Memorandum

Date: April 2, 2013

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Authorizing a Public Purpose Conveyance of a Portion of the Rickenbacker Causeway to the City of Miami

Recommendation

It is recommended that the Board of County Commissioners (BCC) approve the attached resolution authorizing a public purpose conveyance of a portion of the Rickenbacker Causeway (Causeway) by County Deed in substantially the form attached hereto, to the City of Miami (City) for no monetary consideration, for the purpose of construction, operation and maintenance of a public municipal parking garage on Virginia Key. The portion recommended for conveyance is described in Exhibit "A" and illustrated in Exhibit "B" attached hereto and made a part hereof. Furthermore, it is recommended that the BCC waive Administrative Order 8-4 as it relates to review by the Planning Advisory Board.

Scope

The portion of the Rickenbacker Causeway to be conveyed is located in Miami-Dade County Commission District 7. The parcel straddles a municipal boundary with slightly less than half of the land to be conveyed, located within the City and the balance in unincorporated Miami-Dade County. This item is of County-wide interest since the Rickenbacker Causeway is a unique public open space that is both a transportation facility of regional significance as well as a recreational destination.

Fiscal Impact/Funding Source

No County funds will be used for this project. The City of Miami proposes to construct a public municipal parking garage at its own expense, at an estimated cost of \$8 million. Since this item is a public purpose conveyance for a transportation related municipal use, the value of the property has not been determined.

Track Record/Monitor

The Public Works and Waste Management Department (PWWM) is the entity overseeing this item and the person responsible is Mr. Wayne Sutton, PSM, Section Head, Right-of-Way Engineering Section.

Background

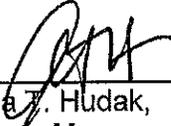

The portion of the Causeway to be conveyed is currently being used for drainage and beautification purposes, and not for lanes of traffic. It is located on the Northeastern side of the Causeway adjacent to the entrance to the Rusty Pelican Restaurant, the Rickenbacker Marina, and the Marine Stadium Marina. The subject land was originally submerged sovereignty land conveyed by the Trustees of the Internal Improvement Fund of the State of Florida to the City of Miami in 1929 "for municipal purposes only." (Deed Book 1324, Page 248). The City of Miami subsequently deeded the subject land to Miami Dade in 1941 for "construction and proper maintenance of a proposed causeway" and "for purposes beneficial to the residents of the City of Miami and adjoining communities" (Deed Book

2190, Page 359). The property has been landscaped to beautify the Causeway and to provide a visual buffer from the industrial and marine uses on the City's leased lands.

The City has proposed to fund and construct a four-story public municipal parking garage on Virginia Key, to provide 400 public parking spaces. City staff reports that current demand for parking exceeds supply, and the City expects a further increase in demand as its use of the Marine Stadium property expands. Public parking is a transportation use that is consistent with the purpose of the Causeway and for purposes beneficial to the residents of Miami-Dade County.

A review by the Shoreline Development Review Committee is required in order for the City to construct this project. Additionally, the City will be required to obtain all necessary zoning and building permits and approvals, notwithstanding this transfer by the County. Conveyance of the requested land will enable the City to make an independent application for a rezoning without the County as a co-applicant.

At this time the City does not expect additional traffic signalization to be required on the Causeway. However, the City must conduct a traffic study to determine any negative impacts on traffic flow or pedestrian and vehicular traffic safety, and shall correct any such impacts, including adding traffic signalization, if needed. Additionally, the City shall be required to mitigate any impacts on drainage or landscaping arising from the construction of the project. Should the proposed parking facility not be constructed within five (5) years, or in the event that the land is not used for a public municipal parking garage or is used for another purpose, the land will revert to Miami-Dade County.

DECLARATION OF RESTRICTIONS

WHEREAS, Miami-Dade County (the "County"), a political subdivision of the State of Florida, has conveyed to the City of Miami, (the "City") a municipal corporation of the State of Florida, real property, located in Miami-Dade County (the "Property"). The legal description of the Property is:

SEE EXHIBIT A

WHEREAS, the City hereby acknowledges and agrees that this Declaration of Restrictions (hereinafter "Declaration") was an inducement and part of the consideration for the County to convey the Property to the City.

NOW THEREFORE, in order to assure the County that the representations made by the City will always be abided by, the City, for sufficient consideration, makes the following Declaration covering and running with the Property.

The City hereby agrees and stipulates as follows:

Permitted Use of the Property. The Property shall solely be used for the construction, operation and ongoing maintenance of a public municipal parking garage, (the "Garage"), and for no other purpose, as evidenced by a final certificate of occupancy or its equivalent within five (5) years of the date of the conveyance of the Property.

County Inspection. It is hereby agreed that the County, or its duly authorized agents, shall have the right at any time during normal working hours of entering and inspecting the Property, to determine whether the requirements herein are being fully complied with.

Covenant Running with the Land. This Declaration shall constitute a covenant running with the land on the Property, and shall be recorded in the public records of Miami-Dade County, Florida, and shall remain in full force and effect. The City agrees that acceptance of this Declaration is legally binding upon them, and does not in any way obligate or provide a limitation on the County.

Assignment, Lease or Subsequent Conveyance. The City shall not assign, lease or convey the Property to any person or entity. Notwithstanding, the City shall have the right to assign the

operational duties of the Garage to the Department of Off-Street Parking d/b/a Miami Parking Authority, which will manage parking operations.

Modification, Amendment, Release. This Declaration may not be amended or released without the written consent of Miami-Dade County, in its sole and absolute discretion.

Authorization for Miami-Dade County to Reacquire the Property. In the event any of the terms or covenants of this Declaration are not being complied with, the Property shall immediately revert to the County, upon written notice provided by certified mail by the County to the City. The reverter shall immediately become effective upon the date that written notice is received by the City (the "effective reverter date"). The County shall have the right to immediate possession of the Property, with any and all improvements thereon, at no cost to the County, on the effective reverter date. Notwithstanding, in the event of such a reverter, the City shall have the obligation, at the County's election, to either 1) restore the Property, at the City's sole cost and expense, including any cost of demolition and removal of improvements constructed thereon by the City, or 2) to pay the County for the cost of such restoration. The determination of whether the Property has been adequately restored shall be determined in the County's sole discretion. In the event that the County exercises the reverter, upon written request, the City shall immediately provide the County with a deed of conveyance of the Property back to the County. These rights shall be in addition to any other remedy that the County may have herein and/or at law or in equity.

Restrictions, Reservations and Conditions. This conveyance is being made subject to the following conditions, reservations, and restrictions, which, in addition to the other provisions herein, shall be a basis for exercise of the County's right of reverter, as follows:

1. Physical construction of the parking garage shall commence no later than four (4) years from the date of conveyance of the Property, as evidenced by physical vertical construction.
2. Construction of the parking garage shall be completed, as evidenced by a certificate of occupancy or equivalent document no later than five (5) years from the date of conveyance of the Property.
3. No improvements shall be constructed on the Property that will result in a net loss of drainage capacity for the Rickenbacker Causeway, as determined in the County's sole discretion.
4. Prior to commencing construction, the City shall be required to submit to the County a landscaping mitigation and replacement plan acceptable to the County in its sole discretion, as evidenced by written approval from the County. The City shall implement the landscaping mitigation and replacement plan no later than the issuance of the certificate of occupancy.
5. Prior to commencement of construction, the City shall provide the County with a traffic study which identifies any negative impact on traffic flow and/or upon pedestrian and vehicular traffic safety. The City shall be required, at the County's election to either pay for any necessary mitigation or improvements with regard to traffic, as determined in the County's sole discretion, or to construct such improvements prior to completion of construction.

6. Prior to the commencement of construction, any binding determination by a governmental or zoning authority that a public municipal parking garage cannot be constructed on the Property, the County may exercise its reverter.

7. Any other restriction set forth as a basis for the reverter in the County Deed.

8. Any use of the Property for any purpose other than the construction, operation, and maintenance of a public municipal parking garage, as determined in the County's sole discretion.

Election of Remedies. All rights, remedies, and privileges granted herein shall be deemed to be cumulative and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude the party exercising the same from exercising, at will, such other additional rights, remedies, or privileges.

Severability. Invalidation of any one of these covenants, by judgment of a court, shall not affect any of the other provisions which shall remain in full force and effect. However, if any material portion is invalidated, Miami-Dade County shall be entitled to reacquire the Property predicated upon the invalidated portion of this Declaration as a result of its reversionary interest in the Property. The County Deed and this Declaration of Restriction are intended to be read together, and construed broadly, for the benefit of the County. No protection or provision in one that serves to benefit the County, shall be construed as limiting any other protection or provision that benefits the County.

Recording. This Declaration shall be filed in the public records of Miami-Dade County, Florida by the County immediately following the conveyance of the Property to the City. This Declaration shall become effective immediately upon recordation. This Declaration shall be filed on the date the Property is conveyed to the City.

Acceptance of Declaration. The City acknowledges that acceptance of this Declaration does not obligate Miami-Dade County in any manner, and does not entitle the City to favorable approval of any application, zoning or otherwise, and that the County retains its full power and authority to accept or reject any application, in whole or in part.

Incorporation of Recitals. The City hereby agrees that all recitals in this Declaration are hereby true and correct, and are incorporated into this Declaration.

(The remainder of this page is intentionally blank.)

IN WITNESS WHEREOF, the City has caused this Declaration to be executed by its respective and duly authorized representative on this 1st day of February, 2013, and it intends to be legally bound hereby to all of the terms and conditions of this Declaration.
