## SCOPE

## FISCAL IMPACT

The fiscal impact as a result of this conveyance being accepted would be approximately \$10 annually for maintenance costs associated with the subject right-of-way being included in the Public Works and Waste Management Department (PWWM) inventory. ### WITNESSETH

WHEREAS, the County will be making sidewalk improvements along NW 37 Avenue, between NW 183 Street and NW 191 Street, in order to comply with requirements of the American with Disabilities Act (ADA); and

WHEREAS, as part of this work, a portion of the sidewalk adjacent to Barbara Hawkins Elementary School (School) will need to be widened to meet ADA criteria; and

WHEREAS, to accomplish its work, the County has requested that a portion of the School property, adjacent to NW 37 Avenue and NW 191 Street, be dedicated to the County for public right-of-way purposes; and

WHEREAS, the Board has agreed to convey such property to the County via a School Board Deed for Right-of-Way Purposes, to facilitate the County's sidewalk improvement project; and

WHEREAS, the County, at its sole cost and expense, will relocate a portion of the School's existing chain-link fence to the new property line; and

**WHEREAS**, given that the County will require access to the portion of the School immediately adjacent to the area of the conveyance, on an interim basis, to facilitate the fence relocation noted above, the parties have agreed to enter into this Agreement; and

**WHEREAS**, the Board, at its meeting of September 7, 2011, Board Action #115,182, authorized the execution of this Agreement.

**NOW THEREFORE**, for and in consideration of the mutual promises contained herein, the Board and County hereby agree to the following:

The Board does hereby grant to the County, its successors and assigns, the right and privilege to access a portion of the School site (hereinafter designated as the "Construction Area"), as more particularly described in Exhibit "A" attached hereto and made a part hereof, with full right of ingress thereto and egress therefrom, for the specific and limited purpose of relocating the chain-link fence to the new property line, and other activities directly related to the County's Project (hereinafter designated as the "Work"). All Work will be done at the County's sole cost and expense, and access shall be as previously authorized by and coordinated with the School Principal to assure that the Work does not interfere with or disrupt the operations of the School.

3. **BOARD'S RIGHTS RESERVED.** During the term of this Agreement, the Board reserves the right to use the Construction Area for any lawful purpose, provided such use will not prevent or interfere with the exercise by the County of the rights granted it under this Agreement.
