

# Memorandum

Date: September 4, 2012

To: Honorable Chairman Joe A. Martinez  
and Members, Board of County Commissioners

From: Carlos A. Gimenez  
Mayor 

Subject: First Amendment to the Lease and Concession Agreement for the Luggage Cart  
Concession Program at Miami International Airport with Smarte Carte, Inc.

Agenda Item No. 8(A)(1)

Resolution No. R-671-12

## RECOMMENDATION

It is recommended that the Board of County Commissioners 1) approve the First Amendment to the Lease and Concession Agreement for the Luggage Cart Concession Program at Miami International Airport (MIA) between Miami-Dade County and Smarte Carte, Inc., 2) waive formal bid procedures pursuant to Section 5.03 (D) of the Home Rule Charter and Section 2-8.1 of the Miami-Dade County Code, and 3) authorize the Aviation Director to impose luggage cart charges in the Federal Inspection Service (FIS) area. This First Amendment addresses the operational need to upgrade the luggage carts by requiring Smarte Carte at its own expense to provide new equipment with brakes and additional front wheels.

## SCOPE

Miami International Airport is located primarily within Commissioner Rebeca Sosa's District Six; however, the impact of this agenda item is countywide as MIA is a regional asset.

## FISCAL IMPACT/FUNDING SOURCE

This recommendation will reverse a current annual expense of \$1.3 million and instead generate an estimated \$1.9 million in revenue; a net \$3.2 million annual benefit to MIA. Smarte Carte, Inc. pays the greater of a Minimum Annual Guarantee (MAG) of \$233,354 or 32% of gross revenue.

## TRACK RECORD/MONITOR

Smarte Carte, Inc., is current in all its obligations and continues to provide above satisfactory services to MIA. The Miami-Dade Aviation Department (MDAD) Project Manager is Chief of Airport Concession Business Development Adrian Songer.

## COMPLIANCE DATA

There is no history of violations for this firm in the County's Small Business Development database. The Agreement with Smarte Carte has a 20% ACDBE goal, with an achievement of 21.7% in the last three fiscal years.

## BACKGROUND

The Luggage Cart Concession Program RFP No. MDAD-08-05 was advertised on June 15, 2006, for a qualified firm to furnish, install, operate, manage, and maintain a first-class luggage cart concession program in the areas of the Airport as defined by the Airport Layout Plan as may be adjusted from time to time. The Concession Agreement was awarded to Smarte Carte, Inc., effective November 1, 2007, for an initial term of five years and one two-year extension period. The current Agreement will terminate on October 31, 2014.

Smarte Carte currently provides carts in the domestic area of the Terminal, as well as the Federal Inspection Service (FIS) area for international passengers. These carts may be taken by passengers to other areas of the Terminal, Parking Garages and to the Rental Car Center through the use of the newly opened MIA Mover train.

At MDAD's request, Smarte Carte and MDAD met on October 7, 2011, to discuss MDAD's need for luggage carts equipped with a redesigned front wheel system, as well as the addition of a braking component to the carts. The single front wheel of the existing carts were sinking into the crevice between the station's platform and the new train that began operations to the new car rental facility. As a result, the carts were jamming at the entrance to the train, sometimes toppling the bags and causing damage to the doors of the trains.

Additionally, the existing carts had no brakes and therefore moved freely and unintentionally. The commencement of the use of the carts on the train therefore gave rise to the concern that if passengers failed to

hold the carts securely, or if the train stopped suddenly, passengers could be injured by a runaway cart thus posing a potential liability to MDAD. This point was stressed when the train's manufacturer and warrantor sought a release from such injury liability if MDAD did not stop passengers from using the existing carts. The new FIS area opening later this year includes a long, sharply declining exit ramp for passengers walking from the second to the first floor, where the implementation of the brakes will eliminate the additional potential for "runaway" carts and injuries to passengers.

It was therefore urgent to secure carts with both a newly designed front wheel system that would not jam in the train doorways and a brake system that prevented the carts from rolling unintentionally. For these two crucial reasons, MDAD requested that Smarte Carte consider providing all new carts with the aforementioned features.

Smarte Carte had concerns about moving forward with a new equipment investment of \$1.5 million while entering the last year of their initial term; an investment which historically would only be made at the commencement of a contract term. Based upon the urgency and potential liability to MDAD, MDAD agreed to prepare an Amendment to recommend granting Smarte Carte an additional term of five years and a one two-year extension; essentially treating the contract as if it was at its commencement. Smarte Carte has since spent \$1.5 million to procure new carts with brakes and two front wheels at MDAD's request, all of which have been deployed at MIA.

MDAD also intends to expand the user-pay system throughout all areas of the airport. Currently, cart rental fees only apply to domestic passengers and the carts are available free of charge to international passengers. MDAD always intended to implement a User Pay Program throughout the airport; however, due to customer service concerns related to international passengers during the Capital Improvement Program; MDAD and the airlines decided to postpone its implementation until the North Terminal FIS construction is completed.

Smarte Carte currently provides carts in the domestic area of the Terminal for a fee (\$5.00 for rental of the cart) as well as the FIS area for international passengers (free of charge for international passengers). While Smarte Carte currently pays to MDAD the greater of a MAG or 32% of gross revenue based on the domestic sales, the Department pays 70 cents per cart entering the FIS area. The cost of the FIS carts is greater than that of the Domestic gross revenue. As a result, even though this is a Concession Agreement, the Aviation Department paid Smarte Carte \$1,481,938 in fiscal year 2011 for the use of carts in the international area.

MDAD has consulted with the Miami Airport Affairs Committee (MAAC) that represents the airlines operating at MIA. Both MDAD and MAAC recommend that once the FIS in the North Terminal is completed, the rental fee for the carts should also be imposed in the international area of the FIS in an effort to grow non-aeronautical revenue. Such non-aeronautical revenue is needed to assist with increased operational costs and debt service associated with the newly constructed airport facilities.

### Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). If you do not have a number, see *How to get a TIN* on page 3.

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and

3. I am a U.S. citizen or other U.S. person (defined below).

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 4.

### General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

#### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
