RESOLUTION NO. R-824-12

RESOLUTION URGING THE FLORIDA LEGISLATURE TO PASS LEGISLATION REINSTATING LANGUAGE PROHIBITING CERTAIN MUNICIPAL WATER AND SEWER UTILITIES FROM IMPOSING A SURCHARGE ON CONSUMERS LOCATED OUTSIDE THE CITY AS "TAXATION WITHOUT REPRESENTATION"

**WHEREAS**, the City of North Miami Beach Water & Sewer Utility ("the City") provides water and sewer services to consumers residing both inside and outside the City; and

**WHEREAS**, the City of North Miami Beach serves more consumers that reside outside the City than live within the City; and

**WHEREAS**, there are other municipalities in Miami-Dade County that provide water to customers outside their city limits; and

**WHEREAS**, prior to 1998, cities located in constitutional home rule charter counties such as Miami-Dade County that operated a water and sewer utility were prohibited from adding a surcharge to water and sewer charges of consumers outside such cities' boundaries; and

**WHEREAS**, in 1998, the Florida Legislature enacted Chapter 98-15, Laws of Florida (HB 791), which amended section 180.191, Florida Statutes, to remove the prohibition on cities located in constitutional home rule charter counties that operated a water and sewer utility from adding a surcharge to water and sewer charges of consumers outside such cities' boundaries; and

**WHEREAS**, at the time, the City of North Miami Beach was the only city in the state to which the 1998 legislative change applied; and

**WHEREAS**, since the 1998 legislative change, the City of North Miami Beach has imposed a surcharge on consumers located outside the City of North Miami Beach, including consumers that live within the unincorporated area of Miami-Dade County; and

**WHEREAS**, the City of North Miami Beach also has raised its rates for all consumers, including those consumers located outside the City of North Miami Beach that the City has required to pay the surcharge; and

**WHEREAS**, the surcharge imposed outside the City results in "taxation without representation" and is unfair to consumers living outside the City's boundaries when they have no representation, voice or input into City of North Miami Beach decisions; and

**WHEREAS**, a bill was filed for consideration during the 2012 session, HB 411 by Representative Barbara Watson (D – Miami Gardens), that would have reinstated language prohibiting municipal water and sewer utilities located in counties with a population of more than 1.5 million people from charging a surcharge to consumers located outside the city, but HB 411 did not pass; and

**WHEREAS**, this Board urges the Legislature to enact legislation similar to HB 411 during the 2013 legislative session,

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA**, that this Board:

**Section 1.** Urges the Florida Legislature to enact legislation that would reinstate language prohibiting municipal water and sewer utilities located in counties with a population of more than 1.5 million people from imposing a surcharge to consumers located outside the city.

**Section 2.** Directs the Clerk of the Board to transmit certified copies of the resolution to the Governor; the Senate President; the House Speaker and the Chair and Members of the Miami-Dade State Legislative Delegation.

**Section 3.** Directs the County's state lobbyists to advocate for the issues identified in Section 1 above, and authorizes and directs the Office of Intergovernmental Affairs to include this item in the 2013 state legislative package when it is presented to the Board.

The Prime Sponsor of the foregoing resolution is Commissioner Barbara J. Jordan. It was offered by Commissioner **Barbara J. Jordan**, who moved its adoption. The motion was seconded by Commissioner **Joe A. Martinez** and upon being put to a vote, the vote was as follows:
