WHEREAS, the County pursuant to Resolution R-780-08 adopted by the Board on July 1, 2008, and the Board of Directors of the Developer/Grantee through a corporate resolution, have authorized their respective representatives to enter into this Agreement,

NOW, therefore, in consideration of the mutual covenants recorded in this Agreement and in consideration of the mutual promises and covenants contained and the mutual benefits to be derived from this Agreement, the parties agree as follows:

Section 1. Parties; Effective Date; and Term. The parties to this Agreement are the Grantee and the County. The County has delegated the responsibility of administering this Agreement to the County's Internal Services Department or its successor or assigns.

This Agreement shall take effect as of the date written above upon its execution by the authorized officers of the County and of the Grantee and shall terminate upon the completion and the issuance of a certificate of occupancy or 7 years from the date of this Agreement whichever occurs first.

Section 2. The 7th Avenue Transit Village Project Description; Timetable; and Revisions. The description of the 7th Avenue Transit Village Project is set forth in this Section 2 (the "Development Description"). Generally, it shall consist of a minimum of one hundred and sixty one (161) affordable family and elderly rental units to be built in two phases of 61 affordable elderly units at an estimated cost set forth in Budget in Exhibit 1 ("Phase 1") and 100 units affordable family units at an estimated cost set forth in Budget in Exhibit 1 ("Phase 2"), respectively. The units in the First Phase have been designated by the Grantee as being all set aside as affordable family units. Of the 61 rental units, twelve (12) shall have one bedroom and one bath and shall be approximately 645 square feet in size; thirty-six (36) shall have two bedrooms and two baths, and be approximately 895 square feet in size; and the remaining thirteen (13) shall

have three bedrooms, and two baths, and be approximately 1,105 square feet in size. The units in the Second Phase have been designated by the Grantee as being all set aside as affordable family units. Of the 100 rental units, fifty (50) shall have one bedroom and one bath and shall be approximately 645 square feet in size; fifty (50) shall have two bedrooms and two baths, and be approximately 900 square feet in size. In addition, the Project will consist of a transit hub and bus station with four covered bus bays and amenities for both the drivers and the public contained within an indoor space, a waiting area, approximately 27,000 square feet of retail/commercial space, a 120 seat multi-purpose theater for both public and County use with an arts center component attached to the theater, a multi-level parking garage with adequate parking for all residents, retail customers, and members of the community, and 25 parking spaces dedicated exclusively for transit riders. The 7th Avenue Transit Village Project is located at the south-east quadrant of the intersection of NW 62 Street and NW 7 Avenue in District 3.

Grantee agrees that Phase 1 of the Affordable Housing Portion of the 7th Avenue Transit Village Project shall be completed within forty-eight (48) months from August 1, 2011 (Lease Commencement Date) and Phase II of the Affordable Housing Portion of the 7th Avenue Transit Village Project shall be completed within eighty-four (84) months from the Lease Commencement Date. If construction is not completed within such period and the County Mayor or County Mayor's designee (the "County Mayor") or has not extended the time for completion pursuant to the terms of this Agreement, it shall be an Event of Default under Section 15 of this Agreement. The standard funding period of thirty-six months (36) shall be extended for delays caused by casualty, war, terrorism, unavailability of labor or materials, civil uprising, governmental delays or other matters beyond Grantee's control.

The Grantee may only use the Total Funding Allocation for the purpose of developing and constructing the affordable housing portion of the 7th Avenue Transit Village Project in the manner described in the Development Description. If the Grantee wishes to revise the 7th Avenue Transit Village Project for the purpose of its completion and such revisions substantially alter the affordable housing portion of the Project, the Grantee shall submit a request in writing to the County Mayor seeking his or her review and approval of such revisions. Grantee shall provide its request in writing at least thirty (30) days prior to implementation of any revisions. The County Mayor shall make the final determination in writing on revisions within thirty (30) days of the date of receipt of the request in the County Mayor's offices. Grantee shall not proceed with the revisions until the County Mayor has made a determination in writing.

Section 3. Restrictive Covenant. The units shall be set aside for a mix of Eligible Tenants as that term is defined in the Regulatory Agreement with incomes equal to or less than (a) sixty percent (60%) of the area median income, adjusted for family size, as established annually by the United States Department of Housing and Urban Development (the "Area Median Income"); fifty percent (50%) of the Area Median

Income; and (b) 28% of the Area Median Income for at least ten percent (10%) of the elderly units.

The initial monthly rates and rental terms are set forth in the Rental Regulatory Agreement. The Regulatory Agreement shall be recorded by the Grantee at its expense. County shall have no obligation to disburse any Funds pursuant to this Agreement until evidence of such recordation is delivered to the County.

Section 4. Availability and Disbursement of Funds. Subject to availability of Funds as set forth in this Section 4, the County agrees to make disbursements from available Funds for the Total Funding Allocation in accordance with the County's five year capital plan and the Funding Plan for each Fiscal Year as soon as it's practicable after receipt of invoices from the Grantee for capital costs incurred in connection with development of the Affordable Housing portion of the Project. With each invoice, the Grantee shall also provide a written statement that (a) the Grantee is not in default pursuant to the provisions of this Agreement and the Regulatory Agreement; (b) the budget has not been materially altered without the County's approval; (c) all quarterly reports have been submitted; (d) the reimbursement is in compliance with the reimbursement rules cited in this Section 4; and (e) the Project is progressing in accordance with its construction schedule. All GOB Funds allocated to the Project shall be disbursed on a reimbursement basis in accordance with the County's BBC GOB Administrative Rules which are attached as Attachment 1 ("Administrative Rules") and incorporated in this Agreement by this reference. The County assumes no obligation to provide financial support of any type whatever in excess of the Total Funding Allocation. Cost overruns are the sole responsibility of the Grantee. Grantee understands and agrees that reimbursements to the Grantee shall be made in accordance with federal laws. Subject to certain exceptions, the applicability of which is to be reviewed on a case-by-case basis, the reimbursement allocation shall be made no later than eighteen (18) months after the later of (a) the date the original expenditure is paid, or (b) the date the Project is placed in service or abandoned, but in no event more than three (3) years after the original expenditure is paid by the Grantee.

The County shall only be obligated to reimburse the Grantee provided the Grantee is not in breach of this Agreement and the Grantee has demonstrated that it has adequate funds to complete the Affordable Housing Portion of the 7th Avenue Transit Village Project. The Total Funding Allocation shall be reduced by the amount of Funds disbursed from time to time pursuant to this Agreement. The County shall administer, in accordance with the Administrative Rules, the Funds available Funds as authorized by Board Resolutions. The County covenants to appropriate annually Funds derived solely from the sale of BBC GOB notes and/or bonds ("GOB Bond Funds") in the amount necessary to fund the Funding Plan in each Fiscal Year until the Grant is fully funded. **The Grantee may not require the County to use any other source of legally available revenues other than from GOB Bond Funds to fund the Funding Plan. This Agreement does not in any manner create a lien in favor of the Grantee on any**

revenues of the County. The Grantee shall be solely responsible for submitting all documentation, as required by this Agreement and by the Administrative Rules, to the County Mayor.

Section 5. 7th Avenue Transit Village Project Budget. The Grantee agrees to demonstrate fiscal stability and the ability to administer Funds received pursuant to this Agreement responsibly and in accordance with standard accounting practices by developing and adhering to the Budget that is based upon reasonable revenue development and expenditures projected to complete the 7th Avenue Transit Village Project within the Total Project Cost. Further, Grantee agrees that all expenditures set forth in the Budget will be subject to the terms of this Agreement. If Grantee wishes to revise the Budget for the purpose of completing the 7th Avenue Transit Village Project, including line item changes, and such revisions substantially alter the original 7th Avenue Transit Village Project, the Grantee must request in writing that the County Mayor review and approve such revisions. Grantee's request must be given at least fourteen (14) days prior to implementation of the revisions. The County Mayor will make the final determination on revisions within fourteen (14) days of the date of receipt of the request in the County's Executive offices.

Section 6. Expenditure Deadline. The Grantee shall spend or commit all of the Total Funding Allocation on or before seven (7) years from the Commencement Date (the "Expenditure Deadline"). Any Total Funding Allocation Funds not spent or committed by the Expenditure Deadline or for which a 7th Avenue Transit Village Project extension has not been requested shall revert to the County and this Agreement shall be terminated in accordance with the provisions of this Agreement. Disbursements are subject to the Federal reimbursement rules described in Section 4. A 7th Avenue Transit Village Project extension may be requested in writing from the County Mayor at least thirty (30) days prior to the Expenditure Deadline. The County Mayor, at his discretion, may grant an extension of up to one (1) year from the Expenditure Deadline so long as such extension will not significantly alter the 7th Avenue Transit Village Project including its quality, impact, or benefit to the organization, the County or its citizens. Additional extensions may be authorized by the County Mayor if the Grantee can document in a written request sufficient 7th Avenue Transit Village Project progress and cause for such an extension to be warranted. The three year period shall be extended for delays caused by casualty, war, terrorism, unavailability of labor or materials, civil uprising, governmental delays or other matters beyond Developer's control.

Section 7. Reports; and Filing Deadlines. To demonstrate that Funds disbursed pursuant to this Agreement have been used in accordance with the 7th Avenue Transit Village Project Description and 7th Avenue Transit Village Project Budget and that Grantee has met and fulfilled all requirements as outlined in this Agreement, exhibits, and/or other substantive materials as may be attached or included as a condition to the distribution of Funds pursuant to the Funding Plan, the Grantee must

submit to the County Mayor, a written report documenting that the Grantee is meeting or has fulfilled all 7th Avenue Transit Village Project and financial requirements. This report is to be received by the County Mayor quarterly. The Grantee shall also submit a written report to the County Mayor on or prior to September 30th of each year from the time of the execution of this Agreement through the termination of this Agreement demonstrating that the Grantee is fulfilling, or has fulfilled, its purpose, and has complied with all applicable municipal, County, state and federal requirements. The County Mayor may also request that a compilation statement or independent financial audit and accounting for the expenditure of Funds disbursed pursuant to this Agreement. Funds be prepared by an independent certified public accountant at the expense of the Grantee. In the event any one or more of the written reports required in this Section 7 are delinquent, the County may withhold the distribution of any additional Funds pursuant to this Agreement until the Grantee submits such reports to the County Mayor as required in this Section 7.

In the event that the Grantee fails to submit the required reports as required above, the County Mayor may terminate this Agreement in accordance with Section 15 or suspend any further disbursement of Funds pursuant to this Agreement until all reports are current. Further, the County Mayor must approve these reports for the Grantee to be deemed to have met all conditions of the grant award.

Section 8. Program Monitoring and Evaluation. The County Mayor may monitor and conduct an evaluation of the Grantee's operations and the 7th Avenue Transit Village Project, which may include visits by County representatives to observe and discuss the progress of the 7th Avenue Transit Village Project with the Grantee's personnel. Upon request, the Grantee shall provide the County Mayor with notice of all meetings of its Board of Directors or governing board, general activities and 7th Avenue Transit Village Project-related events. In the event the County Mayor concludes, as a result of such monitoring and/or evaluation, that the Grantee is not in compliance with the terms of this Agreement or the Administrative Rules or for other reasons, then the County Mayor must provide in writing to the Grantee, within thirty (30) days of the date of said monitoring/evaluation, notice of the inadequacy or deficiencies noted which may significantly impact on the Grantee's ability to complete the 7th Avenue Transit Village Project fulfill the terms of this Agreement within a reasonable time frame. If Grantee refuses or is unable to address the areas of concern within thirty (30) days of receipt of such notice from the County Mayor, then the County Mayor, at his discretion, may withhold Funds until such time as the Grantee can demonstrate that such issues have been corrected. Further, in the event that the Grantee does not expend the Funds for the 7th Avenue Transit Village Project or uses any portion of the Funds for costs not associated with the 7th Avenue Transit Village Project and the Grantee refuses or is unable to address the areas of concern, then the County Mayor may request the return of all or a portion of the Funds disbursed to date pursuant to this Agreement. The County Mayor may also institute a moratorium on applications from the Grantee to

County grants programs for a period of up to one (1) year or until the deficient areas have been addressed to the satisfaction of the County Mayor, whichever occurs first.

Section 9. Accounting, Financial Review and Access to Records and Audits. The Grantee must keep accurate and complete books and records for all receipts and expenditures of Funds received pursuant to this Agreement in conformance with reasonable general accounting standards. These books and records, as well as all documents pertaining to payments received and made in conjunction with each disbursement of Funds pursuant to this Agreement, such as vouchers, bills, invoices, receipts and canceled checks, shall be retained in the County in a secure place and in an orderly fashion in a location within the County by the Grantee for at least three (3) years after the later of the Expenditure Deadline specified in Section 6; the extended Expenditure Deadline, as approved by the County Mayor, if any; the completion of a County requested or mandated audit or compliance review; or the conclusion of a legal action involving the disbursement of Funds pursuant to this Agreement and/or 7th Avenue Transit Village Project activities related to the expenditure of such Funds.

The County Mayor may examine these books, records and documents at the Grantee's offices or other approved site under the direct control and supervision of the Grantee during regular business hours and upon reasonable notice. Furthermore, the County Mayor may, upon reasonable notice and at the County's expense, audit or have audited all financial records of the Grantee, whether or not purported to be related to this grant.

The Grantee agrees to cooperate with the Miami-Dade County Office of Inspector General (IG) which has the authority and power to investigate County affairs and review past, present and proposed County programs, accounts, records, contracts and transactions. The OIG contract fee shall not apply to this Agreement and the Grantee shall not be responsible for any expense reimbursements or other amounts payable to the IG or its contractors. The IG may, on a random basis, perform audits on this Agreement throughout the duration of said Agreement (hereinafter "random audits"). This random audit is separate and distinct from any other audit by the County.

The IG shall have the power to retain and coordinate the services of an IPSIG who may be engaged to perform said random audits, as well as audit, investigate, monitor, oversee, inspect, and review the operations, activities and performance and procurement process including, but not limited to, project design, establishment of bid specifications, bid submittals, activities of the Grantee and contractor and their respective officers, agents and employees, lobbyists, subcontractors, materialmen, staff and elected officials in order to ensure compliance with contract specifications and detect corruption and fraud. The IG shall have the power to subpoena witnesses, administer oaths and require the production of records. Upon ten (10) days written notice to the Grantee (and any affected contractor and materialman) from IG, the

Grantee (and any affected contractor and materialman) shall make all requested records and documents available to the IG for inspection and copying.

The IG shall have the power to report and/or recommend to the Board whether a particular project, program, contract or transaction is or was necessary and, if deemed necessary, whether the method used for implementing the project or program is or was efficient both financially and operationally. Monitoring of an existing project or program may include reporting whether the project is on time, within Budget and in conformity with plans, specifications, and applicable law. The IG shall have the power to analyze the need for, and reasonableness of, proposed change orders.

The IG is authorized to investigate any alleged violation by a contractor of its Code of Business Ethics, pursuant to County Code Section 2-8.1.

The provisions in this section shall apply to the Grantee, its contractors and their respective officers, agents and employees. The Grantee shall incorporate the provisions in this section in all contracts and all other agreements executed by its contractors in connection with the performance of this Agreement. Any rights that the County has under this Section shall not be the basis for any liability to accrue to the County from the Grantee, its contractors or third parties for such monitoring or investigation or for the failure to have conducted such monitoring or investigation and the County shall have no obligation to exercise any of its rights for the benefit of the Grantee.

Grantee agrees to cooperate with the Commission Auditor who has the right to access all financial and performance related records, property, and equipment purchased in whole or in part with governmental funds pursuant to Section 2-481 of the County Code.

Section 10. Publicity and Credits. The Grantee must include the following credit line in all promotional marketing materials related to this funding including web sites, news and press releases, public service announcements, broadcast media, programs, and publications: "THIS 7TH AVENUE TRANSIT VILLAGE PROJECT IS SUPPORTED BY THE BUILDING BETTER COMMUNITIES BOND PROGRAM AND THE MAYOR AND BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY."

Section 11. Naming Rights and Advertisements. It is understood and agreed between the parties hereto that the Grantee is funded by Miami-Dade County. Further, by acceptance of these Funds, the Grantee agrees that the Project funded by this Agreement shall recognize and adequately reference the County as a funding source. In the event that any naming rights or advertisement space is offered on a facility constructed or improved with BBC GOB Program Funds, then Miami-Dade County's name, logo, and slogan shall appear on the facility not less than once and equal to half the number of times the most frequent sponsor or advertiser is named, whichever is greater. Lettering used for Miami-Dade County will be no less than 75% of the size of

the largest lettering used for any sponsor or advertiser unless waived by the Board. Grantee shall ensure that all publicity, public relations, advertisements and signs recognize and reference the County for the support of all Project(s). This is to include, but is not limited to, all posted signs, pamphlets, wall plaques, cornerstones, dedications, notices, flyers, brochures, news releases, media packages, promotions and stationery. The use of the official County logo is permissible for the publicity purposes stated herein. The Grantee shall submit sample of mock up of such publicity or materials to the County for review and approval. The Grantee shall ensure that all media representatives, when inquiring about the Project(s) funded by the Agreement, are informed that the County is its funding source.

Section 12. Liability and Indemnification. It is expressly understood and intended that the Grantee, as the recipient of BBC GOB Program Funds, is not an officer, employee or agent of the County, its Board of County Commissioners, its Mayor, nor the County department administering this Agreement and disbursing the Funds. Further, for purposes of this Agreement, the parties agree that the Grantee, its officers, agents and employees are independent contractors and solely responsible for the 7th Avenue Transit Village Project.

The Grantee shall take all actions as may be necessary to ensure that its officers, agents, employees, assignees and/or subcontractors shall not act as nor give the appearance of that of an agent, servant, joint venture partner, collaborator or partner of the department administering these grants, the County Mayor, the Miami-Dade County Board of County Commissioners, or its employees. No party or its officers, elected or appointed officials, employees, agents, independent contractors or consultants shall be considered employees or agents of any other party, nor to have been authorized to incur any expense on behalf of any other party, nor to act for or to bind any other party, nor shall an employee claim any right in or entitlement to any pension, workers' compensation benefit, unemployment compensation, civil service or other employee rights or privileges granted by operation of law or otherwise, except through and against the entity by whom they are employed.

The Grantee agrees to be responsible for all work performed and all expenses incurred in connection with the 7th Avenue Transit Village Project. The Grantee may subcontract as necessary to complete the 7th Avenue Transit Village Project, including entering into subcontracts with vendors for services and commodities, provided that it is understood by the Grantee that the County shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

The Grantee shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the County or its officers,

employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement and/or the development of the 7th Avenue Transit Village Project by the Grantee or its employees, agents, servants, partners, principals, subconsultants or subcontractors (collectively, "Adverse Proceedings"). Grantee shall pay all claims and losses in connection with such Adverse Proceedings and shall investigate and defend all Adverse Proceedings in the name of the County, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may result from such Adverse Proceedings. Grantee expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Grantee shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as provided in this Section 12.

Section 13. Assignment. The Grantee is not permitted to assign this Agreement or any portion of it without the prior written approval of the County which is within its discretion. The Grantee covenants and agrees with the County to comply with Miami-Dade County Ordinance No. 72-82 (Conflict of Interest), Resolution No. R-1049-93 (Affirmative Action Plan Furtherance and Compliance), and Resolution No. R.-185-00 (Domestic Leave Ordinance).

All records of the Grantee and its contractors pertaining to the 7th Avenue Transit Village Project shall be maintained in Miami-Dade County and, upon reasonable notice shall be made available to representatives of the County. The Grantee shall submit to the department administering this Agreement, all affidavits required in this Section 14 prior to, or at the time, this Agreement is delivered by the Grantee to the County fully executed by an authorized officer.

Section 15. Breach, Opportunity to Cure and Termination.

(a) Each of the following shall constitute a default by the Grantee:

- (1) If the Grantee uses any portion of the Total Funding Allocation for costs not associated with the 7th Avenue Transit Village Project (i.e. ineligible costs), and the Grantee fails to cure its default within thirty (30) days after written notice of the default is given to the Grantee by the County; provided, however, that if not reasonably possible to cure such default within the thirty (30) day period, such cure period shall be extended for up to one hundred eighty (180) days following the date of the original notice if within thirty (30) days after such written notice the Grantee commences diligently and thereafter continues to cure.
- (2) If the Grantee shall breach any of the other covenants or provisions in this Agreement other than as referred to in Section 16(a)(1) and the Grantee fails to cure its default within thirty (30) days after written notice of the default is given to the Grantee by the County; provided, however, that if not reasonably possible to cure such default within the thirty (30) day period, such cure period shall be extended for up to one hundred eighty (180) days following the date of the original

notice if within thirty (30) days after such written notice the Grantee commences diligently and thereafter continues to cure.

- (3) If the Grantee fails to complete the 7th Avenue Transit Village Project within three (3) years of the Commencement Date of this Agreement subject to extension as provided above.

(b) The following shall constitute a default by the County:

- (1) If the County shall breach any of the covenants or provisions in this Agreement and the County fails to cure its default within thirty (30) days after written notice of the default is given to the County by the Grantee; provided, however, that if not reasonably possible to cure such default within the thirty (30) day period, such cure period shall be extended for up to one hundred eighty (180) days following the date of the original notice if within thirty (30) days after such written notice the County commences diligently and thereafter continues to cure.

(c) Remedies:

- (1) Upon the occurrence of a default as provided in Section 15(a) and such default is not cured within the applicable grace period, in addition to all other remedies conferred by this Agreement, the Grantee shall reimburse the County, in whole or in part as the County shall determine, all Funds provided to the Grantee by the County pursuant to the terms of this Agreement and this Agreement shall be terminated.
- (2) Either party may institute litigation to recover damages for any default or to obtain any other remedy at law or in equity (including specific performance, permanent, preliminary or temporary injunctive relief, and any other kind of equitable remedy), provided, however, any damages sought by the Grantee shall be limited solely to legally available Funds appropriated by the County to fund disbursements pursuant to this Agreement and no other revenues of the County.
- (3) Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default.

- (4) Any failure of a party to exercise any right or remedy as provided in this Agreement shall not be deemed a waiver by that party of any claim for damages it may have by reason of the default.

(d) Termination:

- (1) Notwithstanding anything herein to the contrary, either party shall have the right to terminate this Agreement, by giving written notice of termination to the other party, in the event that the other party is in material breach of this Agreement, provided, however, such termination shall not be effective until all payments are made by Grantee to the County pursuant to (c) (1) of this Section 15 above.
- (2) Termination of this Agreement by any Party is not effective until five (5) business days following receipt of the written notice of termination.
- (3) Upon termination of this Agreement pursuant to Section 15(d)(1) above, no party shall have any further liability or obligation to the other party except as expressly set forth in this Agreement; provided that no party shall be relieved of any liability for breach of this Agreement for events or obligations arising prior to such termination.

In the event the grant is canceled or the Grantee is requested to repay any of the Total Funding Allocation because of a breach of this Agreement, the Grantee will not be eligible to apply to the County for another grant or contract with the County for a period of one (1) year, commencing on the date the Grantee receives the notice in writing of the breach of this Agreement. Further, the Grantee will be liable to reimburse Miami-Dade County for all unauthorized expenditures discovered after the expiration or termination of this Agreement. The Grantee will also be liable to reimburse the County for all lost or stolen Funds disbursed to the Grantee pursuant to this Agreement. Funds

Funds, which are to be repaid to the County pursuant to this Section or other sections in this Agreement, are to be repaid by delivering to the County Mayor a certified check for the total amount due payable to Miami-Dade County Board of County Commissioners.

These provisions do not waive or preclude the County from pursuing any other remedy, which may be available to it under the law.

Section 16. Waiver. There shall be no waiver of any right related to this Agreement unless in writing and signed by the party waiving such right. No delay or failure to exercise a right under this Agreement shall impair such right or shall be construed to be a waiver thereof. Any waiver shall be limited to the particular right so

waived and shall not be deemed a waiver of the same right at a later time or of any other right under this Agreement. Waiver by any party of any breach of any provision of this Agreement shall not be considered as or constitute a continuing waiver or a waiver of any other breach of the same or any other provision of this Agreement.

Section 17. Written Notices. Any notice, consent or other communication required to be given under this Agreement shall be in writing, and shall be considered given when delivered in person or sent by facsimile or electronic mail (provided that any notice sent by facsimile or electronic mail shall simultaneously be sent personal delivery, overnight courier or certified mail as provided herein), one business day after being sent by reputable overnight carrier or 3 business days after being mailed by certified mail, return receipt requested, to the parties at the addresses set forth below (or at such other address as a party may specify by notice given pursuant to this Section to the other party):

PROPERTY ADDRESS: 6105 NW 7th Avenue, Miami, Florida 33127(the "Property")

**LEGAL DESCRIPTION
OF PROPERTY:** The legal description of the Property is attached as Exhibit A

DWELLING UNITS: one sixty-one (61) affordable and one hundred (100) affordable, elderly, high-rise, rental units consisting of 62 one-bedroom units with 1 bath, 86 two-bedroom units with 2 baths and 13 three-bedroom with two baths (collectively, the "Units")

WITNESSETH:

- I. Grantee agrees with respect to the Property for the period beginning on the date of recordation of this Rental Regulatory Agreement, and ending on the last day of the thirtieth (30th) year after the year in which the Project is completed and a certificate of occupancy is issued, that:
 - a) All of the Units shall have rents which are equal to or less than 30% of annual incomes for households at or below sixty percent (60%) of area median income (AMI) adjusted for family size, minus tenant-paid utilities and at least ten percent (10%) shall have rents which are equal to or less than 30% of annual incomes for households at or below sixty percent (28%) of area median income (AMI) adjusted for family size, minus tenant-paid utilities . Accordingly, the maximum initial approved rental rates for this Property are set forth in the attached Exhibit B. In the case of Section 8 Units, the HUD approved contract rent is allowed.
 - b) The parties agree that once recorded, this Agreement shall be a restrictive covenant on the Project that shall run with the Property since the subject matter of this Agreement and its covenants touch and concern the Property. This Agreement shall be binding on the Property, the Project, and all portions of each, and upon any purchaser, transferee, Grantee or lessee or any combination of each, and on their heirs, executors, administrators, devisees, successors and assigns and on any other person or entity having any right, title or interest in the Property, the Project, or any portion of each, for the length of time that this Agreement shall be in force. Grantee hereby makes and declares these restrictive covenants which shall run with the title to said Property and be binding on the Grantee and its successors in interest, if any, for the period stated in the preamble above, without regard to payment or satisfaction of any debt owed by Grantee to the County or the expiration of any agreement between the Grantee and the County regarding the Property, Project or both.
 - c) The above rentals will include the following amenities: the Project includes a large gathering / community room with fully restored original terrazzo floors, and onyx countertops. The units will be equipped with central air and porcelain tile. The project includes impact resistant windows, ramps, elevators and three fully ADA accessible units.
 - d) Grantee agrees that upon any violation of the provisions of this Agreement, the County, through its agent, ISD may give written notice thereof to the Grantee, by registered mail, at the address stated in this Agreement, or such other address

or addresses as may subsequently be designated by the Grantee in writing to ISD, and in the event Grantee does not cure such default (or take measures reasonably satisfactory to ISD to cure such default), within thirty (30) days after the date of notice, or within such further time as ISD may determine is necessary for correction, ISD may, without further notice, declare a default under this Agreement, and effective upon the date of such default, ISD may:

- i) Declare the whole County Grant immediately due and payable and then proceed with legal proceedings to collect the County Grant;
 - ii) Apply to any court, County, State or Federal, for any specific performance of this Agreement; for an injunction against the violation of this Agreement; or for such relief as may be appropriate since the injury to ISD arising from a default remaining uncured under any of the terms of this Agreement would be irreparable, and the amount of damage would be difficult to ascertain.
- e) Grantee further agrees that it will, during the term of this Agreement: furnish each resident at the time of initial occupancy, a written notice that the rents to be charged for the purposes and services included in the rents are approved by the County pursuant to this Agreement; that they will maintain a file copy of such notice with a signed acknowledgment of receipt by each resident; and, that such notices will be made available for inspection by the County during regular business hours.
- f) Grantee agrees that the unit shall meet the energy efficiency standards promulgated by the Secretary of the United States Department of Housing and Urban Development (hereafter "HUD"), the Florida Housing Finance Corporation (hereafter "FHFC"), and/or Miami-Dade County, as applicable.
- II. ISD and Grantee agree that rents may increase as median income increases as published by HUD with the prior approval of ISD, provided, that at no time shall the Grantee's management fee and expenses attributed to the Grantee for managing the Project exceed five percent (5%) of the monthly gross receipts. Any other adjustments to rents will be made only if ISD (and HUD if applicable), in their sole and absolute discretion, find any adjustments necessary to support the continued financial viability of the Project and only by an amount that ISD (and HUD if applicable) determine is necessary to maintain continued financial viability of the Project.

Grantee will provide documentation to justify a rental increase request not attributable to increases in median income but attributable to an increase in operating expenses of the Project, excluding the management fee attributed to the Grantee for managing the Project. Within thirty (30) days of receipt of such documentation, ISD will approve or deny, as the case may be, in its sole and absolute discretion, all or a portion of the rental increase in excess of the amount that is directly proportional to the most recent

increase in Median Annual Income. In no event, however, will any increase directly proportional to an increase in Median Annual Income be denied.

- III. Except as otherwise noted, all parties expressly acknowledge that ISD shall perform all actions required to be taken by Miami-Dade County pursuant to Paragraphs 4, 5, 6 and 7, of this Agreement for the purpose of monitoring and implementing all the actions required under this Agreement. In addition, thirty (30) days prior to the effective date of any rental increase, the Grantee shall furnish ISD with notification provided to tenants advising them of the increase.

IV. Occupancy Reports

The Grantee shall, on an annual basis, furnish ISD with an occupancy report, which provides the following information:

- A) List of all occupied apartments, Indicating composition of each resident family, as of the end date of the reporting period. Composition includes, but is not limited to:
1. Number of residents per units.
 2. Area median Income (AMI) per unit.
 3. Race, Ethnicity and age per unit (Head of Household).
 4. Number of units serving special need clients.
 5. Gross Household Rent
 6. Maximum rent per unit.
- B) A list of all vacant apartments, as of the end date of the reporting period.
- C) The total number of vacancies that occurred during the reporting period.
- D) The total number of units that were re-rented during the reporting period, stating family size and income.
- E) The Grantee shall upon written request of ISD allow representatives of ISD to review and copy any and all of its executed leases with tenant residing on the Property.

V. Inspections

Pursuant to 42 U.S.C. § 12755, the Grantee shall maintain the Property in compliance with all applicable federal housing quality standards, receipt of which is acknowledged by the Grantee, and contained in Sec. 17-1, et seq., Code of Miami-Dade County, pertaining to minimum housing standards (collectively, "Housing Standards").

- A) ISD shall annually inspect the Property, including all dwelling units and common areas, to determine if the Property is being maintained in compliance with federal Housing Quality Standards and any applicable Miami-Dade County Minimum Housing Codes. The Grantee will be furnished a copy of the results of the inspection within thirty (30) days, and will be given thirty (30) days from receipt to correct any deficiencies or violations of the property standards of the Miami-Dade County Minimum Housing Codes or Housing Standards.
- B) At other times, at the request of the Grantee or of any tenant, ISD may inspect any unit for violations to the property standards of any applicable Miami-Dade County Minimum Housing Codes or Housing Standards. The tenant and the Grantee will be provided with the results of the inspection and the time and method of compliance and corrective action that must be taken. The dwelling units shall contain at least one bedroom of appropriate size for each two persons.

VI. Lease Agreement, Selection Policy and Management Plan

Prior to initial rent-up and occupancy, the Grantee will submit the following documents to ISD:

- A) Proposed form of resident application.
- B) Proposed form of occupancy agreement.
- C) Applicant screening and tenant selection policies.
- D) Maintenance and management plan which shall include the following information:
 - 1. A schedule for the performance of routine maintenance such as up-keep of common areas, extermination services, etc.
 - 2. A schedule for the performance of non-routine maintenance such as painting and reconditioning of dwelling units, painting of building exteriors, etc.
 - 3. A list of equipment to be provided in each dwelling unit.

4. A proposed schedule for replacement of dwelling equipment.
5. A list of tenant services, if any, to be provided to residents.

The Grantee agrees that the County has the right to refer eligible applicants for housing. The Grantee shall not deny housing opportunities to eligible, qualified families, including those with Section 8 Housing Choice Vouchers, unless the Grantee is able to demonstrate a good cause basis for denying the housing as determined by ISD in its sole and absolute discretion

VII. Financial Reports

A) Annually, the Grantee shall transmit to the County a certified annual operating statement showing project income, expenses, assets, liabilities, contracts, mortgage payments and deposits to any required reserve accounts (the "Operating Statement"). ISD shall review the Operating statement to insure conformance with all provisions contained in this Agreement.

B) The Grantee will create and maintain a reserve account for the maintenance of the Units and will deposit \$300 per Unit per year in such reserve account. This reserve may be combined with reserve accounts required by any other parties making loans to Grantee and will be deemed satisfied by any deposits made by Grantee in accordance with Grant documents.

VIII. Action By or Notice to the County

Unless specifically provided otherwise herein, any action to be taken by, approvals made by, or notices to or received by the County required by this Agreement shall be taken, made by, given or delivered to:
