

**Date:** December 19, 2011

**To:** Honorable Chairman Joe A. Martinez  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor 

**Subject:** Resolution Requesting Authority to Exercise Option-to-Renew Periods Under Existing Competitively Bid Contracts that Would Bring the Cumulative Contract Value to More than \$1 Million

Agenda Item No. 8(F)(10)

Resolution No. R-1112-11

**Recommendation**

It is recommended that the Board of County Commissioners (Board) delegate to the County Mayor or County Mayor's designee the authority to exercise, in their discretion, the Options-to-Renew (OTRs) set forth in this item. Ordinance #07-139 provides for committee review exemption.

**Scope**

The impact of the item in the accompanying OTR package is countywide in nature.

**Fiscal Impact/Funding Source**

The allocation and funding source by department/agency is listed in the attached OTR package.

Contract amounts and department allocations represent the maximum spending authority based on estimated past usage. This action does not guarantee that the total contract amount/value will be expended by the County departments and/or agencies. Funding will be expended only if departmental budgets can support the expenditures approved in their annual budget adopted by the Board. There is no additional fiscal impact beyond what is stated on the individual items in this package. Allocations have been rounded consistent with standard auditing practices.

**Track Record/Monitor**

There are no known performance issues with the vendors recommended for award. The departments' contract managers are reflected in the attached OTR package.

**Delegated Authority**

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise OTRs in accordance with the terms and conditions of the contracts listed in the accompanying package.

**Background**

The competitively bid contracts listed in this item require approval to exercise OTRs contained in the contracts that would, if exercised, bring the cumulative value of the contracts to over \$1 million. These contracts were awarded under the County Mayor or County Mayor's designee's delegated authority (\$1 million for competitive procurements) pursuant to Section 2-8.1(b) of the County Code and the Master Procurement Administrative Order, A.O. 3-38.

The contracts in this package were awarded prior to the effective date of Ordinance 09-52, which requires obtaining Board authorization to award contracts where the renewal options would bring the cumulative value of the contract above \$1 million.

Prior to exercising any OTR period, market research is conducted to ensure that continuing to purchase from the awarded vendors is in the best interest of the County. For example, if the Board authorizes multiple OTR periods through one resolution, market research is conducted prior to each OTR to

determine whether to continue exercising the option term or issue a new competitive solicitation. Market research includes competitive factors such as pricing, quality, product features, technology, and lead time. It may also include commercial factors such as environmental issues, other governmental entity practices, industry trends, support and capabilities. The OTRs for each contract in this package will be executed if determined to be in the best interest of the County.

**Item No. 1: Automotive Specialized Repairs** seeks authority to exercise the remaining Option-to-Renew terms for purchase of automotive specialized repairs for various County departments. The amount being requested for the remaining two option terms is **\$412,000**.

**Item No. 2: Liquid Level Control Systems** seeks authority to exercise the remaining Option-to-Renew terms for purchase of liquid level control systems for Water and Sewer Department. The amount being requested for the remaining two option terms is **\$908,000**.

**Item No. 3: Refurbished Telecom Equipment Pre-Qualification Pool** seeks authority to exercise two Option-to-Renew terms for purchase of refurbished telecommunications equipment for the Information Technology Department. The amount being requested for two option terms is **\$500,000**.

**Item No. 4: Janitorial Services for Joseph Caleb Center** seeks authority to exercise the third Option-to-Renew term to purchase janitorial services for the Joseph Caleb Center. The amount being requested for the third option term is **\$225,000**.

**Item 1**

**Contract No.:** 0607-5/12-3

**Contract Title:** **Automotive Specialized Repairs**

**Description:** It is recommended that the Board authorize the County Mayor or the County Mayor's designee to exercise the remaining Option-to-Renew terms for purchase of automotive specialized repairs for various County departments.

**Initial Contract Term and**

<b>Usage:</b>	July 9, 2007 to June 30, 2008	\$ 279,000
<b>First OTR and Usage:</b>	July 1, 2008 to June 30, 2009	\$ 279,000
<b>Second OTR and Usage:</b>	July 1, 2009 to June 30, 2010	\$ 279,000
<b>Third OTR and Usage:</b>	July 1, 2010 to December 31, 2011	\$ 397,000

**OTRs Requested for Approval Under This Item:**

<b>Fourth OTR and Usage:</b>	January 1, 2012 to December 31, 2012	\$ 206,000
<b>Fifth OTR and Usage:</b>	January 1, 2013 to December 31, 2013	\$ <u>206,000</u>
<b>Cumulative Value:</b>		<b>\$1,646,000</b>

**JUSTIFICATION**

This contract is used by various County departments for purchase of specialized automotive repairs. Prices for parts are based on percentage discounts from manufacturer's suggested retail prices, and posted shop labor rates. Alignment and wheel balancing services are based on flat rate prices.

Market research involved searching other government agency contracts and contacting local vendors providing specialized automotive repairs, alignment and wheel balancing services. Market research indicates the County's contract pricing is lower than Broward County and other vendor quotations.

This contract allows vendors to request a price adjustment prior to the end of each option to renew period. The most recent CPI Report (September 2011) for the region showed an increase of 4.5%. Contract vendors have agreed to hold their pricing without the CPI increase. Current prices will remain fixed for the next contract term. It is therefore in the best interest of the County to exercise the remaining option to renew.

<b>Sixth OTR and Usage:</b>	January 1, 2013 to December 31, 2013	<u>\$ 454,000</u>
<b>Cumulative Value:</b>		<b>\$2,715,000</b>

**JUSTIFICATION**

This contract is used by the Water and Sewer Department for purchase of liquid level control systems. The systems are used in lift stations throughout the County's wastewater collection systems to measure liquid levels, detect and announce anomalies, and activate alarm signals.

The contract established a pre-qualified pool of vendors that allows for competitive spot market quotations. In order to enhance competition, additional vendors that meet the criteria established in the original solicitation may be added to the pool at any time during the term of the contract. The method of award ensures the County receives the best pricing available in the market at the time the department requires the commodity or service. It is therefore in the best interest of the County to exercise the next option to renew term for continuity of services.

**Contract Title:** **Refurbished Telecom Equipment Pre-Qualification Pool**

**Description:** It is recommended that the Board authorize the County Mayor or the County Mayor's designee to exercise two Option-to-Renew terms for purchase of refurbished telecommunications equipment for the Information Technology Department.

**Initial Contract Term and**

<b>Usage:</b>	January 4, 2007 to December 31, 2007	\$ 500,000
<b>First OTR and Usage:</b>	January 1, 2008 to December 31, 2008	\$ 400,000
<b>Second OTR and Usage:</b>	January 1, 2009 to December 31, 2009	\$ 400,000
<b>Third OTR and Usage:</b>	January 1, 2010 to December 31, 2010	\$ 300,000

<b>Fifth OTR and Usage:</b>	January 1, 2012 to December 31, 2012	\$ 250,000
<b>Sixth OTR and Usage:</b>	January 1, 2013 to December 31, 2013	<u>\$ 250,000</u>
<b>Cumulative Value:</b>		<b>\$2,320,000</b>

**JUSTIFICATION**

This contract is used by the Information Technology Department (ITD) for purchase of refurbished telecommunications equipment. The County saves by purchasing less expensive refurbished equipment in situations when it is not necessary to purchase new equipment. ITD anticipates that the demand for lower-priced equipment will increase due to budget limitations. An increase of \$30,000 per remaining OTR term has been requested to meet the projected demand in refurbished telecommunications equipment.

The contract established a pre-qualified pool of vendors that allows for competitive spot market quotations. Vendors who meet the criteria established in the solicitation may be added during the term of the contract. The method of award ensures the County receives the best pricing available in the market at the time the department requires the commodity or service. It is therefore in the best interest of the County to exercise the remaining option to renew term for continuity of services.

**Contract No.:** EPP-RFP8275-2(4)

**Contract Title:** Janitorial Services for Joseph Caleb Center

**Description:** It is recommended that the Board authorize the County Mayor or the County Mayor's designee to exercise the third Option-to-Renew term for purchase of janitorial services for the Joseph Caleb Center.

**Initial Contract Term and**

<b>Usage:</b>	July 1, 2007 to June 30, 2009	\$ 480,000
<b>First OTR and Usage:</b>	July 1, 2009 to December 30, 2010	\$ 388,000

**OTRs Requested for Approval Under This Item:**

<b>Third OTR and Usage:</b>	December 31, 2011 to December 30, 2012	<u>\$ 225,000</u>
<b>Cumulative Value:</b>		<b>\$1,318,000</b>

**JUSTIFICATION**

This contract is used by the Internal Services Department (ISD) to purchase janitorial services for the Joseph Caleb Center. The reduction in allocation for the second and third terms is based on a reduction of service level requested by ISD.

The prices are guaranteed firm for the initial term and all option-to-renew periods. This contract will be bid and consolidated under the Invitation to Qualify (ITQ) for Janitorial Services which establishes a pool of vendors based on prequalification criteria. This new ITQ will solicit spot market quotes under new performance-based specifications that will encompass all janitorial services required by the County. There are eight existing janitorial services contracts for facilities throughout the County expiring in 2012. The ITQ is projected to be in place by March 2012. Once the ITQ is approved by the Board, a work order competition for each of those expiring contracts will take place. Exercising the OTR will allow continuity of services until the janitorial services for the Caleb Center are completed.
