RESOLUTION NO. R-492-12

RESOLUTION URGING THE FLORIDA LEGISLATURE TO
CONDUCT AN INTERIM STUDY ON HOW LAWS CAN BE
STRENGTHENED RELATED TO FALSE, STOLEN AND
COUNTERFEIT IDENTITY DOCUMENTS IN AN EFFORT TO
COMBAT HUMAN AND SEX TRAFFICKING

WHEREAS, human trafficking is a form of modern-day slavery, in which men, women and children are bought and sold; and

WHEREAS, victims of human trafficking are young children, teenagers, women and men who are subjected to force, fraud or coercion for the purpose of sexual exploitation or forced labor; and

WHEREAS, the U.S. Department of State estimates that between 600,000 and 800,000 people, mostly women and children, are trafficked across national borders annually, with the number of persons trafficked into the U.S. each year estimated to range from 14,500 to 17,500; and

WHEREAS, according to the U.S. Department of Justice, an estimated 200,000 American children are at risk for trafficking into the sex industry each year; and

WHEREAS, human trafficking is the fastest growing criminal industry in the world and, after drug dealing, is tied with arms-dealing as the second largest criminal industry; and

WHEREAS, the movement or transportation of a person across borders is not a necessary component of human trafficking, as human trafficking can happen domestically within one country's borders, or internationally across an international border; and

WHEREAS, many victims of human trafficking are forced to work in prostitution or the sex entertainment industry, but human trafficking also occurs in the form of labor exploitation, such as domestic servitude, restaurant work, janitorial work, sweatshop factory work and migrant agricultural work; and

WHEREAS, Florida is ranked as one of the top three states in the nation for human trafficking cases, along with New York and Texas, according to the Center for the Advancement of Human Rights at Florida State University; and

WHEREAS, during the 2012 session, the Florida Legislature passed HB 7049, now know as Chapter 2012-97, Laws of Florida, which increased the penalties for human and sex trafficking from a maximum of 15 years in prison to 30 years, and also authorized the statewide prosecutor to investigate and prosecute human trafficking cases; and

WHEREAS, false, stolen and counterfeit identity documents are almost always part of a human or sex trafficking operation; and

WHEREAS, traffickers hide the identities of trafficking victims, many of whom are minors, by obtaining false, stolen or counterfeit identity documents for the victims; and

WHEREAS, false, stolen and counterfeit identity documents can include birth certificates, social security cards and passports; and

WHEREAS, the trafficking victims often are forced to use these false, stolen and counterfeit identity documents to obtain valid drivers' licenses and other legitimate forms of identification that then perpetuate the false identification of trafficking victims; and

WHEREAS, current Florida law prohibits the use of another person's identity, the submission of counterfeit identity documents and all other activities intended to obtain a driver's

license by a person who is not eligible for issuance of such a document, sections 322.212, 322.27, 322.32 and 322.33, Florida Statutes; and

WHEREAS, it is generally a third-degree felony to use false identity documents to acquire a Florida drivers license; and

WHEREAS, given the pervasive use of false, stolen and counterfeit identity documents in conjunction with victims of human and sex trafficking, the Florida Legislature should study how laws can be strengthened related to such documents with an eye toward possible legislation,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board:
