Agenda Item No. 8(N)(2)

Subject: Resolution Authorizing Execution and Approval of an Interlocal Agreement for Public Transportation Service Between Miami-Dade County and Town of Bay Harbor Islands for the Operation of the Town's Mini Bus

Resolution No. R-912-13

**RECOMMENDATION**

It is recommended that the Board of County Commissioners (Board) approve this Interlocal Agreement (Agreement) for Public Transportation Services between Miami-Dade County (County), through Miami-Dade Transit (MDT), and the Town of Bay Harbor Islands (Town) for the operation of public transportation service in and around the Town.

**SCOPE**

This Agreement has a direct impact on Commission District 4 (Heyman). However, due to the connection of service with other MDT routes, the impact of this service benefits the public, and is therefore, Countywide.

**FISCAL IMPACT**

There is no fiscal impact to the County for this Agreement. The Town will be responsible for all operating and maintenance costs of the service and will use its annual Charter County Transportation Surtax (Surtax) proceeds for the operation and maintenance of this service.

**TRACK RECORD/MONITOR**

This is the first Agreement between MDT and the Town. The project manager for this Agreement is Gerald E. Bryan, Miami-Dade Section Chief, Transit Service Planning and Scheduling.

**BACKGROUND**

The Town began operating this service prior to entering into an Interlocal Agreement with the County in the 1970s. Therefore, this is the first Agreement between the Town and MDT. The Town's Mini Bus has proven to be quite successful and provides relief from local traffic congestion, reduces parking issues, and connects to surrounding areas through the MDT system.

The Town approved the attached Agreement in August 2013. This Agreement allows the Town to provide residents and visitors with public transportation services in accordance with Chapter 31, Article III, Section 31-113 of the County Code, which concerns the ability of municipalities to operate public transit services only under Interlocal Agreements with the County.

Key provisions of this Agreement include:

- The Town will adhere to all county, federal, state and local transit operating and reporting requirements.

- This Agreement shall remain in force for five years and is subject to two five-year automatic renewals. Each party has the right to terminate for cause or without cause.
- MDT and the Town will work collaboratively to exchange route and schedule information for the benefit of riders.
- The Town currently operates one Mini Bus route from Monday-Friday, 9:00am – 4:55pm through a private contractor. Some of the major route stops include Town Hall, Publix Supermarket, Walgreens, Starbucks, North Park, South Park, Island Pointe, and Blair House.
- The Town Mini Bus connects to the following MDT routes: G, H, S and the Route 120.
- The Town is responsible for bus stop passenger amenities, such as bus shelters and benches at all bus stops served by the Mini Bus.

The Town is currently operating the service at no cost to patrons. In the case where the Town may charge a fare, similar to other agreements for service, this agreement requires the Town to enact a fare structure to include the acceptance of all Miami-Dade Transit passes, transfers, or identification entitling an eligible passenger to ride the service without paying an additional fare (i.e., Patriot Passport and Golden Passport) or for half fare (i.e. kindergarten - 12th grade students).

This Agreement is essentially the same as those previously approved by the Board with several other municipalities.
