to the construction of the new North Terminal and relocation of certain airlines from the Central Terminal to the new North and South Terminals, the County recognizes that such construction activities at the Airport and the passenger enplanements and pedestrian traffic flow issues encountered by the Developer and its Sub-tenants have had an adverse impact to all of the concessions being operated in the Central Terminal; and

WHEREAS, the County desires to make certain accommodations relative to the occupancy costs incurred by the Developer and its Sub-tenants in order to ensure the continued presence of concessions in the Central Terminal for all users of the Airport (including meeters and greeters) and the traveling public as set forth in this Second Amendment; and

WHEREAS, the County through the Agreement has authorized the Developer to develop and implement a marketing and promotions program for the Central Terminal Retail Concession Program, expanded to include the concession program for the entire Airport in the First Amendment to the Agreement; and

WHEREAS, the County is desirous of continuing to provide a comprehensive and unified concessions marketing program for all of its North, Central, and South Terminal concessions facilities; and

WHEREAS, the County recognizes the need to maintain a full and complete concessions program offering while developing its long term strategy for the Central Terminal and the subsequent solicitation that will occur in 2012.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants herein contained, the parties hereto agree to further amend the Agreement, as follows:

1. Term Extension. The Term of the Agreement has previously been extended and is currently set to expire on September 1, 2012. Notwithstanding anything to the contrary contained in the Agreement, the County hereby agrees to further extend the Term of the Agreement for a period of approximately five (5) months commencing September 2, 2012 and expiring at 11:59 P.M., local time on January 31, 2013. Sub-Article 1.02, EXTENSION is hereby amended by adding a new fourth paragraph, as follows:

“The Extended Term is hereby further extended commencing September 2, 2012 and expiring at 11:59 P.M., local time, on January 31, 2013”.

2. Abatement of Minimum Annual Guarantee. Notwithstanding anything to the contrary contained in the Agreement, the County hereby agrees to a complete abatement of the Minimum Annual Guarantee (the “MAG”) and the Minimum Monthly Guarantee (the “MMG”) commencing upon the installation of the construction barricade for the North Terminal FIS Project 740A on November 1, 2009 and continuing through January 31, 2013 (the “Abatement Period”). During the Abatement Period, Developer shall pay the assigned concession category Percentage Fee (as determined by Sub-Article 3.03) of Gross Revenues in lieu of the MAG and the MMG for its Locations. In consideration of such abatement of the Developer’s MAG and MMG in their entirety during the Abatement Period, Developer hereby agrees to grant a corresponding abatement of the Sub-tenants’ Minimum Annual Guaranteed Rent otherwise due under the Subleases during the Abatement Period to those Sub-tenants who continue to operate from any of the Locations. Sub-tenants shall be required to pay to Developer all other fees and charges due under the Subleases in accordance with their respective terms. In accordance with the applicable terms and provisions of the Agreement, the County hereby approves the Developer’s abatement of its Sub-tenants’ Minimum Annual Guaranteed Rent during the Abatement Period. The Developer shall not be required to obtain any other approvals from the County or the Miami-Dade Aviation Department to implement such abatement of its Sub-tenants’ Minimum Annual Guaranteed Rent.

3. Marketing Program. In Sub-Article 2.06, SCOPE OF SERVICES, Sub-Paragraph F. Marketing Program is hereby amended to read as follows:

“F. Marketing Program:

- (i) Developer’s Central Terminal Retail Program. As part of the administrative function, the Developer shall develop and implement a marketing and promotions program for its Sub-tenants in the Central Terminal retail program, the purpose of which is, to enhance concession sales and customer satisfaction (the “Developer’s Central Terminal Concession Marketing Program”). As part of the Developer’s Central Terminal Concession Marketing Program, the Developer may be requested to establish a digital directory and a storefront barricade graphics program for any unoccupied or incomplete concession Locations. The designs for the directories and storefront barricades shall be subject to the approval of MDAD and must complement the interior design and finish of the Central Terminal building. All expenditures for the Developer’s Central Terminal Concession Marketing Program shall be funded through a percentage (1/2 of 1%) of its Sub-tenant Gross Receipts (as defined in Sub-Article 20.04) charged by the Developer to each of its concession Sub-tenants. The Developer shall not apply any mark-up to the marketing fees charged to its Sub-tenants.
- (ii) Department’s North, Central and South Terminal Concession Program. As part of the administrative function, the Developer shall develop and implement an Airport-wide

marketing program, the purpose of which is, to enhance concession sales and customer satisfaction in the North, Central and South Terminal zones in a unified manner. The Developer may be requested to establish a digital directory program or a storefront barricade graphics program for any unoccupied or incomplete concession spaces. The designs for the directories and storefront barricades shall be subject to the approval of MDAD and must complement the interior design and finish of the respective Terminal buildings. All expenditures for the Department's Airport Concession Marketing Program shall be funded by contributions from the Department's concession tenants with which it has contracts in each of the Terminals through a percentage (1/2 of 1%) of the Department's concession tenants' monthly gross sales. The Department shall be responsible for the collection of all such contributions from its concession tenants. In consideration for these separate services to be provided by the Developer to the County for the development and implementation of the Department's Airport-wide concession marketing program, the Developer shall be paid a management fee equal to sixteen percent (16%) of all expenditures in the Department's Airport-wide concession marketing program for program administration. Developer shall remit invoices to the Department based on the Department's or the Developer's expenditures incurred during each month, which invoices shall be paid within twenty (20) days after receipt by the Department. Within thirty (30) days following the end of each twelve (12) month period (or any shorter period at the end of the Agreement), the amount of the annual management fee shall be reconciled between the Department and the Developer to determine the actual management fee due based on all actual expenditures which occurred during such periods. If any additional management fees are due the Developer, they will be paid promptly by the Department. Marketing expenditures shall be subject to review, revision and approval by the Department prior to reimbursement by the Department."

4. Mutual Release. In consideration of the full approval and mutual execution and delivery of this Second Amendment, the County and the Developer hereby agree to release each other as follows:

(a) The Developer does hereby release and forever discharge the County and the Department and all of their respective officers and employees from any and all actions, claims, causes of action, or debts which Developer may or could assert related to the Agreement, or which arise out of or are related to the Agreement, the County's operations at the Airport or the issues or matters set forth in this Second Amendment, to the extent such claims could be discovered through reasonable diligence on the part of the Developer. Notwithstanding the preceding, this release by the Developer shall not apply to actions, claims, causes of action or debts which accrue after the execution of this Second Amendment.

(b) The County and the Department do hereby release and forever discharge the Developer and all of its members, officers and employees from any and all actions, claims, causes of action, or debts which the County or the Department may or could assert related to the Agreement, or which arise out of or are related to the Agreement, the Developer's operations at the Airport or the issues or matters set forth in this Second Amendment, to the extent such claims could be discovered through reasonable diligence on the part of the County. Notwithstanding the preceding, this release by the County and the Department shall not apply to actions, claims, causes of action or debts which accrue after the execution of this Second Amendment or to receivables owed to the County by the Developer pursuant to the terms of the Agreement, as of the date of this Second Amendment.

5. This Second Amendment represents the entire agreement between the parties with respect to the subject matter contained herein. Except as specifically modified by this Second Amendment, in all other respects, the Agreement shall remain in full force and effect in accordance with the terms and conditions specified therein.

IN WITNESS WHEREOF, the parties hereto have this Second Amendment to be executed by their respective and duly authorized officers, as of the day and year first above written.
