WHEREAS, the County has agreed to fund the Total Funding Allocation by making available \$2,999,000 in Fiscal Year 2012-2013 and \$3,500,000 in Fiscal Year 2013-14 (the

"Funding Plan"), subject to the terms and conditions with respect to disbursements set forth in this Agreement and in particular Section 4;

WHEREAS, the County pursuant to the Allocation Resolutions and the Board of Directors of the Grantee through a corporate resolution, have authorized their respective representatives to enter into this Agreement and the related Regulatory Agreement,

NOW, therefore, in consideration of the mutual covenants recorded in this Agreement and in consideration of the mutual promises and covenants contained and the mutual benefits to be derived from this Agreement, the parties agree as follows:

Section 1. Parties; Effective Date; and Term. The parties to this Agreement are the Grantee and the County. It is agreed by the parties that the Trade Winds Project will be developed and constructed by the Developer in accordance with the description in Section 2 and the Budget in Section 5. The County Mayor has delegated the responsibility of administering this Agreement to the Internal Services Department.

This Agreement shall take effect as of the date written above upon its execution by the authorized officers of the County and of the Grantee (such date the "Effective Date") or "Commencement Date") and shall terminate upon the completion and the issuance of a certificate of occupancy for the Trade Winds Project or thirty-six months from the date of this Agreement, whichever occurs first.

The one bedroom/one bath apartments (24), the two bedroom/two bath apartments (48), and the three bedroom/two bath apartments (32) will consist of 689 square feet, 927 square feet, and 1,170 square feet, respectively. The development will have a community/club room and a pool. There will also be approximately 176 parking spaces.

Green features will include, but not be limited to: programmable thermostats, Energy Star rated reversible ceiling fans in all bedrooms and living areas, showerheads that use less than 1.8 gallons of water per minute, faucets that use less than 2 gallons of water per minute in the kitchens and bathrooms, toilets that have dual flush options which include utilizing 1.6 gallons of water or less, Energy Star qualified lighting in all open and common areas, low VOC paint in all units and common areas, Energy Star rating for all refrigerators, dishwashers, Carpet and Rug Institute Green Label certified carpet and pad for all carpeting provided, HVAC with a minimum SEER rating of 15, efficient water heaters, and all windows single-pane with a shading co-efficient of .67 or better. It is projected that the project will achieve a LEED designation.

Grantee agrees that the Trade Winds Project shall be completed within thirty-six (36) months from the date of the initial disbursement by the County pursuant to the terms of this Agreement. If construction is not completed and the County Mayor has not extended the time for completion pursuant to terms of this Agreement, it shall be an Event of Default under Section 15 of this Agreement.

The Grantee may only use the Total Funding Allocation for the purpose of loaning such Allocation to the Developer for the development and construction of the Trade Winds Project in the manner described in this Section 2. Any revisions to the description of the Trade Winds Project shall require approval of the County in writing.

Section 3. Rental Regulatory Agreement. The 104 rental units ("Units") of the Trade Winds Project shall be set aside for a mix of Eligible Tenants as that term is defined in the Regulatory Agreement. Four 1 bedroom/1 bath units consisting of 689 square feet of living space, eight 2 bedroom/2 bath units consisting of 927 square feet of living space and four 3 bedroom/2 bath units consisting of 1,170 square feet of living space shall be set aside for Eligible Tenants with incomes equal to or less than 33% of AMI. The remaining eighty-eight Units shall be leased to Eligible Tenants with incomes equal to or less than 60% of AMI.

The initial monthly rates and rental terms are set forth in the Rental Regulatory Agreement. The Regulatory Agreement shall be recorded by the Grantee at its expense. County shall have no obligation to disburse any portion of the Total Funding Allocation pursuant to this Agreement until evidence of such recordation is delivered to the County. Any documents which are recorded in connection with the funding of the Total Funding Allocation, including without limitation the Regulatory Agreement, shall be specifically subordinate to any commercial mortgage financing obtained by the Grantee or the Developer to fund the Trade Winds Project so long as the Units remain affordable at the set asides set forth in the Regulatory Agreement.

Section 4. Availability and Payment of Total Funding Allocation. Subject to availability of Funds as set forth in this Section 4, the receipt by the County of the documents set forth in Section VI of the Regulatory Agreement and the terms of this Agreement, the County agrees to make disbursements to the Grantee or the Developer, if designated by the Grantee, as soon as it's practical, from available Funds for the Total Funding Allocation in accordance with the BBC GOB five year capital plan and the Funding Plan for each Fiscal Year after receipt of invoices from the Grantee or from the Developer, with certification from the Grantee, for capital costs incurred in connection with the development the Trade Winds Project., however, such reimbursements shall be made not more than thirty (30) days after receipt of invoices when Funds are available. With each request for reimbursement, the Grantee shall also provide a written statement that (a) the Grantee is not in default pursuant to the provisions of this Agreement and the Regulatory Agreement; (b) the budget has not been materially

altered without the County's approval; (c) all quarterly reports have been submitted; and (d) the reimbursement is in compliance with the IRC Reimbursement Rules defined below in this Section 4.

All Funds shall be disbursed on a reimbursement basis in accordance with the County's BBC GOB Administrative Rules which are attached as Attachment 1 ("Administrative Rules") and incorporated in this Agreement by this reference. By making the Total Funding Allocation pursuant to this Agreement, the County assumes no obligation to provide financial support of any type whatsoever in excess of the Total Funding Allocation. Cost overruns are the sole responsibility of the Grantee. Grantee understands and agrees that reimbursements to the Grantee shall be made in accordance with federal laws governing the BBC GOB Program, specifically the Internal Revenue Code of 1986 and the regulations promulgated under it. Any reimbursement request by the Grantee or Developer for eligible Trade Winds Project expenses shall be made no later than eighteen (18) months after the later of (a) the date the original expenditure is paid, or (b) the date the Units are placed in service or abandoned, but in no event more than three (3) years after the original expenditure is paid by the Grantee or the Developer ("IRC Reimbursement Rules").

The County shall only be obligated to reimburse the Grantee provided the Grantee is not in breach of this Agreement, is in compliance with the IRS Reimbursement Rules and the Grantee has demonstrated that it has adequate funds to complete the Trade Winds Project. The Total Funding Allocation shall be reduced by the amount of Funds disbursed from time to time pursuant to this Agreement. The County shall administer, in accordance with the Administrative Rules, the funds available from the BBC GOB Program as authorized by Board Resolutions. Any and all reimbursement obligations of the County pursuant to this Agreement are limited to, and contingent upon, the availability of funding solely from the BBC GOB Program funds allocated to fund the Trade Winds Project.

The Grantee may not require the County to use any other source of legally available revenues other than from legally available GOB Bond Funds to fund the Funding Plan. This Agreement does not in any manner create a lien in favor of the Grantee on any revenues of the County.

Section 5. Phase 1 Affordable Housing Project Budget. The Grantee agrees to demonstrate fiscal stability and the ability to administer Funds received pursuant to this Agreement responsibly and in accordance with standard accounting practices by adhering to the Budget. If Grantee wishes to materially revise the Budget for the purpose of meeting its obligations and the economic feasibility of the Trade Winds Project, the Grantee shall submit such a request in writing to the County Mayor seeking approval from the Board of such revisions. Grantee shall not proceed with the revisions until the County has approved the requested revisions in writing. A material revision shall mean any change in a line item of the Budget of more than 25%.

Section 6. Expenditure Deadline; Remaining Funds. The Grantee shall spend or commit all of the Total Funding Allocation on or before thirty-six months from the Commencement Date (the "Expenditure Deadline"). Any Total Funding Allocation funds not spent or committed by the Expenditure Deadline or for which a Trade Winds Project extension has not been requested shall revert to the County and this Agreement shall be terminated in accordance with the provisions of this Agreement.

A Trade Winds Project extension may be requested in writing from the County Mayor at least sixty (60) days prior to the Expenditure Deadline. The County Mayor, at his or her discretion, may grant an extension of up to one (1) year from the Expenditure Deadline so long as such extension will not alter the Trade Winds Project including its quality, impact, or benefit to the County or its citizens. All extension requests may be authorized by the County Mayor and must include written justification for such an extension request to be warranted and a statement on the progress of the Trade Winds Project.

In any case, the three year period shall be extended for delays caused by casualty, war, terrorism, unavailability of labor or materials, civil uprising, governmental delays or other matters beyond Developer's control including, without limitations, delays caused by the County's failure to disburse the Funds in accordance with the terms of this Grant Agreement.

Section 7. Reports; and Filing Deadlines. To demonstrate that Funds disbursed pursuant to this Agreement have been used in accordance with the Project Description and Project Budget, the Grantee shall be asked to submit the following reports to the County Mayor:

Reports: The Grantee must submit to the County Mayor, a written report documenting that the Grantee is meeting, is fulfilling or has fulfilled all Project Description and Project Budget requirements. This report is to be received by the County Mayor, or his designee, along with each submission of a reimbursement request and will end upon Project completion.

Annual Statements: The Grantee shall also submit a written report to the County Mayor on or prior to September 30th of each year from the time of the execution of this Agreement through the termination of this Agreement demonstrating that the Grantee is fulfilling, or has fulfilled, its purpose, and has complied with all applicable municipal, County, state and federal requirements, and this Agreement, exhibits, and/or other substantive materials affecting this Agreement, whether by reference or as may be attached or included as a condition to the distribution of Funds pursuant to the Funding Plan.

The County Mayor may also request a compilation statement or independent financial audit and accounting for the expenditure of Funds disbursed pursuant to this

Agreement. This audit will be prepared by the Owner's independent certified public accounting firm at the expense of the Grantee. If a dispute arises regarding the expenditure of the Funds as shown in the compilation statement or independent financial audit, the County Mayor may request that an independent certified public accounting firm selected by the County perform an audit at the expense of the Grantee.

The County will notify the Grantee in writing if it does not receive a Report or Annual Statement timely. The Grantee shall have five (5) business days from the time it receives any such notice to respond and cure any reporting deficiency. The County may withhold the distribution of any additional Funds pursuant to this Agreement only after (a) the County notifies the Grantee of a report deficiency, and (b) the Grantee fails to cure the report deficiency within the prescribed timeframes above.

In the event that the Grantee fails to submit the required reports as required above, the County Mayor may terminate this Agreement in accordance with Section 15 or suspend any further disbursement of Funds pursuant to this Agreement until all reports are current. Further, the County Mayor must approve these reports for the Grantee to be deemed to have met all conditions of the grant award.

Section 8. Project Monitoring and Evaluation. The County Mayor may monitor and conduct an evaluation of the Grantee's operations and the Project, which may include visits by County representatives to observe and discuss the progress of the Project with the Grantee's personnel. Upon request, the Grantee shall provide the County Mayor with notice of all meetings of its Board of Directors or governing board, and Project-related events. In the event the County Mayor concludes, as a result of such monitoring and/or evaluation, that the Grantee is not in compliance with the terms of this Agreement or the Administrative Rules or for other reasons, then the County Mayor must provide in writing to the Grantee, within thirty (30) days of the date of said monitoring/evaluation, notice of the inadequacy or deficiencies noted which may significantly impact on the Grantee's ability to complete the Project and fulfill the terms of this Agreement within a reasonable time frame. If Grantee refuses or is unable to address the areas of concern within thirty (30) days of receipt of such notice from the County Mayor, then the County Mayor, at his or her discretion, may withhold Funds until such time as the Grantee can demonstrate that such issues have been corrected. Further, in the event that the Grantee does not expend the Funds for the Project or uses any portion of the Funds for costs not associated with the Project and the Grantee refuses or is unable to address the areas of concern, then the County Mayor may request the return of all or a portion of the Funds disbursed to date pursuant to this Agreement. The County Mayor may also institute a moratorium on applications from the Grantee to County grants programs for a period of up to one (1) year or until the deficient areas have been addressed to the satisfaction of the County Mayor, whichever occurs first.

Section 9. Accounting, Financial Review and Access to Records and Audits. The Grantee shall keep accurate and complete books and records for all receipts and

expenditures of the Total Funding Allocation in conformance with reasonable general accounting standards. These books and records, as well as all documents pertaining to payments received and made in conjunction with the Total Funding Allocation, such as vouchers, bills, invoices, receipts and canceled checks, shall be retained in the County in a secure place and in an orderly fashion in a location within the County by the Grantee for at least three (3) years after the later of the Expenditure Deadline specified in Section 6; the extended Expenditure Deadline, as approved by the County Mayor, if any; the completion of a County requested or mandated audit or compliance review; or the conclusion of a legal action involving the Total Funding Allocation award, the Grantee and/or Trade Winds Project for activities related to the Total Funding Allocation award.

The County Mayor may examine these books, records and documents at the Grantee's offices or other approved site under the direct control and supervision of the Grantee during regular business hours and upon reasonable notice. Furthermore, the County Mayor may, upon reasonable notice and at the County's expense, audit or have audited all financial records of the Grantee, whether or not purported to be related to this grant.

The Grantee agrees to cooperate with the Miami-Dade Office of Inspector General (IG) which has the authority to investigate County affairs and review past, present and proposed County programs, accounts, records, contracts and transactions. The OIG contract fee shall not apply to this Agreement and the Grantee shall not be responsible for any expense reimbursements or other amounts payable to the IG or its contractors. The IG may, on a random basis, perform audits on this Agreement throughout the duration of said Agreement (hereinafter "random audits"). This random audit is separate and distinct from any other audit by the County.

The IG shall have the power to retain and coordinate the services of an IPSIG who may be engaged to perform said random audits, as well as audit, investigate, monitor, oversee, inspect, and review the operations, activities and performance and procurement process including, but not limited to, project design, establishment of bid specifications, bid submittals, activities of the Grantee and contractor and their respective officers, agents and employees, lobbyists, subcontractors, materialmen, staff and elected officials in order to ensure compliance with contract specifications and detect corruption and fraud. The IG shall have the power to subpoena witnesses, administer oaths and require the production of records. Upon ten (10) days written notice to the Grantee (and any affected contractor and materialman) from IG, the Grantee (and any affected contractor and materialman) shall make all requested records and documents available to the IG for inspection and copying.

The IG shall have the power to report and/or recommend to the Board whether a particular project, program, contract or transaction is or was necessary and, if deemed necessary, whether the method used for implementing the project or program is or was efficient both financially and operationally. Monitoring of an existing project or program

may include reporting whether the project is on time, within Budget and in conformity with plans, specifications, and applicable law. The IG shall have the power to analyze the need for, and reasonableness of, proposed change orders.

The IG is authorized to investigate any alleged violation by a contractor of its Code of Business Ethics, pursuant to County Code Section 2-8.1.

The provisions in this section shall apply to the Grantee, its contractors and their respective officers, agents and employees. The Grantee shall incorporate the provisions in this section in all contracts and all other agreements executed by its contractors in connection with the performance of this Agreement. Any rights that the County has under this Section shall not be the basis for any liability to accrue to the County from the Grantee, its contractors or third parties for monitoring or investigation or for the failure to have conducted such monitoring or investigation and the County shall have no obligation to exercise any of its rights for the benefit of the Grantee.

Grantee agrees to cooperate with the Commission auditor who has the right to access all financial and performance related records, property, and equipment purchased in whole or in part with governmental funds pursuant to Section 2-481 of the County Code

Section 10. Publicity and Credits. The Grantee must include the following credit line in all promotional marketing materials related to this funding including web sites, news and press releases, public service announcements, broadcast media, programs, and publications: "THIS TRADE WINDS PROJECT IS SUPPORTED BY THE BUILDING BETTER COMMUNITIES BOND PROGRAM AND THE MAYOR AND BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY."

Section 11. Naming Rights and Advertisements. It is understood and agreed between the parties hereto that the Grantee is funded by Miami-Dade County. Further, by acceptance of these funds, the Grantee agrees that Project(s) funded by this Agreement shall recognize and adequately reference the County as a funding source through the BBC GOB Program. In the event that any naming rights or advertisement space is offered on a facility constructed or improved with BBC GOB Program funds, then Miami-Dade County's name, logo, and slogan shall appear on the facility not less than once and equal to half the number of times the most frequent sponsor or advertiser is named, whichever is greater. Lettering used for Miami-Dade County will be no less than 75% of the size of the largest lettering used for any sponsor or advertiser unless waived by the Board. Grantee shall ensure that all publicity, public relations, advertisements and signs recognize and reference the County for the support of all Project(s). This is to include, but is not limited to, all posted signs, pamphlets, wall plaques, cornerstones, dedications, notices, flyers, brochures, news releases, media packages, promotions and stationery. The use of the official County logo is permissible for the publicity purposes stated herein. The Grantee shall submit sample of mock up of

such publicity or materials to the County for review and approval. The Grantee shall ensure that all media representatives, when inquiring about the Project(s) funded by the Agreement, are informed that the County is its funding source.

Section 12. Liability and Indemnification. It is expressly understood and intended that the Grantee, as the recipient of BBC GOB Program funds, is not an officer, employee or agent of the County, its Board of County Commissioners, its Mayor, nor the County department administering the Total Funding Allocation. Further, for purposes of this Agreement, the parties agree that the Grantee, its officers, agents and employees are independent contractors and solely responsible for the Trade Winds Project.

The Grantee shall take all actions as may be necessary to ensure that its officers, agents, employees, assignees and/or subcontractors shall not act as nor give the appearance of that of an agent, servant, joint venture partner, collaborator or partner of the department administering these grants, the County Mayor, the Miami-Dade County Board of County Commissioners, or its employees. No party or its officers, elected or appointed officials, employees, agents, independent contractors or consultants shall be considered employees or agents of any other party, nor to have been authorized to incur any expense on behalf of any other party, nor to act for or to bind any other party, nor shall an employee claim any right in or entitlement to any pension, workers' compensation benefit, unemployment compensation, civil service or other employee rights or privileges granted by operation of law or otherwise, except through and against the entity by whom they are employed.

The Grantee agrees to be responsible for all work performed and all expenses incurred in connection with the Trade Winds Project. The Grantee may subcontract as necessary to complete the Trade Winds Project, including entering into subcontracts with vendors for services and commodities, provided that it is understood by the Grantee that the County shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. It is expressly understood that the Grantee will be loaning the proceeds of the Funds to the Owners who will be building the Project. The development of the Project will be overseen by, and be the responsibility of, the Developer

The Grantee shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement and/or the development of the Trade Winds Project by the Grantee or its employees, agents, servants, partners, principals, subconsultants or subcontractors (collectively, "Adverse Proceedings"). Grantee shall pay all claims and losses in connection with such Adverse Proceedings and shall

investigate and defend all Adverse Proceedings in the name of the County, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may result from such Adverse Proceedings. Grantee expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Grantee shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as provided in this Section 12.

Section 13. Assignment. Other than as provided in this Section, the Grantee is not permitted to assign this Agreement or any portion of it. Any purported assignment will render this Agreement null and void and subject to immediate rescission of the full amount of the Total Funding Allocation award and immediate reimbursement by the Grantee of the full amount of the Total Funding Allocation disbursed to the Grantee. The County acknowledges that the Grantee and/or the Developer will be obtaining additional financing for the Trade Winds Project and that such lender(s) will require an assignment of this Agreement and/or the Funds to such lender(s) as additional security for their loans. The County acknowledges that the Grantee and/or the Owners will be obtaining additional financing for the Project and that such lender(s) will require an assignment of this Agreement and/or the Funds to such lender(s) as additional security for their loans. Such assignment will be expressly conditioned on the lender's agreement to use such Funds solely in fulfillment of the purposes set forth in this Agreement. Any such financing obtained by the Grantee and/or Owner for purposes of developing the Trade Winds Project will be senior in lien priority to the funding evidenced by this Grant Agreement.

Section 14. Compliance with Laws. The Grantee is obligated and agrees to abide by and be governed by all Applicable Laws necessary for the development and completion of the Trade Winds Project. "Applicable Law" means any applicable law (including, without limitation, any environmental law), enactment, statute, code, ordinance, administrative order, charter, tariff, resolution, order, rule, regulation, guideline, judgment, decree, writ, injunction, franchise, permit, certificate, license, authorization, or other direction or requirement of any governmental authority, political subdivision, or any division or department thereof, now existing or hereinafter enacted, adopted, promulgated, entered, or issued. Notwithstanding the foregoing, "Applicable Laws" and "applicable laws" shall expressly include, without limitation, all applicable zoning, land use, DRI and Florida Building Code requirements and regulations, all applicable impact fee requirements, all requirements of Florida Statutes, specifically including, but not limited to, Chapter 11-A of the County Code (nondiscrimination in employment, housing and public accommodations); all disclosure requirements imposed by Section 2-8.1 of the Miami-Dade County Code; County Resolution No R-754-93 (Insurance Affidavit); County Ordinance No. 92-15 (Drug-Free Workplace); County Ordinance No. 91-142 (Family Leave Affidavit); execution and delivery of public entity crimes disclosure statement, Miami-Dade County disability non-discrimination affidavit, and Miami-Dade County criminal record affidavit; all applicable requirements of Miami-

Dade County Ordinance No. 90-90 as amended by Ordinance 90-133 (Fair Wage Ordinance); the requirements of Section 2-1701 of the Code and all other applicable requirements contained in this Agreement.

The Grantee shall comply with the Miami-Dade County Resolution No. R-385-98 which creates a policy of prohibiting contracts with firms violating the Americans with Disabilities Act of 1990 and other laws prohibiting discrimination on the basis of disability and shall execute a Miami-Dade County Disability Non-Discrimination Affidavit confirming such compliance.

The Grantee covenants and agrees with the County to comply with Miami-Dade County Ordinance No. 72-82 (conflict of Interest), Resolution No. R-1049-93 (Affirmative Action Plan Furtherance and Compliance), and Resolution No. R-185-00 (Domestic Leave Ordinance).

All records of the Grantee and its contractors pertaining to Trade Winds Project shall be maintained in Miami-Dade County and, upon reasonable notice, shall be made available to representatives of the County. In addition, the Office of Inspector General of Miami-Dade County shall have access thereto for any of the purposes provided in Sec. 2-1076 of the Code of Miami-Dade County.

The Grantee shall submit to the department administering this Agreement, all affidavits required in this Section 14 prior to, or at the time, this Agreement is delivered by the Grantee to the County fully executed by an authorized officer.

Section 15. Default; Remedies and Termination.

- (a) Each of the following shall constitute a default by the Grantee:
- (1) If the Grantee uses any portion of the Total Funding Allocation for costs not associated with the Trade Winds Project (i.e. ineligible costs), and the Grantee fails to cure its default within thirty (30) days after written notice of the default is given to the Grantee by the County; provided, however, that if not reasonably possible to cure such default within the thirty (30) day period, such cure period shall be extended for up to one hundred eighty (180) days following the date of the original notice if within thirty (30) days after such written notice the Grantee commences diligently and thereafter continues to cure.
 - (2) If the Grantee shall breach any of the other covenants or provisions in this Agreement other than as referred to in Section 15(a)(1) and the Grantee fails to cure its default within thirty (30) days after written notice of the default is given to

the Grantee by the County; provided, however, that if not reasonably possible to cure such default within the thirty (30) day period, such cure period shall be extended for up to one hundred eighty (180) days following the date of the original notice if within thirty (30) days after such written notice the Grantee commences diligently and thereafter continues to cure.

- (3) If the Grantee fails to complete the Trade Winds Project within three (3) years of the Commencement Date of this Agreement subject to extension as provided above.

(b) The following shall constitute a default by the County:

- (1) If the County shall breach any of the covenants or provisions in this Agreement and the County fails to cure its default within thirty (30) days after written notice of the default is given to the County by the Grantee; provided, however, that if not reasonably possible to cure such default within the thirty (30) day period, such cure period shall be extended for up to one hundred eighty (180) days following the date of the original notice if within thirty (30) days after such written notice the County commences diligently and thereafter continues to cure.

(c) Remedies:

- (1) Upon the occurrence of a default as provided in Section 15(a) and such default is not cured within the applicable grace period, in addition to all other remedies conferred by this Agreement, the Grantee shall reimburse the County, in whole or in part as the County shall determine, all funds provided to the Grantee by the County pursuant to the terms of this Agreement and this Agreement shall be terminated.
- (2) Either party may institute litigation to recover damages for any default or to obtain any other remedy at law or in equity (including specific performance, permanent, preliminary or temporary injunctive relief, and any other kind of equitable remedy), provided, however, any damages sought by the Grantee shall be limited solely to legally available BBC GOB funds allocated to the Trade Winds Project and no other revenues of the County.
- (3) Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of

the parties are cumulative and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default.

- (4) Any failure of a party to exercise any right or remedy as provided in this Agreement shall not be deemed a waiver by that party of any claim for damages it may have by reason of the default.

(d) Termination:

- (1) Notwithstanding anything herein to the contrary, either party shall have the right to terminate this Agreement, by giving written notice of termination to the other party, in the event that the other party is in material breach of this Agreement, provided, however, such termination shall not be effective until all payments are made by Grantee to the County pursuant to (c) (1) of this Section 15 above.
- (2) Termination of this Agreement by any Party is not effective until five (5) business days following receipt of the written notice of termination.
- (3) Upon termination of this Agreement pursuant to Section 15(d)(1) above, no party shall have any further liability or obligation to the other party except as expressly set forth in this Agreement; provided that no party shall be relieved of any liability for breach of this Agreement for events or obligations arising prior to such termination.

In the event the Total Funding Allocation is canceled or the Grantee is requested to repay all or a portion of the Total Funding Allocation because of a breach of this Agreement, the Grantee will not be eligible to apply to the County for another grant or contract with the County for a period of one (1) year, commencing on the date the Grantee receives the notice in writing of the breach of this Agreement. Further, the Grantee will be liable to reimburse Miami-Dade County for all unauthorized expenditures discovered after the expiration or termination of this Agreement. The Grantee will also be liable to reimburse the County for all lost or stolen Total Funding Allocation funds.

Any funds, which are to be repaid to the County pursuant to this Section or other sections in this Agreement, are to be repaid by delivering to the County Mayor a certified check for the total amount due payable to Miami-Dade County Board of County Commissioners.

These provisions do not waive or preclude the County from pursuing any other remedy, which may be available to it under the law.

Section 16. Waiver. There shall be no waiver of any right related to this Agreement unless in writing and signed by the party waiving such right. No delay or failure to exercise a right under this Agreement shall impair such right or shall be construed to be a waiver thereof. Any waiver shall be limited to the particular right so waived and shall not be deemed a waiver of the same right at a later time or of any other right under this Agreement. Waiver by any party of any breach of any provision of this Agreement shall not be considered as or constitute a continuing waiver or a waiver of any other breach of the same or any other provision of this Agreement.

Section 17. Written Notices. Any notice, consent or other communication required to be given under this Agreement shall be in writing, and shall be considered given when delivered in person or sent by facsimile or electronic mail (provided that any notice sent by facsimile or electronic mail shall simultaneously be sent personal delivery, overnight courier or certified mail as provided herein), one business day after being sent by reputable overnight carrier or 3 business days after being mailed by certified mail, return receipt requested, to the parties at the addresses set forth below (or at such other address as a party may specify by notice given pursuant to this Section to the other party):

WITNESSETH:

- I. Grantee and the Owner agree with respect to the Property for the period beginning on the date of recordation of this Rental Regulatory Agreement, and ending on the last day of the thirtieth (30th) year after the year in which the Project is completed and a certificate of occupancy is issued that:
 - a) All of the Units shall be leased to Eligible Tenants as follows:. Four (4) 1 bedroom/1 bath units consisting of 689 square feet of living space, eight (8) 2 bedroom/2 bath units consisting of 927 square feet of living space and four(4) 3 bedroom/2 bath units consisting of 1,170 square feet of living space shall be set aside for Eligible Tenants with incomes equal to or less than 33% of AMI. The remaining eighty-eight (88) Units shall be leased to Eligible Tenants with incomes equal to or less than 60% of AMI. Accordingly, the maximum initial approved rental rates for this Property are set forth in the attached Exhibit B.
 - b) The parties agree that once recorded, this Agreement shall be a restrictive covenant on the Project that shall run with the Property since the subject matter of this Agreement and its covenants touch and concern the Property. This Agreement shall be binding on the Property, the Project, and all portions of each, and upon any purchaser, transferee, Grantee, Owner or lessee or any combination of each, and on their heirs, executors, administrators, devisees, successors and assigns and on any other person or entity having any right, title or interest in the Property, the Project, or any portion of each, for the length of time that this Agreement shall be in force. Grantee and Owner hereby make and declare these restrictive covenants which shall run with the title to said Property and be binding on the Grantee and the Owner and their successors in interest, if any, for the period stated in the preamble above, without regard to payment or satisfaction of any debt owed by Grantee and/ Owner to the County or the expiration of any agreement between the Grantee and/or Owner and the County regarding the Property, Project or both.

 - d) Grantee and Owner agree that upon any violation of the provisions of this Agreement, the County, through its agent, PHCD, may give written notice to the Grantee and Owner, by registered mail, at the address stated in this Agreement, or such other address or addresses as may subsequently be designated by the Grantee and Owner in writing to PHCD, and in the event Grantee or Owner does not cure such default (or take measures reasonably satisfactory to PHCD to cure such default), within thirty (30) days after the date of notice, or within such further time as PHCD may determine is necessary for correction, PHCD may, without further notice, declare a default under this Agreement, and effective upon the date of such default, PHCD may:
 - i) Declare the whole County Grant immediately due and payable and then proceed with legal proceedings to collect the County Grant;
 - ii) Apply to any court, County, State or Federal, for any specific performance of this Agreement; for an injunction against the violation of this Agreement; or for such relief as may be appropriate since the injury to PHCD arising from a default remaining uncured under any of the terms of this Agreement would be irreparable, and the amount of damage would be difficult to ascertain.
 - e) Grantee and owner further agree that they will, during the term of this Agreement: furnish each resident at the time of initial occupancy, a written notice that the rents to be charged for the purposes and services included in the rents are approved by the County pursuant to this Agreement; that they will maintain a file copy of such notice with a signed acknowledgment of receipt by each resident; and, that such notices will be made available for inspection by the County during regular business hours.

- ii. PHCD and Grantee agree that rents may increase as the AMI increases as published by HUD with the prior approval of PHCD, provided that at no time shall the Grantee's management fee and expenses attributed to the Grantee for managing the Project exceed six percent (6%) of the monthly gross receipts. Any other adjustments to rents will be made only if PHCD (and HUD if applicable), in their sole but reasonable discretion, find any adjustments necessary to support the continued financial viability of the Project and only by an amount that PHCD (and HUD if applicable) determine is necessary to maintain continued financial viability of the Project.

Owner will provide documentation to justify a rental increase request not attributable to increases in median income but attributable to an increase in operating expenses of

the Project, excluding the management fee attributed to the Grantee for managing the Project. Within thirty (30) days of receipt of such documentation, PHCD will approve or deny, as the case may be, in its sole but reasonable discretion, all or a portion of the rental increase in excess of the amount that is directly proportional to the most recent increase in Median Annual Income. In no event, however, will any increase attributable solely to an increase in Median Annual Income be denied.

III. Except as otherwise noted, all parties expressly acknowledge that PHCD shall perform all actions required to be taken by Miami-Dade County pursuant to Paragraphs IV, V, VI and VII of this Agreement for the purpose of monitoring and implementing all the actions required under this Agreement. In addition, thirty (30) days prior to the effective date of any rental increase, the Grantee shall furnish PHCD with notification provided to tenants advising them of the increase.

IV. Occupancy Reports

The Owner shall, on an annual basis, furnish PHCD with an occupancy report, which provides the following information:

- a) PHCD shall annually inspect the Property, including a representative sampling of dwelling Units and all common areas, to determine if the Property is being maintained in compliance with Federal Housing Quality Standards (HQS) and any applicable Miami-Dade County Minimum Housing Codes. The Grantee will be furnished a copy of the results of the inspection within thirty (30) days, and will be given thirty (30) days from receipt to correct any deficiencies or violations of the property standards of the Miami-Dade County Minimum Housing Codes or Housing Standards.
- b) At other times, at the request of the Grantee or of any tenant, PHCD may inspect any Unit for violations to the property standards of any applicable Miami-Dade County Minimum Housing Codes or Housing Standards. The tenant and the Grantee will be provided with the results of the inspection and the time and method of compliance and corrective action that must be taken.  3. A list of equipment to be provided in each dwelling Unit.
 4. A proposed schedule for replacement of dwelling equipment.
 5. A list of tenant services, if any, to be provided to residents.

The Owner agrees that the County has the right to refer eligible applicants for housing. The Owner shall not deny housing opportunities to eligible, qualified families, including those with Section 8 Housing Choice Vouchers, unless the Grantee is able to demonstrate a good cause basis for denying the housing as determined by ISD in its sole but reasonable discretion. It is understood that the Owner may conduct reasonable background searches including criminal checks which may be relied upon in determining whether a prospective tenant will be accepted by Owner.

VII. Financial Reports

- a) Annually, the Owner shall transmit to the County, upon written request, a certified annual operating statement showing project income, expenses, assets, liabilities, contracts, mortgage payments and deposits to any required reserve accounts (the "Operating Statement"). PHCD shall review the Operating statement to insure conformance with all provisions contained in this Agreement.
- b) The Owner will create and maintain a reserve account for the maintenance of the Units and will deposit \$300 per Unit per year in such reserve account.
