To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Lazaro Solis
Property Appraiser 

Subject: Resolution Authorizing Intergovernmental Cooperation Agreement with Coastal
Corridor Property Assessment Clean Energy District

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) authorize execution of the attached Intergovernmental Cooperation Agreement (Agreement) by and among Miami-Dade County on behalf of the Tax Collector (Collector), Miami-Dade County Office of the Property Appraiser (Appraiser) and the Coastal Corridor Property Assessment Clean Energy District (District) to allow the District to utilize the uniform method for the levy, collection and enforcement of non-ad valorem assessments, as prescribed in Section 197.3632, Florida Statutes.

SCOPE

The District is located within County Commission Districts 3 and 4. The District has requested that the Appraiser and Collector include its proposed or adopted non-ad valorem assessments for improvements or such other assessments imposed by the District to properties within the incorporated area of the District on the notice as specified in Section 200.069, Florida Statutes, and on the combined notice of ad valorem and non-ad valorem assessments provided for in Sections 197.3632 and 197.3635, Florida Statutes.

FISCAL IMPACT/FUNDING SOURCE

The District agrees that the County shall be entitled to retain two percent on the amount of special assessments collected and remitted to cover all of the County's associated costs. There is no negative fiscal impact to the County as a result of this Agreement.

TRACK RECORD/MONITOR

The District agrees that all certified assessment rolls will be maintained and transmitted to the Appraiser and Collector on compatible electronic medium as defined in Section 197.3632(1), Florida Statutes. The Agreement is managed by the Office of the Property Appraiser.

BACKGROUND

In accordance with Sections 197.3632 and 197.3635, Florida Statutes, and the Agreement, the District will charge separate non-ad valorem assessments for improvements or such other assessments imposed by the District to properties within the incorporated area of the District. The Agreement affords the District the convenience and financial savings of utilizing the TRIM notice and combined tax bill for collection of its non ad valorem assessments. Use of the ad valorem method for collection of these assessments could result in issuance of tax certificates, tax deeds and the loss of title to the property, if said assessments are not paid by the property owners. The term of this Agreement commences with special assessments collected in 2014 and continues until cancelled by either party.
