RESOLUTION NO. R-817-13

RESOLUTION URGING CONGRESS TO ENACT LEGISLATION MAKING IT ILLEGAL TO PROFILE AN INDIVIDUAL BASED ON RACE OR GENDER; URGING CONGRESS TO ENACT THE END RACIAL PROFILING ACT, S. 1038, H.R. 2851 OR SIMILAR LEGISLATION PROHIBITING LAW ENFORCEMENT AGENCIES FROM ENGAGING IN RACIAL PROFILING AND MANDATING TRAINING FOR FEDERAL LAW ENFORCEMENT OFFICIALS ON RACIAL PROFILING ISSUES

WHEREAS, Trayvon Martin, a 17 year old African-American resident of Miami-Dade County, was needlessly shot and killed by George Zimmerman on February 26, 2012 in Sanford, Florida; and

WHEREAS, George Zimmerman disregarded instructions by a police dispatcher to stop following Trayvon Martin, who was unarmed and holding a bag of Skittles candy and Arizona Iced Tea at the time of the incident; and

WHEREAS, following the shooting, police questioned Zimmerman but did not arrest him; and

WHEREAS, six weeks later Zimmerman was arrested and charged with murder; and

WHEREAS, on July 13, 2013, a jury found Zimmerman not guilty of second-degree murder and manslaughter charges; and

WHEREAS, Trayvon Martin is one of too many young, black males who have been victimized because of the perception that their race, color, ethnicity, gender or national origin has a direct correlation to criminal behavior; and

WHEREAS, although Trayvon Martin's death was not the result of a law enforcement encounter, the question of whether he was a victim of racial bias cannot be separated from the law enforcement profiling debate; and

WHEREAS, studies have shown that racial profiling results in the misallocation of law enforcement resources and a failure to identify actual crimes that are planned and committed; and

WHEREAS, by relying on stereotypes rather than proven investigative procedures, the lives of innocent people are needlessly harmed by law enforcement agencies and officials; and

WHEREAS, as is evident by the Trayvon Martin shooting and other recent events across the nation, racial profiling is a pervasive and harmful practice that negatively impacts both individuals and communities; and

WHEREAS, racial profiling also results in a loss of trust and confidence in local, state, and federal law enforcement; and

WHEREAS, although most people are taught from an early age that the role of law enforcement is to fairly defend and guard communities from people who want to cause harm to others, this fundamental message is often contradicted when these same defenders are seen as unnecessarily and unjustifiably harassing innocent citizens; and

WHEREAS, criminal investigations are flawed and hindered because people and communities impacted by these stereotypes are less likely to cooperate with law enforcement agencies they have grown to mistrust; and

WHEREAS, Miami-Dade County already has taken steps to eliminate racial profiling locally; and

WHEREAS, on October 3, 2000, the Board approved Resolution No. 1090-00 setting policy for Miami-Dade County that racial profiling is prohibited and requiring traffic stops by the Miami-Dade Police Department to be based solely on legal grounds; and

WHEREAS, in the wake of the Trayvon Martin tragedy, a pair of bills have been filed in Congress that would address racial profiling nationally; and

WHEREAS, Senator Benjamin L. Cardin (D – Maryland) filed S. 1038 and Representative John Conyers, Jr. (D – Michigan) has filed H.R. 2851, both entitled the End Racial Profiling Act of 2013; and

WHEREAS, passage by Congress of the End Racial Profiling Act is needed to put an end to racial profiling by law enforcement officials and to ensure that individuals are not prejudicially stopped, investigated, arrested, or detained based on their race, ethnicity, national origin or religion; and

WHEREAS, the End Racial Profiling Act would establish a prohibition on racial profiling, enforceable by declaratory or injunctive relief; and

WHEREAS, this legislation also would mandate training for federal law enforcement officials on racial profiling issues; and

WHEREAS, as a condition of receiving federal funding, state, local, and Indian tribal law enforcement agencies would be required to collect data on both routine and spontaneous investigatory activities; and

WHEREAS, the Department of Justice would be authorized to provide grants to state and local law enforcement agencies for the development and implementation of best policing practices, such as early warning systems, technology integration and other management protocols that discourage profiling; and

WHEREAS, the End Racial Profiling Act would require the Attorney General to issue periodic reports to Congress assessing the nature of any ongoing racial profiling; and

WHEREAS, passage of the End Racial Profiling Act will ensure that federal, state, and local law enforcement agencies are prohibited from impermissibly considering race, ethnicity, national origin or religion in carrying out law enforcement activities; and

WHEREAS, this Board supports passage of the End Racial Profiling Act,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board:
