**Date:** October 2, 2012

**To:** Honorable Chairman Joe A. Martinez  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor 

**Subject:** Recommendation for Award: Development and Operation of a Water Sports Complex  
at Amelia Earhart Park

Agenda Item No. 8(H)(4)

Resolution No. R-781-12

## Recommendation

It is recommended that the Board of County Commissioners approve award of a License Agreement to Miami Wake Board Cable Complex d/b/a Miami Watersports Complex (Licensee) for RFP803 - *Development and Operation of a Wakeboard Cable Complex at Amelia Earhart Park*. The License Agreement is for the development and operation of a water sports complex at Amelia Earhart Park for the Parks, Recreation and Open Spaces Department (PROS).

The Licensee will develop a water sports complex that will consist of a state-of-the-art cable skiing system and related infrastructure, and offer other water-related sports activities, instructions and lessons, as well as provide concessions and bathroom facilities, at no cost to the County. The County will receive a minimum annual guaranteed rent or a percentage of gross receipts, whichever is greater, as described further below.

## Scope

The impact of this item is countywide in nature. Amelia Earhart Park is located in Commission District 13.

## Fiscal Impact and Funding Source

The minimum estimated revenue to PROS is \$840,000 over the initial twenty-year term, based on the negotiated minimum annual guaranteed rent of \$42,000 per year. However, if the Licensee's gross receipts are between \$525,000 and \$1,250,000 per year, the rent due to the County will be calculated at 8 percent of the Licensee's monthly gross receipts. As an example, if the Licensee generates \$1,000,000 in annual gross receipts, the rent due to the County will be \$80,000 per year, or, \$1,600,000 over the initial twenty-year term. Additionally, the percentage of gross receipts will increase to 10 percent on the portion of yearly revenues that exceed \$1,250,000. This License Agreement also provides for two, five-year option-to-renew terms, with the same financial terms.

## Track Record/Monitor

The license agreement will be monitored by Jon Seaman, Contracts Manager of the Parks, Recreation and Open Spaces Department. Andrew Zawoyski, CPPO, of the Internal Services Department is the Procurement Contracting Officer.

## Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise, at their discretion, cancellation provisions, subsequent options-to-renew and other extensions in accordance with the terms and conditions of the license agreement.

## Due Diligence

Due diligence was conducted in accordance with the Internal Services Department's Procurement Guidelines to determine contractor responsibility, including verifying corporate status and that there are no performance or compliance issues. The lists that were referenced include: convicted vendors,

debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to Contractor responsibility. This information is being provided pursuant to Resolution R-187-12.

**Vendor Recommended for Award**

A Request for Proposals was issued under full and open competition on December 7, 2011. Award of this License Agreement was to the highest-ranked proposer offering the best value to the County.

<b>Vendor</b>	<b>Address</b>	<b>Principal</b>
Miami Wake Board Cable Complex, d/b/a Miami Watersports Complex	95 Merrick Way, Ste. 380 Coral Gables, FL	Michael Fay

**Vendor(s) Not Recommended for Award**

None, as there was only one proposer.

**Applicable Ordinances and Contract Measures**

- At the time this solicitation was issued, Small Business Enterprise measures did not apply to revenue-generating contracts.
- Local Preference was applied in accordance with the Ordinance.
- The Living Wage Ordinance does not apply.
- The two percent User Access Program provision does not apply to revenue-generating contracts.

**Background**

The County issued a Request for Proposal (RFP) to solicit proposals from experienced and capable parties to develop, finance, design, construct, operate, and maintain a wakeboard cable complex and provide related services (e.g. wakeboarding, waterskiing, wake surfing, tubing, and kneeboard rentals and lessons) at Amelia Earhart Park for the Parks, Recreation and Open Spaces Department.

The County only received one proposal, which was from a vendor that is currently operating a scaled-down version of a wakeboard complex at Amelia Earhart Park under a permit issued by PROS. Prior to issuing the solicitation, the County held an Industry Day to conduct market research and notify relevant parties that the County was interested in developing a water sports complex. Additionally, the solicitation was advertised in local newspapers and notices of the solicitation were forwarded to over 900 potentially interested parties.

As further described in the attached Report of the Evaluation/Selection Committee (Committee), the proposal was evaluated and scored. After completion of the oral presentation, the Committee recommended that staff enter into negotiations with Miami Wake Board Cable Complex, d/b/a Miami Watersports Complex. During negotiations staff was able to negotiate a significantly increased monthly gross receipts percentage due to the County. Additionally, the recommended firm will be making a capital investment of approximately \$2,000,000 in the equipment and infrastructure improvements necessary to fully develop this project. As such, this License Agreement represents a potentially significant revenue-generating opportunity for the County that will also further enhance Amelia Earhart Park as a countywide attraction for use by our residents.

Additionally, the Licensee shall have the right to use existing parking, restrooms and concession trailer, two storage containers, and/or Licensee constructed supporting infrastructure, concession area, restrooms, locker rooms, office space, and any additional parking.

3. **Operations:** Except when and to the extent that the Complex may be untreatable by reason of damage by fire, hurricane, or other casualty, Licensee shall continuously and uninterruptedly use, occupy and operate for purposes outlined herein all of the Complex other than such minor portions thereof as are reasonably required for storage and office purposes, and such storage and office space shall only be used in connection with the business conducted by Licensee in the Complex; and will have on the premises adequately trained uniformed personnel for efficient service to customers.
4. **Limitations on Use:** Subject to Licensee's right to use the Complex for the purposes specified in this License Agreement, Licensee shall not suffer or permit the Complex or any part thereof to be used in any manner, or anything to be done therein, or suffer or permit anything to be brought into or kept therein, which would in any way (i) violate any legal requirements or insurance requirements; (ii) cause structural injury to the Complex or any part thereof; (iii) constitute a public or private nuisance; (iv) impair the appearance of the Complex; (v) materially impair or interfere with the proper and economic cleaning, heating, ventilating or air-conditioning of the Complex or the proper and economic functioning of any other common service facility or common utility of the Complex; (vi) impair or interfere with the physical convenience of any of the occupants of the Complex; (vii) impair any of the Licensee's other obligations under this License Agreement or (viii) violate Article 7 of the Home Rule Charter.

Licensee shall at all times comply with the terms and conditions of each license and permit.

6. **Non-Exclusivity:** This License Agreement is non-exclusive in character and in no way prevents the County from authorizing or offering competitive services, products or items by other vendors or others in other premises owned and operated by the County or from authorizing other unrelated concession services within the Park; provided however, the County shall not authorize or offer services directly competitive to the Licensee on the Lake or that creates wakes on the Lake that reasonably would interfere with the safe and comfortable use of the Complex by riders. The Licensee shall have no rights to any other location that may be made available by the County.
7. **Proposal Incorporated:** The Licensee acknowledges that it has submitted to the County a proposal ("Licensee's Proposal") that was the basis for the award of this License Agreement and upon which the County has relied.

County's Project Manager.

The Licensee agrees to provide input on policy issues in the form of recommendations. The Licensee agrees to implement any and all changes in providing Services hereunder as a result of a policy change implemented by the County. The Licensee agrees to act in an expeditious and fiscally sound manner in providing the County with input regarding the time and cost to implement said changes and in executing the activities required to implement said changes.

11. **Term:** The County hereby grants a License Agreement to manage and operate for an initial term of twenty (20) years, the premises described in this License Agreement to be operated as a Complex. The term and commencement date of this License Agreement, herein referred to as the License Agreement Effective Date, shall begin on the date indicated in the first page of this Agreement, and shall end on the last day of the two-hundred and fortieth (240) month.
12. **Option to Renew:** This License Agreement may be renewed for two (2), five (5) year periods as follows: At the County's sole discretion and provided that there has been no default of the License Agreement by the Licensee, the Licensee may by written notice to, and upon approval by, the Department at least six months before the end of the then current term but in no event earlier than one year prior to the end of the then current term, renew the License Agreement for the first five year renewal period. Additionally, provided that there has been no default of the License Agreement by the Licensee, the Licensee may by written notice to, and upon approval by, the Department at least six months before the end of the then current term but in no event earlier than one year prior to the end of the then current term, renew the License Agreement for the second five year renewal period. All renewal periods shall run consecutively so as to make this Agreement continuous in its operation from beginning to its termination, for a period up to thirty (30) years.

The County reserves the right to exercise its option to extend this License Agreement for up to one hundred-eighty (180) calendar days beyond the current License Agreement period and will notify the Licensee in writing of the extension. This Agreement may be extended beyond the initial one hundred-eighty (180) calendar day extension period by mutual agreement between the County and the Contractor, upon approval by the Board of County Commissioners.

13. **Security Deposit:** Prior to the start of the License Agreement, the Licensee shall furnish a Security Deposit in cash or cashier's check payable to the Board of County Commissioners, equal to three (3) months Guaranteed Monthly Rent or \$5,000.00 whichever is greater. Redeemable at the end of the License Agreement term except for such conditions pertinent thereto, additionally, if the County must draw upon any amount owed to the County for this License Agreement, Licensee hereby agrees to restore the security to its original amount within seven (7) days of receiving notice by the County that the security was drawn upon. In the event the Licensee abandons its performance, the County will retain the security deposit. No interest on the Security Deposit will be owed to the Licensee.
14. **Initial Rent:** Licensee, in consideration of the use of the land does hereby covenant and agree with the County to pay to the County without deduction or set off of any kind the sum of \$1,392.00 (plus tax) per month for the Initial Rent period on the first day of each month without billing. The obligation to pay the Initial Rent shall commence on the License Agreement Date and shall terminate upon the date the cable skiing system is completed and in revenue operation, as defined in the Guaranteed Monthly Rent Article.
15. **Guaranteed Monthly Rent:** In consideration of the use of the Licensed Property, Licensee

does hereby covenant and agree to pay to the County without deduction or set off of any kind the GREATER of (i) the sum of \$2,500 (plus tax) per month for use of the 45 acres of the eastern portion of North Lake plus the sum of \$1,000 (plus tax) per month so that the Licensee is able to use the remaining 46 acres of the western portion of North Lake for at least three weekends of such month as Guaranteed Monthly Rent is paid or (ii) the Percentage of Monthly Gross Receipts. Payment of the Guaranteed Monthly Rent shall commence on the date the cable skiing system is completed and in revenue operation, which shall be determined by the County, based on the earlier of:

(i) the date on which substantial completion of the Complex has occurred and the appropriate code enforcement agency has issued a Certificate of Occupancy (CO) or a Temporary Certificate of Occupancy (TCO) that enables the Licensee to occupy or utilize the Complex in a manner for its intended use;

or

(ii) the date on which the Licensee commences the use of any substantial portion of the Complex for its intended use - with or without a TCO or CO - (Beneficial Occupancy Date).

The Guaranteed Monthly Rent shall be adjusted upward at the end of each License Agreement Year based on the Consumer Price Index (CPI) under the City of Miami Group, for All Urban Consumers, under Other Goods and Services.

However, except as noted below, in no event shall the Date of Beneficial Occupancy be later than twelve (12) months after NTP-2 date as identified in Appendix B - Construction Rider.

Additionally Licensee shall coordinate with the Park Foundation of Miami-Dade to offer one thousand (1,000) 2-hr riding passes/experiences a year, which passes shall primarily be used by youth groups to use the Complex before or after regularly scheduled operating hours.

The Licensee may only be granted or entitled to an adjustment to the above twelve month period, due to unforeseen causes beyond the control and without the fault or negligence of the Licensee (force majeure) such as those caused by act of God or of a public enemy, war, acts of terrorism, sabotage, explosions, fire, floods, unusually severe weather, hurricanes, epidemics, pandemics, quarantine restrictions, strikes and other work stoppage caused by a labor dispute, shortage of materials and freight embargoes, provided that the Licensee has taken reasonable precautions to prevent delays due to such causes.

16. **Percentage of Monthly Gross Receipts - Percentage Fee:** Percentage Fee: As noted in Article 15, Licensee agrees to pay to the County monthly the greater of (i) the Guaranteed Monthly Rent, or (ii) an amount equal to:

8% (plus tax) of Monthly Gross Receipts on the first \$1,250,000 of yearly revenues; and, 10% (plus tax) of Monthly Gross Receipts on all amounts above \$1,250,000 of yearly revenues, hereinafter referred to as "Percentage Fee" within 15 days following the end of each month during the term of this License Agreement.

The yearly revenues calculation shall commence on the Beneficial Occupancy Date except if that date is some other date than the first of the month, which in that event the yearly calculation shall commence on the first day of the month after the Beneficial Occupancy Date.

17. **Sales Tax:** The Licensee shall be liable for the prevailing State of Florida Sales and Use Tax

imposed on rent (currently at the rate of 7%) on the amounts payable to the County, including the Guaranteed Monthly Rent and Percentage Fee payments, under this License Agreement. This Sales and Use Tax shall be payable to the County, when applicable rent is due. The County will remit same, less authorized handling deductions, to the State.

18. **Additional Taxes:** If at any time during the term of this License Agreement or any renewal thereof, under the laws of the State of Florida, or any political subdivision thereof, a tax, charge, capital levy, or excise on rents (fixed minimum or additional) or percentage fees, or other tax (except income tax), however described, against the County on account of the rent or percentage fees payable herein, such tax, charge, capital levy, or excise on rents or other taxes shall be deemed to constitute real estate taxes on the Complex and the premises for the purposes of this Paragraph.
19. **Taxes on Licensee's Personal Property:** Licensee shall be responsible for, and shall pay before delinquency, all municipal, county, or state taxes assessed against any occupancy interest or personal property of any kind, owned by or placed in, upon or about the Complex by Licensee.
20. **Late Payment Charge:** In the event that the Licensee fails to make any payments on time, by the due date, as required to be paid under the provisions of this License Agreement, a late payment charge of \$100.00 per month shall be assessed. The right of the County to require payment of such late payment charge and the obligation of the Licensee to pay same shall be in addition to and not in lieu of the County's rights to enforce other provisions herein, including termination of this License Agreement, or to pursue other remedies provided by law.
21. **Application of Payments:** Payments are applied to any unpaid balance in the following manner. Any accrued late fees are first deducted from the payment. The remaining payment balance is then applied proportionately to the Guaranteed Monthly Rent, then Percentage Fee, including the associated sales and use tax. Any remaining balance in the payment will be applied to any other balance due.
22. **Worthless Check or Draft:** In the event that the Licensee delivers a dishonored check or draft to the County in payment of any obligation arising under this License Agreement, the County shall incur and pay a service charge of \$10.00 or five percent (5%) of the face amount of the check, whichever is greater. For each such dishonored check, such payment shall be made within not more than five (5) days from written notice of such default. Further, in such event, County may require that future payments required pursuant to this License Agreement be made by cashier's check or other means acceptable to County. A second such occurrence of dishonored check during the License Agreement term will be a breach of contract and, at the County's option, will constitute a default allowing termination.
23. **Payment of Fees:** The Guaranteed Monthly Rent and Percentage Fee as well as other amounts payable by Licensee to the County, under the terms of this License Agreement, shall be paid promptly when due, without notice for any reason whatsoever and without abatement. Guaranteed Monthly Rent and Percentage Fee and all other payments provided for in this License Agreement shall be paid or mailed to:

25. **Interpretations:** This License Agreement and the Appendices hereto, and other documents specifically referred to herein, constitute the entire, fully integrated License Agreement between the parties with respect to the subject matter hereof and supersede all prior or contemporaneous verbal or written License Agreements between the parties with respect thereto, excepting any past or contemporaneous written or verbal Agreements expressly and clearly incorporated by reference within the four corners of this License Agreement. This

License Agreement may be amended only by written document, properly authorized, executed, and delivered by both parties hereto. For the County, appropriate authorization shall be construed to mean the County Mayor (or designee) or the Contract Manager (or designee) within this License Agreement shall have approval authority or the Board of County Commissioners (as applicable). This License Agreement shall be interpreted as a whole unit and paragraph headings are for convenience only. The License Agreement shall not be construed in favor of one party or the other. All matters involving the License Agreement shall be governed by laws of the State of Florida.

26. **Accord and Satisfaction:** No payment by Licensee or receipt by County of a lesser amount than any payment of Guaranteed Monthly Rent or Percentage Fee herein stipulated shall be deemed to be other than on account of the earliest stipulated Guaranteed Monthly Rent or Percentage Fee then due and payable, nor shall any endorsement or statement on any check or any letter accompanying any check or payment for Guaranteed Monthly Rent or Percentage Fee be deemed an accord and satisfaction. The County may accept such check or payment without prejudice to County's right to recover the balance of such Guaranteed Monthly Rent or Percentage Fee or pursue any other remedy provided in this License Agreement, at law or in equity. No covenant, term, or condition of this License Agreement shall be deemed to have been waived by County, unless such waiver be in writing by County, nor shall there be any accord and satisfaction unless expressed in writing and signed by both County and Licensee.

27. **Gross Receipts:**

A. **License Agreement Year Defined:** "License Agreement Year" means a twelve-month period beginning on the License Agreement Effective Date and ending twelve months thereafter.

B. **Gross Receipts Defined:** "Gross Receipts" means all monthly receipts collected by the Licensee from the sale of services or merchandise by Licensee, concessionaires of Licensee and sub-Licensee(s) of Licensee, sold in, upon or from the Complex, including such sales as shall in good faith be credited by Licensee, its concessionaires, and sub-Licensees in the regular course of its or their business to personnel employed at the time of sale at the Complex, including sub-concession Agreements or contract employee payments to the Licensee and mail and telephone orders received at the Complex and off-premises sales; but shall not be deemed to mean or include the following: amounts credited by Licensee or its concessionaires or sub-concessionaires for returned or defective merchandise; sales, excise and similar taxes; or the proceeds of sales of Licensee's trade fixtures, operating equipment or other property used by Licensee or its concessionaires in the operation of its business and not acquired or held by it for the purpose of sale. Sales shall be deemed to have been made when services or merchandise has been served, shipped or delivered or when charged against the purchaser on the books of Licensee, or its concessionaires, whichever of such events shall first occur.

C. **Licensee's Certification of Receipts:** Licensee shall submit to County on or before the 15<sup>th</sup> day following the end of each month during the term of this License Agreement and on or before the 15<sup>th</sup> day following the expiration or earlier termination of this License Agreement, a written statement, signed by Licensee and certified by it to be true and correct, showing the amount of Gross Receipts during the preceding month. Licensee shall submit to County on or before the 60<sup>th</sup> day following the end of each License Agreement year an Annual Written Statement, signed by Owner, CEO, or Financial officer of the Licensee and certified by it to be true and correct, setting forth the amount of Gross Receipts during the preceding License Agreement Year, which statement shall also be duly certified by an independent Certified

Public Accountant. The statement referred to herein shall be in such form and style and contain such details and breakdowns as County may reasonably determine or require.

D. Examination of Licensee's Books and Records: Such books and records as are necessary to determine the amount of any Percentage Fee payable to County shall be subject to examination by the County or its authorized representatives at reasonable times during Licensee's business hours, at County's expense and in such manner as not to interfere unreasonably with the conduct of Licensee's business. All information obtained by the County or its authorized representatives from Licensee's books and records shall be kept confidential by the County and all such representatives except in connection with any mortgage or assignment of this License Agreement for financing purposes or if subject to the requirements of Florida Public Records Act.

E. Licensee's Receipts Records: For the purpose of computing and verifying the Percentage Fee due hereunder, Licensee shall prepare and keep, for a period of not less than three (3) years following the end of each License Agreement Year, adequate books and records, including but not limited to those relating to inventories, purchases, and receipts of merchandise, and all sales and other pertinent transactions by Licensee. Such records shall subsequently conform to Generally Accepted Accounting Principles requirements, as applicable, and shall only address those transactions related to this License Agreement. Licensee shall record at the time of sale each receipt from sales or other transactions, whether for cash or on credit, in one or more sealed cash register or registers having a cumulative total. Licensee shall keep, for at least three (3) years following the end of each License Agreement Year, all pertinent original sales records, which records shall include (i) cash register tapes; (ii) serially-numbered sales slips; (iii) mail order; (iv) telephone orders; (v) settlement report sheets of transactions with subtenants, concessionaires, and licensees; (vi) records showing that merchandise returned by customers was purchased by such customers; (vii) receipts or other records of merchandise taken out on approval; (viii) income and sales tax returns; and (ix) such other records which would normally be examined and required to be kept by an independent accountant pursuant to generally accepted auditing standard in performing an audit of Licensee's Gross Receipts.

The acceptance by County of payments of Percentage Fee or reports thereon shall be without prejudice and shall in no case constitute a waiver of County's right to examination of Licensee's books and records of its Gross Receipts and inventories of merchandise.

F. Audit of Licensee's Business Affairs and Records: County shall have the right to cause, upon five (5) business days' written notice to Licensee, a complete audit to be made by a designated external auditing firm or other certified public accounting firm selected by County, or the Audit and Management Services Department of the County. Licensee shall make all such records available for said examination at the Complex or at some other mutually agreeable location. If the result of such audit shall show that Licensee's statement of Gross Receipts for any period has been understated, Licensee shall pay County the amount due. If such understatement is three percent (3%) or more, Licensee shall pay County the cost of such audit in addition to any deficiency payment required, plus ten percent (10%) of any such deficiency, all of which shall be collectible hereunder as rent. A report of the findings of said accountant shall be binding and conclusive upon County and Licensee. The furnishing by Licensee of any grossly inaccurate statement shall constitute a breach of this License Agreement. Any information, excluding written documents, obtained by County as a result of such audit shall be held in strict confidence by County except in any proceeding or action to collect the cost of such audit or deficiency, or except in connection with any mortgage or assignment of this License Agreement for financing purposes.

G. If Licensee fails to record, maintain, or make available sales supporting documentation as specified above then Licensee may be deemed by the County to be in default of this License Agreement.

28. **New Construction:** The County's approval is required prior to all construction, all installation, and all use of facilities. All improvements shall become property of the County (for avoidance of doubt the cables, floating docks and obstacles shall not be considered improvements for purposes hereof). All construction shall be accomplished in accordance with any applicable permitting requirements and the Development Rider in Appendix B.
29. **Condition of Licensed Property:** Licensee hereby accepts the Licensed Property in the condition it is in at the beginning of this License Agreement.
30. **Assumption, Parameters, Projections, Estimates and Explanations:** The Licensee understands and agrees that any assumptions, parameters, projections, estimates and explanations presented by the County were provided to the Licensee for evaluation purposes only. However, since these assumptions, parameters, projections, estimates and explanations represent predictions of future events the County makes no representations or guarantees; and the County shall not be responsible for the accuracy of the assumptions presented; and the County shall not be responsible for conclusions to be drawn there from; and any assumptions, parameters, projections, estimates and explanations shall not form the basis of any claim by the Licensee. The Licensee accepts all risk associated with using this information.
31. **County Approval:** The Licensee agrees that it will obtain prior written approval from the County, which consent shall not be unreasonably delayed or withheld, in all of the following matters:
- A. Changes from originally approved specifications, pricing, activities, signage, and graphics.
  - B. Equipment Licensee plans to install requiring any building modifications.
  - C. Aesthetics of the Complex.
  - D. Any use of the County's facilities or Complex's name.
  - E. Hours of Operation.
  - F. Uniforms to be used by employees shall be consistent with or better than those normally used by professionally-operated Complexes.
- Should any of the above items be disapproved, Licensee may offer alternative solutions. The County reserves the right with stated just cause to require the Licensee to change within a stated time any and all items contained in this paragraph it deems in need of change, despite previous approval of same.
32. **Hours of Operation:** Operating hours for the Complex may vary and should be determined by the Licensee, subject to approval by the County. The Licensee shall provide sufficient staff to provide outstanding service. The County may require a change in hours of operation, if, in the reasonable discretion of the County, such a change is desirable in providing the best service to the public and is commercially viable.
33. **Pricing:** Licensee shall maintain the pricing schedule for goods and services submitted with Lessee's Proposal, and as approved by the County, which approval shall not be unreasonably

delayed or withheld. If the Licensee wishes to change its standard prices for goods and services, Licensee will provide to the County a schedule of such proposed changes not later than thirty (30) days prior to the intended implementation date, for approval or disapproval, at any time during the License Agreement term when price changes are contemplated. Pricing for special events or services shall be expeditiously approved by the County.

34. **Personnel:** The Licensee shall provide County with the name and telephone number of a management person of the Licensee who will be on call, at all times, for emergencies, or other matters related to the operations under this License Agreement. The Licensee shall ensure that all its personnel performing services under this License Agreement are courteous and cooperative and present a neat, clean, and professional appearance at all times. Failure of an employee to do so shall be grounds for the County to demand his or her removal from duties in the Complex. The Licensee shall ensure that all employees having public contact are able to understand and communicate in spoken English. Licensee's employees will not be considered agents of the County.

In the event the Licensee wishes to substitute personnel for the key personnel identified by the Licensee's Proposal, the Licensee must notify the County in writing and request written approval for the substitution at least ten (10) business days prior to effecting such substitution.

35. **Signs:** The nature, size, shape, and installation of Licensee's business signs within the Complex or in, on, or adjacent to the Complex or The Park must first be approved in writing by County. Said signage must also be approved by all governmental authorities having jurisdiction and must conform to the requirements set forth in Article 6 of the Miami-Dade Home Rule Charter. All signs shall be removed by the Licensee at the termination of the License Agreement and any damage or unsightly condition caused to premises because of or due to said signs shall be satisfactorily corrected or repaired by the Licensee.
36. **On-Site Manager/Designee:** Throughout the term of this License Agreement, the Licensee shall employ a qualified full-time on-site Complex Manager or Designee having experience in the management of this type of operation, who shall be available during normal business hours and on-call at all times, and be delegated sufficient authority to ensure the competent performance and fulfillment of the responsibility of the Licensee under this License Agreement and to accept service of all notices provided for herein.
37. **Quality of Licensee's Service:** The Licensee shall conduct its operations in an orderly manner and so as not to annoy, disturb, or be offensive to customers, patrons, or others in the immediate vicinity of such operations.

The Licensee shall control the conduct, demeanor, and appearance of its officers, members, employees, agents, representatives, and upon objection of the County concerning the conduct, demeanor or appearance of any such person, Licensee shall immediately take all necessary steps to correct the cause of such objection.

Licensee shall take good care of said premises, shall use the same in a careful manner, and shall, at its own cost and expense, keep, maintain, and repair and, upon the expiration of this License Agreement or its termination in any manner, shall deliver said premises to the County in the same condition as at the commencement this License Agreement, with the exception of loss by fire or other casualty.

Licensee shall furnish good, prompt, and efficient service, adequate to meet all reasonable

demands therefore.

It is expressly understood and agreed that the said operation shall not interfere in any manner with the use of public areas or infringe upon the normal method of operations of any other parties authorized to conduct business at or near the location. The Licensee agrees that a determination by the County will be accepted as final in evaluating whether its activities infringe on the rights of others and that Licensee will fully comply with any decisions on this matter.

38. **Monitoring Services:** The County shall have the right, without limitation, to monitor and test the quality of services of the Licensee, including, but not limited to personnel and the effectiveness of its cash-handling procedures, through the use of a shopping service, closed circuit TV, and other reasonable means.
39. **Utility Services:** Licensee shall not place any unacceptable load or burden on the capacity of the applicable building systems and utility lines of The Park as determined either by the public utility providing such service or by County in the exercise of reasonable judgment. Licensee shall make all repairs caused by Licensee's negligence.
40. **Services/Equipment Provided by County:** The County shall provide access to the following:
- A. Electrical as existing
  - B. Water facilities as existing
  - C. Sewage collection facilities as existing
  - D. Waste collection as existing.
41. **Equipment and Service Provided by Licensee:**  
The Licensee, at its sole cost, shall provide for the Complex:
- A. Janitorial service within the Complex. The Licensee shall keep the Complex and equipment clean at all times. If the Complex and equipment are not kept clean in the opinion of the County, the Licensee will be so advised and if corrective action is not immediately taken, the County will cause the same to be cleaned and the Licensee shall assume responsibility and liability for such cleaning.
  - B. Maintenance service for equipment necessary for the operation of the Complex. The Licensee shall ensure monthly maintenance and necessary repairs are done for all applicable equipment.
42. **Equipment Installed by Licensee:** The Licensee shall furnish and install all furnishings, fixtures and equipment necessary for the operation of the Complex. All furnishings, fixtures, and equipment acquired for the Complex shall be of a high quality as good as or better than that found at similar facilities. The County shall be afforded the opportunity to approve all furnishings, fixtures, and equipment for the Complex. The County, or its designee, shall have the right to use any infrastructure installed by the Licensee as part of the development of the Complex (i.e., electrical installation) subject to reasonably compensating the Licensee for the costs of (i) the electricity actually used, and (ii) such infrastructure investment if such infrastructure is to be used on an ongoing basis.

Any equipment, furnishings, signage and advertising installed by the Licensee shall be in compliance with Article 6 of the Home Rule Charter and in keeping with the appropriate standards of decor at the Park. Following the installation of any additional equipment,

furnishing and improvements which the County may approve from time to time, Licensee shall provide to the County a statement setting forth the cost of such equipment, furnishings, or improvements and the date upon which the installation of such equipment, furnishings, or improvements was completed.

The Licensee may be subject to debarment for failure to perform and all other reasons set forth in Section 10-38 of the County Code.

**71. Termination by Licensee:** Licensee shall have the right upon thirty (30) calendar days from receipt of written notice to the County by certified or registered mail to the address set forth in this License Agreement to terminate this License Agreement at any time after the occurrence of one or more of the following events:

A. A breach by the County of any of the terms, covenants or conditions contained in this License Agreement and the failure of the County to remedy such breach for a period of ninety (90) calendar days after receipt of written notice sent by registered or certified mail, return receipt requested, from the Licensee, of the existence of such breach.

B. The assumption by the United States Government or any authorized agency thereof, or any other governmental agency, of the operation, control, or use of The Park, or any substantial part, or parts, thereof in such a manner as substantially to restrict Licensee's operations for a period of ninety (90) calendar days or more.

C. The costs of environmental compliance or permitting make the Complex commercially not viable in the Licensee's reasonable judgment. If the Licensee were to intend to terminate this License Agreement on such basis, it will provide before such termination the County all consulting and environmental reports prepared by third-parties (not subject to confidentiality obligations) so that the County may evaluate the reasonableness of the Licensee's intention.

**72. Surrender of Complex:** At the expiration or earlier termination of the term of this License Agreement, Licensee shall peaceably surrender the Complex in as good a condition as the Complex was on the Commencement Date of this License Agreement, ordinary wear and tear and damage by condemnation, fire or other casualty excepted; all improvements made by the Licensee in connection with this License Agreement shall become the property of the County other than cables, floating docks and obstacles. Licensee shall deliver all keys, as applicable, for the Complex to the County at the place then fixed for the payment of rent, and shall notify the County in writing of all combinations of locks, safes and vaults, if any, in the Complex. Licensee's obligation to observe and perform the covenants set forth in this paragraph shall survive the expiration or earlier termination of the term of this License Agreement.**73. Termination of Contract:** Following the termination of this License Agreement the Licensee,

within thirty (30) calendar days, shall forthwith remove all of its personal property not acquired under the terms of this License Agreement. Any personal property of Licensee not removed in accordance with this paragraph may be removed by the County for storage at the cost of the Licensee or shall constitute a gratuitous transfer of title thereof to the County for whatever disposition is deemed to be in the best interests of the County. The County shall not be liable to Licensee for the safekeeping of Licensee's personal property during or after termination of this License Agreement. The County shall have the senior interest in the Licensee's personal property. Licensee shall not remove any equipment, supplies in bulk, or fixtures within the Complex at any time without pre-approval in writing from the County. Licensee shall also be liable for any expenses incurred by the County in prosecuting any action against Licensee following unapproved item removal described above. Licensee shall also be liable to the County for any expenses incurred by the County in replacing any items wrongfully removed by Licensee. It is the intention of the parties to this License Agreement that all furnishings and equipment purchased or Licensed by the Licensee except those permanently affixed to buildings, as defined under the laws of the State of Florida, shall be the personal property of the Licensee. Upon the termination of this License Agreement and the removal of all personal property by Licensee, the Licensee shall deliver said premises to the County in the condition set forth in this Paragraph.

74. **Holding Over:** If Licensee continues to use and operate the Complex after the expiration of the term of this License Agreement, or any option period, without a new License Agreement reduced to writing and duly executed and delivered (even if Licensee shall have paid, and County shall have accepted, payment in respect to such unauthorized operations), Licensee shall be deemed to be operating and using the Complex only from month-to-month, subject to all covenants, conditions, and agreements of this License Agreement. If Licensee fails to surrender the Complex upon the termination of this License Agreement, then Licensee, in addition to any liabilities to County accruing there from, shall indemnify and hold harmless the County and its assigns and agents from loss or liability resulting from such failure, including, without limiting the generality of the foregoing, any claims made by any succeeding Licensee on such failure.
75. **Mechanics', Materialmen's and Other Liens:** Licensee agrees that it will not permit any mechanic's, materialmen's or other liens to stand against the Complex for work or materials furnished to Licensee; it being provided, however, that Licensee shall have the right to contest the validity thereof. Licensee shall immediately pay any judgment or decree rendered against Licensee, with all proper costs and charges, and shall cause any such lien to be relicensed off record without cost to County.
76. **Lien:** The County shall have a lien upon all personal property of the Licensee on the Complex to secure the payment to the County of any unpaid money accruing to the County under the terms of this License Agreement.
77. **Limiting Legislative or Judicial Action:** In the event that any municipal, county, state, or federal body of competent jurisdiction passes any law, ordinance, or regulation in any way restricting or prohibiting the use of The Park for the purposes of this License Agreement, this License Agreement will be null and void and unenforceable by any party to this License Agreement and the County shall have no further liability under this License Agreement. In the event that a referendum vote of the electorate of the County in any way restricts or prohibits the use of the Complex for the purposes of this License Agreement, this License Agreement

will be null and void and unenforceable by any party to this License Agreement and the County shall have no further liability under this License Agreement. If the County deems the License Agreement null and void by function of this Paragraph, the County will not be liable to the Licensee for damages arising there from and the County shall have no further liability under this License Agreement.

**78. Non-Discrimination:** Licensee does hereby for itself, its personal representatives, successors in interest, and assigns, as part of the consideration hereof, covenant and agree that:

In the event of breach of any of the above non-discrimination covenants, the County shall have the right to terminate the License Agreement and re-enter and repossess said Complex thereon and hold the same as if said License Agreement had never been made or issued. This provision shall not be effective, where applicable, until the procedures of Title 45, Code of Federal Regulations, Part 80, are followed and completed including exercise or expiration of appellate rights.
- v. The Licensee shall not discriminate against any employee or applicant for employment in the performance of the License Agreement with respect to hiring, tenure, terms, conditions, or privileges of employment because of age, sex or physical handicap (except where based on a bona fide occupational qualification); or because of marital status, color, religion, national origin, or ancestry.

**79. Conflict of Interest:**

The Licensee represents that:

- A. D. The provisions of this Paragraph are supplemental to, not in lieu of, all applicable laws with respect to conflict of interest. In the event there is a difference between the standards applicable under this License Agreement and those provided by statute, the stricter standard shall apply.

E. In the event Licensee has no prior knowledge of a conflict of interest as set forth above and acquires information which may indicate that there may be an actual or apparent violation of any of the above, Licensee shall promptly bring such information to the attention of the County's Project Manager. 81. **No Waiver of Right to Enforce:** The waiver by County of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, or any subsequent breach of the same or any other term, covenant, or condition herein contained. The subsequent acceptance of Guaranteed Monthly Rent and Percentage Fee

hereunder by County shall not be deemed to be a waiver of any preceding breach by Licensee of any term, covenant, or condition of this License Agreement, other than the failure of Licensee to pay the particular Guaranteed Monthly Rent and Percentage Fee so accepted, regardless of County's knowledge of such preceding breach at the time of acceptance of such Guaranteed Monthly Rent and Percentage Fee.

82. **Rules and Regulations:** The Licensee will observe, obey, and comply with all rules and regulations adopted by the County and all laws, ordinances and/or rules and regulations of other governmental units and agencies having lawful jurisdiction, which may be applicable to Licensee's operations under this License Agreement. Failure to do so will constitute a breach of the License Agreement.
83. **Bankruptcy:** The County reserves the right to terminate this License Agreement, if, during the term of any contract the Licensee has with the County, the Licensee becomes involved as a debtor in a bankruptcy proceeding, or becomes involved in a reorganization, dissolution, or liquidation proceeding, or if a trustee or receiver is appointed over all or a substantial portion of the property of the Licensee under federal bankruptcy law or any state insolvency law.
84. **Authority Of The County's Project Manager:**
- A. The Licensee hereby acknowledges that the County's Project Manager will determine in the first instance all questions of any nature whatsoever arising out of, under, or in connection with, or in any way related to or on account of, this License Agreement including without limitations: questions as to the value, acceptability and fitness of the Services; questions as to either party's fulfillment of its obligations under the License Agreement; negligence, fraud or misrepresentation before or subsequent to acceptance of the Licensee's Proposal; questions as to the interpretation of the Scope of Work; and claims for damages, compensation and losses.
- B. The Licensee shall be bound by all determinations or orders and shall promptly obey and follow every order of the County's Project Manager, including the withdrawal or modification of any previous order and regardless of whether the Licensee agrees with the County's Project Manager's determination or order. Where orders are given orally, they will be issued in writing by the County's Project Manager as soon thereafter as is practicable.
- C. The Licensee must, in the final instance, seek to resolve every difference concerning the License Agreement with the County's Project Manager. In the event that the Licensee and the County's Project Manager are unable to resolve their difference, the Licensee may initiate a dispute in accordance with the procedures set forth in this Paragraph. Exhaustion of these procedures shall be a condition precedent to any lawsuit permitted hereunder.
- D. In the event of such dispute, the parties to this License Agreement authorize the County Mayor or designee, who may not be the County's Project Manager or anyone associated with this project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the License Agreement (including but not limited to claims in the nature of breach of the License Agreement, fraud or misrepresentation arising either before or subsequent to execution hereof) and the decision of each with respect to matters within the County Mayor's purview as set forth above shall be conclusive, final and binding on parties. Any such dispute shall be brought, if at all, before the County Mayor within 10 days of the occurrence, event or act out of which the dispute arises.
- E. The County Mayor may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and

objective determination of whether Licensee's performance or any Deliverable meets the requirements of this License Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the County Mayor participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the License Agreement. All such disputes shall be submitted in writing by the Licensee to the County Mayor for a decision, together with all evidence and other pertinent information in regard to such questions, in order that a fair and impartial decision may be made. Whenever the County Mayor is entitled to exercise discretion or judgment or to make a determination or form an opinion pursuant to the provisions of this Paragraph, such action shall be fair and impartial when exercised or taken. The County Mayor, as appropriate, shall render a decision in writing and deliver a copy of the same to the Licensee. Except as such remedies may be limited or waived elsewhere in the License Agreement, Licensee reserves the right to pursue any remedies available under law after exhausting the provisions of this Paragraph.

In those situations where this License Agreement imposes an indemnity obligation on the Licensee, the County may, at its expense, elect to participate in the defense if the County should so choose. Furthermore, the County may at its own expense defend or settle any such claims if the Licensee fails to diligently defend such claims, and thereafter seek indemnity for costs from the Licensee.

Appendix B  
DEVELOPMENT RIDER

Facility Site: Amelia Earhart Park

Project: Development and Operation of Watersports Cable Complex

This Development Rider is attached to and hereby made a part of the License Agreement and shall govern the development of a Watersports Cable Complex at Amelia Earhart Park (the "Facility") within the site set forth in Attachment A - Site Area Map). Words and phrases used in this Development Rider shall have the same meaning as in the License Agreement unless specifically provided otherwise. If there is any conflict between the provisions of this Development Rider and the provisions of the terms and conditions of the License Agreement, the terms and conditions of the Development Rider will prevail.

A Project Manager ("PM") shall be assigned by the Miami-Dade County Park, Recreation and Open Spaces Department (the "Department", also "PROS") to represent Miami-Dade County. The PM shall monitor compliance with the terms and conditions of the Development Rider; coordinate reviews, comments and approvals; attend design phase and construction meetings; and provide periodic inspections to monitor compliance with the Scope of Work and schedule during design, construction, and close-out of the Facility.

Licensee's requests for modifications to the Final Plans and/or schedule during any phase of the development process must be submitted in writing to the PM with sufficient documentation to justify said request. The Department will consider the information provided and any mitigating circumstances prior to approving or rejecting said requests.

I. LICENSEE'S OBLIGATIONS TO DEVELOP THE FACILITY SITE

The improvements the Licensee develops at the Facility Site shall be designed and constructed in accordance with the provisions of the License Agreement. Licensee shall complete all improvements pursuant to the design and construction defined in Licensee's Proposal and as approved by the County.

Licensee understands and agrees that all costs associated with the design, development, permitting, construction and close-out of the Facility, and any off-site improvements, shall be the sole responsibility of the Licensee. Prior to commencing construction, the Licensee shall provide proof, in a manner sufficient to satisfy the County, that the Licensee obtained the necessary funds to complete the approved Facility.

The Licensee shall maintain all files, records, accounts of expenditures for the Facility and improvements, including improvements performed by Licensee's subcontractor's, in a local office within Miami-Dade County. The County shall have access to such records as provided in the License Agreement.

The Watersports Complex shall operate within the North Lake at Amelia Earhart Park and in certain areas of the surrounding area.

The Licensee shall, upon execution of the License Agreement, and prior to preparing the Final Plans (as defined elsewhere in this document) and specifications, shall submit a Critical Path Method (CPM) schedule for the entire scope of the Facility along with the phasing plan and receive approval from the County. Such approval from the County shall not be unreasonably withheld or delayed. The schedule shall be updated and submitted to the County with the Conceptual, Preliminary, and Final Plans and as requested by the County. The terms and conditions of this Development Rider, in its entirety, shall apply to all construction.

## Appendix B

The Licensee shall remit to the County a fee for the Project Management (PM) ("PM Fee Payment") that shall not exceed 1.5% of the Total Development Cost of each Facility. The total PM Fee Payment shall be subject to an adjustment at the end of construction or upon Termination of the License Agreement, whichever occurs first, when the actual Total Development Cost of each phase is confirmed, to be based on an audit conducted at the expense of the Licensee.

The Licensee shall cooperate and shall cause its consultants and contractors to cooperate with the County's Sustainability Manager to incorporate green building practices into the planning and design of the Facility, pursuant to County Ordinance Number 07-65 concerning the County's Sustainable Buildings Program. The Licensee shall include in its contracts for services associated with this Project a provision that each subcontractor shall comply with all requirements of the County's Sustainable Building Program.

The Licensee shall, upon execution of the License Agreement, and prior to preparing the Final Plans (as defined elsewhere in this document) and specifications, through the Department, initiate contact and confer with the Art in Public Places (APP) Representative to review the applicability of an art component to the Facility. Should Art in Public Places determine that the installation of an art component is applicable to this Facility based on the provisions of Section 2-11.15 of the Miami-Dade County Code and subsequent amendments and guidelines, and should it decide to pursue said installation, the Licensee shall further confer with the Arts in Public Places Representative to develop a concept for art appropriate to the Facility, and the Art in Public Places Professional Advisory Committee as to the type(s) of art, location(s) and possible artist(s). The Director of the Arts in Public Places program shall approve the final concept and location. The Art in Public Places Trust will make the final choice of the artist(s), upon recommendation of the Art in Public Places Professional Advisory Committee. As part of its Master Plan, Art in Public Places encourages and will give preference to collaborative projects between artist(s) and the Licensee to promote the integration of artwork and site. Such collaborative efforts shall include the active involvement of both the Licensee and the artist(s) during design development of the Project. The Licensee shall coordinate the installation of anchorages, special lighting, or plumbing or other utility or installation and connections as required for the proper installation of the artwork in accordance with the artist's concept(s) as part of the services under this License Agreement.

Should the Art in Public Places fee be assessed against this License Agreement, the Licensee shall, at its sole cost expend one-and-a-half-percent (1.5%) of the cumulative design and construction cost for the refurbishment of existing works of art at the Facility and/or for the commissioning of new works of art. All aspects concerning the acquisition of new works of art or the removal and/or relocation of existing works of art located within the Facility shall comply with the Art in Public Places (APP) ordinance and the program Master Plan & Implementation Guidelines as are appropriate in the determination of the County. The Licensee may be requested to assign a representative to act as a liaison with APP for purposes of implementing the requirements set forth herein. The County reserves the right to make final determination on how the funds appropriated for APP are expended.

1. Site Conditions. The Licensee accepts complete responsibility for all conditions encountered at the Facility Site, including, without limitation, unforeseen site conditions, subsurface or otherwise concealed physical conditions which differ materially from those indicated or assumed in any of the construction plans, unknown physical conditions of an unusual nature which differ materially from those ordinarily found to exist and generally recognized as inherent in the type of construction involved in the project, and any dewatering activities necessary to construct the facility. The Licensee shall be responsible for the removal or relocation of man-made obstructions, abandoned foundations, utilities, and natural obstructions required for the completion of the Facility. The Licensee shall also be responsible for any and all site conditions, including environmental conditions, caused, disturbed, or exacerbated by the construction and agrees to be responsible for and pay for all environmental remediation work that is required to be performed resulting from the construction of the Facility. The Licensee further agrees not to initiate any claims or suits against the County relating to any site condition, including environmental conditions, and to indemnify, defend and

## Appendix B

hold harmless the County from and against any claims arising from an environmental condition caused or exacerbated by the Licensee in the construction of the Facility.

2. Time of the Essence. The timely completion of all activities set forth below, and the milestones set forth in the Development Schedule for each phase is of the essence. A material failure to meet those deadlines, as the same may be extended by written agreement of the parties, may be a breach of any agreement issued as a result of this RFP.

A. Conceptual Plans. The Department shall review the conceptual plans and CPM schedule submitted for each phase as part of the Licensee's Proposal for the aesthetics, design, and construction of the Facility (hereinafter referred to as the "Conceptual Plans"), for substantial compliance with the RFP and the provisions of the License Agreement. If the County has any comments and/or proposed modifications to the Conceptual Plans, the County shall provide comments and/or proposed modifications in writing to the Licensee within 30 calendar days from the License Effective Date. The comments and proposed modifications shall be addressed by Licensee in developing the Preliminary Plans, as described below. Licensee shall incorporate said comments into a set of revised Conceptual Plans to be reviewed and approved by the County.

Prior to commencing the development of the Preliminary Plans for each phase, the Licensee shall schedule and coordinate a kick-off meeting with the PM to review the Development Schedule including start and completion dates as well as major milestones and the Total Development Cost estimate.

B. Preliminary Plans and Specifications. Within 60 calendar days after approval of the Conceptual Plans for each phase, unless a written request for extension has been received and approved by the PM, Licensee, at its cost, shall prepare and deliver to the Department an updated CPM schedule and five (5) sets of preliminary plans and a computer-aided design and drafting (CADD) file for the construction of the Facility prepared by an architect and/or engineer Licensed to practice as such in Florida (hereinafter referred to as "Preliminary Plans"). The Preliminary Plans shall include the Total Development Cost Estimate and updated Development Schedule and show, without limitation; site plans; architectural, structural, mechanical, electrical, landscape and plumbing plans; preliminary grading and drainage plans; soil tests; utilities, sewer and service connections; vehicular and pedestrian traffic circulation plans including locations of ingress and egress to and from the Facility, curbs, gutters and parkways; lighting; locations for outdoor signs; and storage areas; all sufficient to enable reasonably accurate cost estimates and to enable the Department to make an informed judgment about the design and quality of construction and about any effect the Facility shall have on the Park. Such Preliminary Plans shall be based on Conceptual Plans previously submitted by Licensee as approved by the Department. Additionally, such Preliminary Plans of the improvements shall be in strict adherence to Article 7 of the Miami-Dade County Home Rule Charter. The Facility shall be constructed within the area described in Attachment A. The Licensee shall also be responsible for all off-site improvements required to accomplish the construction and occupancy of the Facility. The Facility shall be aesthetically and functionally compatible with the setting of the Park. Within 30 days after the Department receives Preliminary Plans as required in the preceding paragraph, the Department shall either approve of them or deliver to Licensee specific corrective comments. The Department shall not be unreasonable in exercising its approval rights hereunder. Licensee shall resolve all comments and requests for modifications by the Department to the Preliminary Plans and obtain written approval from the Department prior to proceeding with the development of the Final Plans.

If the parties are unable to resolve any objections by the Department to the Preliminary Plans within 60 days after Licensee has received the Department's objections, the Department shall have the right to terminate the License Agreement upon notice to the Licensee, the parties being thereafter relieved of any liability hereunder and under the License Agreement.

C. Final Plans. Within 90 days after the Preliminary Plans and specifications are approved by the Department for each phase, the Licensee, at its cost, shall prepare and deliver to the Department an

## Appendix B

updated CPM schedule and five (5) sets of Final Plans, one CADD file, and specifications comprising the Final Plans for the Facility, which Final Plans must be consistent with the approved Preliminary Plans and signed and sealed by an architect and/or engineer Licensed to practice as such in Florida. The Final Plans and all associated addenda and attachments shall be incorporated into the License Agreement by reference.

The Final Plans shall be considered 100% construction documents and include an updated Total Development Cost Estimate and updated CPM schedule and show, without limitation; site plans; architectural, structural, mechanical, electrical, landscape and plumbing plans; grading and drainage plans; soil tests; utilities, sewer and service connections; vehicular and pedestrian traffic circulation plans including locations of ingress and egress to and from the Facility, curbs, gutters and parkways; lighting; locations for outdoor signs; storage areas; and off-site improvements. Completed technical specifications shall be included under the Final Plans.

Within 45 days after the Department receives Final Plans as required in the preceding paragraph, the Department shall either approve of them or deliver to Licensee specific corrective comments. The Department shall not be unreasonable in exercising its approval rights hereunder. Licensee shall resolve all comments and requests for modifications by the Department to the Final Plans and obtain written approval from the Department prior to proceeding with the permitting.

D. Permits. Not later than the date that Licensee receives the Department's written approval of the Final Plans for each phase, Licensee shall commence seeking from all governmental agencies having jurisdiction over the Park and the Facility all such required permits, and Licensee shall exercise due diligence in attempting to obtain such permits.

The Licensee shall keep the PM informed of the progress during the permitting phase and coordinate with the Department to ensure that permitting requirements are acceptable to the Department when said requirements will modify the scope or aesthetics of the Facility or its location within the Park. The Final Plans shall not be changed and/or modified without the Department's approval, which approval shall not be unreasonably withheld or delayed. The Department's approval shall not be deemed as a substitute for approval from any agency which issues permits and whose approval of modifications may be required.

Subject to the timing requirements contained in the next paragraph, the obtaining of any such permits shall not be considered as complete until any review and/or appeal is final by the highest body authorized to determine same or until the time for such appeal or review has expired, whichever date is later. If suit or other proceedings are brought to invalidate any permit, the obtaining of the permits shall not be considered as complete until final judgment, decree, or other appropriate decision has been entered and the time for appeal there from shall have expired, or if any appeal has been taken, until the appeal has final determinations.

If Licensee is unable to obtain such permits within 180 days from the date Licensee receives County's approval of the Final Plans, the County shall have the right to terminate the License Agreement upon notice to the Licensee. The County shall have the right, in its sole discretion and only for good cause shown, to extend the time within which Licensee must obtain such permits. However, the County shall be under no obligation to grant such extensions of time.

When Licensee obtains all such permits, it shall deliver copies of them to the Department.

E. Commencement and Completion of Construction of the Project. Within 30 days from the date that the Licensee obtains all permits required to begin construction of the Facility for each phase, the Licensee shall submit copies of all permits, updated Total Development Cost Estimate, proof that funding is available for construction a Schedule of Values (SOV) for construction, and updated CPM schedule indicating

## Appendix B

construction start and completion dates, as well as major milestones for the Facility. Within 15 days after the Department receives copies of all permits, updated Total Development Cost Estimate, proof that funding is available, SOV, and CPM schedule, the Department shall either approve them or deliver Licensee specific corrective comments to the Licensee. The Department shall not be unreasonable in exercising its approval rights hereunder. Licensee shall resolve all comments and requests for modifications by the Department. Once all comments have been satisfactorily addressed by the Licensee, the Department shall issue a Notice-to-Proceed - 1 (NTP-1) to the Licensee for each phase.

The Licensee shall have 15 days from the date of the NTP-1 to submit all required insurances and bonds for each phase to the Department prior to commencing construction. The Licensee shall schedule a Pre-Construction meeting with the PM prior to mobilization for each phase. The pre-construction meeting shall serve to review all completed work to date, and discuss the upcoming construction activities and its impact to Park operations. Upon agreement by the PM to all construction work activities and the associated logistics and timing, and after the County reviews and approves the Licensee's insurance and bonds, a NTP-2 and Authorization to Occupy the Site shall be issued, turning over possession of the Facility Site to Licensee. Licensee shall, without delay, pursue commencement of construction and diligently pursue completion thereof. The construction of the Facility shall be in accordance with the Final Plans.

The Final Plans shall not be changed and/or modified without the Department's approval, which approval shall not be unreasonably withheld or delayed. The Department's approval shall not be deemed as a substitute for approval from any agency which issues permits and whose approval of modifications may be required. All requests for changes shall be coordinated through the PM. The PM will be provided sufficient notice and information (impact to scope, budget, schedule, materials; performance, etc.) to provide timely responses. All work in connection with the construction of each phase of the Facility shall be performed in conformity with the Final Plans and shall comply with all applicable governmental permits, authorizations and laws. Licensee will allow unobstructed inspection by the Department's staff to determine compliance with the approved plans and specifications throughout construction. The Licensee shall be responsible to provide any temporary facilities needed in support of its construction of the Facility.

The Licensee shall not discriminate against any employee or applicant for employment in the performance of the License Agreement with respect to their hire, tenure, terms, conditions or privileges of employment, or any matter directly or indirectly related to employment because of age, sex or physical handicap except when based on bona fide occupational qualifications; or because of marital status, race, color, religion, national origin or ancestry. All construction contracts/subcontracts shall include the above non-discrimination provisions.

Construction of the Facility shall be completed within 12 months of the date of the NTP-2 for construction.

Upon completion of construction of the Facility, Licensee shall, at its cost, obtain a survey of the Facility and surrounding impacted areas and deliver said survey to the Department, along with one copy of the "as built" drawings and a CADD file, accurately reflecting the constructed Facility, its supporting infrastructure, and off-site improvements at the Park. The as-built information showing the exact location of the Facility at the Park shall be incorporated into the License Agreement and provided by the County to the Licensee.

F. Provisions Applicable during each phase of the Construction of the Facility. In addition to the other provisions of the License Agreement, the following provisions shall be applicable during the period of time that Licensee constructs Project:

1. All construction shall be performed by Licensed contractors approved by the Department. Licensee shall furnish the Department with a true copy of Licensee's contract with the general contractor showing a breakdown of costs.

Appendix B

2. In addition to weekly/monthly construction meetings, the Licensee shall schedule and coordinate a pre-construction meeting, 50% progress meeting, 75% progress meeting and 100% substantial completion walk-thru meetings with the PM.
3. Throughout the construction of the Facility, the PM shall attend weekly/monthly construction meetings and periodically inspect and review the progress of construction to ensure adequate performance and conformity with the approved plans.
4. The PM or appropriate designee shall provide input to the construction punch-list items and shall issue a Final Acceptance of the Facility once all work has been completed and all permits have been approved and closed by all agencies having jurisdiction. Upon issuance of Final Acceptance, the facility may be occupied and opened for its desired intent.
5. Any changes requested by the Licensee modifying the approved Final Plans must be in writing and approved by the Department prior to implementation. All requests for changes shall be coordinated through the PM. The PM will be provided sufficient notice and information (Impact to scope, budget, schedule, materials, performance, etc.) to provide timely decisions.
6. Within 30 days after the specified one (1) year warranty period, the Licensee shall schedule a walk-thru of the Facility with the PM and its contractor, to inspect all construction systems and ensure it's intended functionality and expected workmanship. The "warranty period" warrants the work under the construction improvements, defined in the License Agreement, to be free from faulty materials and workmanship for a period of not less than one (1) year from the date of final acceptance. This one-year period shall be covered by the Surety Performance Bond as required by this Development Rider. After the warranty inspection is completed with satisfactory results as determined by the PM, the close-out period is concluded, except as provided for under Florida Statue 95.11 (3) (c).

G. Bonds and Insurance:

1. The Licensee shall have 15 days from the date of NTP-1 to submit all required insurances, pursuant to the License Agreement, and bonds to the Department prior to any construction work on the Facility Site, and prior to the purchase of any materials, equipment or supplies for construction. The Licensee shall deliver to the County and record in the public records of Miami-Dade County, Florida, a performance and payment bond which satisfies the requirements of Section 255.05 of the Florida Statutes with a surety insurer authorized to do business in the State of Florida as a surety in the full amount of the construction cost of the Facility. Such bond shall be submitted in a form acceptable to the County, and shall name the Licensee as the principal and the County as the obligee.
2. Surety Bond Qualifications: The following specifications shall apply to bid, performance, payment, maintenance, and all other types of bonds.
  - A. All bonds shall be written through surety insurers authorized to do business in the State of Florida as a surety, with the following qualifications as to management and financial strength according to the latest edition of Best's Insurance Guide, published by A.M. The Licensee may, in lieu of a surety bond, submit a cash bond, conditioned upon the faithful performance of the work in strict accordance with the License Agreement and with the Plans and Specifications and the completion of the same free from all liens and within the time limit herein specified; said bond shall be so worded as to make the License Agreement a part thereof and shall contain a clause providing the right of suit or action for whose benefit said bond shall be executed as disclosed by the text of said bond and License Agreement to the same extent as if he or they were the obligee or obligee therein specifically mentioned, and all such persons shall be held or deemed to be obligee thereof.

Florida Statutes 255.05 provides for the following conditions to be made in all Performance and Payment Bonds relating to public projects:

"A claimant, except a laborer, who is not in privity with the Principal and who has not received payment for his labor, materials, or supplies shall, within forty-five (45) days after beginning to furnish labor, materials, or supplies for the prosecution of the work, furnish the Principal with a notice that he intends to look to the bond for protection."

Principal or the Surety on the bond after one (1) year from the performance of the labor or completion of delivery of the materials or supplies."

3. The bonds shall provide the following, without limitation:
  - a. That a payment bond in an amount not less than one-hundred percent (100%) of the cost of construction of the Facility is obtained that is conditioned to secure the completion of the Facility free from all liens and claims of contractors, subcontractors, mechanics, laborers and material men in a County approved bond form to be provided by Licensee;
  - b. That a performance bond in an amount not less than one-hundred percent (100%) of the cost of construction of the Facility is obtained that insures that the construction work shall be effected by the general contractor or, on their default, the surety in a County approved bond form to be provided by Licensee; and,
  - c. That the surety will defend and indemnify Miami-Dade County and Licensee against all loss, cost, damage, expense and liability arising out of or connected with the construction of the Facility, up to the maximum bond requirement amount.
4. In the event that, for any reason, either or both of the Licensee's Performance and Payment bonds lapse or are held to be no longer valid or enforceable before the satisfaction of any and all claims by material men, laborers, subcontractors, or any suppliers of any kind, the Licensee shall pay all such claims, and indemnify, defend, and hold the County harmless against such claims.
5. If no specific periods of warranty are stated in the Agreement or elsewhere in this Development Rider, for any particular item or work, material or equipment, the warranty shall be deemed to be a period of one (1) year from the date of final acceptance by the County. This Bond does not limit the County's ability to pursue directly with the Licensee or its contractor seeking damages for latent defects in materials or workmanship, such actions being subject to the limitations found in Section 95.11 (3) (c), Florida Statutes.

H. Prior to the commencement of construction, Licensee shall provide or cause its subcontractors to provide an original policy for Builders Risk/Installation Floater on an "All Risk" basis in an amount not less than one hundred percent (100%) of the insurable value of the building(s) or structure(s) or material(s). The policy shall be in the name of Miami-Dade County and the Licensee as their interests may appear. This insurance shall be maintained until substantial completion of the work, as determined by the Department.

The areas within the Park to be occupied by the Licensee during the execution of the work shall be delineated in the construction documents plans as agreed to between the County and Licensee. The limits of the work shall be sufficient to properly undertake the necessary construction of the Facility and off-site improvements within the Park site so long as normal operations are not impeded.

- B. Reasonable Access. The County shall provide reasonable access to allow Licensee to have utilities brought to the Facility Site and to have constructed the approved improvements described in the License Agreement.
