Subject: Resolution Authorizing Competitive Contract Award and Modifications Using
Charter County Transportation Surtax Funds

Amended
Agenda Item No. 8(F)(10)

Resolution No. R-902-12

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached contract modifications with authority to exercise options-to-renew (OTR). The recommended modifications are described below and in more detail in the accompanying attachments:

Item 1 – Air Conditioning Units for Miami-Dade Transit: Awards a contract to purchase ten air conditioning units for Miami-Dade Transit (MDT). The amount for the six-month term is \$38,000

Item 2 – Janitorial Services for Miami-Dade Metrorail Stations: Modifies this contract for an additional \$359,000 in spending authority funded by MDT Operating Funds so that MDT can obtain janitorial services at the Miami International Airport Metrorail Station.

Item 3 – Route Work and Group Travel Services: Modifies this contract for an additional six months and \$1,500,000 in spending authority, funded by MDT Operating Funds, for MDT to continue purchasing fixed-route and group travel services.

Item 4 – Vehicle Wash Facilities Maintenance and Repairs: Modifies this contract for an additional \$94,000 funded by MDT Operating Funds so MDT can purchase replacement brushes for vehicle wash facilities.

Item 5 – Contract Employee Services: Ratifies this contract modification that provided for an additional \$50,000 allocation, funded by MDT Operating Funds, for MDT to obtain contract employee services to support MDT operations at Miami International Airport. The additional allocation required by MDT was loaned by the Water and Sewer Department; therefore, the value of the contract remains the same.

Item 6 – Rental of Portable Chemical Toilets: Modifies this contract for an additional \$6,000 funded by MDT Operating Funds to rent portable chemical toilets at the Golden Glades Park and Ride Station. The additional allocation is transferred from unallocated funds in the existing contract; therefore, the value of the contract remains the same.

Item 7 – Lawn Equipment Replacement Parts and Services: Modifies this contract for an additional 12 months and \$676,000 in spending authority, of which \$3,000 is funded by MDT Operating Funds, to allow various departments to continue purchase of replacement parts and repair services for County-owned mowers, edgers, saws, and other landscaping equipment.

This contract modifications package is placed for Committee review pursuant to Miami-Dade County Code Section 29-124(f). These contract modification recommendations may only be considered by the Board if the Citizens' Independent Transportation Trust (CITT) has forwarded a recommendation to the Board prior to the date scheduled for Board consideration or 45 days have elapsed since the filing with the Clerk of the Board of this contract award recommendation. If the CITT has not forwarded a recommendation and 45 days have not elapsed since the filing of this award recommendation, I will

request a withdrawal of this item. The contracts in this package are scheduled for the September 2012 CITT meeting.

Scope

The impact of the items in the Competitive Contract Modifications Package is countywide in nature.

Fiscal Impact/Funding Source

The allocation and funding source, by department, is listed in the attached Competitive Contract Modifications Package. The modifications included in this item include Charter County Transportation Surtax funding.

Contract amounts and department allocations represent the maximum spending authority based on past utilization. This action does not guarantee that the total contract amount/value will be expended by County departments/agencies. Funding will be expended only if departmental budgets can support the expenditures approved in their annual budget adopted by the Board.

Track Record/Monitor

There are no known performance/compliance issues with the vendors recommended for award in the Competitive Contract Modifications Package. Each department's contract manager is reflected in the attached item.

Delegated Authority

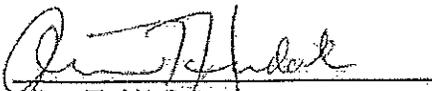

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise, in their discretion, subsequent options-to-renew periods and extend contracts for purchase of goods and services in accordance with the terms and conditions of each contract.

Due Diligence

Due diligence was conducted in accordance with the Internal Services Department's Procurement Guidelines to determine Contractor responsibility, including verifying corporate status and review of performance or compliance issues. The lists that were referenced include: convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to Contractor responsibility. This information is being provided pursuant to Resolution R-187-12.

Background

Additional background information on the contract award and modifications are attached.

Memorandum

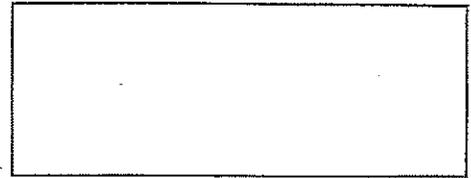

Date: August 21, 2012

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Recommendation to Award: Air Conditioning Units for Miami-Dade Transit

Recommendation

It is recommended that the Board of County Commissioners (Board) approve award of contract IB9638-0/13 to Clark Contracting Solutions LLC dba Forair, a local vendor, to purchase ten air conditioning units for Miami-Dade Transit (MDT).

The four rooftop units (Group 1) will replace existing units that are inoperable or have surpassed their life cycles. These units will ensure that employees in guard shacks and train work areas are provided with proper cooling to prevent heat exhaustion. The six portable units (Group 2) will be used in the Metromover and Metrorail train control equipment rooms to prevent overheating of critical equipment.

Approval is also requested to allow MDT to use Charter County Transportation Surtax funds as a component of MDT Operating funds for this contract. This award recommendation is placed for Committee review pursuant to Miami-Dade County Code Section 29-124(f). This award recommendation may only be considered by the Board if the Citizens' Independent Transportation Trust (CITT) has forwarded a recommendation to the Board prior to the date scheduled for Board consideration or 45 days have elapsed since the filing with the Clerk of the Board of this award recommendation. If the CITT has not forwarded a recommendation and 45 days have not elapsed since the filing of this award recommendation, I will request a withdrawal of this item. Although this contract award is less than \$1 million, it is presented to the Board for consideration because Charter County Transportation Surtax funds are being utilized.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact for the total six-month contract term is \$38,000. The purchase of the air conditioning units will be covered by MDT operating funds, which includes Charter County Transportation Surtax funds. MDT has confirmed that no federal funds will be utilized under this contract.

Track Record/Monitor

The Contract Manager in MDT is Daryl Hurston. Aylin Borrego in the Internal Services Department is the Procurement Contracting Officer.

Delegated Authority

If this item is approved, the County Mayor or the County Mayor's designee will have the authority to exercise, at their discretion, contract modifications and extensions, in accordance with the terms and conditions of the contract.

Due Diligence

Due diligence was conducted in accordance with the Internal Services Department's Procurement Guidelines to determine Contractor responsibility, including verifying corporate status and that there are no performance or compliance issues. The lists that were referenced include: convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to Contractor responsibility. This information is being provided pursuant to Resolution R-187-12.

Contract No.: RFQ83	Title: Route Work and Group Travel Services
----------------------------	--

Type of Change:

Additional Time
 Authorization to use Charter County Transportation Surtax Funds as a Component of MDT Operating Funds

Additional Spending Authority

Contract Description and Reason for Change:

The contract for fixed-route and group travel services operates two fixed bus routes. The first route is the Dade-Monroe Express which offers service between the Super Wal-Mart store in Florida City, Florida City's City Hall, Key Largo, Tavernier, Islamorada, and Marathon. The second is the Card Sound Express which operates between Florida City's City Hall and the Ocean Reef Club. This contract also provides group travel services on an as-needed basis.

The Miami-Dade Transit Department (MDT) conducted a performance and cost analysis of the current routes. MDT staff is developing new contract specifications based on the results of the analysis. The requested allocation and additional time will ensure service continuity until the successor contract is established.

Contract Description and Reason for Change:

This contract provides parts maintenance and repair services for seven of the County's vehicle wash facilities. Miami-Dade Transit (MDT) has requested additional funds to purchase replacement brushes for five of these facilities. These replacement brushes are essential wash facility components, have exceeded their useful life, and their replacement will allow the vehicle wash equipment to function at an improved level. Additional funds are also requested for ongoing maintenance and repair services through the end of this contract term.

Contract Description and Reason for Change:
 Miami-Dade Transit (MDT) is using contracted employees to support operational needs at the new Miami International Airport Station. This is a new station that allows transportation between Miami International Airport and the Miami Intermodal Center. Contracted employees assist customers in providing transit guidance, flight information, directions, as well as information to County attraction areas and special events.

Retroactive approval for additional spending authority is required by MDT for contract employee services. MDT was in urgent need for an additional \$50,000 allocation under this contract in order to meet their operational needs. In order to meet this need, an allocation was transferred from existing Water and Sewer funds under this contract to MDT. This item simply formalizes the transfer of these funds and increases the allocation amount for MDT.

The feasibility of this project will be evaluated six months after implementation to determine the effectiveness of the customer service provided.

Additional Spending Authority

Contract Description and Reason for Change:
 This contract provides additional spending authority in the amount of \$6,000 for the rental of portable chemical toilets by the Miami-Dade Transit Department (MDT). MDT uses these services for various countywide projects and special events where permanent restroom facilities may be limited or unavailable. Specifically, MDT uses this contract to provide portable toilets at the Golden Glades Park & Ride Station, where restroom facilities are not available to passengers using the transportation hub between Miami-Dade and Broward counties.
