Memorandum

Date: October 2, 2012

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Accepting Conveyance of Vacant Land from Habitat for Humanity of Greater Miami, Inc. Authorizing the County Mayor to Dispose of Said Land in Accordance With Florida Statute 125.35. Authorizing the Waiver of Administrative Order 8-4 as it Pertains to Review by the Planning Advisory Board

Recommendation

It is recommended that the Board of County Commissioners (Board):

- Accept conveyance of one (1) vacant Infill Housing lot (the "Property") from Habitat for Humanity of Greater Miami, Inc. (Habitat), to the County;
- Remove the Property for the Infill Housing Initiative Program;
- Declare the Property to be County surplus property;
- Authorizes the County Mayor or County's designee to sell or convey said property in accordance with Florida Statute 125.35 for a price that is not less than fair market value to be determined by an independent State Certified appraiser or the Property Appraiser; and
- Waives Administrative Order 8-4 as it relates to review by the Planning Advisory Board.

Scope

The 5,000 square foot lot, folio number 01-3114-018-1050 is located at 6846 NW 15 Avenue, and has a 2012 assessed value of \$50,000. The lot is located in Commission District 3.

Fiscal Impact/Funding Source

The land will be conveyed to the County for the nominal ten dollars (\$10) consideration. Public Housing and Community Development has estimated the annual maintenance cost for the lot will be \$225.00.

Track Record/Monitor

A Quit Claim Deed (Attachment A) has been executed by Habitat transferring the property to the County. Public Housing and Community Development will ensure that the Deed is properly filed and recorded with the Clerk of the Courts. The lot will go back into the County's surplus land inventory administered and maintained by Public Housing and Community Development. This project will be monitored by Jorge Cibran, Director Facilities and Development.

Delegation of Authority

Authorize the County Mayor or County Mayor's Designee to sell or convey the Property to the highest and best bidder and authorizes the Chairperson or Vice Chairperson to execute County Deeds for such purpose.

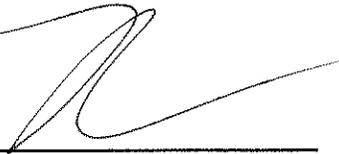

Background

Habitat initially requested the County convey the lot to them as part of their effort to build affordable housing in the HOPE VI Target Area. The Board authorized the conveyance of the lot to Habitat pursuant to Resolution No. R-1356-09, which was adopted December 1, 2009.

Habitat has maintained the property as agreed, and performed their due diligence to develop the property; however, due to the commercial zoning designation of the lot, representatives from the City of Miami have advised Habitat that the lot is best suited for commercial development, as it is located in an already established commercial corridor. In order to accommodate the City's long term plans for the community, Habitat seeks to return the property to the County in accordance to the reverter in the County Deed and County Agreements. There are no encumbrances or unpaid taxes due on the lot.

The procedures and conditions for the sale and conveyance of County-owned real property are set forth in Florida Statutes section 125.35, which states, in part, that "The Board of County Commissioners is expressly authorized to sell and convey any real or personal property, and to lease real property, belonging to the County, whenever the Board determines that it is to the best interest of the County to do so, to the highest and best bidder for the particular use the Board deems to be the highest and best, for such length of term and such conditions as the governing body may in its discretion determine."

Resolution: R-1356-09 Adopted 12/1/2009

Dear Mr. Eson:

Thanks to the assistance of the Miami-Dade County's Infill Housing Program, Habitat for Humanity of Greater Miami is in the midst of one of our most aggressive construction schedules ever. We are aspiring to build 90 new homes in 2012, by far the most homes that we have been able to construct in one particular year. Most of our homes came from land provided by Miami Dade through the Infill Housing Program. Ours is a wonderful partnership which I hope will continue for a long time.

Recently, Habitat received notification from representatives from the City of Miami regarding an Infill property under Habitat's control. The parcel, located at 6846 NW 15 Avenue was to be developed as a single family home. Upon review of the parcel, we realized that the parcel is located in the middle of a commercial corridor. Therefore, the City and Habitat feel the lot would serve the community better if developed commercial and that it would be best for the overall master plan for an active and vibrant commercial corridor. In order to be cooperative with the City's longer term plans for the community, Habitat is withdrawing its plans to construct a single family home at this location and consequently Habitat wishes to return the lot to the County because the parcel cannot be developed as required in the County Deed that conveyed the lots to Habitat. Habitat requests that the Board authorize the conveyance of this lot from Habitat pursuant to Resolutions No. R-41356-09 adopted December 1, 2009 for Folio No. 01-3114-018-1050 located in District 2.

By way of this letter, we are officially requesting to commence the process of conveying said parcel back to Miami Dade County. I suspect that in a parallel process you will hear from the City of Miami to acquire the parcel so they can incorporate it into their master plan. Perhaps the return and the conveyance can be coordinated through one County resolution.

Attached please find an unrecorded Quit Claim Deed and if you need additional documentation please let me know what documentation, if any, you require from us to proceed with this request. Again, we thank you for your continued assistance and look forward to a continuing the partnership between Miami-Dade County and Habitat for Humanity of Greater Miami.

All my best,

Mirio Artecona
