Memorandum

Date: July 2, 2013

To: Honorable Chairwomen Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Accepting Transfer of Mariposa Court onto the Miami-Dade County System of Roads; Approving an Interlocal Agreement with the City of Coral Gables for Transfer of Mariposa Court; and Authorizing the County Mayor or County Mayor's Designee to Execute said Agreement; and Rescinding Resolution R-38-08

Recommendation

It is recommended that the Board of County Commissioners (BCC) approve the attached resolution approving the Inter-local Agreement (Agreement) for the transfer of jurisdiction of Mariposa Court, beginning from the Southeast right-of-way line of SR 5/US-1 (South Dixie Highway) and terminating at the Northwest right-of-way line of Mariposa Avenue, by and between the City of Coral Gables (City) and Miami-Dade County (County) in conjunction with the Pedestrian/Bicycle Overpass Project at the University Metrorail Station located at the intersection of South Dixie Highway and Mariposa Court and authorizing the County Mayor or the County Mayor's designee to take all appropriate actions to enter into this Agreement for and on behalf of Miami-Dade County and to accept a deed of transfer from the City; and rescinding Resolution R-38-08 eliminating the acquisition of Parcels 100 and 100-TCE.

Scope

Mariposa Court, from South Dixie Highway to Mariposa Avenue, is located in Commissioner Xavier L. Suarez's District 7. The transfer of this roadway to the County is needed for the pedestrian/bicycle overpass project at the University Metrorail Station. The project benefits are Countywide.

Fiscal Impact/Funding Source

The transfer of this road will increase the Public Works and Waste Management Department's (PWWM) roadway maintenance budget by approximately \$328.05 annually, and will be funded through PWWM's General Fund allocation.

Track Record/Monitor

PWWM is the entity overseeing this item and the person responsible is Mr. Wayne Sutton, PSM, Section Head; Right-of-Way Engineering Section.

Background

The proposed pedestrian bridge is planned to be built within the Mariposa Court right-of-way just east of its intersection with South Dixie Highway. The overpass is needed to increase safety at this location, including the safe movement of pedestrians across South Dixie Highway.

Since the proposed overpass falls within the City's limits, Miami-Dade County Transit (MDT) sought the support of the City for the project. The City Commission, at their August 22, 2006 meeting, passed and approved Resolution No. 2006-153 supporting the long-term goals of the project. The pedestrian overpass will connect the University Metrorail Station to the east side of South Dixie Highway at Mariposa Court. The overpass will consist of the bridge span, two (2) towers, elevators, and stairs. Mariposa Court will need to be reconfigured to accommodate the east tower within its right-of-way by reducing its entrance onto South Dixie Highway from three (3) lanes, down to two (2) standard width lanes. These modifications eliminate the need for the County to acquire parcels 100 and 100-TCE as previously authorized under Resolution R-38-08.

Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners
Page 2

Mariposa Court is less than 600 feet in length (beginning from South Dixie Highway and terminating at Mariposa Avenue) and is currently under the City's road system as a secondary roadway. This Agreement provides for the County to accept all legal rights, responsibilities and obligations with respect to Mariposa Court, including but not limited to, the operation and maintenance of the facility. Additionally, the County will accept full permitting and regulatory responsibility with regard to all existing utilities presently located within Mariposa Court, and existing permits will be transferred to the County upon recording of the Resolution of Transfer. On May 28, 2013 the City Commission adopted Resolution No. 2013-90 authorizing execution of the Interlocal Agreement and the execution of a City Quit Claim Deed transferring Mariposa Court to the County. Said road will be added to PWWM's road system.

Interlocal Agreement For Transfer of Jurisdiction of Mariposa Court

THIS INTERLOCAL AGREEMENT FOR TRANSFER OF JURISDICTION OF MARIPOSA COURT ("Agreement") is entered into this ____ day of _____, 2013, by and between THE CITY OF CORAL GABLES, a Florida municipal corporation, ("CITY") and MIAMI-DADE COUNTY, a political subdivision of the State of Florida, ("COUNTY").

WITNESSETH

WHEREAS, COUNTY plans to construct a Pedestrian Overpass at or near the University Metrorail Station over US-1 to Mariposa Court ("Pedestrian Overpass"); and

WHEREAS, COUNTY desires to have jurisdictional responsibility for Mariposa Court from US-1 to the beginning of the intersection of Mariposa Avenue ("Mariposa Court") as a part of the County Road System for the construction, operation and maintenance of the Pedestrian Overpass; and

WHEREAS, the COUNTY and the CITY are desirous of transferring the underlying title and responsibility for the operation and maintenance of Mariposa Court from the CITY to the COUNTY; and

WHEREAS, pursuant to Section 335.0415, Florida Statutes, jurisdiction and responsibility for public roads may be transferred by mutual agreement of the CITY and the COUNTY; and

WHEREAS, Section 337.29(3), Florida Statutes, provides that title to roads transferred pursuant to Section 335.0415, Florida Statutes, shall be in the governmental entity to which such road has been transferred upon the recording of a deed or a right-of-way map in the public records; and

WHEREAS, the CITY and the COUNTY have determined that it is in the best interest of the parties that responsibility for the operation and maintenance of Mariposa Court as well as any future improvements thereto or thereon be transferred to the COUNTY.

NOW, THEREFORE, in consideration of the promises and the mutual covenants contained herein, the CITY and the COUNTY hereby agree as follows:

1. The above recitals are true and correct and incorporated herein.
2. The jurisdiction, ownership and control of Mariposa Court as part of the City's municipal road system shall be transferred and conveyed in its entirety as defined in Section 334.03(23), Florida Statutes, including the right of way, sidewalks and drainage, to the County as part of the County road system; to wit, from the beginning of Mariposa Court's intersection with South Dixie Highway (US 1) to the beginning of its intersection with Mariposa Avenue.
3. The right and responsibility of all traffic engineering matters to regulate traffic and determine appropriate measures and install, maintain, modify or remove traffic control devices such as traffic signals, signs and pavement markings shall remain with the COUNTY and is not impacted by this Agreement. In connection with the construction of the project, the COUNTY agrees to apply the higher of either 1) the COUNTY standards that are applied to all other roads and sidewalks within the County road system or 2) the existing condition as of the date of this Agreement. COUNTY agrees to limit its construction activities to the dates and times as outlined in the CITY ordinances in setting the construction dates and times for the Pedestrian Overpass, and the CITY will not unreasonably deny requests by the COUNTY pursuant to those ordinances to allow construction at dates and times outside the normally permitted construction hours. The COUNTY agrees to obtain final design approval from the CITY of any material deviations as determined by the CITY from the plans which already have been preliminarily approved by the CITY for the Pedestrian Overpass, and such approval shall not be unreasonably withheld and the CITY shall make its decision within 21 days of such request.

4. COUNTY agrees to accept all legal rights, responsibilities and obligations with respect to Mariposa Court, including, but not limited to, the operation and routine maintenance (as defined in Section 334.03(24), Florida Statutes, including sidewalks, drainage and stormwater management) of said road. In addition, COUNTY accepts full permitting and regulatory responsibility with regard to any existing utilities located within Mariposa Court and CITY shall transfer any existing permits to the COUNTY with respect to same upon recording of the deed of transfer.

5. The COUNTY accepts and shall be responsible for any and all liability for any and all claims or causes of actions of whatsoever nature arising out of COUNTY's use, operation and maintenance of Mariposa Court including the construction, operation, use and maintenance of the Pedestrian Overpass, as provided herein. COUNTY agrees to the extent permitted by law and as limited by Section 768.28, Florida Statutes where applicable, to defend, indemnify and hold harmless CITY, its Commissioners, officers, attorneys, employees and agents, against any claims, demands, damages and causes of action that may be brought against CITY relating to COUNTY's use, operation and maintenance of Mariposa Court and construction, use, operation and maintenance of the Pedestrian Overpass or otherwise related to this Agreement. COUNTY shall defend any action or proceedings brought against the CITY, its Commissioners, officers, attorneys, employees and agents pursuant to this Agreement and shall be responsible for all of their respective costs, attorneys fees, expenses and liabilities incurred as a result of any such claims, demands, suits, actions, damages and causes of action, including the investigation or the defense thereof, and from and against any orders, judgments or decrees that may be entered as a result thereof. COUNTY shall also, to the extent permitted by law and as limited by Section 768.28, Florida Statutes where applicable, defend, indemnify and hold harmless CITY, its Commissioners, officers, attorneys, employees and agents from any claim, dispute, action or suit alleging any injury as a result of COUNTY's performance or

failure to perform the duties assumed by COUNTY pursuant to this Agreement, and will satisfy the full and entire amount of any claims bill that may be enacted by the Florida Legislature as a result thereof or related thereto, so that the CITY, its Commissioners, officers, attorneys, employees and agents have no liability whatsoever resulting from or relating in any way to any such claims bill. In addition to COUNTY's Indemnification provisions provided herein, COUNTY shall require any contractor constructing the Pedestrian Overpass within CITY's municipal boundaries to name and include the City of Coral Gables as an additional insured in any contract of liability insurance required by COUNTY of said contractor. Notwithstanding the foregoing, COUNTY shall not be required to defend or indemnify, nor shall it be responsible for any claims, damages or liability caused by the City's own negligence.

6. This Agreement shall not be construed to eliminate or impact CITY's responsibility, to the extent permitted by law, and subject to and as limited by Section 768.28, Florida Statutes, for any tort liability for any actions arising out of CITY's operation and maintenance of Mariposa Court prior to and up to the effective date of the transfer of such road, which shall survive such transfer.

7. Upon execution of this Agreement, the COUNTY and CITY shall, without undue delay, record in the public records of Miami-Dade County the CITY QUIT CLAIM DEED transferring jurisdiction and ownership of Mariposa Court to COUNTY. Following the transfer of jurisdiction and ownership provided herein, should the Pedestrian Overpass project be discontinued or abandoned by COUNTY, after construction has commenced, and all construction activity toward completion of the Pedestrian Overpass has ceased for a period of twelve (12) months or more without good cause being shown as reasonably determined by CITY, then CITY may elect at its sole and exclusive option, to have COUNTY restore Mariposa Court at the sole cost and expense of COUNTY to the condition it was in prior to

commencement of the Pedestrian Overpass project, and thereafter, execute a deed re-conveying and transferring jurisdiction of Mariposa Court back to CITY.
