Memorandum

Date: September 4, 2012

To: Honorable Chairman Joe A. Martinez
and Members, West Perrine Community
Redevelopment Agency

From: Carlos A. Gimenez
Mayor 

Subject: Memorandum of Understanding between the West Perrine Community Redevelopment Agency and Neighbors and Neighbors, Inc. for the Commercial Grant Program

Recommendation

It is recommended that the West Perrine Community Redevelopment Agency Board (Board) adopt the attached Resolution approving a Memorandum of Understanding (Agreement) between the West Perrine Community Redevelopment Agency (Agency) and Neighbors and Neighbors, Inc. (NANA) to help implement the Agency's Commercial Rehabilitation Program (Rehabilitation Program) within the West Perrine Community Redevelopment Area (Area) and authorize its execution by the Chairperson or Chairperson's designee.

Scope of Agenda item

This resolution approves the Agreement with NANA, who will assist the Agency in carrying out the Rehabilitation Program established to assist commercial properties located in the Area with upgrades. The Area lies within County Commission District 9.

Fiscal Impact/Funding Source

The Rehabilitation Program is funded in the Agency's FY 2011-12 budget at \$50,000. In addition, the FY 2011-12 budget includes \$10,000 for NANA to administer the program on behalf of the Agency.

The Agency's revenue source is generated through the incremental growth of ad valorem revenues beyond an established base year, tax increment financing (TIF), as defined in Section 163.387 of Florida State Statutes. This program will improve the visibility and aesthetics of the area, therefore enhancing property values and generating additional TIF revenue in future years. Additionally, the program will help business owners address issues with their properties to correct code violations and necessary repairs as well as aesthetic improvements.

Track Record/Monitor

The Office of Strategic Business Management will monitor the Agreement with NANA.

Background

On June 5, 2007, the Board of County Commissioners (BCC) approved the establishment of the Agency when it approved the Agency's Community Redevelopment Plan (Plan) pursuant to Resolution R-744-07, and the funding of the Plan when it enacted Ordinance 07-79 (Trust Fund).

One of the Redevelopment Plan goals is the creation of a code compliance grant. The implementation of this program furthers the Agency's mission to reduce the slum and blight in the area, the reason for which the Agency was created. The Rehabilitation Program will provide financial assistance to qualified owners of property in the Agency to enhance visibility and area aesthetics in an effort to bring about increased property values and attract new business.

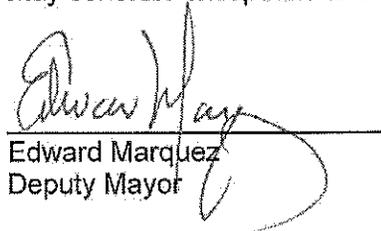

Honorable Chairman Joe A. Martinez
and Members, West Perrine Community Redevelopment Agency
Page 2

The Rehabilitation Program provides up to \$25,000 per applicant for upgrades to existing structures or property in the Area. In order to be eligible, a building would need to have commercial space on the ground floor with street frontage and direct pedestrian access from the street. Buildings with pending code violations would only be eligible if the work being funded corrects the violation. Eligible work includes but is not limited to: painting, roof repair, lighting, signage, landscaping, sewer hook-ups or any improvements required by the Americans with Disabilities Act.

NANA is a local not-for-profit organization that has been providing support to small businesses since 1995. The organization has been instrumental in the success of the Mom and Pop grant program funded through the County. Currently NANA has a business assistance center located at 22121 South Dixie Highway, which provides support to the local businesses in the area.

During each grant funding cycle, NANA will advertise the grants to the area businesses. There will be a set period when applications will be accepted, during which NANA staff will be available to help applicants with the applications. All applications received during that period will be considered for funding. NANA will rank the applications according to need (those applications correcting code violations will be given priority) and requested funding. Applications received after that initial period will only be considered if additional funds are available. NANA will work with staff to present the applications to the Agency's Board for consideration. Should the Agency's Board approve the applications, contracts between the Agency and business owner will be prepared and executed. NANA will monitor the progress of the work being performed and will only authorize payment once the work has been completed by a licensed contractor.

All grants are subject to approval by the Agency and available funding. All grants require that the applicant provide a match of at least 50 percent of the total cost of the improvement. The Agency may consider exceptions to the match requirement in the event of an extreme hardship.

**ARTICLE XI
CONFLICT OF INTEREST**

- A. No person under the employ of the CRA, who exercises any function or responsibilities in connection with this Agreement, has at the time this Agreement is entered into, or shall have during the term of this Agreement, any personal financial interest, direct or indirect, in this Agreement.
- B. **Nepotism.** Notwithstanding the aforementioned provision, no relative of any officer, board of director, manager, or supervisor employed by NANA shall be employed by NANA unless the employment preceded the execution of this Agreement by one (1) year. No family member of any employee may be employed by NANA if the family member is to be employed in a direct supervisory and/or administrative relationship either supervisory or subordinate to the employee. The assignment of family members in the same organizational unit shall be discouraged. A conflict of interest in employment arises whenever an individual would otherwise have the responsibility to make, or participate actively in making decisions or recommendations relating to the employment status of another individual if the two individuals (herein sometimes called "related individuals") have one of the following relationships:
1. By blood or adoption: Parent, child, sibling, first cousin, uncle, aunt, nephew, or niece;
 2. By marriage: Current or former spouse, brother- or sister-in-law, father- or mother-in-law, son- or daughter-in-law, step-parent, or step-child; or
 3. Other relationship: A current or former relationship, occurring outside the work setting that would make it difficult for the individual with the responsibility to make a decision or recommendation to be objective, or that would create the appearance that such individual could not be objective. Examples include, but are not limited to, personal relationships and significant business relationships.

For purposes of this section, decisions or recommendations related to employment status include decisions related to hiring, salary, working conditions, working responsibilities, evaluation, promotion, and termination.

An individual, however, is not deemed to make or actively participate in making decisions or recommendations if that individual's participation is limited to routine approvals and the individual plays no role involving the exercise of any discretion in the decision-making processes. If any question arises whether an individual's participation is greater than is permitted by this paragraph, the matter shall be immediately referred to the Miami-Dade County Commission on Ethics and Public Trust.

This section applies to both full-time and part-time employees and voting members of NANA's Board of Directors.

- C. No person, including but not limited to any officer, board of directors, manager, or supervisor employed by NANA, who is in the position of authority, and who exercises any function or responsibilities in connection with this Agreement, has at the time this Agreement is entered into, or shall have during the term of this Agreement, received any of the services, or direct or instruct any employee under their supervision to provide such services as described in the Agreement. Notwithstanding the before mentioned provision, any officer, board of directors, manager or supervisor employed by the NANA, who is eligible to receive any of the services described herein may utilize such services if he or she can demonstrate that he or she does not have direct supervisory responsibility over NANA's employee(s) or service program.

ARTICLE XII GENERAL PROVISIONS

- A. Notwithstanding any provisions of this MOU to the contrary, the parties shall not be held liable for any failure or delay in the performance of this MOU that arises from fires, floods, strikes, embargoes, acts of the public enemy, unusually severe weather, outbreak of war, restraint of Government, riots, civil commotion, force of nature, acts of God, or for any other cause of same character which is unavoidable through the exercise of due care and beyond the control of the parties. Failure to perform shall be excused during the continuance of such circumstances, but this MOU shall otherwise remain in effect.
- B. In the event any provisions of this MOU shall conflict, or appear to conflict, the MOU, including all exhibits, attachments and all other documents specifically incorporated by reference, shall be interpreted as a whole to resolve any inconsistency.
- C. Failures or waivers to insist on strict performance of any covenant, condition, or provision of this MOU by the parties, their successors and assigns shall not be deemed a waiver of any rights or remedies, nor shall it relieve the other parties from performing any subsequent obligations strictly in accordance with the term of this MOU. No waiver shall be effective unless in writing and signed by the party against whom enforcement is sought. Such waiver shall be limited to provisions of this MOU specifically referred to therein and shall not be deemed a waiver of any other provision. No waiver shall constitute a continuing waiver unless the writing states otherwise.
- D. Should any term or provision of this MOU be held, to any extent invalid or unenforceable, as against any person, entity or circumstance during the term hereof, by force of any statute, law, or ruling of any forum of competent jurisdiction, such invalidity shall not effect any other term or provision of this MOU, to the extent that the MOU shall remain operable, enforceable and in full force and effect to the extent permitted by law.
- E. This MOU may be amended only with the written approval of the parties hereto.

F. This MOU states the entire understanding and agreement between the parties and supersedes any and all written or oral representations, statements, negotiations, or agreements previously existing between the parties with respect to the subject matter of this MOU. The parties recognize that any representations, statements or negotiations made by the staff of either party does not suffice to legally bind either party in a contractual relationship unless they have been reduced to writing and signed by their authorized representative(s). This MOU shall inure to the benefit of and shall be binding upon the parties, their respective assigns, and successors in interest.

IN WITNESS WHEREOF, the parties or their duly authorized representatives hereby execute this MOU on the date first written above.
