MIAMI-DADE COUNTY

Date: June 5, 2012

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Request for Authorization to Advertise a Request for Qualifications for Governmental Representation and Consulting Services in Washington, DC

It is recommended that the Board of County Commissioners (Board) authorize advertisement of Request for Qualifications (RFQ) No. 805 to obtain proposals under full and open competition to provide governmental representation services before the executive and legislative branches of the federal government, and related consulting services for the Office of Intergovernmental Affairs. It is further recommended that the Board authorize the County Mayor or County Mayor's designee to extend the existing contracts (Contract Nos. RFQ685a-d) on a month-to-month basis, at the current reduced rates, until the contracts resulting from this solicitation are awarded by the Board and become effective.

TITLE: Governmental Representation and Consulting Services in Washington, DC

TERM: One year with three, one year options-to-renew

CONTRACT AMOUNT: To be determined at time of award

FISCAL IMPACT AND FUNDING SOURCE:

Department	Allocation	Funding Source	Contract Manager
Office of Intergovernmental Affairs	$ 450,000	General Fund	Jose Rasco

At the request of the Chairman of the Board, the total annual allocation shall not exceed $450,000 which is a reduction of $110,000 from the amount of the existing contracts. If the three, one-year options-to-renew are exercised, the cumulative value of the contract(s) shall not exceed $1,800,000. The amount of any contract(s) resulting from this solicitation will be determined by the Board when the evaluation results are presented for consideration and will be contingent upon available funding. The contract(s) will be funded through the General Fund.

BACKGROUND

On February 15, 2011, the Board authorized award of contracts with the following firms: Alcalde & Fay, Patton Boggs, LLP, Greenberg Traurig, P.A., and Akerman, Senterfitt & Eidson, P.A. to provide the County with federal governmental representation and consulting services.

The initial one-year term of the contracts was set to expire on February 29, 2012. However, the contracts have been extended to preserve the lobbying services provided to the County while the successor contracts are solicited and awarded. The extension will be in effect for up to 180 days (pursuant to Administrative Order 3-38) or until the successor contracts are awarded, whichever occurs first. At the request of the Chairman of the Board and at my direction, staff was able to secure a lower contract amount for the extension period as shown in the following chart:

Firm	Annual Amount	Reduced Annual Amount	6 Month Extension at Reduced Amount
Alcalde & Fay	$190,000	$150,000	$75,000
Patton Boggs, LLP	$190,000	$150,000	$75,000
Greenberg Traurig, P.A.	$190,000	$150,000	$75,000
Akerman, Senterfitt & Eidson, P.A.	$150,000	$110,000	$55,000
Total	$720,000	$560,000	$280,000
	Savings	$160,000	$80,000

On October 18, 2011, the Board adopted Resolution R-923-11 directing the County Mayor to bring to the November 3, 2011 Board agenda a request to advertise a competitive solicitation for the procurement of state lobbying contracts, with certain requirements. In addition to the state lobbying contracts, the resolution directed the County Mayor to advertise a competitive solicitation for the procurement of federal lobbying contracts in accordance with the guidance set forth the state lobbying solicitation. The solicitation for the federal contracts was prepared consistent with the state lobbying solicitation approved by the Board.

The Office of Intergovernmental Affairs, the Internal Services Department, and County Attorney's Office developed the solicitation process which provides for an evaluation committee to review proposals and provide a report to the Board identifying the most qualified firms, in lieu of a numerical evaluation and ranking method. The County Mayor or County Mayor's designee shall report the evaluation committee's recommendation to the Board, together with a proposed form of agreement to be awarded to the firms ultimately selected by the Board. The Board will make the final determination of which firm(s) to select for award, waiving the bid protest procedures.

Consistent with Resolution R-923-11, which directed the state lobbying solicitation, the following persons will be designated to serve on the evaluation committee for this solicitation: a non-voting Chair to be assigned by the County Mayor or County Mayor's designee, Joe Rasco, Jose Abreu, Juan Kuryla, Diana Ragbeer and Penelope Townsley as voting members, and Bill Johnson as the alternate member. To implement the appointment of the evaluation committee, the requirements of Implementing Order 3-34 relating to the formation and performance of selection committees will be waived by the Board.

The selected firm(s) shall provide Miami-Dade County with governmental representation services before the executive and legislative branches of the federal government. The services include a full range of lobbying, legislative counsel, governmental consulting, and advocacy services requested by the County for various subjects/issues as assigned, based on the County's annual legislative package. The services requested in the solicitation are substantially the same as those in the current contracts.

PROCUREMENT CONTRACTING OFFICER: Rita Silva, CPPO

PREVIOUS CONTRACT AMOUNT: Prior to the previously discussed extension and lower negotiated contract amounts, the combined allocation of the four existing contracts was $720,000 per year. The allocation included three contracts for $190,000 each and one contract for $150,000 for the required services. While the contracts allowed for an additional amount of $150,000, in the aggregate, among the contracts for work orders and optional services, there was no funding allocated for this purpose. The lowered negotiated contract amounts for each firm and corresponding savings are shown in the chart above.

METHOD OF AWARD: Award to one or more best qualified responsive, responsible vendors based on the best value to the County.

CONTRACT MEASURES: A Small Business Enterprise Selection Factor will be applied in accordance with the Ordinance.

LIVING WAGE: The services being provided are not covered under the Living Wage Ordinance.

USER ACCESS PROGRAM: The User Access Program provision will apply. The 2% program discount will be collected on all purchases.

LOCAL PREFERENCE: The Local Preference Ordinance will not be applicable.

ESTIMATED ISSUE DATE: Upon approval of the Board of County Commissioners

2.2 REQUIREMENTS AND SERVICES TO BE PROVIDED

A. Lobbying Ordinances and Resolution Requirements

The selected Proposer shall abide by and be governed by Miami-Dade County Ordinances and Resolutions, which may have a bearing on the services involved in any agreement(s) issued as a result of this Solicitation,

including but not limited to, Section 2-11.1 of the Code of Miami-Dade County (Ordinance 72-82, Conflict of Interest Ordinance); Resolution No. R-1236-99 (Resolution Directing the County Manager to Report Intergovernmental Activity by County Staff, Lobbyists, and Entities that Represent Miami-Dade County at the State and Federal Levels); Resolution No. R-232-01 (Resolution Instructing County Staff and Lobbyists to Limit Legislative Initiatives and Funding Requests to Those Approved by the County Commission); Section 2-11.1.2 of the Code of Miami-Dade County (Ordinance No. 00-64, Ordinance Relating to County's Lobbyists); and Resolution No. R-56-10 (Resolution Setting Policy for Miami-Dade County that all Contract Lobbyists shall Obtain a Waiver from the Board of County Commissioners Prior to Representing any Client in any Forum that is Adverse to the County), all as such may be amended from time to time.

Pursuant to Ordinance Nos. 72-82 and 00-64 and Resolution No. R-1236-99, no person or entity, whether an individual, firm, partnership or corporation, which receives compensation either directly or indirectly from the County for lobbying on behalf of the County or any of its agencies or instrumentalities at either the municipal, state, or national level shall represent any entity in any forum to support a position in opposition to a position of the County unless the Board of County Commissioners grants a specific waiver for a specific lobbying activity. The failure to comply with this provision shall result in either or both of the following: (i) the selected Proposer's contract being voidable by the County or (ii) a prohibition, for a period of up to three years, as determined by the Board of County Commissioners in its sole discretion, on the selected Proposer's entering into a lobbying contract with the County.

Each selected Proposer, on behalf of itself and any and all employees, partners, and subcontractors, shall have an affirmative obligation to notify the County Manager and the Office of Intergovernmental Affairs in writing of each and every party the selected Proposer and/or its employees, partners, or subcontractors wishes to represent before the Congress, the Administration or any federal agency, as well as the nature of the proposed representation. This obligation shall apply whether such party or interest is adverse to the County or not. Such notification must include all parties the selected Proposer or employees, partners, or subcontractors wishes to represent.

Separate and independent from the above-referenced obligation, each selected Proposer, on behalf of itself and any and all employees, partners, and subcontractors, must advise the County Manager and the Office of Intergovernmental Affairs in writing of any position in opposition to a position of the County taken by the selected Proposer or any employee, partner, or subcontractor and request a waiver of such conflict before the Board of County Commissioners. A position in opposition to a position of the County may take the form of an adverse policy position or fiscal impact on the County, either direct or indirect. A position in opposition to a position of the County is not limited to a position that conflicts with an express provision of the legislative package adopted by the Board of County Commissioners. It may also arise in other areas. Not every County interest can be anticipated or enumerated in the County's legislative package, and issues arise and change over the course of the legislative process. It is incumbent on each selected Proposer and employees, partners, and subcontractors to remain mindful of the County's policy and fiscal interests and positions vis-à-vis other clients. If an actual or perceived conflict arises, the selected Proposer and/or subcontractor must advise the County Manager and the Office of Intergovernmental Affairs immediately in writing and seek a waiver of the conflict before the Board of County Commissioners.

Once a conflict waiver request has been received by the County, the County Manager reserves the right to determine whether the selected Proposer and/or employee, partner, or subcontractor may continue representing the County and the other interest until the Board of County Commissioners can consider the conflict issue. The Board of County Commissioners may take, in its sole discretion, any action regarding a waiver request, including but not limited to the following: (i) grant a waiver and allow the selected Proposer, and/or employee, partner, or subcontractor to continue to represent both the County and the other party; (ii) refuse to grant a waiver and require the selected Proposer, and/or employee, partner, or subcontractor to choose between representing Miami-Dade County or the other party, or to discontinue representing the other party; (iii) refuse to grant a waiver and void its contract with the selected Proposer and/or employee, partner, or subcontractor; or (iv) grant a limited waiver and allow the selected Proposer and/or employee, partner, or subcontractor to continue to represent both the County and the other party under whatever limitations or restrictions the County, in its sole discretion, determines to be appropriate.

Pursuant to Resolution No. R-1236-99, each selected Proposer and each subcontractor shall prepare regular monthly reports advising the Commission of the current status of all issues that the lobbyist is monitoring or tracking that may affect the County, the actions taken on such issues, and the recommendations for future actions on such issues. Each selected Proposer and each subcontractor shall also raise, discuss and recommend any affirmative legislative action that may benefit the County. Also, pursuant to Resolution No. R-1236-99, all County contracts and subcontracts for lobbying or representation at the state or federal level and/or individuals and firms hired to represent the County on intergovernmental issues must be approved by the Board of County Commissioners. As such, any subcontractors that a selected Proposer seeks to hire to fulfill the requirements of any contract issued as a result of this Solicitation must receive prior approval by the Board of County Commissioners.

B. Representation and Consulting Services

The selected Proposer shall provide governmental representation and consulting services requested by the County, for various subjects/issues assigned to the selected Proposer, including but not limited to those examples listed in Attachment A. The selected Proposer will receive issue and project assignments based on the County's annual legislative package.

The selected Proposer shall:

1. Report and meet with the County on a weekly basis, or on an as needed basis, while the Congress is in session on those issues important to the County and the actions taken on such issues.

2. Report and meet with the County on a monthly basis when the Congress is not in session.

3. Prepare monthly written reports, in a timely manner, advising the County of the current status of all issues that the selected Proposer is monitoring or tracking that may affect Miami-Dade County, the actions taken on such issues, and recommendations for future actions on such issues. Reports shall be provided in a format, and with a level of detail, acceptable to the County. (Note: An invoice will not be accepted by the County as proper, and ready for payment, if the selected Proposer has outstanding reports due from that invoice period or earlier.)

   The monthly reports shall be provided by the selected Proposer to the Chairman and Members of the Board of County Commissioners, Commission Auditor, and Office of Intergovernmental Affairs.

4. Raise, discuss and recommend any affirmative legislative action that may benefit the County.

5. Be available, if requested, on a twenty-four hour basis during the session: assisting in writing, interpreting, and monitoring legislation and regulations; drafting legislation, amendments, proviso language, position papers, and testimony; and providing monthly written progress reports detailing services that have been rendered.

6. Provide a full range of lobbying, legislative counsel and advocacy services including preparing reports and advising the County of the current status of legislation while Congress is in session.

7. Integrate its efforts with the County's Office of Intergovernmental Affairs to ensure a strong consistent legislative program.

8. Be prepared to obtain documentation and research materials upon request.

9. Forward all required reports to the County upon request by the County in the number of copies as requested by the County for that particular instance.

10. Upon request, arrange for meetings, including Members of the Miami-Dade County Delegation, with Members of Congress as well as Members in leadership positions such as Chairman and Ranking Members of key committees. Arrange meetings with senior staff of Congressional Committees and key officials at both the White House and key Administrative Agencies.

2.3 OPTIONAL SERVICES

The County may request optional services such as travel for special projects, and food, non-alcoholic beverage and reception services directly related to County lobbying efforts. All optional services and related expenses require prior written County approval.

3.0 RESPONSE REQUIREMENTS

3.1 Submittal Requirements

In response to this Solicitation, Proposer should **return the entire completed Proposal Submission Package** (see attached). Proposers should carefully follow the format and instructions outlined therein. All documents and information must be fully completed and signed as required.

The proposal shall be written in sufficient detail to permit the County to conduct a meaningful evaluation of the proposed services. However, overly elaborate responses are not requested or desired.

4.0 EVALUATION PROCESS

4.1 Review of Proposals for Responsiveness

Each proposal will be reviewed to determine if the proposal is responsive to the submission requirements outlined in this Solicitation. A responsive proposal is one which follows the requirements of this Solicitation, includes all documentation, is submitted in the format outlined in this Solicitation, is of timely submission, and has the appropriate signatures as required on each document. Failure to comply with these requirements may result in the proposal being deemed non-responsive.

4.2 Evaluation Criteria

Responsive proposals will be evaluated by an Evaluation/Selection Committee on the following criteria, each having equal importance to the County.

1. Proposer's relevant experience, qualifications, past performance, and capabilities

2. Relevant experience and qualifications of key personnel, including key personnel of subcontractors, that will be assigned to this project, and experience and qualifications of subcontractors

3. Proposer's understanding of major metropolitan county issues, including specific knowledge of Miami-Dade County, Proposer's ability to establish, maintain and enhance working relationships between County elected officials and staff, and the executive and legislative branches of the federal government and relevant federal agencies, and Proposer's relationship with President Obama's Administration and House and Senate leadership

4.3 Oral Presentations

Upon completion of, or as part of, the criteria indicated above, the Evaluation/Selection Committee may choose to conduct an oral presentation with the Proposer(s) which the Evaluation/Selection Committee deems to warrant further consideration. (See **Form A-2** regarding registering speakers in the proposal for oral presentations.) Upon completion of the oral presentation(s), if any, the Evaluation/Selection Committee will re-

evaluate the proposals remaining in consideration based upon the written documents combined with the oral presentation.

4.4 Selection Factor

This Solicitation includes a selection factor for Miami-Dade County Certified Small Business Enterprises (SBE's) as follows. An SBE/Micro Business Enterprise must be certified by the Department of Small Business Development for the type of goods and/or services the Proposer provides in accordance with the applicable Commodity Code(s) for this Solicitation. For certification information contact the Department of Small Business Development at (305) 375-2378 or access www.miamidade.gov/sba. The SBE/Micro Business Enterprise must be certified by proposal submission deadline, at contract award, and for the duration of the contract to remain eligible for the preference. Firms that graduate from the SBE program during the contract may remain on the contract.

Whenever there are two best ranked proposals that are substantially equal and only one of the two so ranked proposals is submitted by a Proposer entitled to a selection factor, the selection factor shall be the deciding factor for award.

4.5 Local Certified Service-Disabled Veteran's Business Enterprise Preference

A Miami-Dade County Local Certified Service-Disabled Veteran's Business Enterprise preference is not applicable to this Solicitation.

4.6 Local Preference

Section 2-8.5 of the Miami-Dade County Code, which, except where contrary to federal or state law, or any other funding source requirements, provides that preference be given to local businesses has been waived for this Solicitation and, therefore, is not applicable.

4.7 Evaluation/Selection Committee Recommendation

The County may award a contract(s) on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the Proposer's best terms.

The Evaluation/Selection Committee will evaluate proposals and submit the results to the Board of County Commissioners as to which Proposers (up to 6) are best qualified to render the required services. While this solicitation does not anticipate a minimum number of Proposers to be recommended, the County's intent is to forward a reasonable number of best qualified Proposers for further consideration by the Board. The Board will determine with which Proposer(s) the County shall award, if any.

Any Proposer recommended shall complete a Collusion Affidavit, in accordance with Sections 2-8.1.1 of the Miami-Dade County Code as amended by Ordinance 08-113. (If a Proposer fails to submit the required Collusion Affidavit, said Proposer shall be ineligible for award.)

Any Proposer recommended may be required to provide to the County information concerning any prior or pending litigation, either civil or criminal, involving a governmental agency or which may affect the performance of the services to be rendered herein, in which the Proposer, any of its employees or subcontractors is or has been involved within the last three years.

4.8 Contract Award

All Proposers will be notified in writing when an award is made. The contract award, if any, shall be made to the Proposer(s) whose proposal(s) shall be deemed by the County to be in the best interest of the County. The County's decision of whether to make the award and to which Proposer(s) shall be final.

Concurrent with entering this Agreement, the Contractor, on behalf of itself and any and all employees, partners, and subcontractors, shall provide the Executive Director of the Office of Intergovernmental Affairs a copy of the 2012 federal legislative and executive Lobbyist Registration Forms for each and every client the Contractor and its employees, partners, and subcontractors represents at the time this Agreement is entered. A position in opposition to a County position may take the form of an adverse policy position or fiscal impact on the County, either direct or indirect. A position in opposition to a County position is not limited to a position that conflicts with an express provision of the legislative package adopted by the Board of County Commissioners. It may also arise in other areas. Not every County interest can be anticipated or enumerated in the County's legislative package, and issues arise and change over the course of the legislative process. It is incumbent on the Contractor and its employees, partners, and subcontractors to remain mindful of the County's policy and fiscal interests and positions vis-à-vis other clients. If an actual or perceived conflict arises, the Contractor and/or subcontractor must advise the Executive Director of the Office of Intergovernmental Affairs immediately in writing and seek a waiver of the conflict before the Board of County Commissioners prior to representing the adverse interest or position.

The Executive Director of the Office of Intergovernmental Affairs reserves the right to question the Contractor regarding any client or any potential and/or perceived conflict.

Once a conflict waiver request has been received by the County, the County Manager or designee, in consultation with the County Attorney's Office, reserves the right to take, in his sole discretion, any action regarding a waiver request, including but not limited to the following: (i) allow a waiver and allow the Contractor, and/or employee, partner, or subcontractor to continue to represent both the County and the other party; (ii) disallow a waiver and require the Contractor and/or employee, partner, or subcontractor to choose between representing the County or the other party, or to discontinue representing the other party; (iii) allow a limited waiver and require the Contractor and/or employee, partner, or subcontractor to continue to represent both the County and the other party under whatever limitations or restrictions the County Manager or designee, in consultation with the County Attorney's Office, determines to be appropriate. Any such actions by the County Manager or designee shall only be effective until the Board of County Commissioners has considered the conflict issue.

The Board of County Commissioners may take, in its sole discretion, any action regarding a waiver request, including but not limited to the following: (i) grant a waiver and allow the Contractor, and/or employee, partner, or subcontractor to continue to represent both the County and the other party; (ii) refuse to grant a waiver and require the Contractor and/or employee, partner, or subcontractor to choose between representing the County or the other party, or to discontinue representing the other party; (iii) refuse to grant a waiver and void its contract with the Contractor, and/or employee, partner, or subcontractor; (iv) grant a limited waiver and allow the Contractor

and/or employee, partner, or subcontractor to continue to represent both the County and the other party under whatever limitations or restrictions the County, in its sole discretion, determines to be appropriate.

Pursuant to Resolution No. R-1236-99, the Contractor and each subcontractor shall prepare reports at least monthly advising the Commission of the current status of all issues that the lobbyist is monitoring or tracking that may affect the County, the actions taken on such issues, and the recommendations for future actions on such issues. The Contractor and each subcontractor shall also raise, discuss and recommend any affirmative legislative action that may benefit the County.

Also, pursuant to Resolution No. R-1236-99, all County contracts and subcontracts for lobbying or representation at the state or federal level and/or individuals and firms hired to represent the County on intergovernmental issues must be approved by the Board of County Commissioners.

Pursuant to Resolution No. R-232-01, County lobbyists are instructed to limit legislative initiatives and funding requests on behalf of the County to those that have been approved by the Board of County Commissioners and/or set forth in the legislative package.

____ Contractor has read, understands and agrees to abide by the conflict of interest and other provisions contained in this section 4(f).

ARTICLE 5. CONTRACT TERM

The Contract shall become effective on the date on the first page and shall be for the duration of one (1) year. The County, at its sole discretion, reserves the right to exercise the option to renew this Contract for a period for three (3) additional years on a year-to-year basis. The County reserves the right to exercise its option to extend this Contract for up to one hundred-eighty (180) calendar days beyond the current Contract period and will notify the Contractor in writing of the extension.
