Memorandum

Date: May 6, 2014

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Conveyance of One Single Family Home Building Site to Habitat for Humanity
Humanity of Greater Miami, Inc.

Recommendation

It is recommended that the Board of County Commissioners (Board) adopt the attached resolution authorizing the following:

1. Conveyance of one (1) single family home building site to Habitat for Humanity of Greater Miami, Inc. ("Habitat"), a not-for-profit Florida corporation, for infill housing development;
2. Authorize the waiver of Administrative Order 3-44 as it relates to the conveyance process established in the Section entitled "Availability of County Property;"
3. Comply with Resolution No. R-527-12 which waives the requirement of Resolution No. R-376-11 and declared the lot surplus for the Infill Housing Initiative Program ("Infill Housing Program");
4. Authorize the Chairperson of the Board to execute a County Deed (Attachment A) for such purpose; and
5. Authorize the County Mayor or County Mayor's designee to take all action to enforce the provisions of the Infill Program and the County Deed.

Scope

The folio is located in District 3 represented by Commissioner Audrey M. Edmonson. The 2013 assessed value and other related information for the folio is provided below:

Folio No.	Legal Description and Address	2014 Assessed Value	Lot Size
01-3114-019-0640	Lots 33 and 34, Block 3, Henry Ford Sub NO. 2, PB 9-119 733 NW 69 Street, Miami FL 33150	\$16,666	7,150

Fiscal Impact/Funding Source

The conveyance of this single family home building site to Habitat for infill housing development is for the nominal amount of ten dollars (\$10.00) as permitted by Section 125.38 of the Florida Statutes and Sections 17-121 et seq. of the Code of Miami-Dade County, to be paid by Habitat. The conveyance of the parcel will eliminate the County's obligation to maintain the parcel, which costs approximately \$504 annually since the lot reverted to the County in 2007.

Track Record/Monitor

This project will be monitored by Jorge Cibran, Director of Facilities and Development Division, Public Housing and Community Development ("Department").

Background

The County acquired the parcel by tax deed free and clear of liens, taxes, and mortgages on January 29, 1993. The County conveyed the lot to Fortuna Trucking Company, Inc. ("Fortuna") on June 7, 2001 through Resolution No. R-414-01. Fortuna was unable to develop the property and subsequently conveyed the property to the County through a quit claim deed to the County (See Attachment B).

In 1989, Habitat began building affordable homes in Miami-Dade County. Habitat has been awarded 281 County-owned lots for infill housing development, and added thirty-six (36) of their own private lots to the Infill Housing Program. Habitat has completed and sold 256 homes. Of the remaining sixty-one (61) lots, seven (7) are under contract to be sold, twenty-two (22) lots have reverted to the County, and thirty-two (32) lots are in early pre-development stages.

The requested lot is adjacent to another lot awarded to Habitat. Habitat is interested in developing both lots simultaneously (Attachment C). The Affordable Housing Review Committee reviewed the lot and determined that it was suitable for the development of affordable single family housing. If the lot requires corrective actions, such as variances of zoning and platting, of which Habitat is fully aware, Habitat is willing to undertake. Additionally, at time of conveyance, Habitat is willing to pay any outstanding special assessment and real estate taxes on the lot. There was no interest expressed when the Department circulated the property to County departments and the City of Miami.

The Department reviewed Habitat's past performance and experience, construction financial capability, approach to meeting time schedule and budgets, and marketing skills and ability to reach eligible households. Pursuant to Resolution No. R-739-13 adopted on September 17, 2013, the Board authorized under RFQ No. 839 the establishment of a pre-qualified pool of developers to participate in the Infill Housing Program. Habitat was one of the developers selected to participate in the pool.

Restrictions:

The property will be conveyed subject to the following restrictions:

1. The properties shall be developed as affordable housing, as defined by and in accordance with the requirements of the Infill Housing Initiative established in Sections 17-121 through 128 of the Code of Miami-Dade County and the County's Infill Housing Initiative Guidelines, as amended from time to time.
2. The affordable housing developed on the property shall be sold to very low, low or moderate-income households.
3. The sales price of the home shall not exceed \$129,000.00 or appraised value, whichever is lower.
4. A restrictive covenant shall be recorded on the property at time of sale to the qualified buyer stating that the property shall remain affordable during the control period, which commences on the initial sale date and resets automatically every twenty (20) years for a maximum of 60 years. However, should the same purchaser remain in the home for twenty (20) years, the restrictive covenant shall automatically be released.
5. All real estate taxes and assessments shall be paid when due and no liens or unauthorized encumbrances shall be levied against the property.

6. Assess the infill lot to determine if duplexes, triplexes or quadplexes can be built on said lot, and where feasible, make every effort to develop the property as such, subject to the review and approval of the County Mayor or County Mayor's designee.

Remedies:

In the event Habitat defaults on the deed restrictions and/or other Infill Program and County requirements, the County shall have the right to re-take possession of the property.

In light of the fact that the lot is being conveyed directly to Habitat, it is necessary to waive the section of Administrative Order 3-44 entitled "Availability of County Property," which states that property has been determined to be suitable for infill housing will be offered to a pre-qualified pool through a competitive work order proposal process. Regardless of the requirements of Administrative Order 3-44, the Board is further authorized to convey the lot to Habitat pursuant to section 125.38 of the Florida Statutes, which permits the Board to convey County property to a not-for-profit organized for the purpose of promoting community interest and welfare if the Board determines the property is not needed for use by the County and the not-for-profit organization will use said property for "public or community interest and welfare."

In the event Grantee wishes to sell or refinance the home during the Control Period, Grantee shall obtain prior written approval from the County. RE: 733 NW 69 ST—FOLIO 01-3114-019-0640

Dear Commissioner Edmonson:

In 2011, Habitat for Humanity acquired a parcel at 741 NW 69th street through the Infill program for purposes of constructing a single family home through the Habitat program. Although we were delayed in this construction due to the large NSP-2 project we recently completed (where 163 new families purchased new and rehabbed homes in your district) we are now in the design phase to continue with this project.

When looking at the parcel, it came to our attention that the parcel immediately adjacent, 733 NW 69th St. (information attached) was owned by the County GSA department. This lot is 50 feet wide and would accommodate a single family home.

We are hereby requesting your sponsorship of a resolution item whereby Miami Dade County would allow Habitat for Humanity the right to acquire the property through the infill program, thus allowing us to build a home on the parcel. Were we able to secure this parcel, it would allow us to build a single family home at 741 and 733, next to each other. This does not only allow us to achieve construction efficiencies, but would also have a more significant impact on the community as two new families would come in at the same time.

We hope you will consider this request and that you can sponsor the item. Our partnership with Miami Dade's infill program has yielded amazing results in the community, and this would be one more opportunity to improve on that great track record. I believe this can be done simply with instructions to the County Attorney's office and the Infill Program under PHCD. Thank you in advance for your consideration and for your continued support of Habitat.
