and Members, Board of County Commissioners

Agenda Item No. 8(D)(1)

From: Carlos A. Gimenez
County Mayor

Subject: Resolution Authorizing Issuance of not to exceed \$150 million of Miami-Dade County, Florida Special Obligation Court Facilities Bonds (Traffic Surcharge Revenues), Series 2013A, and Miami-Dade County, Florida Special Obligation Court Facilities Refunding Bonds (Traffic Surcharge Revenues), Series 2013B

Resolution No. R-511-13

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the accompanying resolution (2013 Series Resolution) which authorizes the issuance of Miami-Dade County, Florida Special Obligation Court Facilities Bonds (Traffic Surcharge Revenues), Series 2013A (New Money Bonds) and, Miami-Dade County, Florida Special Obligation Court Facilities Refunding Bonds, Series 2013B (Refunding Bonds) in an aggregate principal amount not to exceed \$150 million (collectively, 2013 Bonds).

The New Money Bonds will provide funds to complete the new Juvenile Courthouse. The Refunding Bonds will refund the outstanding Series 1998A Special Obligation Bonds (Courthouse Center Project), the Series 1998B Special Obligation Refunding Bonds (Courthouse Center Project), the Series 2003A Fixed Rate Special Obligation Bonds (Juvenile Courthouse Project) and the Series 2003B Special Obligation Variable Rate Demand Bonds (Juvenile Courthouse Project) which are collectively referred to as the Prior Bonds or Refunded Bonds. Based on market conditions of April 23, 2013 plus funds on deposit with the County, the par amount of New Money Bonds is estimated at \$29.6 million and the par amount of Refunding Bonds is estimated at \$98.4 million.

Scope

The 2013 Series Resolution authorizes the issuance of the New Money Bonds to fund the completion of the new Juvenile Courthouse in the amount of \$30.344 million. It is located at 155 N.W. 3 Street, Miami, which is in Commission District 5 and represented by Commissioner Bruno A. Barreiro.

Fiscal Impact/Funding Source

The Prior Bonds are secured by a secondary pledge of the County's covenant to annually budget and appropriate non-ad valorem revenues (Covenant Pledge). The proposed 2013 Bonds will only be secured by the \$30 Traffic Surcharge which is limited in use to funding court facilities. No other County revenues are pledged for the repayment of the Series 2013 Bonds.

In order to create a pledge solely of the Surcharge Revenues, all outstanding Prior Bonds must be refunded by the Refunding Bonds to be issued pursuant to the companion 2013 Ordinance considered by the Board along with the Series 2013 Resolution. Because of historically low fixed interest rates, the County would achieve a net present value savings of \$6.8 million or 10.28 percent on the three fixed rate series of Prior Bonds if refunded alone. The last series of Prior Bonds to be refunded are variable rate bonds which represent 41 percent of the outstanding principal of the Prior Bonds and must also be refunded to release the County Pledge. Since interest rates on variable rate bonds are always less than fixed rate bonds, there is a total net present value loss of \$6.5 million or 5.81 percent based on the market as of April 23, 2013 when the refunding is aggregated among all of the Prior Bonds (see page 3 of Attachment 1). In calculating the impact of the refunding with respect to the variable rate bonds, three percent was used as the presumed rate which was derived from the sum of the 20 year average of the Securities Industry and Financial Markets Association (SIFMA) rate, 2.26 percent, plus an

estimate of 0.74 percent to cover the cost of the additional fees the County pays annually associated with the required letter of credit for the variable rate Prior Bonds.

While the fiscal impact of the proposed refunding has a measureable net cost, such refunding should be regarded as a long term benefit since it eliminates the general fund exposure caused by the secondary Covenant Pledge. This is considered to be a compelling, long term public policy objective. The benefit is enhanced by eliminating the variable rate debt service during a period of historically low fixed interest rates which mitigates future interest rate risk associated with variable rate debt.

As programmed, the Series 2013 Bonds will be a fixed rate issuance of current interest bonds (i.e. interest paid semi-annually) and their life will not exceed the final maturity of the Refunded Bonds. A portion of the Bonds of the proposed transaction may carry a feature that allows the Bonds to be redeemed earlier than ten years with surplus Traffic Surcharge revenues. The average annual debt service for the Refunding Bonds is estimated at \$6.2 million, and the average annual debt service for the New Money Bonds is estimated at \$1.9 million (see pages 5 and 6 of Attachment 1). Updates to Attachment 1 will be provided at the time the Series 2013 Resolution is considered by the Board's committee of jurisdiction and when considered by the full Board. A final pricing report will be distributed to the Board pursuant to Resolution R-1313-09 after the Series 2013 Bonds are priced. The Series 2013 Bonds are expected to be priced and closed no later than August 2013.

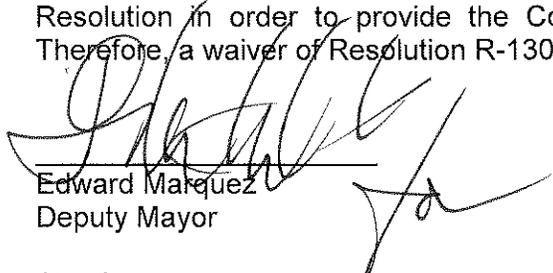

Track Record/Monitoring

The programming and use of special obligation bond proceeds is managed through the annual capital budget process under the auspice of the Office of Management and Budget. If approved, the issuance of the New Money and Refunding Bonds, annual bond service and continuing disclosure will be managed by the Finance Department's Division of Bond Administration Director, Frank Hinton.

Background

At the time the Board authorized the substitution of a pledge of the Traffic Surcharge for a pledge of court Filing and Service Charges as well as Fines and Forfeitures which secured the Prior Bonds, it further provided a secondary County Pledge if the Traffic Surcharge was not sufficient to pay the principal and interest on those Prior Bonds. In 2009, the Florida Legislature amended Section 318.18 Florida Statutes to increase the Traffic Surcharge from \$15 to \$30. Subsequently, on September 1, 2009 the Board enacted Ordinance 09-72, which amended Section 11-12 of the County Code to increase the Traffic Surcharge from \$15 to \$30. As a result of this increase, there is no need for the secondary County Pledge when marketing the Series 2013 Bonds.

The Prior Bonds directly, and the bonds they refunded, financed the acquisition and fit-up of the Courthouse Center, 175 N.W. 1 Avenue, which serves the Family Division of the 11th Judicial Circuit and the Juvenile Courthouse, currently under construction. An additional \$30.344 million is necessary to fund the 2009 expansion of the original project scope designed to locate all agencies serving the Juvenile Division in one court facility. The Series 2013 Resolution delegates certain responsibilities within parameters to the County Mayor or County Mayor's designee in connection with the issuance of the Series 2013 Bonds. In addition, Resolution R-130-06 provides that any County contract with a third party be finalized and executed prior to its placement on a committee agenda. The sale of the Series 2013 Bonds, which will set their final terms, will not occur until after the effective date of the Series 2013 Resolution in order to provide the County maximum flexibility in the market as described above. Therefore, a waiver of Resolution R-130-06 is required.

Deputy Mayor

WHEREAS, the Board desires to accomplish the purposes outlined in the accompanying memorandum (the “County Mayor’s Memorandum”), a copy of which is incorporated in this Resolution by reference,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that:

SECTION 1. Recitals, Definitions, Authority and Construction.

(a) Recitals. The recitals contained in the foregoing “WHEREAS” clauses are incorporated as part of this Resolution.

(b) Definitions. Unless the context otherwise clearly requires, (i) capitalized terms used, but not defined, in this Resolution, are used with the meanings ascribed to them in the Ordinance, and (ii) the following capitalized terms shall have the following meanings:

“Authorized Denominations” means, with respect to the Series 2013 Bonds, \$5,000.00 and any integral multiple of \$5,000.00.

“Interest Payment Date” means, with respect to the Series 2013 Bonds, each March 1 and September 1, commencing on such date as shall be determined by the County Mayor, after consultation with the Financial Advisor, and set forth in the Series 2013 Omnibus Certificate..

“Regular Record Date” means, with respect to the Series 2013 Bonds, the fifteenth (15th) day (whether or not a business day) of the calendar month next preceding each Interest Payment Date.

“Series 2013 Omnibus Certificate” means the Omnibus Certificate or Omnibus Certificates for the Series 2013 Bonds.

“Series 2013 Reserve Account Requirement” means an amount equal to the least of: (i) the Maximum Principal and Interest Requirements on the Series 2013 Bonds in any Fiscal Year; (ii) 125% of the average annual Principal and Interest Requirement for the Series 2013 Bonds; (iii) 10% of the proceeds of the 2013 Bonds; or (iv) any lesser amount as may be necessary in order to preserve the exclusion of interest on the 2013 Bonds from gross income for federal income tax purposes.

“Underwriters” mean the underwriters identified in and party to the Bond Purchase Agreement.

(c) Authority. This Resolution is adopted pursuant to the authority of the Act and all other applicable laws.

(d) Rules of Construction. Any reference to any Article, Section or provision of the Constitution or laws of the State, or of federal laws, or rules or regulations, shall include such provisions as amended, modified, revised, supplemented or superseded from time to time; provided that no such change shall be deemed applicable to any particular Series 2013 Bonds in any way that would constitute an unlawful impairment of the rights of the County or any Bondholder.

SECTION 2. Findings. The Board finds, determines and declares as follows:

(a) The sale and issuance of the Series 2013 Bonds and the use of their proceeds, as provided in this Resolution, serve a proper public purpose.

(b) In accordance with Section 218.385, Florida Statutes, as amended, and based upon the advice of Public Financial Management, Inc., which is serving as financial advisor to the County in connection with the issuance of the Series 2013 Bonds (the "Financial Advisor"), and the recommendation of the County Mayor, the negotiated sale of the Series 2013 Bonds is in the best interest of the County since the Series 2013 Bonds are a new credit and market conditions are such that the County will benefit from the additional pre-marketing efforts of the Underwriters and the flexibility to market and price the Series 2013 Bonds in order to obtain the most favorable interest rates available.

(c) The Board has determined that it is in the best interest of the County to accept the offer of the Underwriters to purchase the Series 2013 Bonds at a negotiated sale but only upon the terms and conditions set forth in this Resolution and as may be determined by the County Mayor in accordance with the terms of this Resolution and set forth in the Bond Purchase Agreement and the Series 2013 Omnibus Certificate.

(d) Based upon the information set forth in the County Mayor's Memorandum, the Board has further determined that the issuance of the Series 2013B Bonds to refund the Prior Bonds resulting in net present value loss is a compelling public policy objective because all Prior Bonds need to be refunded in connection with the County's enactment of the new Ordinance in order to limit the County's liability with respect to the Bonds solely to the Pledged Revenues and to subject the Bonds to more favorable legal requirements than the prior ordinance securing the Prior Bonds.

(e) The authority granted to officers of the County in this Resolution is necessary for the proper and efficient implementation of the financing program contemplated by this Resolution, and such authorization is in the best interests of the County.

SECTION 3. Authorization and Form of Series 2013 Bonds; Approval of Series 2013 Project; Terms and Provisions of Series 2013 Bonds; and Use of Surcharge Revenues.

(a) Authorization and Form of Series 2013A Bonds. The Series 2013A Bonds, to be designated as “Miami-Dade County, Florida Special Obligation Court Facilities Bonds, Series 2013A” are authorized to be issued in one or more Series, each in such original principal amount and with such Series designations as shall be set forth in the Series 2013 Omnibus Certificate, pursuant to, and subject to the conditions of, Sections 201 and 202 of the Ordinance and this Resolution. The Series 2013A Bonds shall be issued in order to (i) finance the acquisition, construction and equipping of the state court facilities described in the 2013 Project; (ii) fund the Reserve Fund or otherwise satisfy the requirements of this Ordinance for the funding of the Reserve Fund by the deposit of one or more Reserve Fund Credit Facilities; and (iii) pay certain costs of issuance of the Series 2013A Bonds, including the costs of any Credit Facilities and Reserve Fund Credit Facilities, if secured in accordance with the provisions of this Resolution.

(b) Authorization and Form of Series 2013B Bonds. The Series 2013B Bonds, to be designated as “Miami-Dade County, Florida Special Obligation Court Facilities Refunding Bonds, Series 2013B” are authorized to be issued in one or more Series, each in such original principal amount and with such Series designations as shall be set forth in the Series 2013 Omnibus Certificate, pursuant to, and subject to the conditions of, Sections 201 and 202 of the Ordinance and this Resolution. The Series 2013B Bonds shall be issued in order to (i) refund, defease and redeem the Prior Bonds; (ii) fund the Reserve Fund or otherwise satisfy the requirements of this

Ordinance for the funding of the Reserve Fund by the deposit of one or more Reserve Fund Credit Facilities; and (iii) pay certain costs of issuance of the Series 2013 Bonds, including the costs of any Credit Facilities and Reserve Fund Credit Facilities, if secured in accordance with the provisions of this Resolution.

(c) Maximum Principal Amount. The total aggregate principal amount of the Series 2013 Bonds shall not exceed \$150,000,000.00.

(d) Form of Series 2013 Bonds. Each of the Series 2013 Bonds shall be in substantially the form attached as Exhibit A to this Resolution, with such variations, omissions and insertions and such filling in of blanks, including Series designations and variations to accurately reflect the particular terms of such Series 2013 Bonds on their Issue Date, as may be necessary and approved by the County Mayor, after consultation with the County Attorney and Greenberg Traurig, P.A. and Edwards & Associates, P.A. (collectively, "Bond Counsel"), and which are not inconsistent with the provisions of the Bond Ordinance.

(e) Series 2013 Project. The Series 2013 Project, as described more particularly in Exhibit A to the Ordinance, is approved by the Board and constitutes a Project under the Ordinance.

(f) Terms and Provisions. The Series 2013A Bonds shall be issued in Authorized Denominations and shall be numbered consecutively from RA-1 upwards. The Series 2013B Bonds shall be issued in Authorized Denominations and shall be numbered consecutively from RB-1 upwards. Interest on the Series 2013 Bonds shall be payable each Interest Payment Date. The Series 2013 Bonds:

(i) shall be dated as of such date or dates and issued at such time or times,

(ii) shall be issued as Bonds, the interest on which shall be excludable from gross income of the holders thereof for federal income tax purposes,

(iii) shall be secured by Pledged Revenues,

(iv) shall consist of Serial Bonds and/or Term Bonds,

(v) shall mature on such date, in such year or years, but not later than forty (40) years from their dated date,

(vi) shall be issued as Fixed Rate Bonds, provided that the true interest cost rate (the "TIC") of the Series 2013 Bonds sold to the Underwriters at one time shall not exceed 5.25%,

(vii) shall be sold to the Underwriters at a purchase price not less than ninety-eight per cent (98.00%) of the original aggregate principal amount of the Series 2013 Bonds (excluding original issue discount and original issue premium),

(viii) as to any Term Bonds, shall have such Amortization Requirements, and

(ix) may be subject to redemption prior to maturity at such prices, which may include premium,

all as shall be determined by the County Mayor, after consultation with the Financial Advisor, and set forth in the Series 2013 Omnibus Certificate. The execution and delivery of the Series 2013 Omnibus Certificate shall be conclusive evidence of the Board's approval of the final terms and provisions of the Series 2013 Bonds.

(f) Use of Revenues Derived from Surcharge. The use of the Surcharge as security for and a source of funds for the repayment of the Series 2013 Bonds is authorized and approved.

(g) Reserve Account. There is by this Resolution created and designated a Reserve Account to be known as the "Miami-Dade County Special Obligation Court Facilities Bonds

Series 2013 Reserve Account” (the “Series 2013 Reserve Account”). Amounts held in Series 2013 Reserve Account shall be held solely for the Series 2013 Bonds and applied to their payment or otherwise applied in accordance with the requirements of the Ordinance. The Series 2013 Reserve Account Requirement is established as the Reserve Account Requirement in respect of the Series 2013 Reserve Account.

SECTION 4. Execution and Authentication of Series 2013 Bonds. The Series 2013 Bonds shall be executed as provided in the Ordinance. A Certificate of Authentication of the Registrar shall appear on the Series 2013 Bonds, and no Series 2013 Bonds shall be valid or obligatory for any purpose or be entitled to any security or benefit under the Bond Ordinance, unless such certificate shall have been duly manually executed by the Registrar on such Series 2013 Bonds.

In case any one or more of the officers who shall have signed any of the Series 2013 Bonds shall cease to be such officer of the County before the Series 2013 Bonds so signed shall have been actually delivered, such Series 2013 Bonds may nevertheless be delivered as provided in this Series 2013 Resolution and may be issued as if the person who signed such Series 2013 Bonds had not ceased to hold such offices. Any Series 2013 Bonds may be signed on behalf of the County by such person as at the actual time of the execution of such Series 2013 Bonds shall hold the proper office, although at the date of such Series 2013 Bonds such person may not have held such office or may not have been so authorized.

SECTION 5. Special Obligations of County. The Series 2013 Bonds are payable solely from Pledged Revenues as provided in the Ordinance. The Series 2013 Bonds shall not be deemed to constitute a pledge of the faith and credit of the State or of any political subdivision thereof, including the County. Neither the faith and credit of the State nor the faith and credit of the County

are pledged to the payment of the principal of or premium, if any, or interest on the Series 2013 Bonds, and the issuance of the Series 2013 Bonds shall not directly or indirectly or contingently obligate the State or the County to levy any taxes whatever therefor or to make any appropriation for their payment except from the Pledged Revenues provided for their payment under the Ordinance.

SECTION 6. Payment and Ownership of Series 2013 Bonds.

(a) Payment. The principal of and any premium on any Series 2013 Bonds shall be payable when due to a Bondholder upon presentation and surrender of such Series 2013 Bond at the designated corporate trust office of the Registrar and Paying Agent and interest on each Series 2013 Bond shall be paid on each Interest Payment Date by check or draft, mailed by the Paying Agent on that Interest Payment Date to the Holder of the Series 2013 Bond as of the close of business on the Record Date applicable to that Interest Payment Date and at the Bondholder's address as it appears on the registration books kept by the Registrar and Paying Agent (the "Register") on that Regular Record Date applicable to that Interest Payment Date and at the Bondholder's address as it appears on the Register on that Regular Record Date, provided, however, that (i) so long as the ownership of such Series 2013 Bonds are maintained in a Book Entry Only System by a securities depository, such payment shall be made by automatic funds transfer ("wire") to such securities depository or its nominee and (ii) if such Series 2013 Bonds are not maintained in a Book Entry Only System by a securities depository, upon written request of the Holder of \$1,000,000.00 or more in principal amount of Series 2013 Bonds delivered to the Registrar and Paying Agent at least 15 days prior to an Interest Payment Date, interest may be paid when due by wire if such Bondholder advances to the Paying Agent the amount necessary to pay the wire charges or authorizes the Paying Agent to deduct the amount of such payment. If and to

the extent, however, that the County fails to make payment or provision for payment on any Interest Payment Date of interest on any Series 2013 Bond, that interest shall cease to be payable to the person who was the Holder of that Series 2013 Bond as of the applicable Regular Record Date. In that event, when moneys become available for payment of the delinquent interest, the Registrar and Paying Agent shall establish a special interest payment date (the "Special Interest Payment Date") for the payment of that interest, and a special record date (the "Special Record Date"), which Special Record Date shall be not more than 15 nor fewer than 10 days prior to the Special Interest Payment Date; and the Registrar and Paying Agent shall cause notice of the Special Interest Payment Date and of the Special Record Date to be mailed not fewer than 10 days preceding the Special Record Date to each person who was a Holder of such Series 2013 Bond at the close of business on the 15th day preceding said mailing to such person's address as it appears on the Register on that 15th day preceding the mailing of such notice and, thereafter, the interest shall be payable to the person who was the Holder of such Series 2013 Bond as of the close of business on the Special Record Date.

(b) Ownership. The Holder of any Series 2013 Bond shall be deemed and regarded as the absolute owner for all purposes of this Series 2013 Resolution. Payment of or on account of the debt service on any Series 2013 Bond shall be made only to or upon the order of that Holder or such Holder's attorney-in-fact duly authorized in writing in the manner permitted under this Series 2013 Resolution. Neither the County, the Registrar or the Paying Agent shall be affected by notice to the contrary. All payments made as described in this Resolution shall be valid and effective to satisfy and discharge the liability upon that Series 2013 Bond, including, without limitation, interest, to the extent of the amount or amounts so paid.

SECTION 7. Redemption Provisions.

(a) Partial Redemption. Any Series 2013 Bond which is to be redeemed only in part shall be surrendered at any place of payment specified in the notice of redemption (with due endorsement by, or written instrument of transfer in form satisfactory to the County, the Registrar and the Paying Agent duly executed by the Holder of such Series 2013 Bond or his attorney-in-fact duly authorized in writing) and the County shall execute and cause to be authenticated and delivered to the Holder of such Series 2013 Bond without charge, a new Series 2013 Bond or Series 2013 Bonds, of any authorized denomination as requested by such Holder, in an aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Series 2013 Bonds so surrendered.

(b) Effect of Calling for Redemption. On the date designated for redemption of any Series 2013 Bonds, notice having been mailed as provided in the Bond Ordinance and moneys for payment of the redemption price being held by the Paying Agent in trust for the Holders of the Series 2013 Bonds to be redeemed, the Series 2013 Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Series 2013 Bonds on such date, interest on the Series 2013 Bonds so called for redemption shall cease to accrue, such Series 2013 Bonds shall not be deemed to be Outstanding for purposes of the Bond Ordinance and shall cease to be entitled to any lien, benefit or security under this Series 2013 Resolution or the Bond Ordinance, and the Holders of such Series 2013 Bonds shall have no rights in respect of the Series 2013 Bonds except to receive payment of the redemption price of the Series 2013 Bonds.

(c) Conditional Notice of Redemption. If the Series 2013 Bonds or any portion thereof are to be redeemed pursuant to the terms authorized in this Series 2013 Resolution, the County may provide a conditional notice of redemption of such Series 2013 Bonds in accordance with the

terms set forth below, and the Finance Director is authorized, in his discretion, to add to the form of Series 2013 Bonds a provision reflecting this right:

Conditional Notice of Redemption. In the case of an optional redemption, the notice of redemption may state that (1) it is conditioned upon the deposit of moneys with the Paying Agent or with an escrow agent under an escrow deposit agreement, in amounts necessary to effect the redemption, no later than the redemption date or (2) the County retains the right to rescind such notice on or prior to the scheduled redemption date (in either case, a “Conditional Redemption”), and such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded as described in this subsection. Any such notice of Conditional Redemption shall be captioned “Conditional Notice of Redemption.” Any Conditional Redemption may be rescinded at any time prior to the redemption date if the County delivers a written direction to the Paying Agent directing the Paying Agent to rescind the redemption notice. The Paying Agent shall give prompt notice of such rescission to the affected Bondholders. Any Series 2013 Bonds subject to Conditional Redemption where redemption has been rescinded shall remain Outstanding, and neither the rescission nor the failure by the County to make such moneys available shall constitute an Event of Default. The County shall give immediate notice to the securities information repositories and the affected Bondholders that the redemption did not occur and that the Series 2013 Bonds called for redemption and not so paid remain Outstanding.

SECTION 8. System of Certificated and Uncertificated Registration. There is established a system of registration with respect to the Series 2013 Bonds as permitted by Chapter 279, Florida Statutes, as amended, pursuant to which both certificated and uncertificated registered

Series 2013 Bonds may be issued. The system shall be as described in the Official Statement. The Series 2013 Bonds shall be initially issued as book-entry-only bonds through the Book Entry Only System maintained by DTC which will act as securities depository for the Series 2013 Bonds. The Board reserves the right to amend, discontinue or reinstitute the Book Entry Only System from time to time, subject to the rights of Bondholders contained in the Bond Ordinance.

Neither the County, the Registrar nor the Paying Agent shall be liable for the failure of the securities depository of the Series 2013 Bonds to perform its obligations as described in the Official Statement, nor for the failure of any participant in the Book Entry Only System maintained by the securities depository to perform any obligation such participant may have to a beneficial owner of any Series 2013 Bonds.

The Board approves, ratifies and confirms the Blanket Issuer Letter of Representations previously executed and delivered by the County to DTC. The Finance Director is authorized to execute any additional documentation required by DTC, as securities depository of the Series 2013 Bonds, in connection with the issuance of the Series 2013 Bonds through DTC's Book Entry Only System.

SECTION 9. Appointment of Registrar and Paying Agent. The County Mayor is authorized to appoint the Registrar and Paying Agent for the Series 2013 Bonds after a competitive process and, after consultation with the County Attorney and Bond Counsel, to execute any necessary agreements with the Registrar and Paying Agent.

SECTION 10. Approval of the Preliminary Official Statement and Final Official Statement. The use and distribution of the Preliminary Official Statement (the "Preliminary Official Statement") in connection with the offering and sale of the Series 2013 Bonds in substantially the form attached as Exhibit B to this Resolution is approved, with such variations,

omissions and insertions and such filling in of blanks as may be necessary and approved by the County Mayor, after consultation with the Chief Judge, the Financial Advisor, the County Attorney, Bond Counsel and Hunton & Williams, P.A. and Thomas H. Williams, Jr., P.L. (collectively, "Disclosure Counsel"). The County Mayor is authorized to deem the Preliminary Official Statement "final" for the purposes of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule"). The County Mayor is authorized and directed to deliver a final Official Statement (the "Official Statement") in connection with the offering and sale of the Series 2013 Bonds. The Official Statement shall be in substantially the form of the Preliminary Official Statement, with such variations, omissions and insertions and such filling in of blanks as may be necessary and approved by the County Mayor, after consultation with the Chief Judge, the Financial Advisor, the County Attorney, Bond Counsel and Disclosure Counsel, with the delivery of the Official Statement by the County Mayor being conclusive evidence of the Board's approval of any such variations, omissions and insertions and such filling in of blanks.

SECTION 11. Approval of Bond Purchase Agreement and Authorization to Award the Sale of the Series 2013 Bonds. The Board approves the Bond Purchase Agreement in substantially the form on file with the Clerk's office as Exhibit C to this Resolution, with such additions, deletions and completions as may be necessary and approved by the County Mayor in accordance with the terms of this Resolution after consultation with the Financial Advisor, Bond Counsel and the County Attorney. Upon compliance by the Underwriters with the requirements of Section 218.385, Florida Statutes, as amended, the County Mayor, after consultation with the Financial Advisor, is authorized and directed to award the sale of the Series 2013 Bonds to the Underwriters upon the terms described in Section 3(f) of this Resolution and to finalize the terms of, and to execute the Bond Purchase Agreement (the "Bond Purchase Agreement") between the County and

the Underwriters and to deliver the Bond Purchase Agreement. The execution and delivery of the Bond Purchase Agreement by the County Mayor shall be conclusive evidence of the Board's approval of any such additions, deletions and completions and acceptance of the Underwriters' proposal to purchase the Series 2013 Bonds. The Board approves the negotiated sale of the Series 2013 Bonds to the Underwriters upon the final terms and conditions in this Resolution and as set forth in the Series 2013 Omnibus Certificate and the Bond Purchase Agreement.

SECTION 12. Credit Facilities and Reserve Fund Credit Facilities. If the County Mayor demonstrates, after consultation with the Financial Advisor, that there is an economic benefit to the County to secure and pay for one or more Credit Facilities and/or Reserve Fund Credit Facilities with respect to the Series 2013 Bonds, the County Mayor is authorized to secure one or more Credit Facilities and/or Reserve Fund Credit Facilities with respect to the Series 2013 Bonds. The County Mayor is authorized to provide for the payment of any premiums on or fees for such Credit Facilities and/or Reserve Fund Credit Facilities from the proceeds of the issuance of the Series 2013 Bonds and, after consultation with the County Attorney and Bond Counsel, to enter into, execute and deliver such Credit Agreements as may be necessary to secure such Credit Facilities and/or Reserve Fund Credit Facilities, with the County Mayor's execution of any such Credit Agreements to be conclusive evidence of the Board's approval of such agreements.

Any Credit Agreements with any Providers of Credit Facilities and/or Reserve Fund Credit Facilities shall supplement and be in addition to the provisions of the Bond Ordinance.

SECTION 13. Application of Series 2013 Bond Proceeds. The proceeds received from the sale of the Series 2013 Bonds shall be deposited and applied as set forth in Section 210 of the Ordinance. Separate accounts and subaccounts may be created and designated with respect to each

Series of Series 2013 Bonds and the required deposits shall be made with respect to each Series of Series 2013 Bonds, all as set forth in the Series 2013 Omnibus Certificate.

SECTION 14. Continuing Disclosure.

(a) The County agrees, in accordance with the provisions of, and to the degree necessary to comply with, the secondary disclosure requirements of the Rule to provide or cause to be provided for the benefit of the beneficial owners of the Series 2013 Bonds (the “Beneficial Owners”) to the Municipal Securities Rulemaking Board (“MSRB”) in an electronic format prescribed by the MSRB and such other municipal securities information repository as may be required by law or applicable regulation, from time to time (each such information repository, a “MSIR”), the following annual financial information (the “Annual Information”), commencing with the Fiscal Year ending after the issuance of the Series 2013 Bonds:

(1) historical collection of Pledged Revenues by the County and related debt service coverage, all of the type and in a form which is generally consistent with the presentation of such information in the Official Statement; and

(2) the County’s Comprehensive Annual Financial Report utilizing generally accepted accounting principles applicable to local governments.

The information in paragraphs (1) and (2) above will be available on or before June 1 of each year for the preceding Fiscal Year, and will be made available, in addition to each MSIR, to each Beneficial Owner of the Series 2013 Bonds who requests such information in writing. The County’s Comprehensive Annual Financial Report referred to in paragraph (2) above is expected to be available separately from the information in paragraph (1) above and will be provided by the County as soon as practical after acceptance of the County’s audited financial statements from the auditors by the County. The County’s Comprehensive Annual Financial Report is generally

available within eight (8) months from the end of the Fiscal Year. If not available within eight (8) months from the end of the Fiscal Year, unaudited information will be provided in accordance with the time frame set forth above and audited financial statements will be provided as soon after such time as they become available.

(b) The County agrees to provide or cause to be provided, in a timely manner not in excess of ten (10) business days after the occurrence of the event, to each MSIR in the appropriate format required by law or applicable regulation, notice of occurrence of any of the following events with respect to the Series 2013 Bonds:

- (1) principal and interest payment delinquencies;
- (2) non-payment related defaults, if material;
- (3) unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) substitution of credit or liquidity providers, or their failure to perform;
- (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Series 2013 Bonds, or other material events affecting the tax status of the Series 2013 Bonds;
- (7) modifications to rights of holders of the Series 2013 Bonds, if material;
- (8) bond calls, if material, and tender offers;
- (9) defeasances;
- (10) release, substitution or sale of any property securing repayment of the Series 2013 Bonds, if material (the Series 2013 Bonds are secured solely by the Pledged Revenues);
- (11) rating changes;

(12) bankruptcy, insolvency, receivership or similar event of the County (which is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the County in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the County, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the County);

(13) the consummation of a merger, consolidation, or acquisition involving the County or the sale of all or substantially all of the assets of the County, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and

(14) appointment of a successor or additional trustee or the change of name of the trustee, if material.

(c) The County agrees to provide or cause to be provided, in a timely manner, to each MSIR, in the appropriate format required by law or applicable regulation, notice of its failure to provide the Annual Information with respect to itself on or prior to June 1 following the end of the preceding Fiscal Year.

(d) The obligations of the County under this Section shall remain in effect only so long as the Series 2013 Bonds are Outstanding. The County reserves the right to terminate its

obligations to provide the Annual Information and notices of material events, as set forth above, if and when the County no longer remains an “obligated person” with respect to the Series 2013 Bonds within the meaning of the Rule.

(e) The County agrees that its undertaking pursuant to the Rule set forth in this Section is intended to be for the benefit of the Beneficial Owners of the Series 2013 Bonds and shall be enforceable by such Beneficial Owners if the County fails to cure a breach within a reasonable time after receipt of written notice from a Beneficial Owner that a breach exists; provided that any such Beneficial Owner’s right to enforce the provisions of this undertaking shall be on behalf of all Beneficial Owners and shall be limited to a right to obtain specific performance of the County’s obligations under this Section in a federal or state court located within the County and any failure by the County to comply with the provisions of this undertaking shall not be a default with respect to the Series 2013 Bonds.

(f) Notwithstanding the foregoing, each MSIR to which information shall be provided shall include each MSIR approved by the Securities and Exchange Commission prior to the issuance of the Series 2013 Bonds. In the event that the Securities and Exchange Commission approves any additional MSIRs after the date of issuance of the Series 2013 Bonds, the County shall, if the County is notified of such additional MSIRs, provide such information to the additional MSIRs. Failure to provide information to any new MSIR whose status as a MSIR is unknown to the County shall not constitute breach of this covenant.

(g) The requirements of subsection (a) above do not necessitate the preparation of any separate annual report addressing only the Series 2013 Bonds. The requirements of subsection (a) may be met by the filing of an annual information statement or the County’s Comprehensive Annual Financial Report, provided such report includes all of the required Annual Information and

is available by June 1 of each year for the preceding Fiscal Year. Additionally, the County may incorporate any information in any prior filing with each MSIR or included in any official statement of the County, provided such official statement is filed with the MSRB.

(h) The County reserves the right to modify from time to time the specific types of information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the County; provided that the County agrees that any such modification will be done in a manner consistent with the Rule.

(i) Except to cure any ambiguity, inconsistency or formal defect or omission in the provisions of this Section, the County covenants as to secondary disclosure (the "Covenants") may only be amended if:

(1) the amendment is made in connection with a change in circumstances that arises from a change in legal requirements, a change in law or a change in the identity, nature or status of the County or type of business conducted; the Covenants, as amended, would have complied with the requirements of the Rule at the time of award of the Series 2013 Bonds, after taking into account any amendments or change in circumstances; and the amendment does not materially impair the interests of the Beneficial Owners, as determined by Disclosure Counsel or other independent counsel knowledgeable in the area of federal securities laws and regulations; or

(2) all or any part of the Rule, as interpreted by the staff of the Securities and Exchange Commission at the date of the adoption of this Resolution, ceases to be in effect for any reason, and the County elects that the Covenants shall be deemed amended accordingly.

Any assertion of beneficial ownership must be filed, with full documentary support, as part of the written request described above.

The Board further authorizes and directs the County Mayor to cause all other agreements to be made or action to be taken as required in connection with meeting the County's obligations as to the Covenants. The County Mayor shall further be authorized to make such additions, deletions and modifications to the Covenants as he shall deem necessary or desirable in consultation with the County Attorney, Bond Counsel and Disclosure Counsel.

SECTION 15. Appointment of Verification Agent. The County Mayor is authorized to appoint the Verification Agent with respect to the Prior Bonds after a competitive process and, after consultation with the County Attorney and Bond Counsel, to execute any necessary agreements with the Verification Agent.

SECTION 16. Appointment of Escrow Agent. The County Mayor is authorized to appoint the Escrow Agent for the Series 2013 Bonds after a competitive process and, after consultation with the County Attorney and Bond Counsel, to execute any necessary agreements with the Escrow Agent.

SECTION 17. Approval of Escrow Deposit Agreement. The Board approves the Escrow Deposit Agreement in substantially the form on file with the Clerk's office as Exhibit D to this Resolution, with such additions, deletions and completions as may be necessary and approved by the County Mayor in accordance with the terms of this Resolution after consultation with the Financial Advisor, Bond Counsel and the County Attorney. The County Mayor, after consultation with the Financial Advisor, is authorized and directed to finalize the terms of, and to execute the Escrow Deposit Agreement between the County and the Escrow Agent and to deliver the Escrow Deposit Agreement. The execution and delivery of the Escrow Deposit Agreement by the County Mayor shall be conclusive evidence of the Board's approval of any such additions, deletions and completions.

SECTION 18. Authorization of Further Actions. The County Mayor or his designee, the County Manager, the County Mayor, the County Attorney, the Clerk and other officers, employees and agents of the County are hereby authorized and directed to do all acts and things and to execute and deliver any and all documents and certificates which they deem necessary or advisable in order to call the Prior Bonds for optional redemption at a convenient date prior to their stated maturity, to consummate the issuance of the Series 2013 Bonds and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution, the Series 2013 Bonds and the related documents. In the event that the County Mayor or his designee, the County Manager, the Clerk or the County Attorney is unable to execute and deliver the contemplated documents, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the County.

SECTION 19. Severability; Resolution Controlling. In case any one or more of the provisions of this Resolution or any approved document shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Resolution or such document, as the case may be, and such other provisions shall be construed and enforced as if such illegal or invalid provisions had not been contained. All or any part of resolutions or proceedings in conflict with the provisions of this Resolution are to the extent of such conflict repealed or amended to the extent of such inconsistency.

SECTION 20. Governing Law; Venue. The Series 2013 Bonds are to be issued and this Resolution is adopted and such other documents necessary for the issuance of the Series 2013 Bonds shall be executed and delivered with the intent that, except to the extent otherwise specifically provided in such documents, the laws of the State shall govern their construction. Venue shall lie in Miami-Dade County, Florida.

SECTION 21. Waivers. The provisions of Resolution No. R-130-06, as amended, requiring that any contracts of the County with third parties be executed and finalized prior to their placement on the committee agenda are waived at the request of the County Mayor for the reasons set forth in the County Mayor's Memorandum.

Proceeds of the Series 2013A Bonds will be used to finance the completion of a new juvenile courthouse and related facilities (the “Juvenile Courthouse Project”). Proceeds of the Series 2013B Bonds will be used to refund bonds previously issued by the County to finance the Juvenile Courthouse Project. Proceeds of the Series 2013 Bonds will also be used to fund a reserve fund and to pay costs of issuing the Series 2013 Bonds.

The Series 2013 Bonds will be issued as fully registered bonds in the name of Cede & Co., as registered owner and nominee of The Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the Series 2013 Bonds. THE SERIES 2013 BONDS WILL BE SPECIAL AND LIMITED OBLIGATIONS OF THE COUNTY PAYABLE SOLELY FROM A PLEDGE OF THE TRAFFIC SURCHARGE REVENUES RECEIVED BY THE COUNTY AND OTHER PLEDGED REVENUES (AS DESCRIBED IN THIS OFFICIAL STATEMENT). NEITHER THE FAITH AND CREDIT OF THE STATE OF FLORIDA OR THE COUNTY NOR THE FAITH AND CREDIT OF ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE OF FLORIDA OR THE COUNTY ARE PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF OR INTEREST ON THE SERIES 2013 BONDS. THE ISSUANCE OF THE SERIES 2013 BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OF FLORIDA OR THE COUNTY OR ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE OF FLORIDA OR THE COUNTY TO LEVY ANY TAXES FOR THE SERIES 2013 BONDS OR TO MAKE ANY APPROPRIATION FOR THEIR PAYMENT EXCEPT FROM THE PLEDGED REVENUES.

[The scheduled payment of principal of and interest when due on the Series 2013 Bonds will be guaranteed under an insurance policy to be issued concurrently with the delivery of the Series 2013 Bonds by _____.]

INTRODUCTION

This Official Statement, including the appendices, provides information in connection with the issuance and sale by Miami-Dade County (the "County") of the County's Special Obligation Court Facilities Bonds (Traffic Surcharge Revenues), Series 2013A (the "Series 2013A Bonds"), and (2) Special Obligation Court Facilities Refunding Bonds (Traffic Surcharge Revenues), Series 2013B (the "Series 2013B Bonds"). Proceeds of the Series 2013A Bonds will be used to finance the completion of Juvenile Courthouse Project, described below, for use by the Eleventh Judicial Circuit of Florida. Proceeds of the Series 2013B Bonds will be used to refund four series of bonds previously issued by the County to finance the Juvenile Courthouse Project. Proceeds of the Series 2013A Bonds and the Series 2013B Bonds (together, the "Series 2013 Bonds") will also be used to fund a reserve fund and to pay costs of issuing the Series 2013 Bonds. The County is issuing the Series 2013 Bonds pursuant to its obligation under Article V of the Florida Constitution to provide facilities for applicable circuit and county courts.

The Series 2013 Bonds are being issued (i) pursuant to Chapters 125 and 166, Florida Statutes, as amended, and the Code of Miami-Dade County, including Section 11-12 thereof, and (ii) under the County's Ordinance No. 13-_____ enacted by the Board of County Commissions of the County (the "Board") on ____, 2013 (the "Ordinance") and Resolution No. _____ adopted by the Board on ____, 2013 (the "Series 2013 Resolution"). The Ordinance and the Series 2013 Series Resolution are collectively referred to as the "Bond Ordinance". See "APPENDIX B – THE ORDINANCE AND THE SERIES 2013 RESOLUTION."

Payment of the Series 2013 Bonds is secured by the Pledged Revenues, consisting primarily of Traffic Surcharge Revenues received by the County. The Traffic Surcharge Revenues consist of payments made to the County representing a \$30 surcharge (a "Traffic Surcharge") assessed by the County on each non-criminal traffic infraction and certain criminal violations related to traffic violations. See "SECURITY FOR THE SERIES 2013 BONDS" and "TRAFFIC SURCHARGE REVENUES."

[Concurrently with the issuance of the Series 2013 Bonds, _____ ("_____" or the "Bond Insurer") will issue its municipal bond insurance policy (the "Bond Insurance Policy") guaranteeing the scheduled payment of principal and interest on the Series 2013 Bonds. The form of the Bond Insurance Policy is set forth in APPENDIX ___. See "BOND INSURANCE FOR THE SERIES 2013 BONDS."]

PLAN OF FINANCE

Proceeds of the Series 2013 Bonds will be used (1) to refund the Prior Bonds, as described below, (2) to pay costs of completing the Juvenile Courthouse Project, (3) to fund a Reserve Fund for the Series 2013 Bonds, and (4) to pay costs of issuance of the Series 2013 Bonds. See "THE JUVENILE COURTHOUSE PROJECT."

Refunding of Prior Bonds

The Prior Bonds consist of the County's outstanding (1) Special Obligation Bonds (Courthouse Center Project), Series 1998A, (2) Special Obligation Refunding Bonds (Courthouse Center Project), Series 1998B, (3) Fixed Rate Special Obligation Bonds (Juvenile Courthouse Project) Series 2003A, and (4) Special Obligation Variable Rate Demand Bonds, Series 2003B (Juvenile Courthouse Bonds). The Prior Bonds were issued to finance the cost of court facilities, including the Juvenile Courthouse Project, and constitute all bonds currently secured by a pledge of the Traffic Surcharge Revenues, and thus the Series 2013 Bonds will be, upon their issuance, the only bonds secured by the pledge of Traffic Surcharge Revenues. Additional bonds secured by a parity pledge of Traffic

Surcharge Revenues may be issued as described in "SECURITY FOR THE SERIES 2013 BONDS – Additional Bonds," "- Refunding Bonds" and "- Completion Bonds."

[A portion of the proceeds of the Series 2013B Bonds will be used to provide for the refunding of the Prior Bonds. To effect such refundings, the County, prior to the delivery of the Series 2013 Bonds, will enter into an Escrow Deposit Agreement (the "Escrow Agreement") with _____, as escrow agent (the "Escrow Agent"). Pursuant to the terms of the Escrow Agreement, the County will deposit a portion of the proceeds of the Series 2013 Bonds [together with other legally available moneys] into an escrow deposit trust fund (the "Escrow Deposit Trust Fund") created under the Escrow Agreement and to be maintained by the Escrow Agent.

On the date of the delivery of the Series 2013 Bonds, a portion of the applicable proceeds and moneys deposited into the Escrow Deposit Trust Fund will be used to purchase direct, non-callable obligations of the United States of America ("Government Obligations") maturing at such times and in such amounts so that the maturing principal, together with the interest income thereon and any cash held uninvested in the Escrow Deposit Trust Fund, will be sufficient to pay the principal of and interest on and redemption premium, if any, on the Prior Bonds, on _____, the date such Refunded Bonds will be redeemed.

In the opinion of Bond Counsel, subsequent to the deposit of moneys into the Escrow Deposit Trust Fund and the investments of such moneys as described in the preceding paragraph, the Refunded Bonds will no longer be Outstanding. The opinion of Bond Counsel will be rendered in reliance upon schedules verified as to accuracy by _____ (the "Verification Agent"). See "VERIFICATION OF MATHEMATICAL COMPUTATIONS."

The maturing principal of and interest on the Government Obligations and cash held uninvested in the Escrow Deposit Trust Fund will not be available to pay principal of or interest on any of the Series 2013 Bonds.]

As long as DTC or its nominee is the registered owner of the Series 2013 Bonds, the principal and interest payments will be made to DTC or its nominee, which will in turn remit such principal and interest payments to DTC's Participants for subsequent disbursement to the Beneficial Owners. See "APPENDIX E – THE DTC BOOK-ENTRY ONLY SYSTEM."

Redemption Provisions

[To Come]

Notice of Redemption

In the event that any Series 2013 Bonds are called for redemption, notice of redemption shall be given by the Registrar and Paying Agent on behalf of the County by first class mail of a copy of a redemption notice, postage prepaid, at least 30 and not more than 60 days before the redemption date to all Registered Owners of such Series 2013 Bonds or portions of such Series 2013 Bonds to be redeemed at their addresses as they appear on the registration books 15 days prior to the date such notice is mailed. Failure to mail any such notice to a Registered Owner of a Series 2013 Bond to be redeemed or any defect therein, shall not affect the validity of the proceedings for redemption of any Series 2013 Bond or portion of any Series 2013 Bond with respect to which no failure or defect occurred.

Such notice shall set forth the date fixed for redemption, the rate of interest borne by each Series 2013 Bond to be redeemed, the redemption price of each Series 2013 Bond to be paid, the date of the notice of redemption, the name and address of the Registrar and Paying Agent and, if less than all of the Series 2013 Bonds of such Series then Outstanding shall be called for redemption, the distinctive numbers and letters, including CUSIP numbers, if any, of such Series 2013 Bonds to be redeemed and, in the case of Series 2013 Bonds to be redeemed in part only, the portion of the principal amount to be redeemed. If any Series 2013 Bond is to be redeemed in part only, the notice of redemption which relates to such Series 2013 Bond shall also state that on or after the redemption date, upon surrender of such Series 2013 Bond, a new Series 2013 Bond or Bonds in a principal amount equal to the unredeemed portion of such Series 2013 Bond will be issued.

Any notice mailed as provided above shall be conclusively presumed to have been duly given, whether or not the Owner of such Series 2013 Bond receives such notice.

Conditional Notice of Redemption

If any Series 2013 Bonds are to be optionally redeemed as described above, the County may provide a conditional notice of redemption of such Series 2013 Bonds in accordance with the terms set forth in the Series 2013 Resolution, including the requirement that the County give prompt notice to Bondholders of any rescission of any proposed optional redemption.

Effect of Calling for Redemption

Series 2013 Bonds or portions of Series 2013 Bonds that have been duly called for redemption, and with respect to which amounts sufficient to pay the principal of, redemption premium, if any, and interest to the date fixed for redemption shall be delivered to and held in separate accounts by an escrow agent or any Paying Agent in trust for the Registered Owners of such Series 2013 Bonds, as provided in the Ordinance, shall not be deemed to be Outstanding under the provisions of the Ordinance and shall cease to be entitled to any lien, benefit or security under the Ordinance, except to receive the payment of the redemption price on or after the designated date of redemption from moneys deposited with or held by such escrow agent or the Paying Agent, as the case may be, for such redemption of the Series 2013 Bonds and, to the extent provided in the Ordinance to receive Series 2013 Bonds for any unredeemed portion of the Series 2013 Bonds.

SECURITY FOR THE SERIES 2013 BONDS

[Municipal Bond Insurance]

Revenue Pledge

Payment of the Series 2013 Bonds is secured solely by (1) a pledge of the Pledged Revenues, as defined in the Ordinance, primarily revenues derived pursuant to a \$30 Traffic Surcharge collected by the County (the "Traffic Surcharge Revenues"), and (2) amounts held in the Reserve Fund and other funds created by the Bond Ordinance to secure such payment. The Traffic Surcharge Revenues are collected by the County Clerk and paid to the County as described below in "TRAFFIC SURCHARGE REVENUES." The County cannot increase the Traffic Surcharge above \$30 without action by the Florida Legislature and the Board.

THE SERIES 2013 BONDS WILL BE SPECIAL AND LIMITED OBLIGATIONS OF THE COUNTY PAYABLE SOLELY FROM A PLEDGE OF THE TRAFFIC SURCHARGE REVENUES RECEIVED BY THE COUNTY AND OTHER PLEDGED REVENUES (AS DESCRIBED IN THIS OFFICIAL STATEMENT). NEITHER THE FAITH AND CREDIT OF THE STATE OF FLORIDA OR THE COUNTY NOR THE FAITH AND CREDIT OF ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE OF FLORIDA OR THE COUNTY ARE PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF OR INTEREST ON THE SERIES 2013 BONDS. THE ISSUANCE OF THE SERIES 2013 BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OF FLORIDA OR THE COUNTY OR ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE OF FLORIDA OR THE COUNTY TO LEVY ANY TAXES FOR THE SERIES 2013 BONDS OR TO MAKE ANY APPROPRIATION FOR THEIR PAYMENT EXCEPT FROM THE PLEDGED REVENUES.

Reserve Fund

Funds on deposit in a Reserve Account may be used only for the purpose of making payments of principal of and interest on, the Bonds to which such Reserve Account relates and only when all moneys in any other fund or account held pursuant to the Ordinance and available for such purpose pursuant to the Ordinance are insufficient therefor. The Reserve Fund may be funded with cash, investments or a Reserve Account Credit Facility. The Series 2013 Reserve Account Requirement shall be equal to the lesser of (i) the Maximum Principal and Interest Requirements on the Series 2013 Bonds in any Fiscal Year, (ii) 125% of the average annual Principal and Interest Requirement for the Series 2013 Bonds, (iii) 10% of the proceeds of the Series 2013 Bonds, or (iv) any lesser amount as may be necessary in order to preserve the exclusion of interest on the Series 2013 Bonds from gross income for federal income tax purposes.

Acceleration

The Series 2013A Bonds are not subject to acceleration, upon any default or otherwise.

Additional Bonds

Upon satisfying certain conditions contained in the Ordinance, the County may issue Additional Bonds payable from the Pledged Revenues on a parity with the Series 2013 Bonds for the purpose of financing the acquisition, construction and equipping of State Court Facilities (as defined in the Ordinance). Pursuant to the Ordinance, prior to the delivery of each Series of Additional Bonds, there shall be delivered, among other things, a certificate of the County Mayor, showing (1) the amount of the Pledged Revenues in each of the preceding 18 months and the maximum total amount of such Pledged Revenues in any 12 consecutive months of such preceding 18 months (such 12 consecutive months being the "Computation Period"); and (2) that the total amount of Pledged Revenues during the Computation Period is at least equal to 1.75 times the Maximum Principal and Interest Requirements (as such term is defined in the Ordinance) for any Fiscal Year on the Series 2013 Bonds and any Additional Bonds outstanding under the Ordinance. See "APPENDIX C – THE ORDINANCE" for a more complete discussion on the issuance of Additional Bonds.

Refunding Bonds

Upon satisfying certain conditions contained in the Ordinance, the County may issue Refunding Bonds for the purpose of refunding any Bonds then Outstanding under the Ordinance. See "APPENDIX C -- THE ORDINANCE" for a more complete discussion on the issuance of Refunding Bonds.

Completion Bonds

Upon satisfying certain conditions contained in the Ordinance, the County may issue Completion Bonds for the purpose of completing a project financed from the issuance of Bonds. See "APPENDIX C -- THE ORDINANCE" for a more complete discussion on the issuance of Completion Bonds.

Limited Ability To Reduce Surcharge

In the Ordinance, the County has covenanted that it may reduce the Traffic Surcharge below the current \$30 only if the County has delivered to the County Clerk a Coverage Certificate, showing (1) the amount of the Pledged Revenues in each of the preceding 18 months and the maximum total amount of such Pledged Revenues in any 12 consecutive months of such preceding 18 months (such 12 consecutive months being the "Computation Period"); and (2) that the total amount of Pledged Revenues during the Computation Period is at least equal to 1.75 times the Maximum Principal and Interest Requirements for any Fiscal Year on the Bonds outstanding under the Ordinance. In such event, the County may reduce the Traffic Surcharge below \$30 only if the County certifies in writing to the County Clerk that (a) after such reduction, the County reasonably expects that the County will continue to meet the Coverage Requirement going forward, and (b) such reduction will not result in the reduction, suspension or withdrawal of any rating then maintained on the Bonds by a Rating Agency.

If the County determines to reduce the Traffic Surcharge below \$30, the County must certify in writing as of each March 1 and September 1 thereafter as to whether the County has continued to satisfy the Coverage Requirement. In the event that any such certification reveals that the County has failed to satisfy the Coverage Requirement, the County has covenanted to increase the Traffic Surcharge to \$30 as soon as practicable and to keep the Traffic Surcharge at \$30 until it meets the requirements of this section again.

Covenants To Protect the Revenue Stream

In the Bond Ordinance the County has covenanted that it will take no steps to amend, repeal, or support any attempt to amend or repeal, the Traffic Surcharge.

THE ELEVENTH JUDICIAL CIRCUIT

General

The Florida State Courts System is the third branch of Florida's State Government and is comprised of 20 judicial circuits, five district courts of appeal and the Supreme Court of Florida. Each judicial circuit is composed of a circuit court and one or more county courts, depending on the number of counties each circuit serves. The Eleventh Judicial Circuit in and for Miami-Dade County, Florida (the "11th Judicial Circuit"), has jurisdiction that encompasses all of Miami-Dade County, Florida, including the City of Miami and 33 other municipalities within the County.

The 11th Judicial Circuit covers an area of almost 2,000 square miles and serves a population of more than two and one-half million. With 123 serving judges, it is the largest judicial circuit in Florida and the fourth largest circuit court in the nation. The 11th Judicial Circuit is comprised of the Circuit and County Courts. Generally, Circuit Courts may hear those matters that are not vested in the County Courts and appeals as provided by general

law. They also have the power to issue writs. The Circuit and County Courts are further divided into divisions, each of which is further described below.

The 11th Judicial Circuit has four main courthouses, which house Circuit and County Court judges, the Administrative Office of the Courts, the Office of the County Clerk and other court-related personnel. To provide the public with greater access to the court, county court judges also preside in five full-service branch (or district) courts throughout Miami-Dade County (a sixth branch court is planned and in design) and hear the following matters: misdemeanor cases, traffic matters, municipal ordinance violations, civil matters not exceeding the sum of \$5,000 (small claims), uncontested and simplified dissolutions of marriage, and non-criminal domestic and repeat violence injunction matters.

Circuit Court

The Florida Constitution provides that a circuit court shall be established to serve each judicial circuit established by the Florida Legislature. Within each circuit, there may be any number of judges, assigned depending upon the population and caseload of the particular area. Eighty judges preside in seven divisions of the Circuit Court: (1) the Circuit Civil Division presides over civil disputes, which include, but are not limited to foreclosure matters and cases with damages in excess of \$15,000 filed by an individual, business or government agency; (2) the Circuit Criminal Division hears major criminal (felony) cases where the resulting penalty can be imprisonment in a state penitentiary or death; (3) the Family Division hears divorce, child custody, child support, adoption, paternity, name change and some domestic violence injunction cases; (4) the Juvenile Division hears cases involving child abuse and neglect, juvenile delinquency, truancy and special services; (5) the Probate Division hears cases related to the processing of wills and the settling of estates, as well as guardianship cases and cases involving persons adjudicated as incapacitated; (6) the Unified Family Court Division hears cases where one judge presides over multiple open cases involving the same children and family members within the Domestic Violence, Family, and Juvenile Divisions; and (7) the Appellate Division, consisting of circuit judges from other divisions who form a three-judge panel to hear appeals from the County Court and petitions for writ of certiorari seeking review of decisions of any public body not covered by the Florida Administrative Procedures Act. Twelve magistrates and child support hearing officers support the Family, Circuit Civil, Probate, Juvenile and Unified Family Court Divisions.

County Court

The Florida Constitution establishes a county court in each Florida county. The number of county court judges varies with the population and caseload of the county. Forty-three judges preside in the four divisions of the County Court: (1) the County Civil Division hears landlord tenant, small claims (amounts up to \$5,000) and county civil (amounts of \$5,001 to \$15,000) cases and municipal ordinance violations; (2) the Traffic Court Division hears civil traffic infractions. Accidents with injuries and criminal traffic charges are heard in the County Criminal Division; (3) the County Criminal Division hears misdemeanor cases, criminal traffic matters punishable by less than one year in jail, and ordinance violations; and (4) the Domestic Violence Division hears domestic violence-related misdemeanors, civil domestic and repeat violence injunction violations, and injunction for protection cases. Thirty-two traffic hearing officers support the county court judiciary by presiding over traffic infraction cases.

THE CLERK'S OFFICE AND THE COUNTY

The Miami-Dade Clerk of Circuit and County Courts (the "County Clerk") is a duly elected constitutional officer as mandated by Article V, Section 16 of the Constitution of the State of Florida. The Clerk is elected to a four-year term by the electorate of Miami-Dade County. The Honorable Harvey Ruvin was elected to the Office of the Clerk in November 1992 and has been re-elected since then. The responsibilities of the Clerk are established by the State Constitution, the Florida State Statutes, County Ordinances and Regulations and Judicial Orders. The County Clerk serves as: (1) Ex-Officio Clerk of the Board of County Commissioners, (2) County Recorder, (3) County Auditor, (4) Custodian of all County Funds and (5) Custodian of all records filed with the circuit and county courts.

The County Clerk is principally responsible for records management and enjoys a close working relationship with the 11th Judicial Circuit in maintaining support to the judiciary. The Clerk's Office provides a

number of services to the public at the main courthouses, the branch courts and other facilities in Miami-Dade County, including collecting traffic and parking fines, filing pleadings, providing case information and issuing marriage licenses.

Pursuant to Section 218.35, Florida Statutes, the County Clerk prepares a budget in two parts, one relating to the State court system in his/her capacity as Clerk of the Circuit and County Courts, and the other relating to his/her functions as Ex-Officio Clerk of the Board. The former is funded from the Filing and Service Charges imposed under Chapters 28 and 34, Florida Statutes, and the latter is funded by the Board as part of the County's annual budget. The 11th Judicial Circuit and the County Clerk announced that effective April 1, 2013, eFiling of new complaints in the Circuit and County Civil and Probate Divisions is now available in Miami-Dade County. Using the Florida eFiling Authority's Internet portal, registered users will be able to submit Circuit and County Civil, Family and Probate filings that involve the on-line payment of filing fees or that create new cases. With the advent of this new system, filers will now have the ability to file case initiation and subsequent pleadings within all Miami-Dade Civil Court Divisions: Circuit Civil, County Civil, Family and Probate.

THE JUVENILE COURTHOUSE PROJECT

Proceeds of the Series 2013A Bonds, used together with other available funds of the County, [including proceeds from certain of the Prior Bonds,] will be used to finance completion of the construction and equipping of a juvenile courthouse and related facilities (the "Juvenile Courthouse Project"). Construction of the Project commenced in early 2011 with a projected building construction completion date of October 2013 and a projected build-out and occupancy date of December 2014. The Juvenile Courthouse Project is being built on a 3.38 acre redeveloped Brownfield site located at 155 N.W. 3rd Street in the City of Miami, adjacent to other municipal, county, state and federal facilities and to a mass transit rail station. It consists of a 14 story, 372,000 square foot tower with 18 courtrooms on five floors, two floors of judicial chambers, one floor each for the State Attorney, the Public Defender, the County Clerk and the Administrative Office of the Court for a total of four floors with the remaining three to provide for entry and main lobby space, office space for court-support agencies and building management. In addition to green-space, a secure 75 vehicle surface parking lot will be provided on-site for judicial staff, law enforcement and other direct staff supporting court operations.

TRAFFIC SURCHARGE REVENUES

History of Traffic Surcharge Revenues

In order to assist local governments to fund their constitutional obligation to provide certain court facilities, the Florida Legislature in 2004 adopted legislation (the "State Authorizing Legislation") that permitted the County to impose a \$15 surcharge on certain traffic violations pursuant to the authority conferred in Section 318.18(13)(a)1, Florida Statutes, as amended, or any successor provision thereto. The County enacted Ordinance Number 04-116 on May 25, 2004, which amended the Code of the County to impose the Traffic Surcharge for the purpose of funding court facilities including the payment of debt service. In 2009, the State Authorizing Legislation increased the maximum permitted amount of the Traffic Surcharge from \$15 to \$30, and in response the County adopted this change in state law by enacting Ordinance Number 09-72 amending Section 11-12 of the County Code to increase the County's Traffic Surcharge from \$15 to \$30. Both the State Authorizing Legislation and Section 11-12 provide that no court can waive the Traffic Surcharge.

[The Traffic Surcharge applies to (1) each non-criminal (civil) traffic infraction cited in Section 318.14, Florida Statutes, as amended, including driving without the proper registration and driving without a valid driver's license, and (2) each criminal traffic violation cited in Section 318.17, Florida Statutes, as amended, including fleeing or attempting to elude a police officer, leaving the scene of a crash, driving while under the influence of alcohol, reckless driving, making false crash reports, refusing to comply with any lawful order of a police officer, and obstructing an officer. These violations are referred to as "Qualifying Infractions," and the Traffic Surcharge applies to each Qualifying Infraction that occurs within the County. The Traffic Surcharge is in addition to other applicable fines, court costs and other costs applied as a result of such infraction.]

[Pursuant to Section 322.245, Florida Statutes, as amended, if a person charged with a criminal traffic violation cited in Section 318.17, Florida Statutes, as amended, fails to comply with the court's directives, the court will suspend his or her license.]

Limitation on Use of Traffic Surcharge Revenues

Both the State Authorizing Legislation and Section 11-12 of the County Code limit the uses of any revenues from the Traffic Surcharge to costs related to court facilities. Section 11-12 of the County Code provides that all proceeds of the Traffic Surcharge "shall be used to fund state court facilities as required by general law" and such cost "includes but is not limited to payment of debt service on any bonds issued to finance state court facilities." Subject to the requirements of the Ordinance [cross references], such proceeds may be used for capital improvements, including repairs and equipment, for the court facilities of the 11th Judicial Circuit.

Procedures for Collection

The County Clerk is responsible for tracking and collecting all Traffic Surcharges as well as fines and other costs associated with Qualifying Infractions, subject to final adjudication by the applicable courts. For civil Qualifying Infractions, the County Clerk assigns an initiating date together with an assigned case number and with the appropriate fine and costs assessed. If the ticket is timely paid within 30 days, the case is closed. Payment of amounts collected by the County Clerk is made with priority of payment first to amounts due the State, then to the County Clerk, then to the County for the Traffic Surcharge and certain other payments, and finally, to the County and then to municipal jurisdictions within the County that issued the ticket or citation.

Recipients of citations for Qualifying Infractions may contest the charges against them and if successful, no Traffic Surcharge will be collected. Recipients of citations for Qualifying Infractions that are criminal are assigned a hearing date, when the defendant may contest the charge or admit guilt or plead no contest and pay amounts due, including the Traffic Surcharge. Recipients of Qualifying Infractions that are civil also may request a hearing, in which case community service might be assigned in lieu of fines or costs, a partial payment plan might be ordered with various pay-out times or the citation may be dismissed for a variety of reasons, including an incorrect original citation. Other delays may occur because of separate related criminal proceedings. Unpaid amounts are sometimes turned over to collection agencies, but without any assurance that all or part of the amounts due will actually be collected.

Thus in the case of any ticket or citation for any Qualifying Infraction, the defendant may ultimately be successful in avoiding any payments or may take steps that delay payment in full. Although the Traffic Surcharge leveled on account of a particular Qualifying Infraction is not subject to reduction below \$30, the unsuccessful collection of all amounts due [often][may] result[s] in less than the full \$30 being received and transferred to the County. The amount of the Traffic Surcharge is never increased to reflect delays in payment.

INVESTMENT CONSIDERATIONS

Factors Affecting Number of Tickets Issued

The number of Qualifying Infractions in the County each year resulting in collection of the Traffic Surcharge is subject to a large number of variables, many of which cannot be controlled by the County. These include changes in law and judicial decisions affecting traffic violations, the general behavior of motorists, changes in the composition of motorists, the reaction of motorists to the perceived enforcement policies of the County and the other political subdivisions within the County, insurance rates and insurance company policies, the number of tourists and other visitors, the resources of and the demands on the police departments of the County and the other political subdivisions within the County and the enforcement policies and efficiencies of such police departments.

Factors Affecting Revenue Collected

The dollar amount realized by the County each year from the Traffic Surcharge Revenues is subject to a large number of variables, many of which cannot be controlled by the County. They include legislative or judicial decisions affecting enforcement and collection; the number of tickets dismissed because they are written incorrectly by law enforcement; the number of tickets and citations contested successfully; the enforcement policies of judges; the number of violators who must use a payment plan or who are unwilling or unable to pay amounts due, including writing overdraft checks or misuse of credit cards creating chargebacks; general economic conditions; the number of out of state violators who are not subject to enforcement policies applicable to instate residents (for example, suspension of driver’s license); and the size and efficiency of the staffing of the Clerk’s Office and related collection personnel. While the staff of the Clerk’s Office are employees of the County, they are not subject to direction by the County because they report to a separate constitutional officer, the County Clerk. See “TRAFFIC SURCHARGE REVENUES.”

Limited Remedies of Bondholders

Holder of the Series 2013 Bonds have no power to influence the collection of Traffic Surcharge Revenues. There is no rate covenant or other provision in the Bond Ordinance requiring the County to take specified actions if the amount of Traffic Surcharge Revenues declines over any period of time or drops below the amount necessary to pay debt service on the Series 2013 Bonds.

TAX MATTERS

Opinions

In the opinion of Greenberg Traurig, P.A. and Edwards & Associates, P.A., Bond Counsel, under existing statutes, regulations, rulings and court decisions and assuming continuing compliance with certain covenants and the accuracy of certain representations, (1) interest on the Series 2013 Bonds will be excludable from gross income for federal income tax purposes, (2) interest on the Series 2013 Bonds will not be an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however such interest on the Series 2013 Bonds will be taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on certain corporations, and (3) the Series 2013 Bonds and the income thereon will not be subject to taxation under the laws of the State, except estate taxes and taxes under Chapter 220, Florida Statutes, as amended, on interest, income or profits on debt obligations owned by corporations as defined therein.

Generally. The above opinion on federal tax matters will be based on and will assume the accuracy of certain representations and certifications, and compliance with certain covenants, of the County to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2013 Bonds will be and will remain obligations, the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2013 Bonds.

The Code prescribes a number of qualifications and conditions for the interest on state and local government obligations to be and to remain excludable from gross income for federal income tax purposes, some of which require future or continued compliance after issuance of the obligations in order for the interest to be and to continue to be so excludable from the date of issuance. Noncompliance with these requirements by the County may cause the interest on the Series 2013 Bonds to be included in gross income for federal income tax purposes and thus to be subject to federal income tax retroactively to the date of issuance of the Series 2013 Bonds. The County has covenanted to take the actions required of it for the interest on the Series 2013 Bonds to be and to remain excludable from gross income for federal income tax purposes, and not to take any actions that would adversely affect that excludability.

Except as described herein, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of the Series 2013 Bonds. Prospective purchasers of Series 2013 Bonds should be aware that the ownership of Series 2013 Bonds may result in collateral federal income tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry Series 2013 Bonds or, in the case of a financial institution, that portion of the owner's interest expense allocable to interest on a Series 2013 Bond, (ii) the reduction of loss reserve deduction for property and casualty insurance companies by 15% of certain items, including interest on the Series 2013 Bonds, (iii) the inclusion of interest on the Series 2013 Bonds in the effectively connected earnings and profits (with adjustments) of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of interest on the Series 2013 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, and (v) the inclusion of interest on the Series 2013 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits.

Purchasers of the Series 2013 Bonds at other than their original issuance at the respective prices or yields indicated on the inside cover of this Official Statement should consult their own tax advisors regarding other tax considerations such as the consequences of market discount.

From time to time, there are legislative proposals pending in Congress that, if enacted into law, could alter or amend one or more of the federal tax matters described above including, without limitation, the excludability from gross income of interest on the Series 2013 Bonds, adversely affect the market price or marketability of the Series 2013 Bonds, or otherwise prevent the holders from realizing the full current benefit of

the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would apply to the Series 2013 Bonds.

Original Issue Discount

Certain of the Series 2013 Bonds as indicated on the inside cover of this Official Statement ("Discount Bonds") were offered and sold to the public at a yield that is greater than the corresponding interest rate on such Series 2013 Bonds, which results in a price that is below their stated redemption price (the principal amount) at maturity. Under the Code, the difference between the principal amount of the Discount Bonds and the initial offering price to the public, excluding bond houses and brokers, at which price a substantial amount of such Discount Bonds of the same maturity was sold constitutes original issue discount. Original issue discount represents interest which is excluded from gross income to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2013 Bonds. Original issue discount will accrue over the term of a Discount Bond at a constant interest rate compounded actuarially. A purchaser who acquires a Discount Bond in the initial offering at a price equal to the initial offering price thereof as set forth on the cover page of the Official Statement for the Bonds will be treated as receiving an amount of interest excludable from gross income equal to the original issue discount accruing during the period he holds the Discount Bond, and will increase his adjusted basis in such Discount Bond by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or other disposition of such Discount Bond. The federal income tax consequences of the purchase, ownership and redemption, sale or other disposition of Discount Bonds, which are not purchased in the initial offering at the initial offering price, may be determined according to rules which differ from those described above. Owners of Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, redemption or other disposition of Discount Bonds and with respect to the state and local tax consequences of owning and disposing of Discount Bonds.

Original Issue Premium

Certain of the Series 2013 Bonds as indicated on the inside cover of this Official Statement ("Premium Bonds") were offered and sold to the public at a yield that is less than the corresponding interest rate on such Series 2013 Bonds, which results in a price that is in excess of their stated redemption price (the principal amount) at maturity. That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond. A purchaser of a Premium Bond in the initial public offering at the price for that Premium Bond stated on the inside cover of this Official Statement who holds that Premium Bond to maturity (or, in the case of a callable Premium Bond, to its earlier call date that results in the lowest yield on that Premium Bond) will realize no gain or loss upon the retirement of that Premium Bond.

Owners of Premium Bonds should consult their own tax advisors as to the determination for federal income tax purposes of the amount of bond premium properly accruable in any period with respect to the Premium Bonds and as to other federal tax consequences and the treatment of bond premium for purposes of state and local taxes on, or based on, income. Reference is made to the proposed form of the opinion of Bond Counsel attached hereto as "APPENDIX C - Proposed Form of Bond Counsel Opinions" for the complete text thereof. *See also* "LEGAL MATTERS".

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2013 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2013 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2013 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2013 Bonds and proceeds from the sale of Series 2013 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2013 Bonds. This withholding generally applies if the owner of Series 2013 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2013 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

CONTINUING DISCLOSURE

In the Series 2013 Resolution, the County has covenanted, in accordance with the provisions of, and to the degree necessary to comply with, the continuing disclosure requirements of Rule 15c2-12, as amended (the "Rule") of the Securities and Exchange Commission ("SEC"), to provide or cause to be provided as described below, for the benefit of the Beneficial Owners of the Series 2013 Bonds, the following annual financial information (the "Annual Information"), commencing with the Fiscal Year ending September 30, 2013:

- (1) historical collection of Pledged Revenues by the County and related debt service coverage, all of the type and in a form which is generally consistent with the presentation of such information in the Official Statement; and
- (2) the County's Comprehensive Annual Financial Report utilizing generally accepted accounting principles applicable to local governments.

Such information will be filed through the Electronic Municipal Market Access System ("EMMA") maintained by the Municipal Securities Rulemaking Board ("MSRB") and may be accessed through the Internet at emma.msrb.org.

The information in paragraphs (1) and (2) above is expected to be available on or before June 1 of each year for the preceding Fiscal Year, commencing June 1, 2014. The County's Comprehensive Annual Financial Report referred to in paragraph (2) above is expected to be available separately from the information in paragraph (1) above and will be provided by the County as soon as practical after the acceptance of the County's audited financial statements from the auditors by the County. The County's Comprehensive Annual Financial Report is generally available within eight months from the end of the Fiscal Year. The County has agreed that if audited financial information is not available within eight months of the end of the Fiscal Year, it will provide unaudited information within eight months from the end of the Fiscal Year and provide audited financial statements as soon after such time as they become available.

The County has agreed to file with EMMA in the appropriate format required by law or applicable regulation, in a timely manner not in excess of ten business days after the occurrence of the event, notice of the occurrence of any of the following events with respect to the Series 2013 Bonds:

- (1) principal and interest payment delinquencies;
- (2) non-payment related defaults, if material;
- (3) unscheduled draws on debt service reserves reflecting financial difficulties;

- (4) unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) substitution of credit facility providers, or their failure to perform;
- (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Series 2013 Bonds, or other material events affecting the tax status of the Series 2013 Bonds;
- (7) modifications to rights of holders of the Series 2013 Bonds, if material;
- (8) bond calls, if material, and tender offers;
- (9) defeasance of all or any portion of the Series 2013 Bonds;
- (10) release, substitution, or sale of any property securing repayment of the Series 2013 Bonds, if material;
- (11) rating changes;
- (12) bankruptcy, insolvency, receivership or similar event of the County (which is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the County in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the County, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the County);
- (13) the consummation of a merger, consolidation, or acquisition involving the County or the sale of all or substantially all of the assets of the County, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
- (14) the appointment of a successor or additional trustee or the change of name of a trustee, if material.

The County has agreed to provide or cause to be filed with EMMA in a timely manner, in the appropriate format required by law or applicable regulation, notice of its failure to provide the Annual Information with respect to itself on or prior to June 1 following the end of the preceding Fiscal Year.

The foregoing obligations of the County shall remain in effect only so long as the Series 2013 Bonds are Outstanding. The County has reserved the right to terminate its obligation to provide the Annual Information and notices of reportable events, as set forth above, if and when the County no longer remains an "obligated person" with respect to the Series 2013 Bonds within the meaning of the Rule.

In the event that the SEC approves any municipal securities information repository ("MSIR"), other than EMMA after the date of issuance of the Series 2013 Bonds, the County will, if the County is notified of such additional MSIRs, provide such information to the additional MSIRs. Failure to provide such information to any new MSIR whose status as a MSIR is unknown to the County shall not constitute a breach of this covenant.

The requirements of filing the Annual Information do not necessitate the preparation of any separate annual report addressing only the Series 2013 Bonds. The requirements may be met by the filing of an annual information statement or the County's Comprehensive Annual Financial Report, provided such report includes all of the required Annual Information and is available by June 1 of each year for the preceding Fiscal Year. Additionally, the County may incorporate any information in any prior filing with each MSIR or included in any official statement of the County, provided such official statement is filed with the MSRB.

The County has reserved the right to modify from time to time the specific types of information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the County, provided that the County has agreed that any such modification will be done in a manner consistent with the Rule.

Except to cure any ambiguity, inconsistency or formal defect or omission in the relevant provisions of the Series 2013 Resolution, the County covenants as to continuing disclosure with respect to the Series 2013 Bonds (the "Covenants") may be amended if:

- (A) the amendment is made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the County or type of business conducted; the Covenants, as amended, would have complied with the requirements of the Rule at the time of award of the Series 2013 Bonds, after taking into account any amendments or change in circumstances; and the amendment does not materially impair the interests of the Beneficial Owners, as determined by the Board, counsel or other independent counsel knowledgeable in the area of federal securities laws and regulations; or
- (B) all or any part of the Rule, as interpreted by staff of the SEC at the date of adoption of the Series 2013 Resolution, ceases to be in effect for any reason, and the County elects that the Covenants shall be deemed amended accordingly.

Any assertion of beneficial ownership must be filed, with full documentary support, as part of the written request described above.

Limited Information; Limited Rights of Enforcement

The County's obligation under its continuing disclosure undertaking with respect to the Series 2013 Bonds is limited to supplying limited information at specified times and may not provide all information necessary to determine the value of the Series 2013 Bonds at any particular time.

The County has agreed that its continuing disclosure undertaking is intended to be for the benefit of the Beneficial Owners of the Series 2013 Bonds and shall be enforceable by such Beneficial Owners if the County fails to cure a breach within a reasonable time after receipt of written notice from a Beneficial Owner that a breach exists; provided, however, that any Beneficial Owner's right to enforce the provisions of the undertaking shall be on behalf of all Beneficial Owners and shall be limited to a right to obtain specific performance of the County's obligations with respect to continuing disclosure under the Series 2013 Resolution in a federal or state court located within the County, and any failure by the County to comply with the provisions of the undertaking shall not be a default with respect to the Series 2013 Bonds.

Continuing Disclosure Compliance by County

The County has complied in all material respects with all continuing disclosure commitments previously made by the County with respect to previously issued obligations.

The ratings reflect only the views of such organizations and any desired explanation of the significance of such ratings should be obtained from the rating agency furnishing the same. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of their own. There is no assurance such ratings will continue for any given period of time or that such ratings will not be revised downward or withdrawn entirely by the rating agencies, if in the judgment of such rating agencies, circumstances so warrant. ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2013 Bonds upon an Event of Default under the Series 2013 Resolution are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing laws and judicial decisions, the remedies provided for under the Series 2013 Resolution may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2013 Bonds will be qualified to the extent that the enforceability of certain legal rights related to the Series 2013 Bonds is subject to limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the enforcement of creditors' rights generally and by equitable remedies and proceedings generally.

VERIFICATION OF MATHEMATICAL COMPUTATIONS

_____ (the "Verification Agent") has verified the arithmetical accuracy of (a) certain computations relating to the sufficiency of forecasted receipts of principal and interest on the investments and cash deposited in the Escrow Deposit Trust Fund to pay the principal of, redemption premium, if any, and interest on the Prior Bonds, on their respective redemption or maturity dates and (b) the computation of the yields on the Series 2012 CDT Bonds and such investments. See "PLAN OF FINANCE – Refunding of Prior Bonds." Such verification will be relied upon by Bond Counsel to support their opinions related to tax matters. Such verification will be based in part on schedules supplied to the Verification Agent by the Financial Advisor.

Certain other legal matters will be passed upon for the County by the Office of the Miami-Dade County Attorney. Certain legal matters relating to disclosure will be passed upon for the County by Hunton & Williams LLP, Miami, Florida, and Law Offices Thomas H. The fees payable to Bond Counsel, Disclosure Counsel and Underwriters' counsel are contingent upon the issuance and delivery of the Series 2013 Bonds.

While Bond Counsel has participated in the preparation of certain portions of this Official Statement, it has not been engaged by the County to confirm or verify, and, except as may be set forth in the opinions of Bond Counsel delivered to the Underwriters, expresses and will express no opinion as to the accuracy, completeness or fairness of any statements in this Official Statement, or in any other reports, financial information, offering or disclosure documents or other information pertaining to the County or the Series 2013 Bonds that may be prepared or made available by the County, the Underwriters or others to the Holders of the Series 2013 Bonds or other parties.

The proposed text of the legal opinions to be delivered to the County by Disclosure Counsel is set forth as APPENDIX D to this Official Statement. The actual legal opinions to be delivered may vary from the text of APPENDIX D, if necessary, to reflect facts and law on the date of delivery of the Series 2013 Bonds.

The legal opinions of Bond Counsel, Disclosure Counsel and the Office of the Miami-Dade County Attorney are based on existing law, which is subject to change. The legal opinions to be delivered concurrently with the delivery of the Series 2013 Bonds express the professional judgment of the attorneys rendering the opinions regarding the legal issues expressly addressed therein. By rendering a legal opinion, the opinion giver does not become an insurer or guarantor of the result indicated by that expression of professional judgment, of the transaction on which the opinion is rendered, or of the future performance of parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

LITIGATION

There is no litigation pending or, to the knowledge of the County, threatened, seeking to restrain or enjoin the issuance or delivery of the Series 2013 Bonds or questioning or affecting the validity of the Series 2013 Bonds or the proceedings and authority under which they are to be issued or which, if it were decided against the County, would have a materially adverse effect upon the financial affairs of the County. Neither the creation, organization or existence, nor the title of the present members or other officers of the Board to their respective offices is being contested.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Florida law requires the County to make a full and fair disclosure of any bonds or other debt obligations which it has issued or guaranteed and which are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served as a conduit issuer). Florida law further provides, however, that if the County in good faith believes that such disclosure would not be considered material by a reasonable investor, such disclosures may be omitted. The County is not and has not been in default as to principal and interest on bonds or other debt obligations which it has issued, whether as the principal obligor or as a conduit.

There are several special purpose governmental authorities in the County that serve as conduit issuers of private activity bonds for such purposes as housing, industrial development, and health care. Defaults have occurred in connection with some of those private activity bonds; however, such defaults affect only such defaulted issues and will have no effect on the Series 2013 Bonds. The County had no obligation to pay such bonds and the conduit issuers had only a limited obligation to pay such bonds from the payments made by the underlying obligors with respect to such issues. Therefore, the County in good faith believes that defaults relating to conduit issuers are not material with regard to the Series 2013 Bonds and any disclosure concerning any defaults of conduit financings is not necessary.

CERTIFICATE CONCERNING THE OFFICIAL STATEMENT

Concurrently with the delivery of the Series 2013 Bonds, the County will furnish its certificate, executed by the County's Finance Director to the effect that, to the best of his knowledge, this Official Statement, as of its date and as of the date of delivery of the Series 2013 Bonds, does not contain any untrue statement of material fact and does not omit any material fact that should be included in this Official Statement for the purpose for which the Official Statement is to be used, or which is necessary to make the statements contained in this Official Statement, in light of the circumstances under which they were made, not misleading.

MISCELLANEOUS

The references, excerpts and summaries of all documents referred to in this Official Statement do not purport to be complete statements of the provisions of such documents, and reference is directed to all such documents for full and complete statements of all matters relating to the Series 2013 Bonds, the security for the payment of the Series 2013 Bonds and the rights and obligations of the owners of the Series 2013 Bonds.

The information contained in this Official Statement has been compiled from official and other sources deemed to be reliable, and while not guaranteed as to completeness or accuracy, is believed to be correct as of this date.

Any statement made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated, is set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized.
