- one from the Water and Sewer Department, and
- sixty-seven from PWWM,

The referenced database also lists a total of 133 contractor performance evaluations (several contracts having two evaluations on file, an interim and a project closeout) with an overall performance rating of 3.0 (satisfactory performance), out of a possible 4.0 (superior performance) rating. The Regulatory and Economic Resources Department, Small Business Development Division (SBD) History of Violation's report lists no violations for this contractor.

According to the Florida Department of State, Division of Corporations, H & R Paving, Inc., Company Principals are Raul Gonzalez and Lucrecia Gonzalez and the Company's address is listed as 1955 NW 110 Avenue, Miami, Florida 33172.

Following PWWM's standard operating procedures, after award of this Contract a pre-construction meeting will be scheduled. The person responsible for all PTP projects in PWWM is PTP Coordinator, Mr. Alejandro Martinez-Esteve, RA, LEED AP. Following completion of the award process, the project will be assigned to Mr. Joaquin Rabassa, P.E., Project Coordinator, for day-to-day responsibilities.

**Background**

As part of the PTP Neighborhood Improvements initiative, PWWM continues to take advantage of various contracting mechanisms such as the Miscellaneous Construction Contracting process available under the MCC 7360 Program. Through this process, PWWM forwards a Request for Price Quotation (RPQ), by way of facsimile transmission, to a pool of firms that have registered with the Internal Services Department for the respective trade. Additionally, PWWM advertises the project in the *Daily Business Review* and all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project's award evaluation is based upon the bid submitted by the lowest responsive, responsible bidder for the project.

PWWM submitted to SBD its contract measure recommendation for Community Small Business Enterprise (CSBE) participation for this RPQ. SBD completed its Project Review and Analysis, and established Trade Set-Asides for Traffic Stripes and Markings, and Concrete Work, including Americans with Disabilities items as required for compliance with Implementing Order No. 3-22. A Community Workforce Program Goal was deemed not applicable to this RPQ.

Subsequent to SBD's Project Review and Analysis, PWWM forwarded RPQ No. 20120073, utilizing the MCC 7360 Plan - CICC 7360-0/08, to a list of 60 pre-registered firms. A total of three (3) firms purchased contract documents and four (4) firms proffered a bid.

On September 5, 2012, H & R Paving, Inc. proffered the lowest responsive and responsible base bid of \$1,131,146.46, six percent over the County's cost estimate.

The second lowest bidder, H & J Asphalt, Inc. proffered a base bid of \$1,230,998.35, eight percent over the lowest bidder. The third lowest bidder, Community Asphalt Corporation proffered a base bid of \$1,424,664.83, fourteen percent over the second lowest bidder. The fourth lowest bidder, General Asphalt Co., Inc. proffered a base bid of \$1,512,907.81, six percent over the third lowest bidder. Based on the results of the solicitation, PWWM issued a recommendation for award on October 2, 2012 for RPQ No. 20120073 to H & R Paving, Inc., with the stipulation that approval for this project must be obtained from the CITT and the BCC.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment, and tools to perform all operations necessary for roadway resurfacing improvements. The work includes clearing and excavating of shoulder areas or build-up, grading and clean-up of adjacent shoulders and removal of roots, if required. Additionally work includes milling of existing pavement, resurfacing of the full roadway, the widening and resurfacing of intersecting streets, and resurfacing of asphalt pathways (pedestrian, bicycle, etc.) adjacent or not to the edge of the pavement, if necessary.
