Following completion of the award process, the project will be assigned to Mr. Joaquin Rabassa, P.E., Project Coordinator, for day-to-day responsibilities.

Background
As part of the PTP Neighborhood Improvements initiative, PWWM continues to take advantage of various contracting mechanisms such as the Miscellaneous Construction Contracting process available under the MCC 7040 Program. Through this process, PWWM forwards a Request for Price Quotation, by way of facsimile transmission, to a pool of pre-qualified Community Small Business Enterprise (CSBE) contractors for the subject trade. Additionally, PWWM advertises the project in the *Daily Business Review* and all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project's award evaluation is based upon the bid submitted by the lowest responsive, and responsible bidder for the project.

This Project is Set-Aside for Level I CSBE participation in accordance with the Code of Miami-Dade County, Section 2.2 of CICC 7040-0/07, as amended by Ordinance 97-52 and Administrative Order 3-22 which are incorporated by reference in this RPQ. Levels I, II and III firms meeting the requirements of this RPQ can bid for this Project. In addition, a Community Workforce Program Goal of ten percent has been established for this project as several work locations fall within a Designated Target Area. On September 6, 2012, PWWM forwarded an RPQ for the PTP Pavement Markings Installation Project, utilizing the MCC 7040 Plan - CICC 7040-0/07 Contract, to a list of 233 pre-qualified firms. A total of four (4) firms purchased contract documents and three (3) firms proffered a bid.

On October 10, 2012, Highway Striping, Inc. proffered the lowest responsive and responsible base bid of $347,418.50, eleven percent below the County's cost estimate.

The second lowest bidder, P & J Striping, Inc. proffered a base bid of $349,014.70, one percent over the lowest bidder. The third lowest bidder, Quality Paving Corporation proffered a base bid of $413,609.70, nineteen percent over the second lowest bidder. Based on the results of the solicitation, PWWM issued a recommendation for award on October 19, 2012 for RFQ No. 20120101 to Highway Striping, Inc., with the stipulation that approval for this project must be obtained from the CITT and the BCC.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment, and tools to perform all operations necessary for pavement markings and signage improvements. The work includes marking and remarking of existing streets and bike lanes at designated sites within the Miami-Dade County maintenance road system.

Re: Bid Confirmation
Request for Price Quotation (RPQ) No. 20120101 (MCC 7040 Plan-CICC 7040-0/07)
People's Transportation Plan Pavement Markings Installation

Dear Mr. Nieto:

Your firm is the apparent low bidder on the above referenced Project. The bid proffered, consisting of a bid amount of $347,418.50 is substantially lower than the Project's estimated value. Over the past year, the Thermoplastic Paint Industry and the local striping contractors have been affected by the worldwide shortage of raw materials for traffic marking coatings and thermoplastic projects. As such, before proceeding with an award recommendation, we need a written confirmation that your firm can complete this project for the proposed bid amount, complete the work on schedule in accordance with the RPQ and the Contract Documents, and comply with the requirements of the Bid Bond.

Please provide your confirmation by signing in the space provided below and providing an executed copy of this correspondence to the Contracts and Specifications Section, Public Works and Waste Management Department (PWWM), 111 N.W. 1st Street, 14th Floor, Miami, Florida 33128-1917 or fax to (305) 375-2931 no later than close of business Friday, October 19, 2012. Should you have any questions please contact me at (305) 375-2930.

Sincerely,

Frank Aira, P.E., CFM
Division Manager, PWWM

I, _____ agree with the bid proffered on October 10, 2012.
