Memorandum

To: Honorable Chairwoman Rebecca Sosa

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Declaring Surplus County-Owned Real Property Located at 15880 NW 27 Avenue, Miami Gardens, FL - Folio No. 34-2116-013-0080

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached resolution, which does the following:

- Declares a 23,532 square foot County-owned parcel located at 15880 NW 27 Avenue, Miami Gardens, FL, as surplus;
- Authorizes the property to be sold to the highest bidder through the County's competitive bidding process at a minimum sale amount equal to the appraised value as determined by an appraiser no more than six months from the date of conveyance. This property was appraised at \$320,000, as shown in the attached appraisal by Howard J. Delahanty, Member of the Appraisal Institute (MAI), an independent State of Florida certified appraiser; and
- Waives Administrative Order 8-4 as it relates to review by the Planning Advisory Board because the property is located within the City of Miami Gardens. The action to surplus and sell was not presented to the Planning Advisory Board due to the fact that they do not have jurisdiction within the City of Miami Gardens.

SCOPE

The property is located in County Commission District 1.

FISCAL IMPACT/FUNDING SOURCE

The sale of this property will eliminate the County's obligation to maintain the property, which costs approximately \$660 per year, and will place the property back on the tax roll, generating approximately \$14,149 in annual ad valorem taxes. The proceeds of the sale - minus any portion of the value of the property attributable to the expenditure of non-Community Development Block Grant (CDBG) funds for acquisition or improvement of the property - will be returned to the County's CDBG account for use on CDBG eligible activities.

TRACK RECORD/MONITOR

Carmen Gomez of the Real Estate Development Division in the Internal Services Department is managing the sale of this property on behalf of the Public Housing and Community Development (PHCD) Department.

DELEGATION OF AUTHORITY

Authorizes the County Mayor or the County Mayor's designee to sell the property via sealed bid to the highest bidder, take all actions necessary to accomplish the sale of the property, and authorizes the Chairperson or Vice Chairperson to execute a County Deed for such purpose.

BACKGROUND

The County originally became involved with this property in December of 1985 and April of 1986, when the prior owner received CDBG loans totaling \$150,000 from Dade Employment and Economic Development Corporation (DEEDCO), an economic development not-for-profit entity affiliated with the Community Action Agency (now known as Community Action and Human Services Department).

The loans were used by the prior owner to purchase this property, which consisted of a gas station (including the land, gas station equipment and inventory), and for the renovation of the structure. The County secured these loans with a first mortgage on this property, as well as five vacant residential lots located on NW 115 Street east of NW 22 Avenue, which were also owned by the prior owner. The prior owner failed to make payments on the loans from July 1, 1992 through April 29, 1999, at which time the outstanding balance of principal and interest past due totaled \$243,267. The County foreclosed on the loans and acquired this property on July 19, 2000, through a Certificate of Title recorded in OR Book 19204, Page 1352.

PHCD has no use for the subject property and requested that the Internal Services Department sell the property. As required, the Internal Services Department circulated the property to all County departments to determine whether the County has a present or future need for the property, in which none was determined. The property is comprised of approximately 23,532 square feet of land and contains a building of approximately 2,729 square feet. Because CDBG were used to purchase the property and CDBG funds have been used to maintain it over the years, any future use must meet the national objective of generating at least eight jobs, or, the property must be sold at a minimum sale amount equal to the appraised value (\$320,000) no more than six months from the date of conveyance. The money generated from the sale of the property will be returned to the CDBG account for use on CDBG-eligible projects. The County is retaining a perpetual easement on approximately 33 feet along the east property line for possible future transit usage.

Additional property details are as follows, and shown in the attached property map:
