Memorandum

MIAMI-DADE COUNTY

Agenda Item No. 8(N)(1)

Date: October 1, 2013

To: Honorable Chairwoman Rebeca Sosa,
and Members, Board of County Commissioners

From: Carlos A. Gimenez
County Mayor

Subject: Resolution Authorizing Execution and Approval of an Interlocal Agreement for Public Transportation Service Between Miami-Dade County and Miami Shores Village for the Operation of the Miami Shores Shuttle Bus

Resolution No. R-814-13

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve this Interlocal Agreement (Agreement) for Public Transportation Services between Miami-Dade County (County), through Miami-Dade Transit (MDT), and Miami Shores Village (Village) for the operation of public transportation service in and around the Village.

SCOPE

This Agreement has a direct impact on Commission Districts 3 (Edmonson) and 4 (Heyman). However, due to the connection of service with other MDT routes, the impact of this service benefits the public, and is therefore, Countywide.

FISCAL IMPACT

There is no fiscal impact to the County for this Agreement. The Village will be responsible for all operating and maintenance costs of the service and will use its annual Charter County Transportation Surtax (Surtax) proceeds for the operation and maintenance of this service. The Village Shuttle is fare-free to riders.

TRACK RECORD/MONITOR

This is the first Agreement between MDT and the Village. The project manager for this Agreement is Gerald E. Bryan, Miami-Dade Section Chief, Transit Service Planning and Scheduling.

BACKGROUND

The Village began operating the shuttle prior to entering into an Interlocal Agreement with the County in 2006. Therefore, this is the first Agreement between the Village and MDT. The Village shuttle has proven to be quite successful and provides relief from local traffic congestion, reduces parking issues, and connects to surrounding areas through the MDT system.

The Village approved the attached Agreement on May 21, 2013. This agreement allows the Village to provide residents and visitors with public transportation services in accordance with Chapter 31, Article III, Section 31-113 of the County Code, which concerns the ability of municipalities to operate public transit services only under Interlocal Agreements with the County.

Key provisions of this Agreement include:

- The Village will adhere to all county, federal, state and local transit operating and reporting requirements.
- This Agreement shall remain in force for five years and is subject to two five-year automatic renewals. Each party has the right to terminate for cause or without cause.

- MDT and the Village will work collaboratively to exchange route and schedule information for the benefit of riders.

- The Village currently operates four routes:. 1) Miami Shores East 2) Miami Shores West 3) Barry/Downtown Shores Lunchtime Route 4) Aventura Mall Route. (Attachment A)

    - The shuttle operates Monday-Thursday, 11:30am - 5:22pm and Friday and Saturday until 12:00pm. On Sunday the routes operates 12:00pm - 8:40pm.

    - Some of the major route stops include: Village Hall, Publix, CVS, Barry University, Doctors Charter School, Tot Lot, Community Center, Downtown Miami Shores, Aquatic Center, Aventura Mall and the Miami Shores Country Club.

    - The Village Shuttle connects to the following MDT routes: 3, 9, 10, 16, 33 and 93.

- The Village is responsible for bus stop passenger amenities, such as bus shelters and benches at all bus stops served by the shuttle.

The Village is currently operating the service at no cost to patrons. In the case where the Village may charge a fare, similar to other agreements for service, this agreement requires the Village to enact a fare structure to include the acceptance of all Miami-Dade Transit passes, transfers, or identification entitling an eligible passenger to ride the service without paying an additional fare (i.e., Patriot Passport and Golden Passport) or for half fare (i.e. kindergarten - 12th grade students).

This Agreement is essentially the same as those previously approved by the Board with several other municipalities.

Said attributable share shall be calculated utilizing the following formula:

Multiply the Village's properly reported annualized Bus Revenue Vehicle Miles statistic that was used in the apportioned federal programs for a fiscal year "Unit Value for Bus Vehicle Miles for Urbanized Areas over 1,000,000" as reported in the table of Unit Values for Formula Grant Apportionments, published annually in the Federal Register; and then multiply that amount by 0.5.

NOTE: Historically, apportioned funds are allocated to the County two (2) years after Bus Revenue Vehicle Miles are reported to federal government.

7.4 Village's Share of Supplemental State Funding. In the event that the Circulator operations contribute to an increase in the County's State transportation funding, beginning with the first year in which service is reflected in State's reporting system, the County agrees to pay the Village its attributable share (one half of the supplemental funding), as defined in paragraph 7.4 above, of new or supplemental state Transportation Block Grant funding received by the County from FDOT no less than sixty (60) days after funding is received from the State less any direct grants received by the Village from the

Count for the Shuttle. The State funding formula can be found at Section 341.052(6), F.S.

7.5 Comparable Agreements. In the event that the County enters into an Interlocal Agreement with any other municipality for Circulator services which are comparable to the services provided herein, County agrees to amend this Agreement, if requested by the Village, to provide substantially equivalent favorable terms to the Village as those provided in such other County/ Municipal Interlocal Agreements.
