

Memorandum

Date: July 3, 2012

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

Agenda Item No.8(N)(1)

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Authorizing the Approval and Execution of Agreements for the Coordination of Transportation Disadvantaged Services in Miami-Dade County and Authorizing the County Mayor to Execute any Additional Agreements with Entities Meeting Program Eligibility Requirements for Transportation Disadvantaged Services

Resolution No. R-573-12

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the Coordination and Fare Agreements between Miami-Dade County as Community Transportation Coordinator (CTC) and the following agencies/entities: Allapattah Community Center, Inc.; The Association for Retarded Citizens of South Florida (Adult and Children's programs); Better Way of Miami; Borinquen Health Center; CHARLEE Program; Citrus Health Network, Inc.; Community Action Agency Foundation; Community Habilitation Center; Dave and Mary Alper Jewish Community Center; Douglas Gardens Community Mental Health Center; Easter Seals of South Florida; Family Resource Center; Fellowship House; Florida PACE Centers; Goodwill of South Florida; Hebrew Homes Health Network; Hialeah Housing Authority; Historic Mount Zion Baptist Church; Jewish Community Services of South Florida, Inc.; The Learning Experience School; Little Havana Activities and Nutrition Centers of Dade County, Inc.; MacTown, Inc.; Miami Behavioral Health Center, Inc.; Miami Beach Community Health Center, Inc.; Miami Cerebral Palsy; Miami Lighthouse for the Blind; Miami Jewish Health Systems; Michael-Ann Russell Jewish Community Center; New Horizons Community Mental Health Center; North Miami Foundation for Senior Citizens Service, Inc.; Southwest Social Services; Spectrum Programs, Inc.; Sunrise Community, Inc.; Sunrise Opportunities, Inc. St. Anne's Nursing Center; University of Miami, Debbie Institute; University of Miami Perinatal; St. Catherine's Rehabilitation Hospital Villa Maria Nursing Center; The Village South, Inc.; and United Cerebral Palsy for the provision of safe, cost-efficient coordinated transportation for the transportation disadvantaged in Miami-Dade County.

SCOPE

The impact of the services provided by these 40 agencies/entities will be countywide.

DELEGATED AUTHORITY

In accordance with Section 2-8.3 of the Miami-Dade County Code related to identifying delegation of Board authority, there are no authorities beyond that specified in the resolution which include authority for the Mayor, or Mayor's designee, to execute these Agreements and any additional Agreements with eligible entities.

FISCAL IMPACT

There is a minimal fiscal impact for the County, as staff time devoted to obtaining and reviewing signed documents is covered under a Transportation Disadvantaged Planning Grant administered through the Metropolitan Planning Organization (MPO).

Funding for the vehicles under the Section 5310 Grant is 80% Federal, 10% State, and 10% from the agency receiving the vehicle. There are no County capital funds involved. The State administers the program.

TRACK RECORD/MONITOR

Miami-Dade Transit (MDT) has entered into numerous transportation agreements for this Florida Department of Transportation-funded (FDOT) program over the course of more than 15 years. The project manager for this agreement is Harry Rackard, Manager, Transit Mobility Planning.

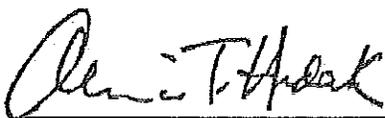

BACKGROUND

Through the MPO, MDT is the designated CTC for Miami-Dade County responsible for coordinating transportation services for transportation disadvantaged target populations, i.e., elderly, handicapped, children-at-risk and economically disadvantaged. Section 427 Florida Statutes requires that the CTC enter into a formal agreement with all other operators who transport the disadvantaged. The Federal Transportation Administration (FTA) Section 49 U.S.C. 5310 grant agreements also require that recipients of vehicles funded by FDOT through Section 5310 enter into a Coordination Agreement with the CTC. As such, MDT coordinates those social service transportation resources within the County which receive local, State and/or Federal funds through the subject agreements. This includes service requirements and standards which must be adhered to by all transportation service providers who transport disadvantaged individuals as part of a coordinated transit system. Affected agencies work together to coordinate, utilize, and maximize the use of existing transportation resources to provide transportation to the elderly, handicapped, children-at-risk, and economically disadvantaged citizens, in a cost-effective manner.

This agreement makes the participating agencies eligible to participate in State or federal funding programs/projects. In addition, execution of an agreement allows the agencies to apply for funding for vehicles needed to transport their population. However, execution of an agreement does not guarantee funding from the State. It allows the CTC to coordinate the use of these vehicles to provide cost-efficient transportation for disadvantaged individuals; and includes the cost per trip as well as service standards. In Miami-Dade County the private non-profit agencies receiving these vehicles transport their clients at no cost to the county. This service reduces the need for the county to provide paratransit trips for this population of individuals.

Attached is a sample agreement between the County and St. Catherine's Rehabilitation Hospital Villa Maria Nursing Center; the Agreements with the other agencies are all similar in format.

The effective dates of these Agreements are July 2012 through June 2013.

DRUG-FREE WORKPLACE POLICY SUMMARY

A Drug Free Workplace Program has been established in a commitment to safeguard the health of our employees and to provide a safe working environment. This policy is implemented pursuant to the Drug Free Workplace Program requirements under F.S. §440.102 and the proposed rules of the Department of Labor and Employment Security, Division of Workers' Compensation.

The essential parts of this policy are:

1. Employees are prohibited from possessing, selling, trading, manufacturing, consuming or being under the influence of drugs (except as authorized by a physician) on the premises.
2. Drug Testing of Applicants:
 - a. All applicants offered a conditional job offer will be tested for the presence of drugs as part of the application process. Applicants refusing to submit to the pre-employment drug test will be ineligible for hire.
 - b. Applicants will be asked to sign the Consent Agreement form. If an applicant refuses, he or she will not be considered for employment and the employment application process will be terminated.
 - c. If an applicant's test is confirmed positive, the applicant will not be considered for employment and the employment application process will be terminated.
3. Testing of Employees:
 - a. Reasonable Suspicion Testing: Employees will be tested when there is a reasonable suspicion that an employee is using or has used drugs.
 - b. Random Testing: All employees will be required to submit to drug testing on a random basis, conducted by a random employee number generator.
 - c. Routine Fitness-for-Duty Testing: Employees will be drug tested as part of a routinely scheduled employee medical examination.
 - d. Workplace Injury Testing: All employees injured at the workplace will be required to submit to drug testing at the designated collection site or the treating facility under the procedures set forth in this policy.
 - e. Additional Testing: Additional testing may also be conducted as required by applicable state or federal laws, rules or regulations or as deemed necessary by the Company.
4. Alcohol and Drug Use Prohibitions:
 - a. The use, sale, purchase, possession, distribution or dispensing of drugs or alcohol on duty or on Company property is cause for immediate discharge.
 - b. It is against Company policy to report to work or work under the influence of alcohol or drugs. Employees who violate this policy are subject to discipline up to and including discharge.

- c. For the purpose of this policy, an individual is presumed to be under the influence of alcohol or drugs if an alcohol or drug test is positive.
 - d. Employees will be suspended without pay under this policy pending the results of a drug test or investigation.
5. All information, interviews, reports, statement memoranda and drug test results, written or otherwise, received by the Company as part of this drug testing program are confidential communications. Unless authorized by state laws, rules or regulations this Employer will not release such information without a written consent form signed voluntarily by the person tested.
 6. A Drug Use Information form is a confidential report which may be filled out by job applicants and employees both before and after being drug tested. This form permits individuals to provide the Medical Review Officer a list of all prescription and non-prescription drugs they are currently using or have used in the last month, as well as any other information they consider relevant to the test. This confidential medical information should be given only to the Medical Review Officer.
 7. Prior to testing, the Job Applicant and Employee will be given a list of the most common medications by brand name or common name and chemical name which may alter or affect a drug test.
 8. Employees refusing to submit to a drug test or having a confirmed positive drug test will be terminated from employment due to violation of existing policies and procedures.
 9. An injured employee who refuses to submit to a drug test, or has a positive confirmation test, in addition to the above, forfeits his eligibility for all workers' compensation medical and indemnity benefits.
 10. A list of names, addresses and telephone numbers of employee assistance programs and local alcohol and drug rehabilitation programs is available to employees and will be provided upon request.
 11. A job applicant or employee who receives a positive confirmed drug test result may contest or explain the result to the employer within 5 days after written notification of the positive test result. If a job applicant's or an employee's explanation or challenge is unsatisfactory to the employer, the person may contest the test results at his/her own expense.
 12. A job applicant or employee has the responsibility of notifying the drug testing laboratory of any administrative or civil action brought pursuant to Chapter 440, Florida Statutes. The lab will maintain the sample until the case or administrative appeal is settled.
 13. The following is a list of all drugs (described by brand name, common name and/or chemical name) for which the employer may test:

Substance Abuse Policy

Villa Maria strives to provide a safe work environment and encourages personal health. Thus, it considers the abuse of drugs or alcohol on the job to be an unsafe and counterproductive work practice. Quite simply, our goal is to maintain a work environment that is free from the effects of alcohol and drug abuse.

Villa Maria has no intention of intruding into the private lives of its employees; it does expect employees to report for work in condition to perform their duties. It is, therefore, Villa Maria that an employee found with the presence of alcohol or illegal drugs in his/her system, in possession of, using, selling, trading, or offering for sale illegal drugs or alcohol during working hours, may be subject to disciplinary action up to and including discharge. Substance Abuse includes possession, use, purchase or sale of drugs or alcohol on Villa Maria premises. It also includes reporting to work under the influence of drugs or alcohol. Prescription drugs prescribed by the employee's physician may be taken during work hours. The employee should notify the Supervisor if the use of properly prescribed prescription drugs will affect the employee's work performance. Abuse of prescription drugs will not be tolerated. An employee reporting for work visibly impaired is unable to properly perform required duties and will not be allowed to work.

All employees must comply with the established policies and procedures of the Drug Free Workplace Program, including new hire; reasonable suspicion, random, routine fitness for duty and workplace injury drug testing. Anyone refusing to submit to drug testing, refusing to sign the consent form, failing to appear for testing, tampering with the results or failing to pass the test will be ineligible for continued employment.

If applicable, employees may forfeit eligibility for all workers' compensation medical and indemnity benefits and unemployment compensation benefits.

Any violation of this policy will result in disciplinary action up to and including employment termination.
