The Small Business Development Division (SBD) History of Violation's report lists no violations for this contractor.

Following PWWM's standard operating procedures, after award of this Contract, a pre-construction meeting will be scheduled. The person responsible for all PTP projects in PWWM is Capital Improvements Coordinator, Mr. Alejandro Martinez-Esteve, RA, LEED AP. Following completion of the award process, the project will be assigned to Mr. Leo Salgueiro, Project Coordinator, for day-to-day responsibilities.

### **Background**

As part of the PTP Neighborhood Improvements initiative, PWWM continues to take advantage of various contracting mechanisms such as the Miscellaneous Construction Contracting process available under the MCC 7040 Program. Through this process, PWWM forwards a Request for Price Quotation, by way of facsimile transmission, to a pool of pre-qualified Community Small Business Enterprise (CSBE) contractors for the respective trade. Additionally, all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project's award evaluation is based upon the bid submitted by the lowest responsive, responsible bidder for the project.

PWWM staff determined that the scope of work for this project qualified for a CSBE set-aside (Levels I, II, and III). A Community Workforce Program Goal was deemed not applicable to this RPQ. On February 7, 2014, PWWM forwarded RPQ No. 20140011, utilizing the MCC 7040 Plan - CICC 7040-0/07 Contract, to a list of 288 pre-qualified firms. A total of three (3) firms purchased contract documents and ten (10) firms proffered a bid.

On March 14, 2014, E & M Equipment Corp. proffered the lowest responsive and responsible base bid of \$665,366.76, eight (8) percent above the County's cost estimate. The second lowest bidder, Acre Engineering and Construction, Inc., proffered a base bid of \$677,017.50, ten (10) percent above the County's cost estimate. The third lowest bidder, RG Underground Engineering, Inc., proffered a base bid of \$698,365.50, 13 percent above the County's cost estimate.

Based on the results of the solicitation, PWWM issued a recommendation for award on March 24, 2014 for RPQ No. 20140011 to E & M Equipment Corp., with the stipulation that approval for this project must be obtained from the CITT and the BCC.
