

Memorandum

Date: May 6, 2014
To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners
From: Carlos A. Gimenez
Mayor 
Subject: Recommendation for Approval/Award: Liquid Chlorine

Agenda Item No. 8(F)(4)

Resolution No. R-412-14

Recommendation

It is recommended that the Board of County Commissioners (Board) approve award of *Contract No. 0398-0/19, Liquid Chlorine* to the vendors set forth below for the purchase of liquid chlorine by the Water and Sewer Department (WASD). The awarded vendors will be providing liquid chlorine suitable for use in drinking and wastewater treatment operations. The solicitation has two groups: (I) Purchase and Delivery of Liquid Chlorine in 90-Ton Rail Cars from Manufacturer's Plant; and (II) Purchase and Delivery of Liquid Chlorine in One-Ton and 150-Pound Cylinders from the Re-Packager's Plant to Miami-Dade County.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact for the five-year term is \$14,291,000. This contract is a consolidation of two contracts: *Contract No. 0398-3/13* valued at \$11,113,000 for five years and five months, and *Contract No. 0507-4/15* valued at \$6,767,000 for three years. The reduction in contract award amount is due to reduced usage of, and reduction in cost of, liquid chlorine cylinders. The allocations are budgeted as follows:

Department	Allocation	Funding Source	Contract Manager
Water and Sewer	\$14,291,000	Proprietary Funds	Gregory Hicks
Total	\$14,291,000		

Track Record/Monitor

Herman Ramsey of the Internal Services Department is the Procurement Contracting Officer.

Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise, at their discretion, contract modifications and extensions in accordance with the terms and conditions of the contract.

Vendor Recommended for Award

An Invitation to Bid was issued under full and open competition on November 19, 2013. The method of award for both Groups I and II is to the two lowest-priced responsive and responsible bidders on an item by item basis as primary and secondary bidders. Two firms responded to the solicitation; however, only one firm submitted a bid for Group I.

In an effort to determine why only one bid was received for Group I, staff conducted a survey of the bidders that downloaded the solicitation but did not submit a bid. The bidders that responded to the survey informed the County that they did not supply this product, had concerns with the insurance limit, or were unable to meet the technical specifications.
