Memorandum

Date: February 7, 2012

To: Honorable Chairman Joe A. Martinez

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Declaring Surplus County-owned Property Located at 16300 NW 42 Avenue,
Miami Gardens, FL - Folio No. 34-2117-001-0041

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) declare the below described County-owned property surplus and authorize the sale of same to the highest bidder.

MANAGING DEPARTMENT: Public Works and Waste Management Department.

FOLIO NUMBER: 34-2117-001-0041

PROPERTY SIZE: 73,137 Square Feet (1.7 Acres)

LOCATION: 16300 NW 42 Avenue, Miami Gardens, FL

COMMISSION DISTRICT: 1

COMMISSION DISTRICT IMPACTED: Countywide

ZONING: GP (Government Property)

APPRAISED VALUE: An independent state certified appraiser valued the property at \$860,000 as of February 24, 2011.

MINIMUM SALE AMOUNT: If approved for surplus, the property will be put out to bid with a minimum bid amount of \$860,000.

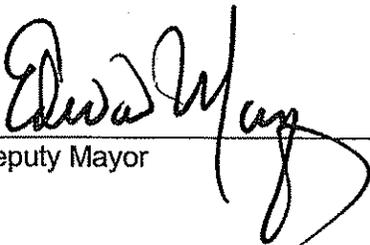

FISCAL IMPACT: The sale of this property will eliminate Public Works and Waste Management's obligation to maintain the property, which costs approximately \$2,000 annually, and will place the property back on the tax roll generating approximately \$20,000 in annual ad valorem taxes.

JUSTIFICATION: The property was acquired on September 29, 1986 through Special Warranty Deed at the purchase price of \$199,540 and was used as a neighborhood trash and recycling center until June, 2005. Since then, the property has been vacant and maintained by the Public Works and Waste Management Department. The property was circulated to all County agencies and no County use was identified.

Since the property is located within the City of Miami Gardens, it was not presented to the Planning Advisory Board (PAB) as required by Administrator Order 8-4. It is therefore necessary to waive Administrator Order 8-4 as related to review by PAB.

MONITOR: Carmen Gomez, Real Estate Officer

DELEGATED AUTHORITY: Authorizes the County Mayor or County Mayor's designee to sell the property via sealed bid to the highest bidder, and take all actions necessary to accomplish the sale of the property, and authorizes the Chairperson or Vice Chairperson to execute a County Deed for such purpose.

Dear Ms. Gomez:

As requested, I have personally examined and appraised the Miami-Dade County Solid Waste Site located at 16300 NW 42nd Avenue, Miami Gardens, Florida. The purpose of the appraisal is to estimate the market rental value of the property, as of February 24, 2011.

I submit herewith my Self Contained report containing the results of this investigation and my opinion of value the property which is more particularly described hereinafter.

Respectfully submitted,

Time

General market conditions, have been slow. Buyers and sellers alike are trying to forecast the end to the current recession. Many studies have been completed to estimate the reduction or loss in value of vacant land during the past two to three years for all classes of real estate. Most agree that over the past three years values have decreased by 40% to 50%, or an average of 1.5% per month. Current listings of vacant land for sale reflect this measure. All three sales occurred during 2010, therefore no adjustment was applied.

Both of the listings were adjusted a minus 20% to reflect for negotiations. Basically,

Location

The subject parcel is located adjacent and south of the El Dorado furniture showroom and warehouse, and is also adjacent and north of the Miami-Dade school bus parking lot. Sales 1 and 2 were each adjusted for a slightly inferior location. Miami Gardens and proximity to the Palmetto Expressway is a positive factor. Sale 3 is considered 20% superior to subject due to it's frontage on SW 37th Avenue (Douglas Road), a heavily traveled thoroughfare. Both listings are located in Opa Locka in a less desirable area than subject, both were adjusted a plus 20%.

Size

All of the data are of sufficient size to support most industrial uses. No adjustment was warranted.

Zoning

Subject is zoned for industrial use as are all of the data. No adjustment were required.

CONCLUSION

Indicated value equivalent: \$11.75 Per Square Foot

Subject: 73,137 Square Feet @ \$11.75 = \$859,360

MARKET VALUE

It is therefore my opinion that the subject property has a current market value of:

\$860,000 as of February 24, 2011
